

The Irish Cello Book Traditional

A book of my traditional Irish music compositions (jigs, reels, hornpipes, airs, marches, waltzes, slip jigs) combined with written narratives about the compositions and with assorted pictures relating thereto.

(Berklee Guide). Play jazz ukulele! Learn the essential theory, concepts, and techniques to perform jazz. This book will help you to understand and play jazz harmonies and tension substitutions, and the principles for improvisation and accompanying other musicians. It includes traditional notation and tablature, and also introduces additional types of notation common in jazz. The accompanying online audio lets you hear the concepts and then practice them along with a jazz combo. By the end of the book, you will be able to play jazz ukulele in ensemble and solo settings.

Discover your inner fiddler! Liven up your viola practice, bring joy to those around you, and captivate your audience with these enchanting fantasias on folk and fiddle tunes. From toe-tappingly energetic to exquisitely beautiful, these unaccompanied viola solos weave melodies with lyrical supporting notes that enhance and imply harmony. This book is not intended to be a collection of straight fiddle tunes, of which there are many. Instead, these arrangements creatively embellish the notes of the folk and fiddle tunes so that you can create a beautiful sound for a background gig or audience. These viola fiddle solos are in first position and are set at an early-intermediate level. Please note: the book is intended to be played alone; there is no accompaniment and the book is not compatible with the books of arrangements for other instruments. This book could be followed by Flying Solo Viola, Book Two.

This collection contains 14 arrangements of 22 traditional tunes from Ireland and Scotland in a variety of styles including jigs, reels, hornpipes, slip jigs, strathspeys, waltzes and airs, the harmonies are written so that various combinations from solo instrument with piano, to duets and trios, to full string quartet/orchestra are possible. the viola book includes melody (solo) viola, viola harmony, third violin, and full score including violin, viola and cello parts with piano accompaniment. All of the Celtic Tunes for Solo and Ensemble books (Violin, Viola and Cello/Bass) are written as ensemble books, so they can be played as solo books or together as ensemble.

(Berklee Guide). A comprehensive reference to terms used in the performance, creation, and study of music today. Covering instrumental and voice performance, audio technology, production, music business, and other dimensions of the modern music industry, its 3,400+ entries include many terms that are common among practicing musicians, but are found in no other dictionary. At the same time, it incorporates traditional terminology from early music to the present and across diverse cultures, as well as clarifying customary instrumental abbreviations and foreign language terms. Comprehensive lists of scales and chord symbol suffixes are itemized in the appendices.

An exciting collection of 29 traditional tunes from Ireland, arranged for easy fiddle. All tunes are written clearly in standard notation with bow directions, an accompanying CD contains all the tunes, played at a manageable speed, with guitar accompaniment.The collection contains airs, well known songs, polkas, slip jigs, slides, double jigs, hornpipes and reels, all of which are specially arranged by the author with the beginning/intermediate fiddle player in mind. on the CD, the tunes are played 2 or 3 times, so you can really get into the feel of the tune, when playing along. the speed of the tunes is quite slow, but not so slow as to take away from the essential feel of the music.Irish music is rightly popular all over the world. the haunting beauty of the slow airs and infectious foot-tapping rhythms of jigs and reels are here to be discovered in this selection of great traditional music.

(Music Sales America). This book explains and shows in detail the various techniques used by fiddle players in creating a traditional style of playing. All the information is presented in the context of the music itself, with numerous transcribed and recorded examples. It is aimed not only at the beginner, but also the fiddle-player (and indeed violinist) with some knowledge and experience who wishes to learn more. For those unable to read music, a chapter on notation is included. Particular emphasis is given to bowing and ornamentation, with individual chapters devoted to jigs, slides, polkas, hornpipes, airs and reels. The book also attempts to convey something of the excitement felt in playing music which has a large degree of improvisation, albeit within certain bounds. The demonstration CD, which features a large selection of the transcribed tunes and ornaments performed by Cranitch, is an invaluable aid to learning as it allows the listener to hear how the music and ornamentation should sound.

This is the second popular book of beautiful Celtic tunes compiled and arranged for the cello by Abby Newton. Most of the tunes in this collection are from her recent recordings, Castles Kirks and Caves and Ferintosh. The book is organized in three parts: Tunes, Sets, and Duos. The first part, Tunes, contains an assortment of twenty-eight tunes culled mostly from the well know Scottish and Irish traditional tune books including collections by Capt. Simon Fraser, Patrick McDonald, Niel Gow and James Oswald. The second part, Sets, consists of several tunes played in succession. Part three, Duos, includes two part scores (with treble and bass lines) that come mainly from James Oswald's Airs for the Seasons and Burke Thumoth's Collection of Scots and Irish Tunes 1745.

