

The Lion King Little Golden Book

A new **Little Golden Book** starring Disney Junior's **The Lion Guard**! This **Little Golden Book** retells an episode of the hit Disney Junior series **The Lion Guard** in which Ono the egret fills in as a rhino's tickbird. Children ages 2 to 5 will love learning that rhinos have poor eyesight and rely on tickbirds to warn them about any dangers. And, in return, the tickbirds get to eat all the bugs that flutter around the rhino. As always, Kion, Full, Beshte, Bunga, and Ono help keep things running smoothly in the Pride Lands! The Lion Guard animated series continues the tradition of epic storytelling from The Lion King films. Every episode of The Lion Guard features a winning combination of compelling stories, relatable characters, humor, and heart.

NEW YORK TIMES BUSINESS BEST SELLER [] A suspenseful behind-the-scenes look at the dysfunction that contributed to one of the worst tragedies in modern aviation: the 2018 and 2019 crashes of the Boeing 737 MAX. An "authoritative, gripping and finely detailed narrative that charts the decline of one of the great American companies" (New York Times Book Review), from the award-winning reporter for Bloomberg, Boeing is a century-old titan of industry. It played a major role in the early days of commercial flight, World War II bombing missions, and moon landings. The planemaker remains a cornerstone of the U.S. economy, as well as a linchpin in the awesome routine of modern air travel. But in 2018 and 2019, two crashes of the Boeing 737 MAX 8 killed 346 people. The crashes exposed a shocking pattern of malfeasance, leading to the biggest crisis in the company's history—and one of the costliest corporate scandals ever. How did things go so horribly wrong at Boeing? Flying Blind is the definitive exposé of the disasters that transfixied the world. Drawing from exclusive interviews with current and former employees of Boeing and the FAA; industry executives and analysts; and family members of the victims, it reveals how a broken corporate culture paved the way for catastrophe. It shows how in the race to beat the competition and reward top executives, Boeing skimped on testing, pressured employees to meet unrealistic deadlines, and convinced regulators to put planes into service without properly equipping them or their pilots for flight. It examines how the company, once a treasured American innovator, became obsessed with the bottom line, putting shareholders over customers, employees, and communities. By Bloomberg investigative journalist Peter Robison, who covered Boeing as a beat reporter during the company's fateful merger with McDonnell Douglas in the late '90s, this is the story of a business gone wildly off course. At once riveting and disturbing, it shows how an iconic company fell prey to a win-at-all-costs mentality, threatening an industry and endangering countless lives.

The exciting tale of Simba, a young cub who earns his place in the Circle of Life, is retold in the classic Little Golden Book format. Children ages 2-5 will roar with excitement as they read this retelling of Disney's The Lion King.
