

The Last Coyote Harry Bosch Book 4

LAPD homicide detective Hieronymus (aka Harry) Bosch attempts to solve the murder of Billy Meadows, a soldier he knew while serving in Vietnam.

In this "tense" thriller and #1 New York Times bestseller, Detective Harry Bosch teams up with Lincoln Lawyer Mickey Haller to track down a killer who just might find them first (Wall Street Journal). Detective Harry Bosch has retired from the LAPD, but his half-brother, defense attorney Mickey Haller, needs his help. A woman has been brutally murdered in her bed and all evidence points to Haller's client, a former gang member turned family man. Though the murder rap seems ironclad, Mickey is sure it's a setup. Bosch doesn't want anything to do with crossing the aisle to work for the defense. He feels it will undo all the good he's done in his thirty years as a homicide cop. But Mickey promises to let the chips fall where they may. If Harry proves that his client did it, under the rules of discovery, they are obliged to turn over the evidence to the prosecution. Though it goes against all his instincts, Bosch reluctantly takes the case. The prosecution's file just has too many holes and he has to find out for himself: if Haller's client didn't do it, then who did? With the secret help of his former LAPD partner Lucy Soto, Harry starts digging. Soon his investigation leads him inside the police department, where he realizes that the killer he's been tracking has also been tracking him. Thrilling, fast-paced, and impossible to put down, *The Crossing* shows without a shadow of doubt that Connelly is "a master of building suspense" (Wall Street Journal).

A lawyer is found murdered on the eve of a landmark trial at the foot of Angels Flight, a cable railway in downtown Los Angeles.

LAPD Detective Harry Bosch crosses paths with FBI profiler Terry McCaleb while investigating the murder of a Hollywood actress. Harry Bosch is up to his neck in a case that has transfixed all of celebrity-mad Los Angeles: a movie director is charged with murdering an actress during sex, and then staging her death to make it look like a suicide. Bosch is both the arresting officer and the star witness in a trial that has brought the Hollywood media pack out in full-throated frenzy. Meanwhile, Terry McCaleb is enjoying an idyllic retirement on Catalina Island when a visit from an old colleague brings his former world rushing back. It's a murder, the unreadable kind of murder he specialized in solving back in his FBI days. The investigation has stalled, and the sheriff's office is asking McCaleb to take a quick look at the murder book to see if he turns up something they've missed. McCaleb's first reading of the crime scene leads him to look for a methodical killer with a taste for rituals and revenge. As his quick look accelerates into a full-sprint investigation, the two crimes -- his murdered loner and Bosch's movie director -- begin to overlap strangely. With one unsettling revelation after another, they merge, becoming one impossible, terrifying case, involving almost inconceivable calculation. McCaleb believes he has unmasked the most frightening killer ever to cross his sights. But his investigation tangles with Bosch's lines, and the two men find themselves at odds in the most dangerous investigation of their lives.

An Original Short Story

Switchblade

The Lincoln Lawyer

The Burning Room

Relentless

When an LAPD narcotics officer is found with a fatal bullet wound and a suicide note, Detective Harry Bosch follows a bloody trail of drug murders across the Mexico border. Working the case, LAPD detective Harry Bosch is reminded of the primal police rule he learned long ago: Don't look for the facts, but the glue that holds them together. Soon Harry's making some very dangerous connections, starting with a dead cop and leading to a bloody string of murders that wind from Hollywood Boulevard to the back alleys south of the border. Now this battle-scarred veteran will find himself in the center of a complex and deadly game—one in which he may be the next and likeliest victim.

New York Times bestselling author Michael Connelly writes novels of brilliantly original suspense. In this electrifying tour de force, he takes us into a world of extremes: too much criminality, too much money, and too many ways to die. In L.A. Cassie Black is another beautiful woman in a Porsche: except Cassie just did six years in prison and still has "outlaw juice" flowing in her veins. Now Cassie is returning to her old profession, taking down a money man in Vegas. But the perfect heist goes very wrong, and suddenly Cassie is on the run—with a near-psychotic Vegas "fixer" killing everyone who knew about the job. Between Cassie and the man hunting her are a few last secrets: like who really set up the job, why Cassie had to take the change, and how, in the end, it might all be a matter of the moon...

