

## The Laws Of The Spirit World

*Focuses on a Muslim legal science known in Arabic as usul al-fiqh. Whereas the kindred science of fiqh is concerned with the articulation of actual rules of law, this science attempts to elaborate the theoretical and methodological foundations of the law. It outlines the features of Muslim juristic thought.*

*The Laws of Secret: Awaken to This New World and Change Your Life is the 27th volume of the Laws Series by Ryuho Okawa. It consists of five selected key lectures Okawa gave during 2020 to introduce new perspectives and the new guiding principles for today’s turmoilled world. Okawa’s straightforward messages break through conventional ‘common sense’ and navigate you into the new world of spiritual Truth which no one has ever explained in such detail before. No matter how much science and technology advances, the world will always be full of wonder. That is because our physical world coexists with the spirit world and without realizing it we are constantly affected by some kind of spiritual influence, whether positive or negative. In this book, Okawa reveals the secrets of the spirit world and the spiritual power that human beings innately possess. In this book you will learn: -The mystical secret, the Spiritual Truth which penetrates this world and the other. -The secrets behind virus infection and spiritual possession and how to remove them. -The secrets of exorcism: the mindset to overcome and protect ourselves from negative disturbances. -The secrets of the religious power to conquer and defeat evil in order to kindle the light in this world. -The secrets of the mystical power of God and the miraculous power of faith which is necessary to overcome the crisis of humanity to bring a prosperous future. Reading this book will inspire you to become someone who can give hope and courage to others who struggle in the current world of confusion. According to Okawa, when more people can accept the spiritual Truth revealed in The Laws of Secret, the world will become more beautiful, and will be filled with more delight.*

*WITH A BRAND NEW LOOK! ON FEBRUARY 22, 1980, KHORSHED AND RUMI BHAVNAGRI’S WORLD WAS SHATTERED. ONE MONTH LATER, A NEW ONE OPENED. Khorshed and Rumi Bhavnagri lost their sons, Vispi and Ratoo, in a tragic car crash. With both their sons gone, the couple felt they would not survive for long. They had lost all faith in God until a miraculous message from the Spirit World gave them hope and sent them on an incredible journey.*

*This book takes an in-depth look at theHoly Spirit, His works, His names, and His Emblems. The Holy Spirit is the third person in the Godhead, who operates coequally, coeternally, and coestistically as one unit. The Holy Spirit’s activities are (a) He reveals, (b) He teaches, (c) He witness, and (d) He intercedes for us. Additionally, He possesses a relaionahip with humanity and He can be grieved. The Holy Spirit is eternal, omnipresent, omnipotent, and omniscient. His symbols are (a) wind, (b) fire, (c) water, (d) a seal, (e) oil, and (f) adove.*

*This is a book you will cherish for a lifetime, for within its pages are the secrets to making all your dreams come true. Based on natural laws that govern all of creation, this book shatters the myth that success is the result of hard work, exacting plans, or driving ambition. Instead, Deepak Chopra offers a life-altering perspective on the attainment of success: When we understand our true nature and learn to live in harmony with natural law, a sense of well-being, good health, fulfilling relationships, and material abundance spring forth easily and effortlessly. Filled with timeless wisdom and practical steps you can apply right away, this pocketbook edition of Chopra’s classic bestselling book makes it easy for you to read and refer to again and again. Carry it with you in your purse or your pocket, and in less than one hour, learn the seven powerful principles that can easily be applied to create success in all areas of your life.*

*This collection of devotions was taken from GIRLS WALKING WITH INTEGRITY EMPOWERING FOR DESTINY (GWWI) to inspire and encourage you in your daily walk with Christ. I hope that you will enjoy reading these devotions as much as I have enjoyed writing them. May they continue to bring you life and uplift your spirit, as God gives you His peace that passes all understanding.*

