

The Left Behind Apocalypse Collection Apocalypse Dawn Apocalypse Crucible Apocalypse Burning Apocalypse Unleashed

Growing up in the zombie apocalypse

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Donated by Pam Strauss.

Pilot Rayford Steele and reporter Buck Williams begin searching for their loved ones after the global earthquake in the twenty-first month of the Tribulation.

When the English Fall

The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction. . . . and of incredible deliverance for a desperate, dying planet.

Who Will Usher in Earth's Final Days? Are we living in the end times? Is it possible that the players depicted in the book of Revelation could be out in force today? And if they are, would you know how to recognize them? In Agents of the Apocalypse, noted prophecy expert Dr. David Jeremiah does what no prophecy expert has done before. He explores the book of Revelation through the lens of its major players—the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their individual personalities and motives, and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready?

While Sergeant "Goose" Gander and the men of the 75th Army Rangers fight a battle on the Turkish-Syrian border, his wife, Megan, struggles to save one family even as she fears for her own.

In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over—the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, The Enemy is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.

The Earth's Last Days: The Battle Continues

2004 Christy Fiction award winner! Paul Stepola, an agent working for the National Peacekeeping Organization (NPO), has been assigned to enforce compliance with the world government's prohibition on religion. Paul relishes his job and is determined to expose underground religion—flush it out, expose it, and kill it—until his life is turned upside down and he is forced to look at life in a different way. As Paul begins to unravel the truth about what he has found, events taking place around the world are starting to make sense. Something big is coming—something that can't be stopped. And it is coming soon.

As the world's thousands of believers gather in Jerusalem for a stadium rally, the Tribulation Force struggles with their own personal crises. Newspaper reporter Buck Williams and his wife, Chloe, question whether or not they should have returned to their home in the States. As the world's billions of Christians are starting to be tormented by their own doubts, the Tribulation Force is starting to tormenting his followers—with a pain so horrible that men try to kill themselves but aren't allowed to die. A repackage of the fifth book in the New York Times best-selling Left Behind series.

Left Behind in Evangelical America

The Rise of Antichrist

2004 Christy Award finalist! From the decks of U.S. Navy carriers patrolling the Mediterranean to Fort Benning, Georgia, and the dusty sands of the Turkish-Syrian border, this new suspense thriller runs side by side with the phenomenal series that has sold more than 50 million copies. New characters and situations are added to those from the already explosive Left Behind series to raise the tension to a fever pitch. With technical accuracy from the same people who create best-selling military thrillers, this new series will satisfy the fans of the original Left Behind series who are looking for more.

Danger and personal crisis on land, sea, and in the air combine with a level of spiritual warfare that is unparalleled in a Christian book. Crucible is a page-turning thriller that runs side by side with the phenomenal Left Behind series that has sold in excess of 55 million copies. The world is exploding in confusion and terror following the disappearances in book one, Apocalypse Dawn. Meanwhile, Army Rangers and Marine Special Forces are struggling to keep the peace, while fighting spiritual battles of their own in the sands of Turkey and back home.

In the "twinkling of an eye" Jesus secretly returns to earth and gathers to him all believers. As they are taken to heaven, the world they leave behind is plunged into chaos. Cars and airplanes crash and people search in vain for loved ones. Plagues, famine, and suffering follow. The antichrist emerges to rule the world and to destroy those who oppose him. Finally, Christ comes again in glory, defeats the antichrist and reigns over the earth. This apocalyptic scenario is anticipated by millions of Americans. These millions have made the Left Behind series--novels that depict the rapture and apocalypse--perennial bestsellers, with over 40 million copies now in print. In Rapture Culture, Amy Johnson Frykholm explores this remarkable phenomenon, seeking to understand why American evangelicals find the idea of the rapture so compelling. What is the secret behind the remarkable popularity of the apocalyptic genre? One answer, she argues, is that the books provide a sense of identification and communal belonging that counters the "social atomization" that characterizes modern life. This also helps explain why they appeal to female readers, despite the deeply patriarchal worldview they promote. Tracing the evolution of the genre of rapture fiction, Frykholm notes that at one time such narratives expressed a sense of alienation from modern life and protest against the loss of tradition and the marginalization of conservative religious views. Now, however, evangelicalism's renewed popular appeal has rendered such themes obsolete. Left Behind evinces a new embrace of technology and consumer goods as tools for God's work, while retaining a protest against modernity's transformation of traditional family life. Drawing on extensive interviews with readers of the novels, Rapture Culture sheds light on a mindset that is little understood and far more common than many of us suppose.