Harry Bosch has been given three years before he must retire from the LAPD, and he wants cases more fiercely than ever. In one morning, he gets two. DNA from a 1989 rape and murder matches a 29-year-old convicted rapist. Was he an eight-year-old killer or has something gone terribly wrong in the new Regional Crime Lab? The latter possibility could compromise all of the lab's DNA cases currently in court. Then Bosch and his partner are called to a death scene fraught with internal politics. Councilman Irvin Irving's son jumped or was pushed from a window at the Chateau Marmont. Irving, Bosch's longtime nemesis, has demanded that Harry handle the investigation. Relentlessly pursuing both cases, Bosch makes two chilling discoveries: a killer operating unknown in the city for as many

as three decades, and a political conspiracy that goes back into the dark history of the police department.

FROM THE #1 BESTSELLING AUTHOR OF THE HARRY BOSCH AND LINCOLN LAWYER SERIES An electrifying standalone thriller that breaks all the rules! With an introduction by Stephen King. Death is reporter Jack McEvoy's beat: his calling, his obsession. But this time, death brings McEvoy the story he never wanted to write--and the mystery he desperately needs to solve. A serial killer of unprecedented savagery and cunning is at large. His targets: homicide cops, each haunted by a murder case he couldn't crack. The killer's calling card: a quotation from the works of Edgar Allan Poe. His latest victim is McEvoy's own brother. And his last...may be McEvoy himself.

The Last Coyote/Trunk Music

Crime Beat

The Dark Hours

A Drizzt Novel

#1 New York Times bestselling author Michael Connelly introduces Renee Ballard, a fierce young detective fighting to prove herself on the LAPD's toughest beat--the Late Show. Renee Ballard works the midnight shift in Hollywood, beginning many investigations but finishing few, as each morning she turns everything over to the daytime units. It's a frustrating job for a once up-and-coming detective, but it's no accident. She's been given this beat as punishment after filing a sexual harassment complaint against a supervisor. But one night Ballard catches two assignments she doesn't want to part with. First, a prostitute is brutally beaten and left for dead in a parking lot. All signs point to a crime of premeditation, not passion, by someone with big evil on his mind. Then she sees a young waitress breathe her last after being caught up in a nightclub shooting. Though dubbed a peripheral victim, the waitress buys Ballard a way in, and this time she is determined not to give up at dawn. Against orders and her partner's wishes, she works both cases by day while maintaining her shift by night. As the investigations intertwine, Ballard is forced to face her own demons and confront a danger she could never have imagined. To find justice for these victims who can't speak for themselves, she must put not only her career but her life on the line. Propulsive as a jolt of adrenaline and featuring a bold and defiant new heroine, The Late Show is yet more proof that Michael Connelly is "a master of the genre" (Washington Post).

In a city of a million tales, Detective Bosch reads those written in blood. Fourteen crime novels from bestseller Michael Connelly. 'Connelly is a crime writing genius' Independent on Sunday Contains: THE BLACK ECHO, THE BLACK ICE, THE CONCRETE BLONDE, THE LAST COYOTE, TRUNK MUSIC, ANGELS FLIGHT, A DARKNESS MORE THAN NIGHT, CITY OF BONES, LOST LIGHT, THE NARROWS, THE CLOSERS, ECHO PARK, THE OVERLOOK, NINE DRAGONS

Presented here in one fantastic volume are books three, four and five in Michael Connelly's acclaimed Bosch series.

