For years Christians have been asking, "If you died tonight, do you know where you would go?" It turns out that many believers have been giving the wrong answer. It is not heaven. Award-winning author N. T. Wright outlines the present confusion about a Christian's future hope and shows how it is deeply intertwined with how we live today. Wright, who is one of today's premier Bible scholars, asserts that Christianity's most distinctive idea is bodily resurrection. He provides a magisterial defense for a literal resurrection of Jesus and shows how this became the cornerstone for the Christian community's hope in the bodily resurrection of all people at the end of the age. Wright then explores our

expectation of "new heavens and a new earth," revealing what happens to the dead until then and what will happen with the "second coming" of Jesus. For many, including many Christians, all this will come as a great surprise. Wright convincingly argues that what we believe about life after death directly affects what we believe about life before death. For if God intends to renew the whole creation—and if this has already begun in Jesus's resurrection—the church cannot stop at "saving souls" but must anticipate the eventual renewal by working for God's kingdom in the wider world, bringing healing and hope in the present life. Lively and accessible, this book will surprise and excite all who are interested in the meaning of life, not only after death but before it. The bloodsoaked conclusion to

community. In a few short hours, this young man was confronted by more love—and hate—than most experience in a lifetime. Years later, Jan has become a world-renowned writer with widespread influence in the United States, his past buried deep in his memory. Until, at the most inopportune time, the game Jan witnessed comes back to haunt him . . . and unwittingly leads him to a beautiful broken woman caught in an underworld of crime. Jan must now defeat an evil rarely seen. But there is a price. One that even this war-scarred soldier can't imagine. A group of women, the jin-shei sisterhood,

form a uniquely powerful circle that transcends class and social custom. They are bound together by a declaration of loyalty that transcends all other vows, even those with the gods, by their own secret language, passed from mother to daughter, by the knowledge that some of them will have to pay the ultimate sacrifice to enable others to fulfill their destiny. The sisterhood we meet run from the Emperor's sister to the street-beggar, from the trainee warrior in the Emperor's Guard to the apprentice healer, from the artist to the traveller-girl, herself an illegitimate daughter of an emperor and seen as a threat to the throne. And as one of them becomes Dragon Empress, her determination to hold power against the sages of the temple, against the marauding forces from other kingdoms, drags the sisterhood into a dangerous world of court intrigue, plot and counterplot, and brings

them into conflict with each other from which only the one who remains true to all the vows she made at the very beginning to the dying Princess Empress can rescue them. An amazing and unusual book, based on some historical fact, full of drama, adventure and conflict like a Shakespearean history play, it's a novel about kinship and a society of women, of mysticism, jealousy, fate, destiny, all set in the wonderful, swirling background of Syai, a fantasy kingdom inspired by Imperial China.

Mankind ' s first contact with extraterrestrial life led to an incredible revelation. Their last may lead them to extinction. Twenty years have passed since the mysterious Near-Earth Object nicknamed Keanu appeared in the night sky and transported humans from all over Earth into its interior. There they discovered that Keanu was a long-range

spaceship—and they were not alone. They joined forces with the aliens called the Architects, who had come from a distant galaxy to seek help in fighting the vicious Reivers. And they defeated them. Or so they thought. For when Keanu reestablished contact with Earth, they learned that the Reivers have taken over the planet, placing most of the population under their dominion. But mankind's last hope may yet be hidden inside the NEO. And if the men and women still in Keanu cannot find it, humanity will be finished. And the galaxy will be next. The sky is dark. Neither the sun nor the moon have been seen in decades. The land is fruitless, and the seas are barren. No law exists, only the rule of might is exerted over a hapless people by those who can wield it. In a land of darkness and despair, there is one shining light, an ancient prophecy that foretells of the
