

The Little Book Of Drinking Games The Weirdest Most Fun And Best Loved Party Games From Around The World

All the drinking games you'll need for the perfect night out... or in! Drinking is great, right? But not on your own. That's sad. Thankfully, The Little Book of Drinking Gamesis here to help you - and your friends - find an excuse to get drunk and let your hair down. Jam-packed with more than 50 drinking games of all shapes and sizes, this pocket compendium will have you thinking, drinking and pint-sinking in no time. The Little Book of Drinking Gamescontains the best classic drinking games (that you're usually too drunk to remember the rules to), games inspired by your favourite movies and TV shows as well as a few games that are destined to become new traditions. Ice-Cube Raft Race: Just like the legendary pub relay, Boat Race, but on a much smaller scale. Essential Supplies: An ice-cube tray, shots of your favourite spirit and plenty of straws. Borrow an ice-cube tray from the bar/your kitchen, and fill the compartments with a spirit or strong beer. If it's a tray with two rows of sections, all the better as one player can take the other side, racing another player who takes the right. The idea is to drink each compartment dry through a straw, before moving on to the next one, and then the next, until all of the compartments have been emptied. Whoever finishes first wins and condemns the loser to a forfeit of their choice. First published in 2003, The Perfect Drink for Every Occasion offers mixed drinks for virtually every situation imaginable. Getting married? Got a new job? Been a long day? Need to lose weight? Whatever the occasion, we've got the libation—complete with recipes, secrets, and tips. This new edition is updated with a fresh design and a host of all-new occasions (at last, you'll know what to drink if you're watching Mad Men with your coworkers). Loaded with recipes for Margaritas, White Russians, Gin Rickeys, Harvey Wallbangers, Cosmopolitans, and 145 other favorites, The Perfect Drink for Every Occasion is comprehensive enough to be the only bar book you'll ever need. This bestselling memoir from a seasoned New York City reporter is "a vivid report of a journey to the edge of self-destruction" (New York Times). --StarFragment--As a child during the Depression and World War II, Pete Hamill learned early that drinking was an essential part of being a man, inseparable from the rituals of celebration, mourning, friendship, romance, and religion. Only later did he discover its ability to destroy any writer's most valuable tools: clarity, consciousness, memory. In A Drinking Life, Hamill explains how alcohol slowly became a part of his life, and how he ultimately left it behind. Along the way, he summons the mood of an America that is gone forever, with the bittersweet fondness of a lifelong New Yorker. --EndFragment--Magnificent. A Drinking Life is about growing up and growing old, working and trying to work, within the culture of drink." --Boston Globe

Drinking with Dickens is a light-hearted sketch by Cedric Dickens, the great-grandson of Charles Dickens. There are vivid and memorable drinking scenes in Dickens' books, and Drinking with Dickens abounds in recipes, many based on the drinks of Dickensian England and America: Bishop, Dog's Nose, Hot Bowl Punch, Milk Punch, Mint Julep, Sherry Cobbler, Shrub and Negus, to mention only a few. Unbelievably it seems to be the first book on this vast and important subject, and Cedric has added some recipes and experiences of his own. The Victorian sources include a penny notebook dated 1859 and kept by "Auntie Georgie," Georgina Hogarth, when she was looking after the

younger children of Charles Dickens at Gads Hill. It starts with a recipe for Ginger Beer, a teetotal drink which calls for a quart of brandy! Then there is the catalogue for the sale of Gads Hill after Charles Dickens died which shows what was in the cellar at that time. This book transcends the generations. Cedric, with an eye for people and

detail, describes a whole series of joyous episodes where drink, wisely taken, has been the catalyst.

