The Incredible Adventures Of Rush Revere Rush Revere And The Brave Pilgrims Rush Revere And The First Patriots Rush Revere And The American Banner Rush Revere And The Presidency

With the building of the railroad and the settlement of the plains, the North West was opening up. The Klondike stampede was a wild interlude in the epic story of western development, and here are its dramatic tales of hardship, heroism, and villainy. We meet Soapy Smith, dictator of Skagway; Swiftwater Bill Gates, who bathed in champagne; Silent Sam Bonnifield, who lost and won back a hotel in a poker game; and Roddy Connors, who danced away a fortune at a dollar a dance. We meet dance-hall queens, paupers turned millionaires, missionaries and entrepreneurs, and legendary Mounties such as Sam Steele, the Lion of the Yukon. Pierre Berton's riveting account reveals to us the spectacle of the Chilkoot Pass, and the terrors of lesser-known trails through the swamps of British Columbia, across the glaciers of souther Alaska, and up the icy streams of the Mackenzie Mountains. It contrasts the lawless frontier life on the American side of the border to the relative safety of Dawson City. Winner of the

Governor General's award for non-fiction, Klondike is authentic history and grand entertainment, and a must-read for anyone interested in the Canadian frontier.

THE AMERICAN REVOLUTION HAS BEGUN—AND RUSH REVERE, LIBERTY THE HORSE, AND THE TIME-TRAVELING CREW ARE READY TO RIDE INTO THE ACTION! Join us on this incredible time-travel adventure! Liberty, my wisecracking horse, our old friends Cam, Tommy, Freedom, and I are off to meet some super-brave soldiers in the year 1775. Yep, that's right. We'll be visiting with the underdog heroes who fought for American independence, against all odds—and won! But not before eight very real years of danger and uncertainty. Be a part of Rush Revere's crew as we rush, rush, rush into a time when British rule had become a royal pain, and rebellion was in the air. We'll be on hand to see two lanterns hung in the Old North Church, prevent a British spy from capturing Paul Revere, and grapple with danger at the battles of Lexington, Concord, and Bunker Hill. The extra special part of this trip is that right here in the twenty-first century, Cam's dad is a soldier fighting in Afghanistan, and Cam has been pretty angry that he is away. Visiting with exceptional American heroes like Dr. Joseph Warren and George Washington, racing along after Paul Revere on his midnight ride, and seeing the Declaration of Independence signed make Cam see his own dad in a new and special way. But don't worry. Along

with the danger, excitement, and patriotism, there will still be time to stop for a delicious spinach, oats, and alfalfa smoothie. No, wait—that one's for Liberty. The kids and I voted for strawberries. Now let's open the magic portal to the past!

Born a slave in Maryland, Harriet Tubman knew first-hand what it meant to be someone's property; she was whipped by owners and almost killed by an overseer. It was from other field hands that she first heard about the Underground Railroad which she travelled by herself north to Philadelphia. Throughout her long life (she died at the age of ninety-two) and long after the Civil War brought an end to slavery, this amazing woman was proof of what just one person can do.

Rush Limbaugh, America's #1 radio talk show host and #1 New York Times bestselling author presents a collection of the political and social observations conservatives have come to love and liberals love to hate. Limbaugh, a consummate entertainer and provocative political commentator, who delighted in being called "The Most Dangerous Man in America," led the charge to embrace and defend the fundamental values that have shaped the American character—the same values that cause liberals to have conniptions. The Democrats may be in the White House—but even they can't ruin this country in only four years, proclaims Rush. Conservatism's most outspoken champion and ever the optimist, Rush viewed the "pernicious liberal movement" as a

Adrenaline Rush

Time-Travel Adventures with Exceptional Americans

The Wonderful Story of Henry Sugar

Gold Fever

The Klondike Fever: The Life And Death Of The Last Great Gold Rush

The River of Doubt

Substitute middle-school history teacher Rush Revere takes his students back in time to experience American history as it happens aboard the Mayflower and on Plymouth Plantation.

