Why Were the Teachings of the Original Christians Brutally Suppressed by the Roman Church?

- **Because they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and Goddess**
- **Because they show that the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment**
- **Because they have the power to turn the world inside out and transform life into an exploration of consciousness**

the authors of the international bestseller The Jesus Mysteries decode the secret teachings of the original Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they actually taught. In addition, the book explores the many myths of Jesus and the Goddess and unlocks the lost secret teachings of Christian mysticism, which promise happiness and immortality to those who attain the state of Gnosis, or enlightenment. This daring and controversial book recovers the ancient wisdom of the original Christians and demonstrates its relevance to us today.

free people from the dead hand of the ritualists. He was trained in a dissident Jewish brotherhood that arose in Egypt before he was born, which sought to bring back the ancient Judaic mysteries outlawed by the Jerusalem temple. At the heart of this movement was a yogic-based practice known in the apocrypha as the Gnosis of the Heart, which espoused the union of both sexes in a secret initiatic teaching. As a fearless social reformer, Jesus wanted to restore the authority of the feminine principle, including asserting the equality of man and woman in the social contract of marriage. He reinstated in his own life the tradition of sacred consortship--a

rite known to early Church fathers as the bridechamber sacrament, whereby the marriage of the masculine and feminine energies was effected. This rite, Victoria LePage suggests, was the primary focus of Jesus ' teachings, the very heart of his exhortations to love thy neighbor, and the source of his healing power. Mysteries of the Bridechamber explains how, as a master adept of the Temple of Solomon, Jesus derived these teachings directly from ancient Judaic mystery traditions, revealing both a life story for Jesus that differs markedly from the version the Church has offered as well as a spiritual practice based on a mystical wisdom tradition of

Harpur digs deep into the origins of Christianity. At a time of religious extremism, Tom Harpur reveals the virtue of a cosmic faith based on ancient truths that the modern church has renounced. His message is clear: Our blind faith in literalism is killing Christianity. Only with a return to an inclusive religion where Christ lives within each of us will we gain a true understanding of who we are and who we are intended to become. The Pagan Christ is a book of rare insight and power that will reilluminate the Bible and change the way we think about religion.