The Little Book of Lunch

"It is easier to complicate than to simplify" - this book takes up that challenge and aims to refine and clarify the theories in the original Results to produce a more succinct route to clarity and better results for the reader - because we all want to see results at home, at work and in life! Using transformational coaching techniques, examples, exercises and metaphors, Jamie talks the reader through the three key changes they need to achieve the results they are after and inspire others to do the same. Based on the principles of The Clarity Coaching Model, the reader will learn how to de-congest their mind to think more clearly, make better decisions and improve performance – achieving the “flow” state attributed to the results of top-flight individuals. Clearer thinking removes the stress and anxiety from decision making and allows you to focus on your goals. Rather than a step-by-step process, the reader is encouraged to form a deep understanding of themselves to awaken their innate potential and improve their innate abilities including better listening, deeper connections, more motivation and greater innovation and creativity. The beautiful, internationally acclaimed guide to turning your midday meal into a masterpiece—featuring 100 easy, inexpensive, delicious recipes designed to be made ahead of time with just a few ingredients. There’ s something depressing about “ running out ” to “ grab lunch.” Sandwiches, soups, salads, sushi: the choices are overwhelming. But when ’ s the last time you really enjoyed eating lunch while hunched over your keyboard? That ’ s why Caroline Craig and Sophie Missing have reclaimed the noon hour for all those who love a tasty bite. Dining “ al desko ” doesn ’ t have to mean another weary forkful of a sad salad. Instead, lunch can be one of life ’ s great simple pleasures—especially when it ’ s made at home in just a few minutes, from ingredients you have on hand. Craig and Missing know firsthand the challenges of busy schedules, tiny salaries, and no spare time. They share their hard-won wisdom in 100 recipes littered with time-saving techniques and tips to make each meal special—plus weekly menus and Sunday shopping lists to make it all that much easier. The Little Book of Lunch features clever approaches to classics, making them easy for transportation: delicious at room temperature; and quickly assembled for when you barely have five minutes, or for when the cupboarda are bare. It includes:
• Wholesome, healthy salads like tabouleh and the miracle “ rainbow rescue ” bowl
• Make-ahead meals like grilled halibut, vegetable and avocado couscous
• Inspired twists on tuna salad and the BLT from the Sandwich Hill of Fame
• Quick soups like “ faux pho ” and spicy lentil and coconut
• Sweet treats to bribe colleagues, like salted caramel wisdom

Pub crawl your way through the sacred seasons with this entertaining and useful collection of cocktail recipes, distilled spirits, beer, and wine for virtually every occasion on the Catholic liturgical calendar. One part bartender ’ s guide, one part spiritual manual, a dash of irreverence, and mixed with love: Drinking with the Saints is a work that both sinner and saint will savor. A “entertaining and enlightening” deep dive into the alcohol-soaked origins of civilization—and the evolutionary roots of humanity ’ s appetite for intoxication. (Daniel E. Lieberman, author of Exercised) While plenty of entertaining books have been written about the history of alcohol and other intoxicants, none have offered a comprehensive, convincing answer to the basic question of why humans want to get high in the first place. Drunk elegantly cuts through the tangle of urban legends and anecdotal impressions that surround our notions of intoxication to provide the first rigorous, scientifically-grounded explanation for our love of alcohol. Drawing on evidence from archaeology, history, cognitive neuroscience, psychopharmacology, social psychology, literature, and genetics, Slingerland shows that our taste for chemical intoxicants is not an evolutionary mistake, as we are so often told. In fact, intoxication helps solve a number of distinctively human challenges: enhancing creativity, alleviating stress, building trust, and pulling off the miracle of getting fiercely tribal primates to cooperate with strangers. Our desire to get drunk, along with the individual and social benefits provided by drunkenness, played a crucial role in sparking the rise of the first large-scale societies. We would not have civilization without intoxication. From marauding Vikings and bacchanalian orgies to sex-starved fruit flies, blind cave fish, and problem-solving crows, Drunk is packed with fascinating case studies and engaging science, as well as practical takeaways for individuals and communities. The result is a captivating and long overdue investigation into humanity’s oldest indulgence—one that explains not only why we want to get drunk, but also how it might actually be good for us to tie one on now and then.