What If It's Us meets Life as We Knew It in this postapocalyptic, queer YA adventure romance from debut author Erik J. Brown. Perfect for fans of Adam Silvera and Alex London. When Andrew stumbles upon Jamie’s house, he’s injured, starved, and has nothing left to lose. A deadly pathogen has killed off most of the world’s population, including everyone both boys have ever loved. And if this new world has taught them anything, it’s to be scared of what other desperate people will do . . . so why does it seem so easy for them to trust each other? After danger breaches their shelter, they flee south in search of civilization. But something isn’t adding up about Andrew’s story, and it could cost them everything. And Jamie has a secret, too. He’s starting to feel something more than friendship for Andrew, adding another layer of fear and confusion to an already tumultuous journey. The road ahead of them is long, and to survive, they’ll have to shed their secrets, face the consequences of their actions, and find the courage to fight for the future they desire, together. Only one thing feels certain: all that’s left in their world is the undeniable pull they have toward each other.

The Left Behind Gift Collection

The Left Behind: Apocalypse Collection: Apocalypse Dawn / Apocalypse Crucible / Apocalypse Burning / Apocalypse Unleashed

Continues the story of the Tribulation Force at near one-fourth of the way through their effort to battle evil.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

"By the author of the award-winning To Be a Machine, a deeply considered look at the people and places in confrontation with the end of our days. We're alive in a time of worst-case scenarios: The weather has gone uncanny, volatile. Our old post-war alliances are crumbling. Everywhere you look there's an omen, a joke whose punchline is the end of the world. How are we to live in the shadow of such a grim future? What does the world hold for our children? What might it be like to live through the worst? And what is anybody doing about it? Dublin-based writer Mark O'Connell ("wryly humorous, cogently insightful"--NPR) is possessed by these questions. In Notes from an Apocalypse, he crosses the globe in pursuit of answers. He tours survival bunkers in South Dakota. He ventures to New Zealand, a favored retreat of billionaires banking on civilization's collapse. And he bears witness to those places where the future has already arrived--real-life portraits of the end of the world as we know it. In doing so, he offers us a unique window into our apocalyptic imagination. Part tour, part pilgrimage, Notes from an Apocalypse is an affecting and hopeful meditation on our alarming present tense. With insight, humanity, and wit, O'Connell leaves you to wonder: What if the end of the world isn't the end of the world?"--
Twenty-five years ago . . . As the world approached a new millennium, Tim LaHaye and Jerry B. Jenkins released a novel that became a cultural phenomenon. On a Boeing 747 headed to London, passengers instantaneously disappear from their seats, resulting in terror and chaos for those left behind—not only throughout the plane, but also worldwide as the apocalypse begins. Included in this 25th anniversary edition is an essay by Jerry B. Jenkins, exploring cultural and spiritual changes over the last quarter century through the lens of this groundbreaking work of fiction. Read it for the first time or enjoy it again to be reminded of Left Behind's incredible impact.

Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.

A New York Times Notable Book for 2011 A Washington Post Notable Fiction Book for 2011 A USA Today 10 Books We Loved Reading in 2011 Title One of NPR's 10 Best Novels of 2011 What if—whoosh, right now, with no explanation—a number of us simply vanished?

Would some of us collapse? Would others of us go on, one foot in front of the other, as we did before the world turned upside down? That's what the bewildered citizens of Mapleton, who lost many of their neighbors, friends and lovers in the event known as the Sudden Departure, have to figure out. Because nothing has been the same since it happened—not marriages, not friendships, not even the relationships between parents and children. Kevin Garvey, Mapleton's new mayor, wants to speed up the healing process, to bring a sense of renewed hope and purpose to his traumatized community. Kevin's own family has fallen apart in the wake of the disaster: his wife, Laurie, has left to join the Guilty Remnant, a homegrown cult whose members take a vow of silence; his son, Tom, is gone, too, dropping out of college to follow a sketchy prophet named Holy Wayne. Only Kevin's teenaged daughter, Jill, remains, and she's definitely not the sweet "A" student she used to be. Kevin wants to help her, but he's distracted by his growing relationship with Nora Durst, a woman who lost her entire family on October 14th and is still reeling from the tragedy, even as she struggles to move beyond it and make a new start. With heart, intelligence and a rare ability to illuminate the struggles inherent in ordinary lives, Tom Perrotta's The Leftovers is a startling, thought-provoking novel about love, connection and loss.

