

The Jesus Factor

On the heels of her mother's death, Hope Logan reluctantly returned to her grandparents' home place in search of a journal that revealed explosive crimes and atrocities of the past that had haunted her grandma for nearly sixty-five years. Bitterness, unforgiveness, and anger consumed her as she set out to solve the mystery that surrounded her grandma's life. The dark evil secret that was contained in the journal only deepened her resentment of God. Because of her quest, she came in contact with many strong believers, especially a handsome young pastor and three senior citizens. In that small town in the foothills of the mountains of North Carolina, Hope's bitterness, unforgiveness, and anger slowly began to fade in the light of the strong faith of the young pastor and three senior citizens. She discovered the true meaning of faith and hope in Christ in the midst of adversity. Carolyn Digh Griffin, a native North Carolinian, resides in Waxhaw, North Carolina, with her husband, Hoyle. She is retired from Union County Public Schools where she was an Administrative Assistant to the Assistant Superintendent. She has two daughters and four grandchildren who also reside in the Old North State.

Two things can happen through grief: we can become comfortable with it, allowing it to become an unwanted companion, or we can let hope rise. The latter is anything but easy; it's a journey. In *Nothing to Hold but Hope*, Jennifer Kostick takes us through her real life struggle of pain, telling us the story of her fifteen-year battle through miscarriage, stillbirth, and secondary infertility. She invites us to walk with her through the desert of grief while searching for hope. Throughout each step, Jennifer paints a candid portrait of what the battle of grief looks like, while providing encouragement for the weary heart along the way.

This book will set you free in the name of Jesus. All you have to do is believe!

The book you are about to read is not just any ordinary book. This book has been designed with your Self-Discovery in mind. Are you tired of living beneath your God-given potential? Well, it's time that you do something about it. It's time for you to go after your dreams. We both know you were created to be successful in this life but sometimes we need that extra push. Reader, I'm about to push you! Within the pages of this book, you will notice that as you read, I will be talking to you through you. It was intentionally and strategically ordered so that you can encourage you. As you read, allow these words that you will speak over yourself to take a grip of your heart and spirit. Assuredly, you will watch the sure results of Success and Self-Discovery become second nature to you. Are you ready to see what happens when your heart, mind, and spirit align together with one purpose? You are at the edge of something so big that it will literally defy all human logic. Success is knocking at your door. You've waited for this moment, so let's go! I'm Ready! The person you were created to be is waiting to be Awakened! There is something on the inside of every person on earth that makes them different. When you were born, you were born with a purpose already pre-ordained. The journey to self-discovery will be the most powerful walk of life. During this journey you will encounter a variety of situations that may cause you to question who you are and what you were called to accomplish. The good thing is that as you begin, it won't be long before whatever you have a passion for is awakened. When that happens, you then have successfully made it to the first step of living your best life. The journey to your new life starts NOW! Are You Ready Experience The Life You've Been Waiting For? Have You Been Struggling Trying To Discover Your Purpose? Having Trouble Deciding What Career Path You Want To Pursue? Join Andy Smith as he takes you into a Mind-Blowing journey that sends you on a quest to discover who you were created to be! What You Can Expect To Receive From The I AM Factor: Powerful Tools That Will Help Turn The Light On Your Hidden Treasures! Powerful Tools That Will Assist You In Maximizing Moments! Powerful Tools That Will Enhance And Empower You To Succeed! And So Much More... It's Your Time To Soar! Unlock Your Hidden Potentials Today!

"It was the best of church, it was the worst of church..." [not Charles Dickens] In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan B. We are it! I call this book, 'i, church' because more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of

what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good coffee] FROM A BESTSELLING AUTHOR! Who exactly was the historical Jesus Christ? Do you really know the Biblical Jesus and what the Bible says about him: both the human nature of Jesus and the divine nature of Christ? The miracles and wonders attributed to Christ? The role of Jesus as Savior and prophet? Although millions claim to know Jesus or to have found the Lord, exactly what do they know or what have they found? This book includes dozens of questions and answers from the Bible that may (or may not) challenge just how much you really know about Jesus of Nazareth, Jesus the Messiah, the King of Israel, Son of God, Savior, Christ. What does it all mean? Does Scripture explain any of these titles given to Jesus? As a firm believer myself, this is not an agnostic book! Rather, it's a chance to really explore what we all know (or claim to know) about the Jesus we believe in. It may make you think, it might startle or confuse you at times, it might even make you learn more than you ever knew before.