From tea guru Sébastien Beckwith and New York Times bestsellers Caroline Paul and Wendy MacNaughton comes the essential guide to exploring and enjoying the vast world of tea. Tea, the most popular beverage in the world after water, has brought nations to war, defined cultures, bankrupted coffers, and toppled kings. And yet in many comforting and storied brew remains elusive, even to its devotees. As down-to-earth yet stylishly refined as the drink itself, A Little Tea Book submerges readers into tea, exploring its varieties, subtleties, and pleasures right down to the process of selecting and brewing the perfect cup. From orange pekoe to pu-erh, tea expert Sébastien Paul shares fun facts, and flavorful recipes to launch dabblers and connoisseurs alike on a journey of taste and appreciation. Along with writer and fellow tea-enthusiast Caroline Paul, Beckwith walks us through the cultural and political history of the elixir that has touched every corner of the world. Featuring featuring charming, colorful charts, graphs, and illustrations, Wendy MacNaughton and Beckwith’s sumptuous photographs, A Little Tea Book is a friendly, handsome, and illuminating primer with a dash of sass and sophistication. Cheers!

Drinking with Men

How’s Your Drink?

"An intoxicating read. You'll want to consume it twice." —A.J. Baime, New York Times bestselling author of The Accidental President and Dewey Defeats Truman
A fun little book packed with historic Churchill information, drinking companions, locations, and preferences, as well as plenty of cocktail recipes! Churchill was seldom short of a witty remark, and made his views on drinking quite well-known: "I have taken far more out of alcohol than alcohol has taken out of me." When feeling down he said he felt like "a bottle of champagne. . . left uncorked for the night." And when encouraging a young government minister to indulge in another drink, he promised, "Go ahead, I won't write it in my diary." Divided into four sections—Drink Choices, Drinking Companions, Drinking Spots, and Drink Recipes—this book will keep readers turning the pages of fresh and fun material as they lift a drink along with Winston. The book will also focus on the various areas through the 1960s—the times in which he was drinking alone and with others. Working with the historic companies that kept him refueled, it will include vintage advertisements and marketing material from their closely guarded archives. Winston certainly drank with a colorful cast of characters, and you'll glimpse those such as FDR, Stalin, Coco Chanel, Charlie Chaplin, the Duke and Duchess of Windsor, and various other kings, queens, dukes, and duchesses. Among the elegant settings we will pop in and out of for a drink include Hearst Castle, Chanel's house in the South of France, the Ritz Hotel in Paris, the Dorchester in London, Monaco, the Savoy, the Biltmore, and of course the bars and first-class cabins of the famed ocean liners the Queen Elizabeth and the Queen Mary. So raise a glass and join us in toasting Churchill's life and unique abilities!

With an easy three-step plan, Mindful Drinking: How To Break Up With Alcohol is here to help the 64% of Brits who want to drink less, and cultivate a new, healthy and more mindful relationship with alcohol. You CAN drink less, without giving up! Journalist Rosamund Dean combines scientific expertise with practical advice in a game-changing three step guide: The Problem, The Incentive, and The Plan. By following this guide you will be able to experience the benefits of drinking less - drinking less will improve your mood, your skin, your sex-drive and your body as well as reduce stress and anxiety. Whether you are sober-curious, or just want to cut down - Mindful Drinking: How To Break Up With Alcohol shows not only why you should, but also how you can, in a way that will change your life forever. What readers have been saying about Mindful Drinking: 'Brilliant book; realistic and creating real positive change'

'Would highly recommend for anyone who is concerned about the amount they drink, but doesn't want to completely stop.' "A brilliantly straightforward and realistic approach to cutting down sensibly." 'Really broke a cycle for me of just drinking every weekend.'

Live'n up the party with this heady collection of drinking games! Choose from brain-boggling classics such as Fuzzy Duck and Twenty-One or dizzying games of pure chance like TV Drinking and Vodka Roulette - whichever you play, you're guaranteed to be gleeful and giggly by the end!

From identifying which hangover you have (trust me, there are many types) to discovering which remedies are myths and which can allay the horrors of your hangover, this book is bursting with tests, recipes and cures to help you survive the shakes, sweats and shame.