An LAPD homicide detective must choose between justice and vengeance as he teams up with the FBI in this "thrilling" novel filled with mystery and adventure (New York Times Book Review). For maverick LAPD homicide detective Harry Bosch, the body in the drainpipe at Mulholland Dam is more than another anonymous statistic. This one is personal . . . because the murdered man was a fellow Vietnam "tunnel rat" who had fought side by side with him in a hellish underground war. Now Bosch is about to relive the horror of Nam. From a dangerous maze of blind alleys to a daring criminal heist beneath the city, his survival instincts will once again be tested to their limit. Pitted against enemies inside his own department and forced to make the agonizing choice between justice and vengeance, Bosch goes on the hunt for a killer whose true face will shock him.

The beautiful and atmospheric story of freedom and love that will grip your heart

The Last Coyote: LAPD homicide detective Harry Bosch is suspended from the force for attacking his commanding officer. Unable to remain idle, he investigates the long-unsolved murder of a Hollywood prostitute. **Trunk Music:** Harry returns to the force to investigate the murder of a movie producer with Mafia ties. Up against both the LAPD's organized crime unit and the mob, Harry follows the money trail to Las Vegas, where the case becomes personal. **Angels Flight:** The murder of a prominent African-American attorney who made his career suing the police for racism and brutality means that Harry's friends and associates have become suspects; and he must work closely with longtime enemies suspicious of his maverick ways to investigate them. Together for the first time, these three chilling, pulse-pounding novels chart the volatile, breakneck career of the sleuth the New York Post calls "the quintessential mystery book hero" and prove that "Michael Connelly's Harry Bosch novels are the most impressive body of work by any writer of crime thrillers now active" (Washington Post).

From the #1 New York Times bestselling author Michael Connelly, a short story featuring LAPD Detective Harry Bosch and FBI agent Rachel Walling. Two women have gone missing, and LAPD Detective Harry Bosch has a strong suspicion that an avid fisherman named Denninger is the culprit. Bosch needs something stronger than a suspicion to bring Denninger in, but all he has are a handful of photos--prior mug shots and pictures of Denninger posing with his prize fish. It's not much to go on, and Bosch is running out of time, which is why he calls in FBI agent Rachel Walling. What she sees in these photos could blow his case wide open. "Blue on Black" by Michael Connelly is one of 20 short stories within Mulholland Books's Strand Originals series, featuring thrilling stories by the biggest names in mystery from the Strand Magazine archives. View the full series list at mulhollandbooks.com and listen to them all!

Introducing Mickey Haller, 'The Lincoln Lawyer': a blistering tale about a cynical defence attorney whose one remaining spark of integrity may cost him his life.

In this #1 New York Times bestseller, Detective Harry Bosch and his rookie partner investigate a cold case that gets very hot . . . very fast. In the LAPD's Open-Unsolved Unit, not many murder victims die a decade after the crime. So when a man succumbs to complications from being shot by a stray bullet ten years earlier, Bosch catches a case in which the body is still fresh, but any other clues are virtually nonexistent. Even a veteran cop would find this one tough going, but Bosch's new partner, Detective Lucia Soto, has no homicide experience. A young star in the department, Soto has been assigned to Bosch so that he can pass on to her his hard-won expertise. Now Bosch and Soto are tasked with solving a murder that turns out to be highly charged and politically sensitive. Beginning with the bullet that has

been lodged for years in the victim's spine, they must pull new leads from years-old evidence, and these soon reveal that the shooting was anything but random. As their investigation picks up speed, it leads to another unsolved case with even greater stakes: the deaths of several children in a fire that occurred twenty years ago. But when their work starts to threaten careers and lives, Bosch and Soto must decide whether it is worth risking everything to find the truth, or if it's safer to let some secrets stay buried. In a swiftly-moving novel as relentless and compelling as its hero, Michael Connelly shows once again why Harry Bosch is "one of the most popular and enduring figures in American crime fiction" (Chicago Tribune).