The Armageddon Factor

Divinity

Jesus My Everything

Exploring the Five-Factor Model

Do You Really Know Jesus Christ?

Chosen by God

This book is about the actions of certain remarkable people. What these notable people did to not only survive but thrive teaches us something about life, how in times of trouble people summon up courage. These are true stories about people galvanized by danger who thought out of the box and took actions varying from unique to off the charts. By doing these acts they gave us something today to marvel at. Whether we are inspired or disgusted by what they did we do see what human beings are capable of in times of stress. By attacking problems with careful calculations and not giving up each was able to turn the tide in their favor, or at least they did the right thing while adapting to the circumstances. Additionally, there are two chapters featuring Jesus Christ in the second half of the book. Jesus is different from anyone else by an infinite margin and so His accounts are not specific to one event; rather His sayings are recorded into an epistemological continuum. The Jesus factor plays a role in most people's lives even if they don't realize it because He impacted this world more than anyone else who ever walked the earth.

On the water world of Pandora, the resistance fighters' main hope in the battle against the Director and his sadistic minions is Crista Galli, a woman believed by some to be the child of God.

Uses a Christian perspective to examine the history of America from the first voyage of Columbus to the aftermath of the Revolutionary War, with an emphasis on faithfulness to God's word.

Curriculum Edition The wicked entered into a deal to commercialized upon the good name of our brother Jesus since 1095 AD. Only a few highly placed gatekeepers over western civilization know the reality of his life and burial place in old Jerusalem and like many, await for the perfective return of Jesus mentioned in both Bible and Quran. To understand the many facets of America's perfective connection with the person and history of Jesus of 2,000 years ago, one must grasp the difference between the historical Jesus and Black America and the Nation of Islam. This 13 chapter curriculum, "FARRAKHAN, The Jesus Factor," evinces from the outset how Jesus' history was a sign pointing toward the

history of three men and the mission they'd perform upon the descendants of a former slave people-the seed of Abraham-to complete divine prophecy. How does FARRAKHAN factor into divine prophecy you ask? Read and answer the 113 questions included in this curriculum and no doubt, you shall conclude that God was not blind to Black America's sojourn in America hidden under many imperfective scriptural verses and passages. You will also figure out how Minister Louis Farrakhan holds a key to the New Government as it was written in divine prophecy and hidden in divine history until now.

Taking Up My Cross

FARRAKHAN the Jesus FACTOR

A 30 Guide to Creating the Life You Want to Live

Success Against the Odds

The Light and the Glory (God's Plan for America Book #1)

This is He who came by water and blood Jesus Christ; not only by water, but by water and blood. And it is the Spirit who bears witness, because the Spirit is truth. For there are three that bear witness in heaven: the Father, the Word, and the Holy Spirit; and these are one. And there are three that bear witness on the earth: The Spirit, the water, and the blood; and these three agree as one. If we receive the witness of men, the witness of God is greater; for this is the witness of God which He testified of His Son. He who believes in the Son of God has the witness in himself; he who does not believe God has made Him a liar, because he has not believed the testimony that God has given His Son. And this is the testimony: that God has given us eternal life, and this life is in the Son. He who has the Son has life; he who does not have the Son does not have life. These things I have written to you who believe in the name of the Son of God, that you may know you have eternal life, and that you continue to believe in the name of the Son of God.

1st Place Gold Award in the 2015 Feathered Quill Book Program for Science

Fiction/Fantasy! Finalist in the 2014 Book Pipeline Contest! Travel to the future - it will only cost you everyone you love. Attacked and injected with a drug which slows his metabolism to a fraction of normal, Martin James becomes an unwilling time traveler who hurtles through the years. His children grow up, his wife grows older, and his only hope is finding the people who injected him in the first place- not an easy task when one day for Martin lasts four years. And while Martin James strives to find a cure before everyone he loves is gone, others are uncertain if his journey can be stopped at all. W. Lawrence weaves a dystopian future filled with the best and worst of humanity, highlights the blessings and curses of technology, and pushes the limits of faith and hopelessness. Above all, Syncing Forward is a tale of one man's love for his family, and their devotion to saving him from being lost forever.