After millions of people around the world vanish in one moment, in what many claim to be the Rapture, Rayford Steele begins a search for the truth amidst global chaos.

From the bestselling author of Rich and Pretty comes a suspenseful and provocative novel keenly attuned to the complexities of parenthood, race, and class. Leave the World Behind explores how our closest bonds are reshaped—and unexpected new ones are forged—in moments of crisis. Amanda and Clay head out to a remote corner of Long Island expecting a vacation: a quiet reprieve from life in New York City, quality time with their teenage son and daughter, and a taste of the good life in the luxurious home they've rented for the week. But a late-night knock on the door breaks the spell. Ruth and G. H. are an older couple—it's their house, and they've arrived in a panic. They bring the news that a sudden blackout has swept the city. But in this rural area—with the TV and internet now down, and no cell phone service—it's hard to know what to believe. Should Amanda and Clay trust this couple—and vice versa? What happened back in New York? Is the vacation home, isolated from civilization, a truly safe place for their families? And are they safe from one other?*

Desecration

All That's Left in the World

The Tribulation Force gathers its courage as the newly-resurrected Carpathia shows a fondness for gruesome killings against those who remain disloyal to him and commits the ultimate act of desecration against the Judeo-Christian community. His Excellency Global Community Potentate Nicolae Carpathia is back, this time as Satan. Resurrected and indwelt by the devil himself, the beast tightens his grip as ruler of the world. Terror comes to believers in Greece as they are among the first to face a GC loyalty mark application site. The gloves are off, as the forces of good and evil begin a battle for the very souls of men and women around the globe. A repackaged of the eighth book in the New York Times best-selling Left Behind series. The End Series from Tim LaHaye and Craig Parshall—now available in one volume. Edge of Apocalypse In this adrenaline-fueled political thriller laced with End Times prophecy, Joshua Jordan, former U.S. spy-plane hero turned weapons designer, creates the world's most sophisticated missile defense system. But global forces conspire to steal the defense weapon, and U.S. government leaders will do anything to stop the nation's impending economic catastrophe—including selling-out Jordan and his weapon. As world events begin setting the stage for the “end of days” foretold in Revelation, Jordan must consider not only the biblical prophecies preached by his wife's pastor, but the personal price he must pay if he is to save the nation he loves. Thunder of Heaven As world events begin setting the stage for the “end of days” foretold in Revelation, Joshua Jordan must weigh the personal price he must pay to save the nation he loves. Brink of Chaos Joshua Jordan remains in Israel during his self-imposed “exile” out of the reach of U.S. authorities who have trumped-up false criminal treason charges against him. As corruption in high government offices threaten to block the election of a worthy presidential candidate by all means necessary—including the unthinkable—Israel's leadership is tempted to sign a “peace” proposal initiated by the UN under the authority of Coliquin. Are the recurring dreams Joshua has had about the coming rapture from God. And is the end sooner than anyone expects? Mark of Evil Ethan March, Jimmy Louder, and Rivka Reuban have been left behind in a world that is rapidly coming under the influence of the Antichrist. Technology is being used to control and dominate those who resist the Antichrist's reign of evil. Each day, as more and more biblical prophecies are fulfilled, Ethan and the others in the Remnant struggle to survive in a world of ever-increasing chaos and desperation. When the forces of evil attempt to use the world's most powerful information system for increasingly sinister purposes and eliminate everyone who gets in their way, it's up to Ethan and the Remnant to subvert their purposes and instead use them for the glory of God.