City of Endless Night

Harry Bosch Novels, The: Volume 2

Michael Connelly - The Harry Bosch Collection (ebook)

Suspended from his job with the LAPD, Harry Bosch must face the darkest parts of his past to track down his mother's killer . . . even if it costs him his life. Harry Bosch's life is on the edge. His earthquake-damaged home has been condemned. His girlfriend has left him. He's drinking too much. And after attacking his commanding officer, he's even had to turn in his L.A.P.D. detective's badge. Now, suspended indefinitely pending a psychiatric evaluation, he's spending his time investigating an unsolved crime from 1961: the brutal slaying of a prostitute who happened to be his own mother. Even after three decades, Harry's questions generate heat among L.A.'s top politicians. And as the truth begins to emerge, it becomes more and more apparent that someone wants to keep it buried. Someone very powerful...very cunning...and very deadly. Edgar Award-winning author Michael Connelly has created a dark, fast-paced suspense thriller that cuts to the core of Harry Bosch's character. Once you start it, there's no turning back.

Harry Bosch teams up with LAPD Detective Renée Ballard to face the unsolved murder of a runaway, and the fight to bring a killer to justice. Detective Renée Ballard is working the night beat -- known in LAPD slang as "the late show" -- and returns to Hollywood Station in the early hours to find a stranger rifling through old file cabinets. The intruder is retired detective Harry Bosch, working a cold case that has gotten under his skin. Ballard can't let him go through department records, but when he leaves, she looks into the case herself and feels a deep tug of empathy and anger. She has never been the kind of cop who leaves the job behind at the end of her shift -- and she wants in. The murder, unsolved, was of fifteen-year-old Daisy Clayton, a runaway on the streets of Hollywood who was brutally killed, her body left in a dumpster like so much trash. Now Ballard joins forces with Bosch to find out what happened to Daisy, and to finally bring her killer to justice. Along the way, the two detectives forge a fragile trust, but this new partnership is put to the test when the case takes an unexpected and dangerous turn. Dark Sacred Night for the first time brings together these two powerhouse detectives in a riveting story that unfolds with furious momentum. And it shows once more why "there's no doubt Connelly is a master of crime fiction" (Associated Press).

Harry attacked his commanding officer and is suspended indefinitely, pending a psychiatric evaluation. At first he resists the LAPD shrink, but finally recognizes that something is troubling him and has for a long time. In 1961, when Harry was twelve, his mother, a prostitute, was brutally murdered, and no one has ever been accused of the crime. With the spare time a suspension brings, Harry opens up the thirty-year-old file on the case and is irresistibly drawn into a past he has always avoided. It's clear that the case was fumbled and the smell of a cover-up is unmistakable. Someone powerful was able to divert justice and Harry vows to uncover the truth. As he relentlessly follows the broken pieces of the case, the stirred interest causes new murders and pushes Harry to the edge of his job... and his life.

THE LAST COYOTE Suspended from the LAPD pending psychiatric treatment Bosch has time on his hands and opens the ancient file on his mother's death. He discovers that the flames of old passion don't die - they kindle fresh fires. 'Joins the top rank of a new generation of crime writers' Los Angeles Times TRUNK MUSIC Back on the job after an involuntary leave of absence, Bosch's first case is the homicide of a Hollywood producer found in the trunk of a Rolls Royce, bound and shot in the head. Was it the Mafia? Or the IRS? And why is the LAPD so uninterested in the case? 'The strongest crime series being written in America now' Spectator ANGELS FLIGHT When the body of high-profile black lawyer Howard Elias is found on Angels Flight, a funicular in downtown LA, there's not a detective in town who wants the case as Elias specialised in lawsuits alleging police brutality and every LAPD cop is a suspect. And so Harry Bosch gets the case.