In the bestselling tradition of Bill Bryson and Tony Horwitz, Rinker Buck's *The Oregon Trail* is a major work of participatory history: an epic account of traveling the 2,000-mile length of the Oregon Trail the old-fashioned way, in a covered wagon with a team of mules—which hasn't been done in a century—that also tells the rich history of the trail, the people who made the migration, and its significance to the country. Spanning 2,000 miles and traversing six states from Missouri to the Pacific Ocean, the Oregon Trail is the route that made America. In the fifteen years before the Civil War, when 400,000 pioneers used it to emigrate West—historians still regard this as the largest land migration of all time—the trail united the coasts, doubled the size of the country, and laid the groundwork for the railroads. The trail years also solidified the American character: our plucky determination in the face of adversity, our impetuous cycle of financial bubbles and busts, the fractious clash of ethnic populations competing for the same jobs and space. Today, amazingly, the trail is all but forgotten. Rinker Buck is no stranger to grand adventures. *The New Yorker* described his first travel narrative, *Flight of Passage*, as “a funny,

Bookmark File PDF The Incredible Adventures Of Rush Revere Rush Revere
And The Brave Pilgrims Rush Revere And The First Patriots Rush Revere
And The American Banner Rush Revere And The Presidency

cocky gem of a book,” and with *The Oregon Trail* he seeks to bring the most important road in American history back to life. At once a majestic American journey, a significant work of history, and a personal saga reminiscent of bestsellers by Bill Bryson and Cheryl Strayed, the book tells the story of Buck's 2,000-mile expedition across the plains with tremendous humor and heart. He was accompanied by three cantankerous mules, his boisterous brother, Nick, and an “incurably filthy” Jack Russell terrier named Olive Oyl. Along the way, Buck dodges thunderstorms in Nebraska, chases his runaway mules across miles of Wyoming plains, scouts more than five hundred miles of nearly vanished trail on foot, crosses the Rockies, makes desperate fifty-mile forced marches for water, and repairs so many broken wheels and axels that he nearly reinvents the art of wagon travel itself. Apart from charting his own geographical and emotional adventure, Buck introduces readers to the evangelists, shysters, natives, trailblazers, and everyday dreamers who were among the first of the pioneers to make the journey west. With a rare narrative power, a refreshing candor about his own weakness and mistakes, and an extremely attractive obsession for history and travel, *The Oregon Trail* draws readers into the journey of a lifetime. Did George Washington really cut down his father's cherry tree? Who was the last president to have facial hair? Which U.S. president had a country's capital city named after him? Which president earned the nickname, "His Accidency"? With *The Everything Kids' Presidents Book*, you'll be at the head of your class after learning about the lives, legacies, and impact that our country's 44 leaders had on the history of the United States. Filled with fun facts, trivia, and 30 puzzles, *The Everything Kids' Presidents Book* introduces you to everyone from our first president, George Washington, through George W. Bush. Learning about the people who shaped the history of our country has never been so much fun! In 1897, tens of thousands of would-be prospectors flooded into the Yukon in search of instant wealth during the Klondike Gold Rush. In this historical tale of mayhem and obsession, characters like

prospectors George Carmack and Skookum Jim, Skagway gangster Soapy Smith and Mountie Sam Steele come to life. Enduring savage weather, unforgiving terrain, violence and starvation, a lucky few made their fortune, and some just as quickly lost it. The lure of the North is still irresistible in this exciting account of a fabled era of Canadian history.

Rush Revere and the Presidency

The Mostly True Adventures Of Homer P. Figg (Scholastic Gold)

This Wicked Rush

NATIONAL BESTSELLER • At once an incredible adventure narrative and a penetrating biographical portrait—the bestselling author of *Destiny of the Republic* brings us the true story of Theodore Roosevelt’s harrowing exploration of one of the most dangerous rivers on earth. The River of Doubt—it is a black, uncharted tributary of the Amazon that snakes through one of the most treacherous jungles in the world. Indians armed with poison-tipped arrows haunt its shadows; piranhas glide through its waters; boulder-strewn rapids turn the river into a roiling cauldron. After his humiliating election defeat in 1912, Roosevelt set his sights on the most punishing physical challenge he could find, the first descent of an unmapped, rapids-choked tributary of the Amazon.

Bookmark File PDF The Incredible Adventures Of Rush Revere Rush Revere
And The Brave Pilgrims Rush Revere And The First Patriots Rush Revere
And The American Banner Rush Revere And The Presidency

Together with his son Kermit and Brazil's most famous explorer, Cândido Mariano da Silva Rondon, Roosevelt accomplished a feat so great that many at the time refused to believe it. In the process, he changed the map of the western hemisphere forever. Along the way, Roosevelt and his men faced an unbelievable series of hardships, losing their canoes and supplies to punishing whitewater rapids, and enduring starvation, Indian attack, disease, drowning, and a murder within their own ranks. Three men died, and Roosevelt was brought to the brink of suicide. The River of Doubt brings alive these extraordinary events in a powerful nonfiction narrative thriller that happens to feature one of the most famous Americans who ever lived. From the soaring beauty of the Amazon rain forest to the darkest night of Theodore Roosevelt's life, here is Candice Millard's dazzling debut.