First Sergeant Samuel “Goose” Gander, stationed with the 75th Army Rangers along the Turkish/Syrian border, begins to realize in the aftermath of the Rapture that he is fighting enemies from inside and outside his camp, while his wife Megan, working with orphaned teens and spreading the message of Jesus on the home front, faces a battle of her own.

What We Left Behind

The Apocalypse Code

Apocalypse Burning

The Earth's Last Days: The Battle Rages On

The World Takes Sides

Rapture Culture

The Message of Hope in the Book of Revelation

Hank Hanegraaff reveals the code to Revelation. Breaking the code of the book of Revelation has become an international obsession. The result, according to Hank Hanegraaff, has been rampant misreading of Scripture, bad theology, and even bad politics and foreign policy. Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible — not current events or recent history and certainly not any complicated charts. The Apocalypse Code offers sane answers to some very controversial questions: What does it mean to take the book of Revelation (and the rest of the Bible) literally? Who are the “Antichrist” and the “Great Whore of Babylon,” and what is the real meaning of “666”? How does our view of the end times change the way we think about the crisis in the Middle East? Are two-thirds of all Jews really headed for an apocalyptic holocaust? The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world. “Provocative and passionate, this fascinating book is a must-read for everyone who's interested in end-times controversies.” — Lee Strobel, Author, *The Case for the Real Jesus* “This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts such as Tim LaHaye. Every fan of the Left Behind series should read this book. The fog will clear, and common sense will return to our reading of the Bible.” — Gary M. Burge, Professor of New Testament, Wheaton College and Graduate School

In this post-apocalyptic novel from Newbery Medal-winning author Robert C. O'Brien, a teen girl struggling to survive in the wake of unimaginable disaster comes across another survivor. Ann Burden is sixteen years old and completely alone. The world as she once knew it is gone, ravaged by a nuclear war that has taken everyone from her. For the past year, she has lived in a remote valley with no evidence of any other survivors. But the smoke from a distant campfire shatters Ann's solitude. Someone else is still alive and making his way toward the valley. Who is this man? What does he want? Can he be trusted? Both excited and terrified, Ann soon realizes there may be worse things than being the last person on Earth.

The extraordinary success of the Left Behind series by Tim LaHaye and Jerry Jenkins shows that their action/adventure novels have tapped into the American psyche. It has revived our fascination with vivid images of the book of Revelation and other biblical texts: the Antichrist, the mysterious number 666, and people suddenly raptured into the sky by God. But is there something dangerous behind the thinking in these books and how they play out in our world today? In Left Behind or Left Befuddled, Gordon Isaac takes the reader inside the theology behind the series. In clear and accessible prose, Isaac answers many important questions that Christians have about the phenomenon that is Left Behind: Is this Vision of the end times really biblical? Why do people have such a powerful response to it? What are alternative ways to think about the end times? How do the books view Catholics and other Christians? What does this Vision of things mean for Israel and the Jewish people? How can we counter the myths proposed in the series as fact? Gordon Isaac is the Berkshire Associate Professor of Advent Christian Studies in the church history department at Gordon-Conwell Theological Seminary in Massachusetts. He is also an ordained Advent Christian minister who has served a number of congregations.

Economies have collapsed, freedom has been suppressed, and peace is a distant memory. The world is falling apart. Joshua Jordan's protégé Ethan March, along with Jimmy Louder and Rivka Reuban, have been left behind in a world that is rapidly coming under the complete influence of the Antichrist. Technology is growing by leaps and bounds with BID-Tag implants, robotic police units, and drone-bots flying overhead . . . all designed to control and dominate those who resist the Antichrist's reign of evil. As Biblical prophecy is fulfilled each new day, Ethan and the others in the Remnant struggle to eat, to procure necessary goods, and to avoid the Global Alliance—in short, to survive. But when the forces of evil attempt to pervert the world's most powerful information system to their own sinister ends, eliminating everyone who gets in their way, it's up to Ethan and the Remnant to subvert their dark ambitions. From New York Times best-selling author Tim LaHaye, creator and co-author of the world-renowned Left Behind books, and Craig Parshall, Mark of Evil is the final thrilling chapter to The End series.