A Memoir

The Complete Book of Beer Drinking Games

Based on the popular feature in the Saturday Wall Street Journal, How's Your Drink illuminates the culture of the cocktail. John F. Kennedy played nuclear brinkmanship with a gin and tonic in his hand. Teddy Roosevelt took the witness stand to testify that six mint juleps over the course of his presidency did not make him a drunk. Ernest Hemingway and Raymond Chandler both did their part to promote the gimlet. Eric Felten tells all of these stories and many more, and also offers exhaustively researched cocktail recipes. Men may have the Little Book of Whiskey - but now women have one just for them, in feminine pink, fashionably designed, and with a lovely textured cover embossed with red foil. What better way for busy girls to entertain than by using this fabulous little gem to help spark up their marvelous social lives... aside with setting the right mood for that little hottie that is coming over? Inside, girls will find witty quotes and words of wisdom as well as fabulous drinks from Cosmos to Appetinis to other fun and exciting and easy to make shots, drinks, and cocktails. Best-selling girlfriend expert Jennifer Worick, co-author of The Worst-Case Scenario Survival Handbook: Dating & Sex, provide an entertaining introduction.

This complete guide to whiskey explores the history, traditions, and types along with tasting tips and 25 recipes for drinks and perfect pairings. Whiskey is not just your dad's drink. From Scotland's grand traditions to America's recent distillery boom, there's plenty to explore, appreciate, and enjoy. Whether you're a whiskey veteran or newly initiated to the "Water of Life," The Little Book of Whiskey is your ideal guide to knowing your whiskey—and getting the most out of it. Award-winning food and spirits writer Lynda Balslev explains the storied origins of whiskey, the differences between Scotch and Bourbon, and what to look for when you sniff and sip. She also offers tips on how to host a whiskey tasting and recipes for perfect whiskey cocktails and foods that pair perfectly with your favorite malt.

When your cocktail-making skills with these tasty recipes and helpful hints Swap the drab for the dazzle with this concoction of morish recipes and nifty tips that will equip you with everything you need to put the party back into cocktail. Shaken or stirred, flaming or fizzy, let the cocktail, whichever way you like it, be a part of any sparkling occasion.

- A compact encyclopedia of the most well-known medicinal plants, explaining their origins and therapeutic properties - Beautifully packaged - hardback, foam filled, with gilt edging - Richly illustrated with vintage postcard-sized images How did aspirin originate from the Willow? What is an alternative name for catnip? Where does Eucalyptus come from? What benefits are there from drinking Chamomile tea? With which affliction does cornflower water help? What is the use of slipping hog cones into your pillow case? Why is a dandelion detox treatment recommended after winter? This little book, illustrated with charming vintage pictures, takes you on a journey to explore more than 70 types of medicinal plants and explains their origins, features and therapeutic properties. "Wishful Drinking is a touching and incisive account of bipolarity, addiction and motherhood." Independent "No motive is pure. No one is good or bad - but a hearty mix of both. And sometimes life actually gives to you by taking away." Carrie Fisher in Wishful Drinking In Wishful Drinking, Carrie Fisher told the true and intoxicating story of her life with inimitable wit. Born to celebrity parents, she was picked to play a princess in a little movie called Star Wars when only 19 years old. "But it isn't all sweetness and light sables." Alas, aside from a demanding career and her role as a single mother (not to mention the hyperspace hairdo), Carrie also spends her free time battling addiction and weathering the wild ride of manic depression. It's an incredible tale: from having Elizabeth Taylor as a stepmother, to marrying (and divorcing) Paul Simon, and from having the father of her daughter leave her for a man, to ultimately waking up one morning and finding a friend dead beside her in bed. Carrie Fisher's star-studded career included roles in numerous films such as The Blues Brothers and When Harry Met Sally. She was the author of four bestselling novels, Surrender in the Pink, Delusions of Grandma, The Best Awful and Postcards from the Edge, which was made into a hit film starring Shirley MacLaine and Meryl Streep. Carrie's experience with addiction and mental illness – and her willingness to talk honestly about them – made her a sought-after speaker and respected advocate. She was truly one of the most magical people to walk among us. Further praise for Carrie Fisher:- [Shockcharlie] is the finest, funniest chronicler of the maddest celebrity mores." Sunday Times "Fisher has a talent for lacerating insight that masquerades as carefree self-deprecation" Los Angeles Times "She is one of the rare inhabitants of La-La Land who can actually write" New York Times

