Smoke From This Altar, a book that has become legendary among Louis L'Amour readers, is the very first book L'Amour ever published. It appeared, to great critical praise, for sale only in Oklahoma bookstores more than fifty years ago. Since then it has become the most sought-after L'Amour title of all, with the few circulating copies from the small print run commanding top dollar from rare book collectors. Now, at last, it is being published nationally in this beautiful keepsake Bantam edition. It was in Smoke From This Altar that L'Amour first gave public voice to his now-celebrated spirit of wanderlust. Like the short stories in his classic, million-copy-selling Yondering, and his best-selling memoir Education of a Wandering Man, the poems in this book are inspired by his experiences and memories of his journeys across oceans and continents. It is vintage L'Amour storytelling—in verse—about nature, the land, and the people who loved and braved it. Smoke From This Altar begins with a newly written introduction by his wife Kathy in which she discusses the special place this work has held in the L'Amours' lives. In concludes with twenty previously uncollected L'Amour poems selected by his family. Impassioned, adventurous, heroic, and humorous, Smoke From This Altar is unique L'Amour writing, to be read and enjoyed again and again.

A portrait of the motorcycle icon reveals the complexities and controversial aspects of his private world, offering insight into his relationships and the experiences and personal demons that compelled him to repeatedly risk his life.

In To The Far Blue Mountains, Louis L'Amour weaves the unforgettable tale of a man who, after returning to his homeland, discovers that finding his way back to America may be impossible. Barnabas Sackett was leaving England to make his fortune in the New World. But as he settled his affairs, he learned that a royal warrant had been sworn out against him and that men were searching for him in every port. At issue were some rare gold coins Sackett had sold to finance his first trip to the Americas—coins believed to be part of a great treasure lost by King John years before. Believing that Sackett possesses the rest of the treasure, Queen Bess will stop at nothing to find him. If he's caught, not only will his dream of a life in America be lost, but he will be brutally tortured and put to death on the gallows.

Mighty Lewd Books describes the emergence of a new home-grown English pornography. Through the examination of over 500 pieces of British erotica, this book looks at sex as seen in erotic culture, religion and medicine throughout the long eighteenth-century, and provides a radical new approach to the study of sexuality.

There might not be a more fitting union of author and protagonist than Louis L'Amour, America's favorite frontier storyteller, and Hopalong Cassidy, the iconic cowboy introduced more than a century ago. Originally written under the pseudonym Tex Burns, The Rustlers of West Fork, The Trail to Seven Pines, The Riders of High Rock, and Trouble Shooter were L'Amour's first published novels, but they showcase the spirit of adventure and wonderful knack for character that would become his signature. Now these four classics are together for the first time in this thrilling eBook bundle. THE RUSTLERS OF WEST FORK When Hopalong Cassidy arrives at the Circle J to deliver a fortune in bank notes to rancher Dick Jordan, he discovers that a foolhardy band of outlaws has taken Dick prisoner, along with his daughter, Pam. Even if Hopalong can free them, he will have to lead the hostages across rough and untamed Apache country, stalked by the outlaws who have vowed to take him out. But Hopalong is no stranger to trouble, and before his guns—or his temper—cool, he's determined to bring this gang to justice. . . . dead or alive. THE TRAIL TO SEVEN PINES Outside the lawless town of Seven Pines, Hopalong comes across two men—one dead, one badly wounded. He returns with help, but the survivor has been shot through the temple. Who would do such a thing? To find out, Hopalong hires on at the Rocking R Ranch, where more than a thousand cattle have been run off by crooks who also have their eyes on the monthly stagecoach shipments of gold. To save the Rocking R, Cassidy needs men he can trust—because he's the target of a ruthless gunslinger in a fight for frontier justice. THE RIDERS OF HIGH ROCK In the cattle country just east of the California line, Hopalong discovers an old friend, Red Connors, holed up in a mountain cave with a bullet in his side and a story to tell. The local ranchers had been losing their stock to a savage killer named Jack Bolt, and when Red caught the rustlers in the act, they hunted him down, shot him, and left him for dead. Now Bolt's coming after the one man who stands in his way: Hopalong Cassidy. But he's about to learn the hard way that if you shoot down a man like Cassidy, you'd better make sure he never gets up again. TROUBLE SHOOTER A desperate call for help sends Hopalong to the aid of a fellow cowpoke. But by the time he arrives, Pete Melford has been murdered. In search of Pete's killer, Hopalong signs on at the sprawling Box T ranch and confronts a mystery as dangerous as it is haunting. The owner of the Box T has built his empire with shrewd determination, but behind his success lies a bloody trail leading to the strange and forbidding Babylon Mesa, a fortune in gold, and a showdown with a desperado who isn't afraid to cheat death.

