**Though the Greek and Roman crewmembers of the Argo II have made progress in their many quests, they still seem no closer to defeating the earth mother, Gaea. Her giants have risen-all of them-and they're stronger than ever. They must be stopped before the Feast of Spes, when Gaea plans to have two demigods sacrificed in Athens. She needs their blood-the blood of Olympus-in order to wake. The demigods are having more frequent visions of a terrible battle at Camp Half-Blood. The Roman legion from Camp Jupiter, led by Octavian, is almost within striking distance. Though it is tempting to take the Athena Parthenos to Athens to use as a secret weapon, the friends know that the huge statue belongs back on Long Island, where it might be able to stop a war between the two camps. The Athena Parthenos will go west; the Argo II will go east. The gods, still suffering from multiple personality disorder, are useless. How can a handful of young demigods hope to persevere against Gaea's army of powerful giants? As dangerous as it is to head to Athens, they have no other option. They have sacrificed too much already. And if Gaea wakes, it is game over.**

A book of firsts! One epic collection containing the first book from three different New York Times #1 best-selling series by Rick Riordan. THE LIGHTNING THIEF: Zeus's master lightning bolt has been stolen and Percy Jackson is the prime suspect. He and his friends have ten days to find and return it and bring peace to a warring Mount Olympus. To succeed, Percy has come to terms with the father who abandoned him, solve the riddle of the Oracle that warns of betrayal by a friend, and unravel a treachery more powerful than the gods themselves. THE LOST HERO: Jason, Piper, and Leo find themselves at Camp Half-Blood where people won't stop talking about a curse and a camper named Percy who's gone AWOL. These three friends must rely on one another and their newfound demigod gifts as they embark on an epic quest to save Mount Olympus. THE HIDDEN ORACLE: Apollo, once the glorious god of the sun, music, and poetry, has been cast down to Earth in punishment by Zeus. Now, as awkward mortal teenager Lester Papadopoulos, he's been tasked with restoring five Oracles that have gone dark in order to regain his place on Mount Olympus. How is he supposed to accomplish that without any godly powers? He needs help, and a demigod named Percy Jackson shows him where to find it: at a training camp on Long Island called Camp Half-Blood. This primer of heroes and demigods will start readers on three unforgettable adventures. Bonus first chapters from two other amazing series promise more exciting journeys.

Jackson "Tres" Navarre returns to San Antonio to seek answers about his father's murder, but all he finds is mafia corruption and local politicians out to ruin his homecoming, and when his girlfriend is kidnapped, Tres must rescue her and save himself. Original.

All five books in the Heroes of Olympus series -- in a paperback boxed set of heroic proportions. From The Lost Hero to the long awaited Blood of Olympus, this collection will thrill loyal readers and be a go-to gift for new fans of the bestselling series. With five books in one package, no one will miss a minute of the excitement. Includes a stunning poster of the Greek and Roman demigods.

Who cut off Medusa's head? Who was raised by a she-bear? Who tamed Pegasus? It takes a demigod to know, and Percy Jackson can fill you in on the all the daring deeds of Perseus, Atalanta, Bellerophon, and the rest of the major Greek heroes. Told in the funny, irreverent style readers have come to expect from Percy, (I've had some bad experiences in my time, but the heroes I'm going to tell you about were the original old school hard luck cases. They boldly screwed up where no one had screwed up before. . .) and enhanced with vibrant artwork by Caldecott Honoree John Rocco, this story collection will become the new must-have classic for Rick Riordan's legions of devoted fans--and for anyone who needs a hero. So get your flaming spear. Put on your lion skin cape. Polish your shield and make sure you've got arrows in your quiver. We're going back about four thousand years to decapitate monsters, save some kingdoms, shoot a few gods in the butt, raid the Underworld, and steal loot from evil people. Then, for dessert, we'll die painful tragic deaths. Ready? Sweet. Let's do this.