'Unputdownable is a word I rarely use, but I have to apply it to this riveting book'

Susanna Yager, Daily Telegraph

The Harry Bosch Novels: Volume 2

The Last Coyote

The Black Echo

The Late Show

The Harry Bosch Novels

In this #1 New York Times bestseller, Detective Harry Bosch joins LA's elite Open/Unsolved Unit to help piece together the mysterious death of a teenage girl. He walked away from the job three years ago. But Harry Bosch cannot resist the call to join the elite Open/Unsolved Unit. His mission: solve murders whose investigations were flawed, stalled, or abandoned to L.A.'s tides of crime. With some people openly rooting for his failure, Harry catches the case of a teenager dragged off to her death on Oat Mountain, and traces the DNA on the murder weapon to a small-time criminal. But something bigger and darker beckons, and Harry must battle to fit all the pieces together. Shaking cages and rattling ghosts, he will push the rules to the limit -- and expose the kind of truth that shatters lives, ends careers, and keeps the dead whispering in the night . . .

From #1 bestseller Michael Connelly's first career as a prizewinning crime reporter--the gripping, true stories that inspired and informed his novels. Before he became a novelist, Michael Connelly was a crime reporter, covering the detectives who worked the homicide beat in Florida and Los Angeles. In vivid, hard-hitting articles, Connelly leads the reader past the yellow police tape as he follows the investigators, the victims, their families and friends--and, of course, the killers--to tell the real stories of murder and its aftermath. Connelly's firsthand observations would lend inspiration to his novels, from The Black Echo, which was drawn from a real-life bank heist, to Trunk Music, based on an unsolved case of a man found in the trunk of his Rolls Royce. And the vital details of his best-known characters, both heroes and villains, would be drawn from the cops and killers he reported on: from loner detective Harry Bosch to the manipulative serial killer the Poet. Stranger than fiction and every bit as gripping, these pieces show once again that Michael Connelly is not only a master of his craft, but also one of the great American writers in any form.

Three great novels in one volume from this amazing international bestseller.

Detective Harry Bosch was sure he'd shot the serial killer responsible for a string of murders in LA . . . but now, a new crime makes him question his convictions. The Dollmaker was the name of the serial killer who had stalked Los Angeles ruthlessly, leaving grisly calling cards on the faces of his female victims. Now with a single faultless shot, Detective Harry Bosch thinks he has ended the city's nightmare. But the dead man's widow is suing Harry and the LAPD for killing the wrong man-- an accusation that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. So for the second time, Harry must hunt down a death-dealer who is very much alive, before he strikes again. It's a blood-tracked quest that will take Harry from the hard edges of the L.A. night to the last place he ever wanted to go-- the darkness of his own heart. With The Concrete Blonde, Edgar Award-winning author Michael Connelly has hit a whole new level in his career, creating a breathtaking thriller that thrusts you into a blistering courtroom battle-- and a desperate search for a sadistic killer.

The Metal Heart

Three Great Novels

The Black Box

Angels Flight

The Poet

In this New York Times bestseller, retired LAPD detective Harry Bosch wants justice for a murdered production assistant -- but without his police badge, can he take down a powerful and ruthless killer? The vision has haunted him for four years -- a young woman lying crumpled in death, her hand outstretched in silent supplication. Harry Bosch was taken off the Angella Benton murder case when the production assistant's death was linked with the violent theft of two million dollars from a movie set. Both files were never closed. Now retired from the L.A.P.D., Bosch is determined to find justice for Angella. Without a badge to open doors and strike fear into the guilty, he's on his own. And even in the face of an opponent more powerful and ruthless than any he's ever encountered, Bosch is not backing down.

The Last Coyote Grand Central Publishing

The beautifully compelling wartime story of freedom and love set deep in the Scottish islands 'A powerful Second World War love story' THE TIMES 'Deeply evocative of Orkney and its wild beauty. Orphaned sisters Dorothy and Constance volunteer to nurse the wounded. But while beautiful, damaged Constance remains wary of the men, Dot finds herself increasingly drawn to Cesare, a young man fighting on the wrong side and broken by the horrors of battle. Secretly, passionately, they fall in love. When a tragic mistake from Con's past returns to haunt them, Dot must make a choice: Protect her sister no matter the costs, or save the man who has captured her heart? _____ Praise for Caroline Lea: 'Enthralling' Stacey Halls, author of The Familiars and The Foundling 'Fantastic' The Times 'Memorable and compelling' Sarah Moss, author of The Times Book of the Year Ghost Wall 'Intensely written and atmospheric' Daily Mail 'Gripped me in a cold fist. Beautiful' Sara Collins, author of The Confessions of Frannie Langton 'Brilliant' Daily Express