This priceless collection of once lost stories brings to life a time of desperate violence and true courage in a wide-open country of fortune seekers and dreamers, lawbreakers and pioneers. A newly sworn-in marshal must outwit a mysterious killer who's fleecing his neighbors while secretly cutting their throats. . . . A young drifter, wounded in a gunfight, finds a chance to change his ways—but he must be willing to pay with his life. . . . A fiercely independent woman and a mysterious stranger take a desperate stand against those out to drive her from her home. . . . And in the haunting short novel Monument Rock, a shadowy horseman delivers a terrifying message to an innocent young woman—the shocking truth about the two men closest to her heart. History, humor, action, and adventure fill the pages of these masterpieces, told by one of the foremost storytellers of our time.

In this powerful debut novel, a young librarian grieves the loss of her husband...and discovers a love that defies classification. It's been over three years since a train accident made a widow of Katrina Lewis, sending her and her young daughter Abbey back to the suburban town of her youth...the only place that still makes sense. Lauder Lake is the perfect place to hide and heal. Recluse rocker Adrian "Digger" Graves survived the implosion of his music career, but his muse has long lain dormant. Until Kat hires him to play at her library—not on the basis of his rock credentials but rather, because of the obscure kids' TV jingle he wrote years ago. In a case of mistaken identity, Adrian stumbles into the lives of Kat and her comically lovable daughter. Using tattoos as a timeline, Adrian unrufs his life for Kat. But as the courtship intensifies, it's unclear whose past looms larger: the widow's or the rocker's. Will their demons ever rest, or will they break these soul mates apart?

What if you could live again and again, until you got it right? On a cold and snowy night in 1910, Ursula Todd is born to an English banker and his wife. She dies before she can draw her first breath. On that same cold and snowy night, Ursula Todd is born, lets out a lusty wail, and embarks upon a life that will be, to say the least, unusual. For as she grows, she also dies, repeatedly, in a variety of ways, while the young century marches on towards its second cataclysmic world war. Does Ursula's apparently infinite number of lives give her the power to save the world from its inevitable destiny? And if she can -- will she? Darkly comic, startlingly poignant, and utterly original -- this is Kate Atkinson at her absolute best. A terror-filled story of one family and their friends, as they struggle to survive in a world overrun by ravenous creatures that hunt purely by sound... Soon to be a major motion picture.

Though most of the epic Sackett series takes place during the 1870s, Louis L'Amour took great pains to flesh out this iconic family's origins and pre-Civil War history. Now the five novels chronicling the arrival of Barnabas Sackett on American soil, his sons' trials in the sprawling new wilderness, and their descendants' adventures in the West are collected in one indispensable eBook bundle: SACKETT'S LAND TO THE FAR BLUE MOUNTAINS THE WARRIOR'S PATH JUBAL SACKETT RIDE THE RIVER *After finding six gold Roman coins buried in an English swampland, Barnabas Sackett invests in goods to trade in America. Custer's Last Stand is among the most enduring events in American history—more than one hundred years after the fact, books continue to be written and people continue to argue about even the most basic details surrounding the Little Bighorn. Evan S. Connell, whom Joyce Carol Oates has described as "one of our most interesting and intelligent American writers," wrote what continues to be the most reliable—and compulsively readable—account of the subject. Connell makes good use of his meticulous research and novelist's eye for the story and detail to re-vreate the heroism, foolishness, and savagery of this crucial chapter in the history of the West.