Little changes can make a big, big difference! In The Little Book of Big Change, psychologist Amy Johnson shows you how to rewire your brain and overcome your bad habits—once and for all. No matter what your bad habit is, you have the power to change it. Drawing on a powerful combination of neuroscience and spirituality, this book will show you that you are not your habits. Rather, your habits and addictions are the result of simple brain wiring that is easily reversed. By learning to stop bad habits at the source, you will take charge of your habits and addictions for good. Anything done repeatedly has the potential to form neural circuitry in the brain. In this light, habits and addictions are impersonal brain wiring problems that result from taking your habitual thinking as truth, and acting on that thinking in the form of doing your habit—over and over. This book offers a number of small changes you can make in your everyday life that will help you stop your bad habit in its tracks. If you want to understand the science behind your habit, make the decision to end it, and commit to real, lasting change, this book will help you to finally take charge of your life—once and for all.

It's drinks, it's chickens: It's the cocktail book you didn't know you needed! To add some extra happy to your happy hour , invite a chicken and pour yourself a drink. Author Kate Richards serves up cocktails made for Instagram with the spoils of her Southern California garden, chicken friends by her side. Enjoy any (or all) of the 60+ deliciously drinkable garden-to-glass beverages, such as: Lilac Apricot Rum Sour Meyer Lemon + Rosemary Old Fashioned Rhubarb Rose Cobbler Blackberry Sage Spritz Cantaloupe Mint Rum Punch Cocktails are arranged seasonally, and are 100% accessible for those of us without perpetually sunny backyard gardens at our disposal. Drinking with Chickens will quickly become a boozy favorite, perfect for gifting or for hoarding all for yourself. You don't need chickens to enjoy these drinks or the colorful photos, but be careful, because you may even find yourself aspiring to be, as Kate is, a home chixologist overrun by gorgeous, loud, early-rising egg-laying ladies, and in need of a very strong drink.

NPR (Best Books of 2013) BookPage Best Books of 2013 Library Journal Best Books of 2013 Memoir Flavorwire 10 Best Nonfiction Books of 2013 A vivid, funny, and poignant memoir that celebrates the distinct lure of the camaraderie and community one finds drinking in bars. Rosie Schapp has always loved bars: the wood and brass and jukeboxes, the knowing bartenders, and especially the sometimes surprising but always comforting company of regulars. Starting with her mispent youth in the bar car of a regional railroad, where at fifteen she told commuters' fortunes in exchange for beer, and continuing today as she slings cocktails at a neighborhood joint in Brooklyn, Schapp has learned her way around both sides of a bar and come to realize how powerful the fellowship among regular patrons can be. In Drinking with Men, Schapp shares her unending quest for the perfect local haunt, which takes her from a dive outside Los Angeles to a Dublin pub full of poets, and from small-town New England taverns to a character-filled bar in Manhattan's TriBeCa. Drinking alongside artists and expats, ironworkers and soccer fanatics, she finds these places offer a safe haven, a respite, and a place to feel most like herself. In rich, colorful prose, Schapp brings to life these seedy, warm, and wonderful rooms. Drinking with Men is a love letter to the bars, pubs, and taverns that have been Schapp's refuge, and a celebration of the uniquely civilizing source of community that is bar culture at its best.

Presents a humorous guide to beer drinking, describing the history of the beverage, beer paraphrenalia, and includes the directions for over forty drinking games.