Back on the job after an involuntary leave of absence, LAPD homicide detective Harry Bosch is ready for a challenge. But his first case is a little more than he bargained for. It starts with the body of a Hollywood producer in the trunk of a Rolls-Royce, shot twice in the head at close range - what looks like "trunk music," a Mafia hit. But the LAPD's organized crime unit is curiously uninterested, and when Harry follows a trail of gambling debts

to Las Vegas, the case suddenly becomes more complex - and much more personal. A rekindled romance with an old girlfriend opens new perspectives on the murder, and he begins to glimpse a shocking triangle of corruption and collusion. Yanked off the case, Harry himself is soon the one being investigated. But only a bullet can stop Harry when he's searching for the truth . . .

The Black Ice

A Darkness More Than Night

Blue on Black

Trunk Music

For the first time in one volume, the three novels that introduced Michael Connelly's great LAPD homicide detective, maverick Hieronymus (Harry) Bosch. The Black Echo (Winner of the Edgar Award for Best First Novel) For Harry Bosch-hero, loner, nighthawk-the body stuffed in a drainpipe off Mulholland Drive isn't just another statistic. This one is personal. Billy Meadows was a fellow Vietnam "tunnel rat," fighting the VC and the fear they used to call the Black Echo. Harry let Meadows down once. He won't do it again. The Black Ice The corpse in the hotel room seems to be that of a missing LAPD narcotics officer. Rumors abound that the cop had crossed over-selling a new drug called Black Ice. Now Harry's making some dangerous connections, leading from the cop to a string of bloody murders, and from Hollywood Boulevard's drug bazaar to Mexico's dusty back alleys. In this lethal game, Harry is likely to be the next victim. The Concrete Blonde When Harry Bosch shot and killed Norman Church, the police were convinced it marked the end of the hunt for the Dollmaker-L.A.'s most bizarre serial killer. But now Church's widow is accusing Harry of killing the wrong man-a charge that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. For the second time, Harry must hunt the murderer down, before he strikes again. Together, these three novels are the perfect way to discover, or rediscover, the sleuth the New York Times Book Review called a "wonderful, old-fashioned hero who isn't afraid to walk through the flames."

In this original short story from #1 New York Times bestselling author Michael Connelly, LAPD Detective Harry Bosch seeks justice for the forgotten NOTE: This file includes a preview of Michael Connelly's novel The Crossing. In "Switchblade," an anonymous tip puts Bosch on a case that has remained unsolved for decades, the vicious stabbing of a teenage boy whose body was found in an abandoned Old Hollywood restaurant. Cold cases are often the toughest: With no body, no murder scene, and no fingerprints, Bosch nevertheless gets lucky when DNA evidence from the murder weapon points to a known killer. But the DA insists that science alone is not enough - he needs the case to be bulletproof before he'll take it to court. Determined to speak for those who can no longer speak for themselves, Bosch has one chance to wrench a confession out of a cold-blooded killer, or risk letting him walk free for good. In this gripping, never-before-published story by "master of the crime thriller" (Huffington Post) Michael Connelly, Detective Harry Bosch quenches his thirst for justice and shows why he is "one of the most popular and enduring figures in American crime fiction" (Chicago Tribune). In this #1 New York Times bestseller, Special Agent Pendergast must stop a serial killer who is terrorizing New York City with a trail of headless victims. When Grace Ozmian, the beautiful and reckless daughter of a wealthy tech billionaire, first goes missing, the NYPD assumes she has simply sped off on another wild adventure. Until the young woman's body is discovered in an abandoned warehouse in Queens, the head nowhere to be found. Lieutenant CDS Vincent D'Agosta quickly takes the lead. He knows his investigation will attract fierce scrutiny, so D'Agosta is delighted when FBI Special Agent A.X.L. Pendergast shows up at the crime scene assigned to the case. "I feel rather like Brer Rabbit being thrown into the briar patch," Pendergast tells D'Agosta, "because I have found you here, in charge. Just like when we first met, back at the Museum of Natural History." But neither Pendergast nor D'Agosta are prepared for what lies ahead. A diabolical presence is haunting the greater metropolitan area, and Grace Ozmian was only the first of many victims to be murdered . . . and decapitated. Worse still, there's something unique to the city itself that has attracted the evil eye of the killer. As mass hysteria sets in, Pendergast and D'Agosta find themselves in the crosshairs of an opponent who has threatened the very lifeblood of the city. It'll take all of Pendergast's skill to unmask this most dangerous foe-let alone survive to tell the tale.