The Kane Chronicles

Percy Jackson's Greek Heroes

***The perfect companion to this megaselling series - essential reading for all young demigods! In these top-secret files, Rick Riordan, Camp Half-Blood's senior scribe, gives you an inside look at the world of demigods that NO regular human child is allowed to see. These highly classified archives include three of Percy Jackson's most perilous adventures, a Spotter's Guide to Monsters, a Who's Who in Greek mythology, Percy's Summer Camp report and much more. So, if you're armed with this book, you'll have everything you need to know to keep you alive in your training. Your own adventures have just begun . . .***

***Jason has a problem. He doesn't remember anything before waking up on a school bus holding hands with a girl. Apparently she's his girlfriend Piper, his best friend is a kid named Leo, and they're all students in the Wilderness School, a boarding school for "bad kids." What he did to end up here, Jason has no idea--except that everything seems very wrong. Piper has a secret. Her father has been missing for three days, and her vivid nightmares reveal that he's in terrible danger. Now her boyfriend doesn't recognize her, and when a freak storm and strange creatures attack during a school field trip, she, Jason, and Leo are whisked away to someplace called Camp Half-Blood. What is going on? Leo has a way with tools. His new cabin at Camp Half-Blood is filled with them. Seriously, the place beats Wilderness School hands down, with its weapons training, monsters, and fine-looking girls. What's troubling is the curse everyone keeps talking about, and that a camper's gone missing. Weirdest of all, his bunkmates insist they are all--including Leo--related to a god.***

***Magnus Chase, a once-homeless teen, is on a death-defying quest across the Norse realms, literally. As a resident of the Hotel Valhalla, this son of the god Frey is now one of Odin's chosen warriors. Magnus and his friends, Hearthstone the elf, Blitzen the dwarf, Samirah the Valkyrie, and other heroic characters must use all their wits and special talents in order to defeat fearsome giants, lethal creatures, and meddling gods in order stave off Ragnarok. "A whirlwind of myth, action, and wry sarcasm, perfect for readers hungry for a new hit of that Percy Jackson-type magic."--Horn Book***  
***Percy Jackson, son of Poseidon, has come face to face with two snake-haired ladies who refuse to die. But they're the least of his problems. Because Percy finds himself at a camp for half-bloods, which doesn't ring any bells for him. There's just one name he remembers from his past. Annabeth. One thing is certain - Percy's adventuring days aren't over. He faces the most important quest of all: the Prophecy of Seven. If he fails, it's not just their camp at risk. Percy's old life, the gods, and the entire world might be destroyed . . .***

All year the half-bloods have been preparing for battle against the Titans, knowing the odds of victory are grim. Kronos's army is stronger than ever, and with every god and half-blood he recruits, the evil Titan's power only grows. While the Olympians struggle to contain the rampaging monster Typhon, Kronos begins his advance on New York City, where Mount Olympus stands virtually unguarded. Now it's up to Percy Jackson and an army of young demigods to stop the Lord of Time.

All five books in the Heroes of Olympus saga--in a paperback boxed set of heroic proportions. From The Lost Hero to the Blood of Olympus, this collection of Rick Riordan's mega-bestselling series will be a go-to gift for readers who have finished the Percy Jackson and the Olympians books. The hefty package also includes a free poster of the Prophecy of Seven. The accessible and dramatic cover and poster art by graphic novelist Nilah Magruder will attract a new generation of fans.

Percy is confused. When he awoke after his long sleep, he didn't know much more than his name. His brain-fuzz is lingering, even after the wolf Lupa told him he is a demigod and trained him to fight. Somehow Percy managed to make it to the camp for half-bloods, despite the fact that he had to continually kill monsters that, annoyingly, would not stay dead. But the camp doesn't ring any bells with him. Hazel is supposed to be dead. When she lived before, she didn't do a very good job of it. When the Voice took over her mother and commanded Hazel to use her "gift" for an evil purpose, Hazel couldn't say no. Now, because of her mistake, the future of the world is at risk. Frank is a klutz. His grandmother claims he is descended from ancient heroes, but he doesn't even know who his father is. He keeps hoping Apollo will claim him, because the only thing he is good at is archery. His big and bulky physique makes him feel like a clumsy ox, especially in front of Hazel, his closest friend at camp. He trusts her completely-enough, even, to share the secret he holds close to his heart. Beginning at the "other" camp for half-bloods and extending as far north as the land beyond the gods, this breathtaking second installment in the Heroes of Olympus series introduces new demigods, revives fearsome monsters, and features other remarkable creatures, all of whom are destined to play a part in the most important quest of all: the Prophecy of Seven.