Beloved SonA spiritual novel that blends fact and fiction set in a time when rumors and visions among Jerusalem's Jews heralded the arrival of a Messiah to free them of their ages-long oppression. Their fervent anticipation collided with Rome's merciless authority when their Messiah appeared in the flesh as Jesus Christ. Jesus's example of Divine Love is newly-explored as the Son of God walks the path of teacher, healer and prophet while guiding his disciples. This reimagined journey illustrates Christ's teachings of universal truths while exploring alternative ways for him to fulfill the prophecies.* Did Jesus really die on the cross?* Was there a romantic connection between Jesus and Mary Magdalene?* If Jesus could read minds - how could Judas have betrayed him?* If Jesus was a shape-shifter - then how could he be captured against his will?The journey of Christ fulfilling his destiny as prophesied is uniquely re-imagined in this mystical adventure. Time-traveller Robin Firth is dispatched to Galilee on a mission, but all does not go according to plan. He wakes from his mental journey to find himself trapped in the body of the local madman, Haddaq, with only one thing on his mindNhe must reach Jesus and save him from crucifixion.

They Call Me Jesus

From Sea to Shining Sea

Knowing Yourself Through the Eyes of Jesus

The Jesus incident by Frank Herbert & Bill Ransom: A sentient Ship with godlike powers (and aspirations) delivers the last survivors of humanity to a horrific, poisonous planet, Pandora-rife with deadly Nerve-Runners, Hooded Dashers, airborne jellyfish, and intelligent kelp. Chaplain/Psychiatrist Raja Lon Flattery is brought back out of hibernation to witness Ship's machinations as well as the schemes of human scientists manipulating the genetic structure of humanity. Sequel to Frank Herbert's Destination: Void. Book 1 in Herbert & Ransom's Pandora Sequence.

Book Edition FARRAKHAN The Jesus FACTOR contains 13 chapters. This little book shall clarify at the outset, how Jesus' history was a sign pointing toward the history of three men, including the Honorable Minister Farrakhan and the mission they'd perform upon the

descendants of a former slave people—the seed of Abraham—Black America. The book concludes with the history of Moses by re-entertaining a range of major biblical factors to what is and has been unfolding in the so-called new world since 1555 up to the work and mission of Minister Louis Farrakhan, black people and the Nation of Islam.

"This book addresses the impact of Jesus on the practice of conflict resolution interventions, such as restorative justice, mediation, peacebuilding, and trauma healing." "[summary]"--Provided by publisher.

The key to the life you want is inside you. One question lies behind every struggle we face: How do I deal with myself? Behind all our stumbles, behind each of our missteps, behind every one of our failings lies an inability to handle what Van Moody calls the "I-Factor." More than self-worth or self-respect, beyond even character and perception of purpose, the I-Factor is about managing yourself—your whole life—well. In his inspiring new book, Moody reveals how to get hold of your I-Factor. Moody identifies three dynamics essential to winning the battle of the I-Factor: identity, significance, and perspective. When you understand your identity you know who you are, setting your foundation for everything. When you understand your significance, you see the purpose and the greatness you were created for. And when you understand perspective, you can view the problems you face as stepping-stones to greatness rather than stumbling blocks. Properly understand these three dynamics, and you will be able to master your I-Factor. Weaving together personal stories, practical principles, and profound biblical truth, The I-Factor provides the key to achieving the life of greatness that you are destined for.

What Interesting People Did

The I Am Factor Power & Success Journal

The Abba Factor

In recent years researchers in human personality have come to a rarely achieved near unanimous conclusion: human personality is structured around a very few major traits, probably five in number. These factors, sometimes called the Big Five and represented by the acronym OCEAN, are Openness to experience, Conscientiousness, Extroversion, Agreeableness, Neuroticism. How does this Five-Factor Model fit with a Christian understanding of human nature? How does it compare or contrast with the way Jesus lived, taught and counseled? James Beck looks at prominent themes in the teaching and ministry of Jesus and how they relate to the five personality factors. Here is a study of the Christian implications of the new model--a study that will offer fresh insights for students, pastors and therapists alike.

Today there are many excellent "introduction to Orthodoxy" books available for the inquirer and the catechumen—books on the faith, and those which narrate the long journey to the faith. Such writings have proven to be very helpful to those seeking the "pearl of great price." There are also many books and essays, both ancient and recent, that teach the newly-illuminated how to live, worship, pray, read the Holy Scriptures, and love God above all things. However, there are few modern books, and this thankfully is one of them, that tell of the potential struggles, misunderstandings, temptations, and fears which a person might encounter in his or her first five years of being in the Church. Meeting Christ at first enlightens the darkness, and reveals that which is hidden in the heart, the soul, the conscience and the mind of a person; this can bring the sinner to his knees in sorrow at the wounds that have been inflicted on others and on himself. But that initial meeting and change of life is again only the initial stage of repentance. Metropolitan Kallistos, in describing repentance in his essay, *The Orthodox Experience of Repentance*, quotes St. Theophan the Recluse: "Repentance is the starting point and foundation stone of our new life in Christ; and it must be present not only at the beginning, but throughout our growth in this life, increasing as we advance." How very useful, then, is Veronica Hughes's book, which describes how she learned what is truly involved in repentance, a purifying path where one will frequently encounter at least three hurdles: uncertainty, sorrow and even suffering.