busy streets of Philadelphia will lead us to the famously introverted Father of our Constitution, James Madison, and the heated secret debates over the Constitution and the Bill of Rights. Fast-forward a few years, and we'll help his brave wife, Dolley, risk her life to save an important portrait from the White House as the British set Washington afire! What greater symbol of our exceptional nation's hard-won freedoms than the Star-Spangled Banner, sewn by American icon Betsy Ross? Perhaps Francis Scott Key can explain what inspired him to pay tribute to our glorious flag by writing our beautiful national anthem. But watch out for the bombs bursting in air, because when we reach 1814, we'll be front and center at a major battle to defend our liberty. Jump back in the saddle with me, Rush Revere, and the Time-Traveling Crew, as my trusty horse, Liberty, takes us on another flying leap through American history into a past teeming with heroes and extraordinary citizens who have so much to teach us about patriotism. All you need to bring is your curiosity about the birth of our democracy—I've got plenty of tricornered hats for everyone!

THIS WICKED RUSH (Wild Rush Book 2) If loving him is bad, I don't want to be good... I'm starting to forget why it's a bad idea to get in any deeper with a man who is a walking, talking contradiction. A man who's introduced me to a life of crime and dark pleasure unlike anything I've ever known. I've spent my life putting aside my own needs and cleaning up after other people's mistakes. Now, I want to make a mistake of my own. I know I'm playing with fire, but for Gabe I'm willing to beg to be burned.

Working alongside free men, William Clark's slave, York, performed many important duties--such as hunting for food, building forts, and improving relations with the Indians--that helped make the expedition such a great success.

Incredible Tales of the Klondike Gold Rush

The Further Adventures of Rush Revere

Time-Travel Adventures With Exceptional Americans

The fictional Thomas Hartley gives readers a historical portrait of life in the California gold fields, offering a unique and witty snapshot of a key period in the economic development of the United States.

DIVAction-packed account of perilous journey made by undaunted men who faced hostile Indians, prairie fires, floods, famine, sub-zero weather, and other perils to chart the vast unknown lands of the Louisiana Purchase. /div

In this riveting, true, action-packed middle-grade historical adventure, two friends rush with thousands of other prospectors heading north to claim their riches in the Klondike goldfields. Marshall Bond and Stanley Pearce journeyed north in the late 1800s to stake their claim in the Klondike goldfields. The two friends book passage on a northbound steamship, haul a year's worth of supplies over steep mountain passes, and navigate 500 miles of treacherous lakes and rivers to reach their destination. This expedition is life threatening, but they make it to Dawson City, in Canada, build a cabin, and meet another young prospector, Jack London--all the while searching for the ultimate reward: gold! Co-written by a great-nephew of Staney Pearce, this book

Bookmark File PDF The Incredible Adventures Of Rush Revere Rush Revere And The Brave Pilgrims Rush Revere And The First Patriots Rush Revere And The American Banner Rush Revere And The Presidency.

includes their telegrams, diaries, and letters, as well as newspaper articles and photographs. An author's note, timeline, bibliography, and further resources encourage readers to dig deeper into the Gold Rush era.

“Absolutely first-rate.”—The New Yorker This thrilling story is at once first-rate history and first-rate entertainment. Incredible events occurred in North America after a decrepit steamboat docked at Seattle in 1897 containing two tons of pure gold. So frenzied was the clash for gold and so scant was information about conditions in the Klondike that the rush for riches became a kind of fabulous madness. The entire tale—of which Pierre Berton’s account is the definitive telling—has an epic ring (legends were lived and fortunes were won) as much because of its splendid folly as because of its color and motion. “The definitive account of an affair as wildly improbable as any in North American history.”—Saturday Review “A lively saga of the great gold rush. It is the most complete and most authentic on the subject in English.”—The New York Times Book Review

Adventures of Rush Revere

Everyone's an exhibitionist in disguise... When lonely divorcée Jade seeks to broaden her horizons, she's invited to a private dinner event which promises to stimulate all of her senses. Wearing nothing but masquerade masks, dinner guests receive special service under the table while their fellow diners look on. Intrigued, Jade books an appointment and on the scheduled date drives to a private countryside villa. Greeted by a stunning nude hostess, she's escorted to a personal spa where she's sensually prepped for the main event. By the time dinner is set to begin, Jade is already at a fever pitch of excitement. During the feast, she watches with increasing arousal as an exotic mix of naked men and women are serviced by mysterious sensualists. When her turn finally arrives, Jade is aching in anticipation of what surprises lie in wait while eight strangers watch her have the erotic experience of her life...