*An account of Hegel’s political insights and their contemporary relevance. Drawing from a variety of Hegel’s writings, Shannon Hoff articulates a theory of justice that requires answering simultaneously to three irreducibly different demands: those of community, universality, and individuality. The domains of “ethicality,” “legality,” and “morality” correspond to these essential dimensions of human experience, and a political system that fails to give adequate recognition to any one of these will become oppressive. The commitment to legality emphasized in modern and contemporary political life, Hoff argues, systematically precludes adequate recognition of the formative cultural contexts that Hegel identifies under the name of “ethical life” and of singular experiences of moral duty, or conscience. Countering the perception of Hegel as a conservative political thinker and engaging broadly with contemporary work in liberalism, critical theory, and feminism, Hoff focuses on these themes of ethicality and conscience to consider how modern liberal politics must be transformed if it is to accommodate these essential dimensions of human life.*

*Perhaps the most important section in Dan Millman’s best-selling book, The Life You Were Born to Live was titled Laws that Change Lives. These laws, as described, were key to overcoming the specific hurdles on a given individual’s life path. Different laws played critical roles for different paths. But the author considers these laws so central to all our lives that they needed a book of their own, and a more universal treatment, since anyone could benefit from applying any of these laws. As he writes: “Within the mystery of our existence, the universe operates according to spiritual laws as real as the law of gravity and as constant as the turning of the heavens. Aligning our lives to these laws can transform our relationships, careers, finances, and health. Simply put, they make life work better.” The Laws of Spirit, Dan Millman’s “little book of big wisdom,” offers a teaching tale in which he encounters an ageless woman sage while on a mountain hike. There, in the wilderness, she takes Dan and his readers through experiences and tests in the natural world that demonstrate the power of spiritual laws of balance, choice, process, presence, compassion, faith, action, patience, , surrender, and unity. As the sage relates, “These laws belong to all of us. They rest within our hearts and at the heart of every religion and spiritual tradition.” As you make your own journey through the pages of this book, you will find universal solutions to the varied challenges of our lives, leading to perspective and wisdom about the meaning and purpose of our lives here, and our connection with all of creation It begins with a single step: Open the first page of a book you will refer to again and again for inspiration and guidance on life’s journey, up the mountain path.*

Vodou has often served as a scapegoat for Haiti’s problems, from political upheavals to natural disasters. This tradition of scapegoating stretches back to the nation’s founding and forms part of a contest over the legitimacy of the religion, both beyond and within Haiti’s borders. The Spirits and the Law examines that vexed history, asking why, from 1835 to 1987, Haiti banned many popular ritual practices. To find out, Kate Ramsey begins with the Haitian Revolution and its aftermath. Fearful of an independent black nation inspiring similar revolts, the United States, France, and the rest of Europe ostracized Haiti. Successive Haitian governments, seeking to counter the image of Haiti as primitive as well as contain popular organization and leadership, outlawed “spells” and, later, “superstitious practices.” While not often strictly enforced, these laws were at times the basis for attacks on Vodou by the Haitian state, the Catholic Church, and occupying U.S. forces. Beyond such offensives, Ramsey argues that in prohibiting practices considered essential for maintaining relations with the spirits, anti-Vodou laws reinforced the political marginalization, social stigmatization, and economic exploitation of the Haitian majority. At the same time, she examines the ways communities across Haiti evaded, subverted, redirected, and shaped enforcement of the laws. Analyzing the long genealogy of anti-Vodou rhetoric, Ramsey thoroughly dissects claims that the religion has impeded Haiti’s development.

One of the most effective evangelistic tools ever developed.

...for my thoughts are not your thoughts, neither are your ways my ways saith the Lord. For as the heavens are higher than the earth so are my ways higher than your ways and my thoughts than your thoughts. Isaiah 55:8-9
Have you ever wondered why things keep on happening the way they do? Have you ever wondered why life seems to follow a pattern and certain things keep on reoccurring sort of in a circle? Have you ever wondered why certain people seem destined to fail while others seem destined to succeed? In Spiritual Laws: the Operating System of the Kingdom of God, author John Magezi provides key answers to these questions. God has set in place laws and principles that determine the way things happen in the world.