First uncertainty inevitably arises from the struggle to place one's trust fully in Jesus Christ. Veronica's book recounts many significant hurdles faced by the modern man and woman coming to an unalloyed faith. Veronica's story recounts how her physical disabilities and suffering brought her out of her deep initial involvement with new age spirituality. The attentive reader will see how easily one can be caught up by the spirit of the age and be deluded about who God is, and this delusion leads one to a false and fatal understanding about human nature and destiny. Yet the ancient, holy, diagnosis applies: we are invited to put off the "old nature which belongs to [our] former manner of life and is corrupt through deceitful lusts" (Eph. 4:22) and be "renewed in the spirit of [our] minds, and put on the new nature, created after the likeness of God in true righteousness and holiness" (Eph. 4:24). The Holy Spirit renews our identity and prepares it for Paradise, beyond anything we can imagine. In addition to these fundamental aspects of how God guides our repentance, Veronica also describes another aspect of Church life that challenges the no-longer-neophyte Orthodox man or woman today. Orthodox worship can be so beautiful and heavenly, but to the modern person who desires to know what is happening and what it means, it can be initially very confusing. Learning how to be in the presence of God—without having to figure it all out—is not easy. Veronica's remarks are wise and helpful in this area. All the while, the author's spiritual journey was guided and aided by her pastor and the congregation of her parish, as well as the good advice of her husband. Not all people are so blessed to find such wholesome and loving guidance. Veronica had her own particular struggles—others will have a different path; that path may be no less thorny, but may it be filled with wonder and gratitude for the presence of God—Who sends His grace so abundantly to those who love Him. "In patience possess ye your souls" (Luke 21:19). (Taken from the Introduction to, "In Christ I am a New Creation, Taking up my Cross" written by Archpriest Lawrence Margitich.)

Jesus My Everything is the second poetry collection by Bonita L. Williams. The poems focus on one's life as influenced by Jesus. The journey called life is full of challenges; a closer walk with the Lord makes the travel easier. Readers are reminded that Jesus is the source of our strength and hope. In her new book, award-winning journalist Marci McDonald draws back the curtain on the mysterious world of the right-wing Christian nationalist movement in Canada and its many ties to the Conservative government of Stephen Harper. To most Canadians, the politics of the United States – where

fundamentalist Christians wield tremendous power and culture wars split the country – seem too foreign to ever happen here. But *The Armageddon Factor* shows that the Canadian Christian right – infuriated by the legalization of same-sex marriage and the increasing secularization of society – has been steadily and stealthily building organizations, alliances and contacts that have put them close to the levers of power and put the government of Canada in their debt. Determined to outlaw homosexuality and abortion, and to restore Canada to what they see as its divinely determined destiny to be a nation ruled by Christian laws and precepts, this group of true believers has moved the country far closer to the American mix of politics and religion than most Canadians would ever believe. McDonald's book explores how a web of evangelical far-right Christians have built think-tanks and foundations that play a prominent role in determining policy for the Conservative government of Canada. She shows how Biblical belief has allowed Christians to put dozens of MPs in office and to build a power base across the country, across cultures and even across religions. "What drives that growing Christian nationalist movement is its adherents' conviction that the end times foretold in the book of Revelation are at hand," writes McDonald. "Braced for an impending apocalypse, they feel impelled to ensure that Canada assumes a unique, scripturally ordained role in the final days before the Second Coming – and little else." *The Armageddon Factor* shows how the religious right's influence on the Harper government has led to hugely important but little-known changes in everything from foreign policy and the makeup of the courts to funding for scientific research and social welfare programs like daycare. And the book also shows that the religious influence is here to stay, regardless of which party ends up in government. For those who thought the religious right in Canada was confined to rural areas and the west, this book is an eye-opener, outlining to what extent the corridors of power in Ottawa are now populated by true believers. For anyone who assumed that the American religious right stopped at the border, *The Armageddon Factor* explains how US money and evangelists have infiltrated Canadian politics. This book should be essential reading for Canadians of every religious belief or political stripe. Indeed, *The Armageddon Factor* should persuade every Canadian that, with the growth of such a movement, the future direction of the country is at stake. From the Hardcover edition.