The Rapture Exposed

The Indwelling

Find Out What the Bible REALLY Says About the End Times... and Why It Matters Today

The Late Great Planet Earth

The Earth's Last Days: The Battle Lines Are Drawn

Apollyon

The Beast Takes Possession

In this much-anticipated conclusion to the Apocalypse series, First Sergeant Goose Gander of the United States Army Rangers is in over his head, and he knows it. Trapped by the Rapture in the carnage of Middle Eastern war, far from his wife and kid back home, hes living every day on the edge, afraid each moment might be his last, terrified that hell never see the people he loves again. The war on the Syrian/Turkish border is heating up, and the opposition armies and the local warlords are skirmishing for power in a no-mans land filled with innocent victims that Goose hopes to protect. Goose soon discovers elements within his own forces, fearful of his leadership, are determined to bring him down. With everybody gunning for him, Goose is going to need a miracle to pull off his mission. Even as he struggles to believe in the God of miracles, Goose is about to discover the power of redemption and the bulwark of pure faith. And as the Hand of God closes over him and he accepts salvation, Goose Gander will finally find the peace he seeks, even as the war-torn land around him explodes in violence.

The members of the Tribulation Force face their most dangerous challenges. Following the assassination of the Antichrist, some are murder suspects; others test the precarious line between subversion and being revealed. All over the news, reporters announce that Rayford Steele is Nicolae Carpathia's assassin, but Buck soon learns the truth. The world mourns the loss of a world leader until events at Nicolae's funeral bring all mourning to an end. A repackaged of the seventh book in the New York Times best-selling Left Behind series.

FOR DISTRIBUTION OUTSIDE THE USA. In Tim LaHaye---creator and co-author of the world-renowned Left Behind series---and Craig Parshall's Edge of Apocalypse, Joshua Jordan's new weapons defense system will secure America against an array of new enemies, including a nuclear strike on New York City by North Korea. But global forces are mounting and corrupt government leaders will go to any extreme to prevent an impending economic catastrophe. As world events begin setting the stage for the 'end of days' foretold in Revelation, Jordan must weigh the personal price he must pay to save the nation he loves.

A riveting and unexpected novel that questions whether a peaceful and non-violent community can survive when civilization falls apart. Again, all are asleep, but I am not. I need sleep, but though I read and I pray, I feel too awake. My mind paces the floor. There are shots now and again, bursts here and there, far away, and I cannot sleep. I think of this man in his hunger, shot like a rabbit raiding a garden. For what, Lord? For stealing corn intended for pigs and cattle, like the hungry prodigal helpless in a strange land. I can hear his voice. When a catastrophic solar storm brings about the collapse of modern civilization, an Amish community is caught up in the devastating aftermath. With their stocked larders and stores of supplies, the Amish are unaffected at first. But as the English (the Amish name for all non-Amish people) in the cities become increasingly desperate, they begin to invade nearby farms, taking whatever they want and unleashing unthinkable violence on the gentle communities. Written as the diary of an Amish farmer named Jacob who tries to protect his family and his way of life, When the English Fall examines the idea of peace in the face of deadly chaos. Should members of a nonviolent society defy their beliefs and take up arms to defend themselves? And if they do, can they survive? David Williams's debut novel is a thoroughly engrossing look into the closed world of the Amish, as well as a thought-provoking examination of how we live today and what remains if the center cannot hold.

A Personal Journey to the End of the World and Back

Notes from an Apocalypse

The Left Behind Collection

Agents of the Apocalypse

The Left Behind: Apocalypse Collection: Apocalypse Dawn / Apocalypse Crucible / Apocalypse Burning / Apocalypse UnleashedNavPress

In this the final prequel to the blockbuster series, the story features the Rapture three-quarters of the way through the book and then follows characters such as Irene and Raymie (and others) up to heaven, where they are able to see events in the Tribulation from heaven's perspective. The story alternates between events on earth immediately after the Rapture (covering lots of things the authors wished they could have covered in the original volumes) and characters in heaven and how they view the chaotic events on earth.

This collection includes six soft cover editions of the best-selling Left Behind series. Left Behind products have sold more than 40,000,000 copies and continue to be a national phenomena.

The author, a professor of theology and ordained minister, argues that Revelation does not predict a seven-year tribulation, nor a rapture of Christians. Rather, it offers a vision of God's healing love for the world.
