What does the Bible really say about money? About wealth? How much does God expect you to give to

others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth—and the wealthy. Worse, there’s a growing backlash in America against our

most successful citizens, but why?

To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused

about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?