The Laws of Spirit

A Pocketbook Guide to Fulfilling Your Dreams

The Spirit of Classical Canon Law

The Spiritual Laws

*This publications awakens the believer to a myriad of spiritual laws and principles of God which he can take advantage of and enter deeper realms of the spirit. It is worth exploring the divine truth that there are laws and principles that God has put in place by which He governs the universe. These are categorically physical laws which govern the natural realm and spiritual laws which govern the realm of the spirit. For example, there is a law of gravity which stipulates that if you throw an object up in the air, it will evidently crash back onto the earth; the law of floatation which allows ships and boats to float on water, the law of aerodynamics that enables aeroplanes to fly and the law of electricly which helps us generate heat and light energy. The reality is that when we operate in obedience to these physical laws within nature, we reap positive results but when we violate them, the repercussions are severe. However, as much as there are physical laws, there are also spiritual laws which are the highest class of laws governing and controlling the entire universe. In the spiritual realm, God has established a court system with laws, principles and divine protocols which functions just like the court system of the natural realm. Just like physical laws, when we corporate with these spiritual laws, we reap alarming results but when we violate them, we face the consequences. It’s a pity that most people do not understand the operation of these divine laws and protocols, which explains why the devil ends taking advantage of their ignorance, thus gaining a legal foothold that grants him the right to ensnare them into debilitating circumstances of poverty, sickness and defeat. There are certain principles that one can tap into in order to walk into the deeper realities of God’s power. Just like there are laws of gravity which govern how to operate in the natural realm, there are also spiritual laws that govern the spirit realm or how to operate in the realm of the miraculous. These laws of the supernatural complement each other and are progressions to enter into the greater depths of God. Each of these laws has a specific manifestation that produces something special. However, it is unfortunate that many believers are failing to operate in the realm of the miraculous because they do not understand spiritual laws and principles which they could take advantage of to generate positive results. Spiritual laws and principles are therefore vital keys that unlock the doors into the supernatural and accentuate an avenue through which the power of God can flow.It is a typical scenario in the body of Christ that so many people have the power but they do not know how to release it. Having the power is one thing and knowing how to tap into the realm of God to release that power is a completely different reality. In the church of Jesus Christ today, God has invested upon believers’ tremendous, overwhelming and explosive power and authority but that power is not released as it should because of lack of understanding of spiritual laws and principles governing the realm of the spirit. They have the exousia power but they are not realizing how to tap, activate and exercise it. Failure to tap into the realm of power is what is allowing their homes to be plundered by the enemy without taking authority against it just like Adam allowed the serpent to tempt Eve and deceive her in his presence. It has been noted that a lot of Christians are allowing Satan to dominate their lives and wreak havoc in their families while they are busy crying to God for help. Learning how to tap into the set spiritual laws and principles is therefore vital in birthing forth supernatural manifestations of God’s power. You are definitely guaranteed to launch into the greater depths of the miraculous if these spiritual laws and principles are correctly applied, practised and activated.*

*By the end of the eighth century A.D., imperial China had established a system of administrative and penal law, the main institutions of which lasted until the collapse of the Ch’ing dynasty in 1911. The Spirit of Traditional Chinese Law studies the views held throughout the centuries by the educated elite on the role of law in government, the relationship between law and morality, and the purpose of punishment. Geoffrey MacCormack’s introduction offers a brief history of legal development in China, describes the principal contributions to the law of the Confucian and Legalist schools, and identifies several other attributes that might be said to constitute the “spirit” of the law. Subsequent chapters consider these attributes, which include conservatism, symbolism, the value attached to human life, the technical construction of the codes, the rationality of the legal process, and the purposes of punishment. A study of the “spirit” of the law in imperial China is particularly appropriate, says MacCormack, for a number of laws in the penal codes on family relationships, property ownership, and commercial transactions were probably never meant to be enforced. Rather, such laws were more symbolic and expressed an ideal toward which people should strive. In many cases even the laws that were enforced, such as those directed at the suppression of theft or killing, were also regarded as an emphatic expression of the right way to behave. Throughout his study, MacCormack distinguishes between “official,” or penal and administrative, law, which emanated from the emperor to his officials, and “unofficial,” or customary, law, which developed in certain localities or among associations of merchants and traders. In addition, MacCormack pays particular attention to the law’s emphasis on the hierarchical ordering of relationships between individuals such as ruler and minister, ruler and subject, parent and child, and husband and wife. He also seeks to explain why, over nearly thirteen centuries, there was little change in the main moral and legal prescriptions, despite enormous social and economic changes.*

