When the United States, now clear of its own Civil War, aided the rebels in pushing back Maximilian's imperial soldiers, the French army withdrew, abandoning the young couple. The regime fell apart. Maximilian was executed by a firing squad and Carlota, secluded in a Belgian castle, descended into madness. The study guide culminates with a miniature commentary on the entire text of Revelation, weaving together liberationist, postcolonial, feminist, womanist, queer, and ecological approaches to the book in order to discern what it might mean for contemporary readers and communities concerned with issues of