Basic Fiddlers Philharmonic: Old-Time Fiddle Tunes is absolutely perfect for introducing fiddling to your youngest string players. Eleven tunes from the old-time American fiddling traditon are presented first in a simplified, "basic" version of the tune printed with note names in the note heads. Following the Philharmonic format, the tune is then presented in an "advanced," but still accessible version of the tune. Several options for simple back-ups and very basic improvisation tips are provided for each instrument. Basic Fiddlers Philharmonic keeps each version on its own staff to avoid confusing young readers and lyrics are included where applicable. The accompaniment CD features recordings of both versions as well as a back-up track for play-along at home or in class.

Learn to Play Irish Fiddle is a book and two CD set that introduces the absolute beginner to the great traditional fiddle music of Ireland, going right from the basics of how to hold and make the first sounds on the instrument - through specially composed, manageable tunes in the Irish style - right up to playing traditional reels, jigs and other dance tunes from the traditional repertoire (the specially composed tunes bridge the gap between the basics and the traditional music). Embellishments and techniques that make good Irish fiddle playing so infectious, such as rolls, cuts, triplets and slides are gradually introduced, the student will also become familiar with some of the more advanced ideas concerning playing

Irish traditional music such as variations and dynamics - subjects which are covered in greater detail in "Irish Fiddle Playing: A Guide for the Serious Player" book/CD sets by the same author. Useful appendices and a cross-referenced glossary are also included.The accompanying CDs contain all the tunes in the book (played at a slow tempo) plus many exercises.There is NO NEED FOR ANY PRIOR MUSICAL KNOWLEDGE in order to use this book. Each aspect of playing and theory is covered in an accessible and manageable way.

A wonderful collection of 28 Celtic harp solos based on music from Ireland, Scotland, and Wales. Now, Sir Walkins' Jig, Treasure of Sierra Madre, the Blackbird, the Bonnie Lass O'Bon Accord, and more. All selections appear in grand staff notation.

Cello Playing for Music Lovers provides beginners and intermediate students with an authoritative, step-by-step guide to learning to play the cello. Diliانا Montchilova, a graduate of Juilliard, provides technical explanations and many photos. Gifted cellist Erik Friedlander plays the 116 musical figures discussed in the book on the accompanying play along CD.

The book includes musical examples from folk, Broadway and classical traditions.Written from the student's viewpoint, it teaches all the required skills, including reading music, using the bow effectively, analyzing musical structures. The book starts from scratch with songs transcribed for beginners and advances gradually to 4th position Included are folk songs, hymns, Broadway standards like "Even Enchanted Evening," and classical selections like a Bach Prelude and Sarabande. Later sections explore some music theory and how to play in chamber music groups The author, a Ph.D. and experienced teacher, presents this fascinating material in small, logical steps. As cellist Aaron Minsky said, "Your idea that the cello can be enjoyed on a simple level even when in a few weeks of study is very true. . . This book will bring the joys of cello playing to many people who would not have believed it possible." Playing the cello will give any music lover unparalleled satisfaction. If you always wished you could do it "in your next life," do it now.

Quite possibly the largest collection of fiddle music for viola ever published! Contains a wealth of material for fiddlers seeking a transition to the viola and/or violists in search of a collection of traditional fiddle music. Designed to meet the rising popularity of the viola's role in folk music, the tunes in this book are grouped into C, G, D, F, B-flat, and E-flat major fingering. the music in this book is printed on parallel staves. the top is traditional viola notation in the alto clef while the bottom is the same music in transposing violin notation, allowing fiddlers who read the G or treble clef to play the viola by fingering it as if it were a fiddle.

Eclectic cellist, Renata Bratt, has written the ultimate book for the fiddling cellist, this time from the perspective of an accompanist. Herein, you'll find the theoretical and technical foundation for everything you need to creatively back up the lead player in a fiddle jam session, not to mention playing the lead yourself. This progressive method includes detailed fingerings and bowings for traditional fiddle tunes like: Salt Creek, Jenny Dang the Weaver, The Water Is Wide, The Girl I left Behind Me, The Road to California, Mason's Apron, and Green Grows the Laurel –plus three jigs and a slip-jig. Accompanment elements include single chord-tone backup, bluegrass bass style, 2 and 3-note chords and a slip-jig. A Cello Christmas contains Christmas and Holiday tunes from a wide variety of sources. Old English, French, German, Austrian, Irish, American, and Ukrainian carols are included alongside the traditional hymn carols. All these melodies are arranged for cello solo and have suggested bowings, guitar chords, piano accompaniment, and background information. A second cello part included with each tune makes this a useful cello duet book. The collection is a great resource of traditional Christmas music for cellists.

Just how "Irish" is traditional Irish music? Trad Nation combines ethnography, oral history, and archival research to challenge the longstanding practice of using ethnic nationalism as a framework for understanding vernacular music traditions. Tes Slominski argues that ethnic nationalism hinders this music's development today in an increasingly multiethnic Ireland and in the transnational Irish traditional music scene. She discusses early 21st century women whose musical lives were shaped by Ireland's struggles to become a nation; follows the career of Julia Clifford, a fiddler who lived much of her life in England, and explores the experiences of women, LGBTQ+ musicians, and musicians of color in the early 21st century.

