Bilbo's quest to find and slay the dragon Smaug is a riveting tale of daring and heroism, but as renowned Tolkien scholar Joseph Pearce shows, it is not simply Bilbo's Journey, it is our Journey too. It is the Christian journey of self-sacrifice out of love for others, and abandonment to providence and grace. *A great modern classic and the prelude to The Lord of the Rings. Bilbo Baggins is a hobbit who enjoys a comfortable, unambitious life, rarely traveling any farther than his pantry or cellar. But his contentment is disturbed when the wizard Gandalf and a company of dwarves arrive on his doorstep one day to whisk him away on an adventure. They have launched a plot to raid the treasure hoard guarded by Smaug the Magnificent, a large and very dangerous dragon. Bilbo reluctantly joins their quest, unaware that on his journey to the Lonely Mountain he will encounter both a magic ring and a frightening creature known as Gollum. Once, Peter Jackson was a name unknown to all but a small band of loyal fans and fellow filmmakers. Now, he is the newest member of Hollywood’s elite fellowship, with his name on the most successful movie trilogy of all time. Written with Jackson’s full participation, this extensive biography, illustrated with never-before-seen photos from Jackson’s personal collection, tells the inside story of how a New Zealander became Hollywood’s hottest property?from the early cult classics, through Academy Award-winning success with Kate Winslet’s Heavenly Creatures, the abandoned King Kong remake, and the filming of The Lord of the Rings’a project which was abandoned two years into pre-production, rejected by most of the other studios, and then picked up by New Line Cinema in the biggest gamble in film history. Drawing upon interviews with 50 of Peter Jackson’s colleagues and contemporaries, author Brian Sibley paints a portrait of a true auteur, a man gifted with single-minded determination and an artist’s vision. Jackson himself is both revealing and insightful about his entire filmmaking life, from his first childhood steps filming in Super 8 to the grand realization of his life’s dream: King Kong. Discovering the Hidden Meaning of the Hobbit

Bilbo’s Journey
Discover the amazing world of Hobbits in this photo-packed, information-filled companion to The Hobbit: An Unexpected Journey, directed by Peter Jackson.

Bilbo Baggins, a respectable, well-to-do hobbit, lives comfortably in his hobbit-hole until the day the wandering wizard Gandalf chooses him to take part in an adventure from which he may never return.

Sauron, the Dark Lord, has gathered to him all the Rings of Power - the means by which he intends to rule Middle-earth. All he lacks in his plans for dominion is the One Ring - the ring that rules them all - which has fallen into the hands of the hobbit, Bilbo Baggins. In a sleepy village in the Shire, young Frodo Baggins finds himself faced with an immense task, as his elderly cousin Bilbo entrusts the Ring to his care. Frodo must leave his home and make a perilous journey across Middle-earth to the Cracks of Doom, there to destroy the Ring and foil the Dark Lord in his evil purpose. JRR Tolkien’s great work of imaginative fiction has been labelled both a heroic romance and a classic fantasy fiction. By turns comic and homely, epic and diabolic, the narrative moves through countless changes of scene and character in an imaginary world which is totally convincing in its detail.

Packed with behind-the-scenes photographs and exclusive interviews with cast and crew, this official illustrated guide tells the detailed story of the making of the final film in the award-winning Hobbit trilogy, directed by Peter Jackson.