New York Times Bestseller Embrace Hygge (pronounced hoo-gay) and become happier with this definitive guide to the Danish philosophy of comfort, togetherness, and well-being. Why are Danes the happiest people in the world? The answer, says Meik Wiking, CEO of the Happiness Research Institute in Copenhagen, is Hygge. Loosely translated, Hygge/pronounced Hoo-gai's sense of comfort, togetherness, and well-being. "Hygge is about an atmosphere and an experience," Wiking explains. "It is about being with the people we love. A feeling of home. A feeling that we are safe." Hygge is the sensation you get when you're curled up on a sofa, in cozy socks under a soft throw, during a storm. It's that feeling when you're sharing comfort food and easy conversation with loved ones at a candlelit table. It is the warmth of morning light shining just right on a crisp blue-sky day. The Little Book of Hygge introduces you to this cornerstone of Danish life, and offers advice and ideas on incorporating it into your own life, such as: Get comfy. Take a break. Be here now. Turn off the phones. Turn down the lights. Bring out the candles. Build relationships. Spend time with your tribe. Give yourself a break from the demands of healthy living. Cake is most definitely Hygge. Live life today, like there is no coffee tomorrow. From picking the right lighting to organizing a Hygge get-together to dressing hygge, Wiking shows you how to experience more joy and contentment the Danish way.

The end comment is to read, as the title suggests, this book will help you to finally take charge of your life—once and for all.

The book that has intoxicated a generation—and has sold over 500,000 copies—is back!

Everything you ever wanted to know about beer but were too busy drinking it to ask. The Little Book of Beers is a light-hearted, irreverent but also informative book that celebrates beer culture. The book should be something that enlightens the reader while also leaving them foaming (pun intended) at the mouth at the mere thought of going for a pint. It will show how beer is one of the great unifiers, a drink almost as old as time, and it is something that brings people together and makes them happy. While it celebrates how beer has influenced popular culture and vice versa, it avoids falling into obvious traps of beer snobbery or elitism. "You can't be a real country unless you have a beer and an airline - it helps if you have some kind of football team, or some nuclear weapons, but in the very least you need a beer." Frank Zappa. "When all else fails, there is music."

IN DRINKING IN AMERICA, bestselling author Susan Cheever chronicles our national love affair with liquor, taking a long, thoughtful look at the way alcohol has changed our nation's history. This is the often-overlooked story of how alcohol has shaped American events and the American character from the seventeenth to the twentieth century. Seen through the lens of alcoholism, American history takes on a vibrancy and a tragedy missing from many earlier accounts. From the drunkenness of the Pilgrims to Prohibition hijinks, drinking has always been a cherished American custom: a way to celebrate and a way to take the edge off. At many pivotal points in our history—the illegal Mayflower landing at Cape Cod, the enslavement of African Americans, the McCarthy witch hunts, and the Kennedy assassination, to name only a few—alcohol has acted as a catalyst. Some nations drink more than we do, some drink less, but no other nation has been the drunkest in the world as America was in the 1830s only to outlaw drinking entirely a hundred years later. Both a lively history and an unflinching cultural investigation, DRINKING IN AMERICA unveils the volatile ambivalence within one nation's tumultuous affair with alcohol.

Spice up a night out (or in) with hundreds of classics and 100% new drinking games and bar bets. Big Bad-Ass Book of Bar Tricks and Drinking Games is a handy, illustrated guide to 100 bar bets involving flying bottle caps, disappearing coins, animated cocktail napkins, and much more. Following the bar bets are 100 drinking games that keep the party going, with intriguing names such as Flip n' Instructions—complete with illustrations—guarantee readers will be prepared to impress while having a great time. A spirited new translation of a forgotten classic, shot through with timeless wisdom Is there an art to drinking alcohol? Can drinking ever be a virtue? The Renaissance humanist and neoclassical poet Vincent Osbopoeus (ca. 1498–1539) thought so. In the winelands of sixteenth-century Germany, he witnessed the birth of a poisonous new culture of bingeing, hazing, peer pressure, and competitiveness. The Art of Drinking (De Arte Bibendi) (1536), a how-to manual for drinking with pleasure and discrimination. In How to Drink, Michael Fontaine offers the first proper English translation of Osbopoeus's text, rendering his poetry into spirited, contemporary prose and uncorking a forgotten classic that will appeal to drinkers of all kinds and (legal) ages. Arguing that moderation, not abstinence, done with rules and limits, Osbopoeus teaches us how to manage our drinking, how to win friends at social gatherings, and how to give a proper toast. But he also says that drinking to excess on occasion is okay—and he even tells us how to win drinking games, citing extensive personal experience. Complete with the original Latin on facing pages, this sparkling work is as intoxicating today as it was in 1536. The Power of Positive Drinking isn't a guide on how to get drunk. It is a guide to how to drink well. Drinking has a bad reputation in some quarters. But that's largely because we don't drink properly, as we have not yet been initiated in the art of drinking well. Most of us know plenty about healthy eating, but next to nothing about healthy drinking. This is Cleo Roccos' master class on how to tony up and your fellow drinkers blossom into the favourite version of yourselves and stay there. From Roccos we learn how to ensure that every drinking occasion snowballs into a glorious and triumphant event. Inside these pages lie the secrets of alcohol. The finest hints and tips on stylish drinking gleaned from seasoned and successful drinkers around the globe: failsafe recipes for some of the world's most sophisticated cosmopolitans - along with a few of Cleo's own specialties, guaranteed to avoid that awful hangover. Enjoy this book responsibly.

