Al-Qur'an, the Guidance for mankind, is a unique translation of the Holy Qur'an in contemporary American English. It includes the Biography of the Prophet Muhammad, peace be upon him, his mission as a Prophet, his ranking as in the human history. Text is paragraphed by theme and theme is written in the margins on each page for easy reference. Its features include - (1) Field Testing the Communication of Divine Message: The unique feature of this translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous patience on part of the participants. May Allah reward them all. (2) Simplicity: In this translation Simple Language and Direct Approach is used for appealing to the common sense of scholars and common people. (3) Understandability: There are no foot notes to refer and no commentary or lengthy explanations to read. All necessary explanations have been incorporated right there in the text with italic type setting to differentiate from the translation of the meanings of Qur'anic Arabic Text. (4) Outline of Pertinent Information: Before the start of each Srah, information relating to its Period of Revelation, Major Issues, Divine Laws and Guidance has been presented as an outline. Then a summary of the preceding events has been tabulated for the reader to understand the histo! rical background to grasp the full meaning of the Divine Message. (5) Reviews, Input and Approvals: This project was started in 1991 and initial draft completed in 1994. Then the Translation was sent to different Ulema (Scholars) in Town and throughout United States for their review and input. After their reviews and input it was sent to Jme Al-Azhar Al-Sharif in Egypt, Ummal Qur in Saudi Arabia and International Islamic University in Pakistan for their review, input and approval. The Holy Qur-An

Koran (The Holy Quran)

Muslims believe that the Qur'an represents the words of God as revealed by the Angel Gabriel to Muhammad over a period of approximately twenty-three years, beginning in 610 AD, when he was forty, and concluding in 632 AD, the year of his death. All of people read the Quran than any other book ever written. This new edition of the book has been published to help Muslims not fluent in Arabic to understand the meaning of the words. It includes an English translation by Abdullah Yusuf Ali and a transliteration. However, it is important to remember at all times that the authoritative text is the Quran itself. These translations and transliterations are only intended to be helpful guides. They are not substitutes for the original. Every Muslim is required to read and understand the words "To The Extent of his ability" is key. Obviously, a man who cannot speak Arabic and who is poorly educated will not be able to achieve the same level of understanding that a highly literate and educated native speaker of Arabic can. Nevertheless, everyone can understand the actual words of the Quran. There is no Pope or supreme authority in Islam. Every man is his own authority. This is what Muslims believe.

Translation and Commentary

The Holy Qur'an

The Glorious Qur'an

The Quran is the sacred text of Islam. For Muslims, it is the word of the one God. The Quran was revealed to the last prophet Muhammad (ﷺ) from the year 610 until his death in 632 by the angel Gabriel (ﷺ). According to the Quran, Allah is the author of all the sacred books of the three monotheistic religions that are Islam, Christianity, and Judaism. He thus revealed the Gospel to the penultimate prophet Jesus and the Torah to the prophet Moses. Thus we read in verse 3 of Surah 3: "It is He Who has sent down the Book (the Quran) to you (Muhammad) with truth, confirming what came before it. And he sent down the Taurat (Torah) and the Injeel (Gospel)." However, Islam considers that with the exception of the Quran, all holy books have been falsified by man. Verse 75 of Surah 2 goes in this direction: "Well, do you hope [Moslems] that such people [the Jews] will share the faith with you? while a group of them; after hearing and understanding the word of Allah, falsified it knowingly. " This present work is an English translation of the meaning of the verses of the Qur'an by Abdullah Yusuf Ali.