(Berklee Guide). Learn to use strings in your compositions and arrangements! From romantic chord pads to powerful grooves to gut-wrenching passionate melodies, strings do it all. This book presents time-tested techniques and contemporary developments in writing and arranging for strings. You'll learn strategies for authentic writing in many different styles and find ideas to take your personal sound forward. Discover voicings that work best for each project and explore the intricacies of bowing. Hear articulation approaches from pads to chopping in the online audio examples. See how other composers have used strings to heighten the impact of their music in the written examples. Make your work stand out with the drama and depth that well informed string writing can bring. You will learn: • The tunings, range, and timbres for the violin, viola, cello, and bass, including standard instruments and common variations, including acoustic, electric, and synthesized string instruments and sections • Bowing techniques and possibilities • Characteristic articulations and sounds, such as vibrato, pizzicato, sul tasto, trills, tremolos, and harmonics • Timbral and rhythm effects, such as chorus, technique, portamento, and falto • String-section arranging techniques, such as melody/countermelody, fills, pads, and comping • Stylistic nuances of genres such as American roots, Celtic, jazz, rock, klezmer, eastern European, Gypsy jazz, and swing • Mic, recording, and live sound techniques for capturing the best string sounds for both acoustic and electric instruments
In his preface, the author reminds the reader that this is not a book for the absolute beginner. Even the experienced player may not get it on first reading a given tune, but You can expect to enjoy the process of learning...[and experience] the joy of recreating a traditional tune, of making it your own. This is the teacher/ student pact in effect throughout this marvelous book, written for the literary as much as the musical connoisseur. Although no classical violin experience is needed, you will need to know how to hold the fiddle and bow, and be able to play at least simple tunes in the first position. Having the ability to read music will enable you to follow the bowing patterns and left-hand techniques which the author feels are crucial in grasping the playing style.

The book is designed to make the personal aspects of traditional Irish fiddle playing, improvisation and interpretation, accessible to novice players. Drawing on his experience writing out reels, jigs and other tunes for new players at a North London session and teaching fiddle, the author conveys what to do with tunes to make them your own. The first part of the book discusses such subjects as the language of traditional music, posture, bowing, and effective practice, with a detailed analysis of left and right hand technique. The second section is a selection of tunes that demonstrate the ideas in the first part. The aim of the book is to allow the player to look more closely at their technique while also improving accuracy and speed. A recording adds an extra dimension to the learning experience. Instrumental Music Education: Teaching with the Musical and Practical in Harmony, Third Edition, is intended for college instrumental music education majors studying to be band and orchestra directors at the elementary, middle school, and high school levels. This textbook presents a research-based look at the topics vital to running a successful instrumental music program, while balancing musical, theoretical, and practical approaches. A central theme is the compelling parallel between language and music, including "sound-to-symbol" pedagogies. Understanding this connection improves the teaching of melody, rhythm, composition, and improvisation. The companion website contains over 120 pedagogy videos for wind, string, and percussion instruments performed by professional players and teachers, over 50 rehearsal videos, rhythm flashcards, and two additional chapters: "The Rehearsal Toolkit" and "Job Search and Interview." It also includes over 50 tracks of acoustically pure drones and demonstration exercises for use in rehearsals, sectionals, and lessons. New to This Edition: A new chapter on teaching beginning hand using sound-to-symbol pedagogies Expanded coverage for strings and orchestra, including a new chapter on teaching beginning strings A new chapter on conducting technique Expanded material on teaching students with disabilities Concert etiquette and the concert experience Expanded coverage on the science of learning, including the Dunning-Kruger effect and the effective use of repetition in rehearsal Techniques for improving students' practice habits

A book of traditional Celtic tunes arranged for cellos with rockin' groove and chop-based accompaniments. Includes forty-seven tunes from Ireland, Scotland, the Shetland Isles, and Canada in duet arrangements, all chosen with cellists in mind and in a variety of styles including jigs, slip jigs, reels, strathspeys, planxtys and airs in traditional keys. Performing in the groove is so important for string players that the American String Teachers Association recognizes this skill as a separate category in their Alternative String Style Awards. Playing these idiomatic and often syncopated accompanimental patterns is a great way to learn these styles. Companion CD includes all arrangements performed by the author.

Maureen O'Carroll vividly brings to life growing up in a large, quirky but ambitious Irish immigrant family, as seen through the eyes of middle child Maureen. After years of periodic imprisonment in Ireland for their fight for independence, Maureen's parents immigrated to Sydney, Australia where they raised ten children during the Depression and war time. The patriarch, John O'Carroll, sets up in the storefront of their Balmain terrace house a barbershop. The Anchor Hairdressing Salon, which becomes a hub of activity for the locals. Throughout this colorful memoir infused with Irish history, local politics, Catholicism and the humorous struggles of Depression-era life, music remains a vital theme; It is instrumental in all ten O'Carroll children overcoming their hard circumstances to achieve a better life.