Kingsley Amis was one of the great masters of comic prose, and no subject was dearer to him than the art and practice of imbibing. This new volume brings together the best of his three out-of-print works on the topic: Kingsley Amis in Drink, Everyday Drinking and How's Your Glass? In one handsome package, the book covers a full shelf of the master's riotous and erudite thoughts on the drink called the Lucky Jim) are Amis's musings on the Hangover, The Boozing Man's Diet, The Mean Soda's Guide, and (presumably as a matter of speculation) How Not to Get Drunk - all leavened with fun quizzes on the making and drinking of alcohol all over the world. Mixing practical know-how and hilarious opinionation, this is a delightful cocktail of wry humour and distilled knowledge, served by one

Are you bored of Beer Pong? Is your Ring of Fire more like a ring of embers? If so, this book is exactly what you need to shake up your next party. Ever since its discovery hundreds of years ago, alcohol has valiantly taken on the role of 'ice breaker', bringing people together through silliness and shared hangovers. While it's true that the feel-good factor of alcohol is a global phenomenon, not everyone in the world plays Fuzzy Duck or Centurion at their parties. This collection of the truly bizarre and outrageous games that drunk people play around the globe will add sparkle to any night out (or in). Your new favourite drinking game is waiting for you within these pages...

Fifteen million Americans a year are plagued with alcoholism. Five million of them are women. Many of them, like Caroline Knapp, started in their early teens and began to use alcohol as "liquid armor," a way to protect themselves against the difficult realities of life. In this extraordinarily candid and revealing memoir, Knapp offers important insights not only about alcoholism, but about life itself and how we learn to cope with it. It was love at first sight. The beads of moisture on a chilled bottle. The way the glasses clinked and the conversation flowed. Then it became obsession. The way she hid her bottles behind her lover's refrigerator. The way she slipped from the dinner table to the bathroom, from work to the bar. And then, like so many love stories, it fell apart. Drinking is Caroline Kapp's harrowing chronicle of her twenty-year love affair with alcohol. Caroline had her first drink at fourteen. She drank through her yeras at an Ivy League college, and through an award-winning career as an editor and columnist. Publicly she was a dutiful daughter, a sophisticated professional. Privately she was drinking herself into oblivion. This startlingly honest memoir lays bare the secrecy, family myths, and destructive relationships that go hand in hand with drinking. And it is, above all, a love story for our times—full of passion and heartbreak, betrayal and desire—a triumph over the pain and deception that mark an alcoholic life. Praise for Drinking "Quietly moving . . . Caroline Knapp dazzles us with her heady description of alcohol's allure and its devastating hold."—Los Angeles Times

Book Review "Filled with hard-won wisdom . . . [a] perceptive and revealing book."—San Francisco Chronicle "Eloquent . . . a remarkable exercise in self-discovery."—The New York Times "Drinking not only describes triumph; it is one."—Newsweek