Jesus Said What?

The Jesus Factor in Justice and Peacemaking

Precious Medicine

The Light and the Glory for Young Readers

This text encapsulates nearly 3,000 years of philosophy and success literature to reveal the most elemental and profound truth governing all personal achievement: habit is the single-greatest determinant in a person's ability to realize a life of success and achievement. This edition reveals its proven step-by-step methodology.

Did Columbus believe that God called him west to undiscovered lands? Does American democracy owe its inception to the handful of Pilgrims that settled at Plymouth? If, indeed, there was a specific, divine call upon this nation, is it still valid today? *The Light and the Glory* answers these questions and many more for history buffs. As readers look at their nation's history from God's point of view, they will begin to have an idea of how much we owe to a very few--and how much is still at stake. Now revised and expanded for the first time in more than thirty years, *The Light and the Glory* is poised to show new readers just how special their country is.

A book of inspired words that have helped Betty through many trials and tribulations. Beautifully written in the first person narrative are many answers to questions we ask of God in our daily prayers. As we sit before the Lord asking direction, may we learn to listen, and gain better understanding inspired by the love God showers upon us.

Have you ever questioned life and wonder why you? Can you hear yourself saying, "Is there more to life than this?" I can identify this with you. Did you know? Our brain process approximately 70,000 thoughts on an average day. Often many wonder why so many give up and quit in life. In this book I will show you how to rise above mediocrity. No more settling for less than God's best and only fantasizing about your heart desires - Its time you Rise Above, Now.

Questions about the Biblical Jesus

Gentle Words to Comfort

The Untold Story of Jesus Christ

Annul Domini

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Just for a moment imagine yourself the spouse or even the parent of someone in prison. What images come to your mind? In her story, the author challenges us to think outside of our own mindsets.

Through the writer's eyes you will see glimpses of what it is really like from the outside looking in. It is her hope that as you read you will not only recognize things that have "imprisoned" you but that you will be set free from those things. Isaiah 61:1 The Spirit of the Lord is upon me because the Lord hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound...

----- Regina Moody currently lives in Kinston, Alabama. She and Mickey have been married for 19 years. They have one son (Braxton Lee Moody). She is employed full time as a nurse. She and her family attend New Life Worship Center in Samson, Alabama. In recent years, she has served on many Kairo's outside teams. (An international ministry designed to help women who have loved ones incarcerated). Presently she helps with a local jail ministry.

This book is Sally Stanley's incredible journey and amazing testimony of God giving her "The Power To Go On." Stricken with a staph infection which produced large painful sores all over her body, she was rushed into surgery, where the surgeon accidentally severed the main artery to her heart, causing blood to flood her chest cavity, which resulted with her dying on the operating table. This resulted in her "after death or out-of-body experience" and miraculous encounter with The Lord, as He spoke these marvelous words, "You have been chosen by God and your work is not finished." Upon her immediate restoration, she spent weeks on a ventilator and had several months of physical therapy. Over the next several years, Sally has experienced and recovered from a fractured vertebrae, several strokes, and heart attacks. During this time period she also cared for her husband John, after he experienced seizures and strokes, which finally lead to his death on December 12, 2013. Then in May of 2014, while walking in a pedestrian crosswalk, she was suddenly hit by an automobile, suffering multiple injuries, including a shattered right shoulder and broken neck. Sally tells everyone that over the past 20 years, many miracles have happened in my life, but faith in Christ has given me "The Power To Go On." "I hope that everyone who reads this book will understand that with God, all things are possible. It is so great to know that we have Jesus walking with us each and every day."

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

The Final Book In The Divinity Saga The Earth is breaking open. The wall between the Spirit and Human realm has begun to shatter, allowing darkness to seep in and converge like an epidemic. The End Has Begun... Even after setting everything in motion by attacking Morning Star first, Cam`ael finally has everything that he's ever wanted in his existence; Starling's love and a family. Cam`ael's happiness is short-lived when he's finally given the harsh and inexplicable truth about why Starling has always been such a unique Chosen. A Fiery Will... Shortly after giving birth, Starling begins to realize what must be done in order to save the world and the future of their children. But having made the the promise to Cam`ael of never sacrificing herself for him, how can she risk it? While the Elders and other warriors see her as a traitor, her friends begin to see her as something more. In every battle and every war there will be sacrifices and betrayals, but if darkness prevails- light will cease to exist.