After being put on involuntary stress leave for attacking his boss, LAPD detective Harry Bosch is drawn to investigate a 30 year old crime - his mother's murder case.

The Last Coyote, Trunk Music, Angels Flight

Dark Sacred Night

A Darkness More Than Night, City of Bones, Lost Light

A Decade of Covering Cops and Killers

Angle of Investigation

The epic conclusion to the long-awaited trilogy featuring one of the most beloved characters in all of fantasy—Drizzt Do'Urden—a rollicking tale of life, death, intrigue, magic, danger, and the timeless bonds of family and friendship from New York Times bestselling author R. A. Salvatore. Displaced in time and unexpectedly reunited with his son Drizzt Do'Urden, Zaknafein has overcome the prejudices ingrained in him as a drow warrior to help his son battle the ambitious Spider Queen and stem the tide of darkness that has been unleashed upon the Forgotten Realms. Though Zaknafein has endured the most difficult battles, survival has come at a terrible cost, and the fight is far from over. Facing

demons and driders, Zaknafein carries the entire weight of Menzoberranzan surrounding Gauntlgym on his shoulders once more. But the chances of survival for him and his old friend and mercenary Jarlaxle look bleak. Trapped in a desperate and seemingly hopeless situation, the legendary warriors must reach deep inside themselves to face the impossible. While the burdens Zaknafein bears are more than enough for one of Menzoberranzan's greatest warriors, fate holds further challenges. When circumstances take an unexpected turn, Zaknafein discovers he must not only conquer the darkness but learn to accept the uncontrollable: life itself. The stakes have never been higher for R. A. Salvatore's most beloved creations in this final volume of his latest bestselling trilogy begun with *Timeless and Boundless*. A story of brave heroes filled with dangerous thrills, *Relentless* also considers eternal questions about morality, purpose, sacrifice, and the definition of harmony. Exciting, imaginative, and thought-provoking, it takes fans on an action-packed ride that will challenge their assumptions and leave them breathless and satisfied.

In this "superb" thriller, Detective Harry Bosch links the bullet from a recent crime to the unsolved killing of a young female photographer during the 1992 L.A. riots (Wall Street Journal). In a case that spans 20 years, Harry Bosch links the bullet from a recent crime to a file from 1992, the killing of a young female photographer during the L.A. riots. Harry originally investigated the murder, but it was then handed off to the Riot Crimes Task Force and never solved. Now Bosch's ballistics match indicates that her death was not random violence, but something more personal, and connected to a deeper intrigue. Like an investigator combing through the wreckage after a plane crash, Bosch searches for the "black box," the one piece of evidence that will pull the case together. Riveting and relentlessly paced, *The Black Box* leads Harry Bosch, "one of the greats of crime fiction" (New York Daily News), into one of his most fraught and perilous cases.