*THE SPIRITUAL LAWS. The content of this book is a message of love for all humanity.This message has been written from the heart for the heart, for your heart. I hope that it will be as useful to you as it has been to me. That it will help you to get to know yourself, awaken your feelings, eliminate your egoistic part, understand the reason why you are here, and the reason why certain things happen to you. It will give you hope, it will help you understand other people better and to love them some day, it will help you understand the world you live in, so that you can turn the biggest misfortune into something useful for your evolution in love. In short, so that you are your true self, free, conscious to be able to experience true love, unconditional love, so that you are happier. With all my love, for you. *‘Deepak Chopra’s thoughts on spirituality and child rearing are original, profound and fascinating’ BENJAMIN SPOCK, MD
Deepak Chopra’s Seven Spiritual Laws of Success have touched a chord around the globe because of their simplicity and trust. This parenting book takes those laws one by one and explores the many ways parents can bring them into the lives of their children. Explaining that success depends on who you are rather than what you do, this world-renowned physician and author shows that spirituality lies at the source of all achievement in life. Suggesting ways that parents can help their children absorb this timeless wisdom from an early age, Deepak Chopra offers a daily programme of practical, thought-provoking ideas for the whole family to follow. In this way, parents can teach their children how to live in the most effortless, harmonious and creative way – and thus know true abundance throughout their lives.*

**This book was originally published in 1899. Many of the earliest books, particularly those dating back to 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original artwork and text.**

**This treatise on political theory, originally published anonymously in 1748, has become one of the most influential works of political science ever written. French philosopher Charles de Montesquieu wrote this piece under the inspiration of such political theorists as René Descartes, Nicholas de Malebranche, and Niccolò Machiavelli. The ideas laid forth by Montesquieu in this work, especially that of balancing power among branches of government, had a prominent influence on the American Constitution, although at the time of its publication was subject to censorship. Over twenty years in the making, “The Spirit of Laws” considers a vast range of political topics including: the preservation of civil liberties, taxation, slavery, commerce, the role of women, crime and punishment, religion, education, morality and the law, and other matters of political, sociological, and anthropological importance. Undoubtedly, it has become one of the most emulated and highly-regarded treatises on political law ever written. This edition is printed on premium acid-free paper.**

**Is your faith stagnant? Do you spend most days disconnected from God and yearning for a closer relationship with him? Too often Christians live a lukewarm existence mired in a rut of being unfulfilled restlessness.Faith is a gift from God. In God’s grace, we already possess faith, but leave our spiritual growth unwrapped. How do we live with a vibrant faith? Fuel Your Faith - a Practical Guide to Igniting a Healthy Spirituality is a guidebook to fan the flames of your faith. This book is not a deep theological discourse about spiritual disciplines, but a quick resource for ideas to stir the embers of belief God gives each of us. In Fuel Your Faith, you will.\*Discover a potpourri of spiritual practices to move you from stuck to unstuck. \*Gather ideas applicable right away to your life to awaken your spirit.\*Learn ways to pray, study, connect, and celebrate God’s presence.\*Find inspiration, encouragement, and courage to explore your faith \*Explore transformational ideas to kindle the awakening of our spirit.Fuel Your Faith will empower you to move from the chilliness of shallow faith to the warmth, power, and comfort of a blazing fire.We can cultivate a healthy spirituality. God wants our faith to grow and our lives glow with his love. What a marvelous gift God gives us - let’s fan the flames of our faith.**

