

## The Little Lamb Of Bethlehem

**Benjamin Bear is so impatient for Christmas to come. To help the time pass more quickly, his mother tells him that every day when he opens a door on his Advent calendar she'll tell him a story--""twenty-four stories all about another little bear and his long, arduous journey to Bethlehem. The little bear, led by a glittering star, meets many others on his travels across hot deserts, snowy mountains, and through dark, lonely nights. His adventures, filled with acts of heroism and kindness and many small miracles, show him the path to the Christ Child. And by journey's end Benjamin Bear--""and all youngsters who share the stories and their simple morals along with him--""will understand and celebrate the true spirit of Christmas.**

**Recognizing "a playful spirit" as part of our human makeup, Conrad Hyers shows how laughter and humor are integral to our serious study of the Bible. He opens the joy of understanding the Bible in its fullness. With the darker realities of the Bible -- sin, suffering, and death -- there coexists a lighter side -- laughter, humor, and playfulness. Competent biblical study requires both perspectives. This highly readable, preachable, and teachable work gives ministers, students, lay readers a valuable tool for recovering the spirit and offers a chance to share in the celebration of life and the divine comedy of faith, hope, and love.**

**From Christina Lamb, the coauthor of the bestselling I Am Malala and an award-winning journalist—an essential, groundbreaking examination of how women experience war. In Our Bodies, Their Battlefields, longtime intrepid war correspondent Christina Lamb makes us witness to the lives of women in wartime. An award-winning war correspondent for twenty-five years (she’s never had a female editor) Lamb reports two wars—the “bang-bang” war and the story of how the people behind the lines live and survive. At the same time, since men usually act as the fighters, women are rarely interviewed about their experience of wartime, other than as grieving widows and mothers, though their experience is markedly different from that of the men involved in battle. Lamb chronicles extraordinary tragedy and challenges in the lives of women in wartime. And none is more devastating than the increase of the use of rape as a weapon of war. Visiting warzones including the Congo, Rwanda, Nigeria, Bosnia, and Iraq, and spending time with the Rohingya fleeing Myanmar, she records the harrowing stories of survivors, from Yazidi girls kept as sex slaves by ISIS fighters and the beekeeper risking his life to rescue them; to the thousands of schoolgirls abducted across northern Nigeria by Boko Haram, to the Congolese gynecologist who stitches up more rape victims than anyone on earth. Told as a journey, and structured by country, Our Bodies, Their Battlefields gives these women voice. We have made significant progress in international women’s rights, but across the world women are victimized by wartime atrocities that are rarely recorded, much less punished. The first ever prosecution for war rape was in 1997 and there have been remarkably few convictions since, as if rape doesn’t matter in the reckoning of war, only killing. Some courageous women in countries around the world are taking things in their own hands, hunting down the war criminals themselves, trying to trap them through Facebook. In this profoundly important book, Christina Lamb shines a light on some of the darkest parts of the human experience—so that we might find a new way forward. Our Bodies, Their Battlefields is as inspiring and empowering is as it is urgent, a clarion call for necessary change.**

Jesus was born in Bethlehem, but why Bethlehem? Why should God purpose to become man somewhere so marginal, so insignificant? This book follows the unfolding story of Bethlehem through the Bible, from the death of Rachel to the birth of Jesus, uniquely combining four perspectives: a) the Bible as one developing story, b) the Bible as a Middle Eastern book, c) insights from contemporary Palestinians from Bethlehem, and d) what this means for mission. Suffering Rachel, refugee Rahab, vulnerable Ruth, overlooked David all have a connection with Bethlehem. If Bethlehem shelters refugees, then so must we. If Bethlehem welcomes strangers, so must we. If Bethlehem weeps at injustice, and takes a stand against empire, so must we. What we see in Bethlehem’s story, we apply to our own stories. We enter into Bethlehem’s story with as much cultural and geographical colour and flavour as we can muster in order to feel the crises, taste the dust, hear the lambs bleating on the hillside. And there we find the Christ-child, son of David, the Good Shepherd, Lion of Judah, Bread of Life, Lamb of God, fulfilling all the recurring themes, taking his inevitable place as rightful king.

The Little Lamb of Bethlehem. Words & Pictures by M. Tempest

The Angel and the Lamb

On a winter night long ago, a baby boy was born in a stable with only the animals to witness his arrival. But it wasn’t just the cows and donkeys and soft little lambs who were present. Smaller, less loved creatures were there, too: the snake, the scorpion, the cockroach, and others. Lyrically written by Eve Bunting and luminously illustrated by Wendell Minor, this beautiful book offers a unique and moving perspective on the Christmas story. It reminds us that all God’s creatures, both great and small, celebrated the arrival of the Christ child. The story of the hymn text "It Is well with my soul," written by Horatio Spafford after the drowning at sea of his four daughters.

Duncan is a curious little lamb who lives in Bethlehem. He and his friend Birdie share many adventures while exploring the forest, encountering enemies, and going on dangerous journeys. Bringing the words of the beloved Twenty-third Psalm to life in an easily comprehensible format, Duncan's Journey is an engaging story that resonates with children and adults alike. Prepare to be charmed by the simple tale of a little lamb who learns just what it means to follow our Shepherd.

A young angel and an appealingly illustrated animal together witness the events of the birth of Jesus. A little lamb sees the crowds on their way to Bethlehem, and wants to join in the fun himself. Off he sets on the road to Bethlehem, without his shepherd boy, but soon he becomes lost! He is saved by a watching angel who leads him to the stable where he finally meets the baby Jesus and is reunited with his shepherd. Charming illustrations from Red House Children's Book Award-shortlisted Kristina Stephenson make this an endearing read to share during the run-up to Christmas, looking at the familiar story from a new angle.

Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.