Rick Riordan, the best-selling author of the Percy Jackson series, pumps up the action and suspense in *The Lost Hero*, the first book in *The Heroes of Olympus* series. Fans of demi-gods, prophecies, and quests will be left breathless--and panting in anticipation for Book Two. The accessible and dramatic cover art by graphic novelist Nilah Magruder will attract a new generation of readers.

A brilliant new adventure series from the best-selling author of Percy Jackson. Carter and Sadie have nothing in common but their parents: their father Dr. Julius Kane, a brilliant Egyptologist, and their mother, a famed archaeologist who died under mysterious circumstances when they were young. The siblings barely know each other, but one night, their father brings them together at the British Museum, promising a 'research experiment' that will set things right for their family. His plans go horribly wrong. An explosion unleashes an ancient evil - the Egyptian god Set who banishes Dr. Kane to oblivion and forces the children to flee for their lives. Now orphaned, Carter and Sadie must embark on a dangerous quest - from Cairo to Paris to the American Southwest, to save their father and stop Set from destroying everything they care about . . .

Ana Dakkar is a freshman at Harding-Pencroft Academy, training centre for the best marine scientists and underwater explorers in the world. When Ana embarks on the sea trials

that mark the end of her freshman year, her life as she knows it is blown out of the water. She and her school mates witness a terrible tragedy and discover that Harding-Pencroft and their rival school Land Institute have been engaged in a deadly rivalry going back over one hundred and fifty years. With the rivalry turned up full broil, Ana will be tested more than ever before . . .

A thousand deadly monsters. Three battling demigods. One fatal decision. Hazel looked behind Hecate at the middle gateway. She saw Percy and Annabeth sprawled behind those black-and-silver doors. A massive dark shape, vaguely humanoid, now loomed over them, its foot raised as if to crush Percy. 'What about them?' Hazel asked, her eyes fixed on the creature. 'Percy and Annabeth?' Hecate shrugged. 'West, east or south . . . they die.' 'Not an option,' Hazel said. 'Then you have only one path - and that's the most dangerous of all.'

This eBook set brings together the first three volumes in the wildly popular Heroes of Olympus series: The Lost Hero, The Son of Neptune, and The Mark of Athena. Long-time fans will want this collection and so will new readers just diving into the series.

*The god Apollo, cast down to earth and trapped in the form of a gawky teenage boy as punishment, must set off on the second of his harrowing (and hilarious) trials. He and his companions seek the ancient oracles - restoring them is the only way for Apollo to reclaim his place on Mount Olympus - but this is easier said than done. Somewhere in the American Midwest is a haunted cave that may hold answers for Apollo in his quest to become a god again . . . if it doesn't kill him or drive him insane first. Standing in Apollo's way is the second member of the evil Triumvirate - a Roman emperor whose love of bloodshed and spectacle makes even Nero look tame. To survive the encounter, Apollo will need the help of a now-mortal goddess, a bronze dragon, and some familiar demigod faces from Camp Half-Blood. With them by his side, can Apollo face down the greatest challenge of his four thousand years of existence?*

*A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as "What is this place?" and "Do I get to keep the T-shirt?" Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the*

But rumours of a terrible curse - and a missing hero - are flying around camp. It seems Jason, Piper and Leo are the chosen ones who must embark on a terrifying new quest, which must be completed by the winter solstice. In just four days' time. Can the trio succeed on this deadly mission - and what must they sacrifice in order to survive?*