**The Spirit of the Laws is, without question, one of the central texts in the history of eighteenth-century thought, yet there has been no complete, scholarly English-language edition since that of Thomas Nugent, published in 1750. This lucid translation renders Montesquieu’s problematic text newly accessible to a fresh generation of students, helping them to understand quite why Montesquieu was such an important figure in the early enlightenment and why The Spirit of the Laws was, for example, such an influence upon those who framed the American constitution. Fully annotated, this edition focuses attention upon Montesquieu’s use of sources and his text as a whole, rather than upon those opening passages towards which critical energies have traditionally been devoted, and a select bibliography and chronology are provided for those coming to Montesquieu’s work for the first time.**

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a “soul-stirring celebration of the pleasures of knowing God.”

Reprint of the first edition. This incisive critique was written around 1807 by Tracy [1754-1836], a French philosopher and path-breaking psychologist who was a friend of Jefferson [1743-1826]. Jefferson saw the Commentary when it was still a manuscript and was so impressed that he took pains to have it printed. He even helped with the translation and corrected the page proofs. Although the translation was published anonymously, we can identify the author and translators through a letter by Jefferson dated January 26, 1811.

Elsewhere in this letter he commends it for correcting the Spirit of the Laws. While other studies had merely “nibbled only at its errors...This want is now supplied, and with a depth of thought, recision of idea, of language and of logic, which will force conviction into every mind. I declare to you, Sir, in the spirit of truth and sincerity, that I consider it the most precious gift the present age has received.”: The Writings of Thomas Jefferson V:566-571.

To a greater or lesser extent, all of us question who we are, why we exist and why there is so much suffering in the world. These questions come from our pain as well as our inquisitive nature. Not only do we want to know how things work, but why things even exist. If we can learn to understand the laws that govern everything, then we have a greater opportunity to understand what is going on in the universe and our lives. Therefore, we owe it to ourselves to become familiar with and conscious of these laws as much as possible. Simplistic by design, they become intricate when we begin to examine them in detail. I believe that all the pain that each of us have experienced is because we were out of integrity with one or more of these laws. So the key to bringing peace into our lives is to study and implement a unity with these laws. All of us, by our very nature, need to resolve our many questions of “why?” Our inquisitive nature can be our liberator. These twelve laws represent much wisdom passed on to us from not only Vishnu but many other Master Forces and Teachers in Spirit. They are gifts of liberation.

Rev. 2:7 ‘He that has an ear, let him hear what the Spirit says unto the Churches.’ He says it to each of the seven churches giving them warning as to what will happen if they don’t listen. Later in the same book, he says something that opened my understanding to the reason people don’t hear. He says, ‘If any man have an ear, let him hear.’ This indicates to me, the Spirit will no longer be speaking to people because He is no longer in the world. Those left behind will only be able to hear with the natural ear what is going on around them. I would warn the church to listen NOW while there is still time to hear the Spirit and obey the Lord. There is coming a time when the Spirit will no longer speak to the hearts of man, for judgment will be falling on the world who would not listen. It will be a time of famine of the Word. I pray the church wake up now. Don’t be like the five virgins, who feel asleep with no oil in their lamps and woke up left behind. Now is the day of salvation, now is the day to listen with the ear of the Spirit and have a Holy Spirit encounter that will change your life. You can’t change yourself, you can only die to the self life and grow in the God life the savior provided for you at the cross.Living in the Last Days is not a popular phrase, but it is what is happening. We have no leadership, and preachers are preaching to itching ears and tickling ears. Hearts are cold or very lukewarm with no attention span to help one another to grow. Evil is growing and good people are doing nothing because they are too busy, to overworked, to far asleep. 666 is now here and is going to be required by government and good people are doing nothing because they don’t care, don’t see what it happening right in front of them. The evil that is in the middle east will be in American unless people wake up and listen with the ear of the Spirit and do it soon.