A two-in-one, this volume includes *The Last Coyote* in which suspended LAPD homicide detective Harry Bosch investigates the unsolved murder of his mother, and *Trunk Music* which finds Harry returning to the force to investigate the murder of a movie producer with Mafia ties.

LAPD Detective Harry Bosch vows to uncover the truth of his mother's long ago death. Harry attacked his commanding officer and is suspended indefinitely, pending a psychiatric evaluation. At first he resists the LAPD shrink, but finally recognized that something is troubling him and has for a long time. In 1961, when Harry was twelve, his mother, a prostitute, was brutally murdered with no one ever accused of the crime. With the spare time a suspension brings, Harry opens up the thirty-year-old file on the case and is irresistibly drawn into a past he always avoided. It's clear that the case was fumbled and the smell of a cover-up is unmistakable. Someone powerful was able to divert justice and Harry vows to uncover the truth. As he relentlessly follows the broken pieces of the case, the stirred interest causes new murders and pushes Harry to the edge of his job . . . and his life.

The Drop

Three Harry Bosch Stories

A Novel

A Wall Street Journal and South Florida Sun-Sentinel Best Book of the Year "A masterpiece"—LAPD detective Renée Ballard must join forces with Harry Bosch to find justice in a city scarred by fear and social unrest after a methodical killer strikes on New Year's Eve (Publishers Weekly). There's chaos in Hollywood at the end of the New Year's Eve countdown. Working her graveyard shift, LAPD detective Renée Ballard waits out the traditional rain of lead as hundreds of revelers shoot their guns into the air. Only minutes after midnight, Ballard is called to a scene where a hardworking auto shop owner has been fatally hit by a bullet in the middle of a crowded street party. Ballard quickly concludes that the deadly bullet could not have fallen from the sky and that it is linked to another unsolved murder—a case at one time worked by Detective Harry Bosch. At the same time, Ballard hunts a fiendish pair of serial rapists, the Midnight Men, who have been terrorizing women and leaving no trace. Determined to solve both cases, Ballard feels like she is constantly running uphill in a police department indelibly changed by the pandemic and recent social unrest. It is a department so hampered by inertia and low morale that Ballard must go outside to the one detective she can count on: Harry Bosch. But as the two inexorable detectives work together to find out where old and new cases intersect, they must constantly look over their shoulders. The brutal predators they are tracking are ready to kill to keep their secrets hidden. Unfolding with unstoppable drive and nail-biting intrigue, *The Dark Hours* shows that "relentless on their own, Ballard's and Bosch's combined skills...could be combustible" (Los Angeles Times).

Near Mulholland Drive, Dr. Stanley Kent is found shot twice in the back of the head. It's the case LAPD detective Harry Bosch has been waiting for, his first since being recruited to the Homicide Special Squad. When he discovers that Kent had access to dangerous radioactive substances, what begins as a routine investigation becomes something darker, more deadly, and frighteningly urgent. Bosch is soon in conflict with not only his superiors but the FBI, which thinks the case is too important for just a cop.

Complicating his job even more is the presence of Agent Rachel Walling, his onetime lover. Now guarding one slim advantage, Bosch relentlessly follows his own instincts,

hoping they are still sharp enough to find the truth--and a killer who can annihilate an entire city.

LAPD Detective Harry Bosch tackles three tough cases that span a legendary career in this never-before-collected trio of stories. In "Christmas Even," the case of a burglar killed in mid-heist leads Bosch to retrace a link to his past. In "Father's Day," Bosch investigates a young boy's seemingly accidental death and confronts his own fears as a father. In "Angle of Investigation," Bosch delves into one of the first homicides he ever worked back as a uniformed rookie patrolman, a case that was left unsolved for decades. Together, these gripping stories span Bosch's controversial career at the LAPD, and show the evolution of the haunted, legendary investigator he would become. Utterly unputdownable, they are proof that "Connelly never stops doling out the suspense....Once it grabs you in those first few pages, it won't let go of you" (Boston Globe).