“DeepakChopra has developed his own unique form of complementary, mind-body medicine.”—U.S. News & World Report
Theworld needs heroes, and, as spiritual authority Deepak Chopra demonstrates inthis gripping and deeply perceptive meditation on our potential to excel, everyone of us possesses the power to help save the planet—and the strength to claimour best possible lives. For readers who draw inspiration from comic books andmovies like Ironman, The Uncanny X-Men, and Superman, forthe Peter Parkers who wonder how to unlock their inner Spider-man, Choprailluminates the path to becoming a spiritual superhero, teaching us how towield the great power of the human heart to work real changes in ourselves andin the world around us.

Pertinent to contemporary demands for reparations from Turkey is the relationship between law and property in connection with the Armenian Genocide. This book examines the confiscation of Armenian properties during the genocide and subsequent attempts to retain

seized Armenian wealth. Through the close analysis of laws and treaties, it reveals that decrees issued during the genocide constitute central pillars of the Turkish system of property rights, retaining their legal validity, and although Turkey has acceded through international agreements to return Armenian properties, it continues to refuse to do so. The book demonstrates that genocides do not depend on the abolition of the legal system and elimination of rights, but that, on the contrary, the perpetrators of genocide manipulate the legal system to facilitate their plans.

How does it happen? How does someone raised Roman Catholic find himself journeying to the spirit world, interacting with spirit guides, and performing soul retrievals? This book is Paul J. McAllister's answer to that question. What makes the book interesting is that, unlike many how-to shamanic books, My Journeys To The Spirit World focuses on the author's personal journeying experiences. Between June 2011 and June 2013 the author made approximately 200 journeys to the spirit world; journaling each visit immediately after it occurred. This book presents the thirty plus most memorable journeys. It includes details of his interactions with power animals and spirit guides, the intentions for each journey, and the beneficial results of contacting the spirit world. In Chapter One the author describes initial spirit contacts he had while vacationing in Hawaii in 2011. Back on the mainland two weeks later, Paul was awakened from a sound sleep by Hawaiian spirits and given the opportunity to follow a new path. He accepted their invitation. In Chapter Two, the author briefly describes his personal spiritual quest. Following Catholicism into adulthood, the author's life took a turn into alternative spiritual ideas including years spent studying Rosicrucianism, Buddhism, Transcendental Meditation, the Order of the Golden Dawn, and ultimately shamanic practice. Chapter Three relates how he began journeying on his own. The author describes purchasing Awakening to the Spirit World by Sandra Ingeman and Hank Wesselman, reading their instructions on journeying, and using the accompanying CD to journey easily into and out of the spirit world. After several months, he decided to verify his experiences and signed up for a class titled "Introduction to Shamanic Journeying" by Lauren Torres, a certified teacher of shamanic practices. Chapters Four and Five describe the author's success in confirming his own experiences through that training. Paul describes his journeys during four shamanic training courses as well as his own personal journeys during this timeframe. The author uses Chapter Six as an introduction to the process of healing by describing his experiences during three years as a practitioner of chakra healing. This chapter also sets the stage for discussions of soul retrievals and soul retrieval training which are covered in Chapter Seven. Chapter Eight describes four soul retrievals and includes positive post retrieval comments from each of the clients. Chapter Nine discusses the use of drums, rattles, dreams, omens, other forms of divination, and how these tools compliment healing and soul retrievals. Chapter Ten focuses on a discussion of our outmoded definition of reality, the fact that journeying is the inherent right of all human beings, and how journeying will help us discover our individual purpose which in turn will help us implement the destiny of all humanity. My Journeys To The Spirit World, is not a dry, intellectual approach to shamanic journeying. Rather it is an exciting, sometimes emotional retelling of the author's personal view of the journeying process. It is the wonderful culmination of a life long spiritual search.

BASED ON NATURAL laws which govern all of creation, this book shatters the myth that success is the result of hard work, exacting plans, or driving ambition. In The Seven Spiritual Laws of Success, Deepak Chopra offers a life-altering perspective on the attainment of success: Once we understand our true nature and learn to live in harmony with natural law, a sense of well-being, good health, fulfilling relationships, energy and enthusiasm for life, and material abundance will spring forth easily and effortlessly. Filled with timeless wisdom and practical steps you can apply right away, this is a book you will want to read and refer to again and again.

This publications awakens the believer to a myriad of spiritual laws and principles of God which he can take advantage of and enter deeper realms of the spirit. It is worth exploring the divine truth that there are laws and principles that God has put in place by which He governs the universe. These are categorically physical laws which govern the natural realm and spiritual laws which govern the realm of the spirit. For example, there is a law of gravity which stipulates that if you throw an object up in the air, it will evidently crash back onto the earth; the law of floatation which allows ships and boats to float on water, the law of aerodynamics that enables aeroplanes to fly and the law of electricity which helps us generate heat and light energy. The reality is that when we operate in obedience to these physical laws within nature, we reap positive results but when we violate them, the repercussions are severe. However, as much as there are physical laws, there are also spiritual laws which are the highest class of laws governing and controlling the entire universe. In the spiritual realm, God has established a court system with laws, principles and divine protocols which functions just like the court system of the natural realm. Just like physical laws, when we corporate with these spiritual laws, we reap alarming results but when we violate them, we face the consequences. It ' s a pity that most people do not understand the operation of these divine laws and protocols, which explains why the devil ends taking advantage of their ignorance, thus gaining a legal foothold that grants him the right to ensnare them into debilitating circumstances of poverty, sickness and defeat. There are certain principles that one can tap into in order to walk into the deeper realities of God ' s power. Just like there are laws of gravity which governs how to operate in the natural realm, there are also spiritual laws that govern the spirit realm or how to operate in the realm of the miraculous. These laws of the supernatural complement each other and are progressions to enter into the greater depths of God. Each of these laws has a specific manifestation that produces something special. However, it is unfortunate that many believers are failing to operate in the realm of the miraculous because they do not understand spiritual laws and principles which they could take advantage of to generate positive results.

--Ecclesiastical Law Review --

The Spirit of Japanese Law focuses on the century following the Meiji Constitution, Japan's initial reception of continental European law. As John Owen Haley traces the features of contemporary Japanese law and its principal actors, distinctive patterns emerge. Of these none is more ubiquitous than what he refers to as the law's "communitarian orientation." While most westerners may view judges as Japanese law's least significant actors, Haley argues that they have the last word because their interpretations of constitution and codes define the authority and powers they and others hold. Based on a "sense of society," the judiciary confirms bonds of village, family, and firm, and "abuse of rights" and "good faith" similarly affirms community. The Spirit of Japanese Law concludes with constitutional cases that help explain the endurance of community in contemporary Japan.

The book The Secret brought the Law of Attraction to a vast new audience. Beyond the Secret takes the concept a step further, explaining how to align with your own Spirit so you can use the very powerful Law of Attraction truthfully and securely--ensuring that what you wish for is actually good for your Self.

**There is no life in mechanics. The Spirit is in the principles. This book contains a timeless message for anyone and everyone who endeavors to sell well and live free. Selling is an art, and there are universal, timeless laws that govern successful selling. These laws are the fundamentals of which everything and everyone are governed on this planet, yet most people may not even know they exist, let alone how to apply them to their everyday lives and selling. As a sales and business coach with over 35 years of sales and sales management experience, Rhonda Petit believes selling is 95% mindset and 5% mechanics. If you have a desire to understand your greatest asset, your mind, and how to use it to cause your sales success and sell more, then this book is for you. In this book you will learn how to align and attune yourself to Universal Law, and activate your courage, confidence, and competence. You will understand the world is never out to get you and why challenge and contrast are gifts. You will be empowered once and for all to kick your saboteur to the curb, and never surrender power to it again. Selling is an act of service to guide your clients through transformation. The Spirit of Selling blueprint is principle-centered. Use this information to create a new sales dynamic for you and your customers. May all future generations of sales professionals embrace the true spirit of selling and be recognized and respected for providing the ultimate customer buying experience.**
