

The Lords Of Creation Utoly

From the eyes of a child, this beautifully written and illustrated book will capture your heart as it portrays the true events that occurred in the 2020 quarantine. With a realistic yet humorous view of the life challenges created by the virus, this book will become a family favorite and most definitely a family heirloom as you remember the historic event that captured the nation.

This reprint of *History of Mennonites in Virginia* is authorized by the children of Dr. Harry A. Brunk. This work represents the most extensive history of Mennonites in Virginia from 1727 to 1900 available today. This history takes us from the earliest days before Mennonites moved to the Shenandoah Valley up to the schism of the Old Order Mennonite Church in Virginia in 1900. Brunk covers the Indian raids on the settlements in Page, Frederick, and Shenandoah counties during the French and Indian war in the 1750s and 60s. Those murdered included many of two Mennonite families. Brunk moves with the history to Virginia Conference, the formation of congregations from house churches to church houses. He ably writes about the development of districts, mission churches, and the growing membership of the Virginia Conference. This history is brought alive by numerous quotes, some from previously unpublished sources. The lack of bias

makes this book a treasure, reflecting God's unfolding work in the lives of the Mennonites in the Shenandoah Valley, Newport News, Amelia, and into West Virginia.

Publishes refereed scholarship in history and related disciplines from initial Old World-New World contacts to the early nineteenth century and beyond. Its articles, notes and documents, and reviews range from British North America and the United States to Europe, West Africa, the Caribbean, and the Spanish American borderlands. Forums and topical issues address topics of active interest in the field.

Harnessing the romance of the world of fashion and high art, this fascinating story of a collection of miniature mannequins describes the birth of Theatre de la Mode, the Theater of Fashion. Full of stars such as Robert Ricci (Nina Ricci's son), filmmaker Jean Cocteau, and other members of the 1944 haute couture industry, the story follows 237 miniature fashion dolls through their epic tour of Europe and North America, bringing fashion, elegance, and beauty into a war-torn world. Also included are new colour photographs of the mannequins, the reconstructed sets, and

close-up details of clothing so sewers, designers, and fashion mavens can appreciate the creativity of Paris designers at the end of World War II.

Shear Elegance

Discover the story of the pioneering hairstylist who obliterated the once-omnipresent hat and transformed the fashion industry through his A-list clients at his iconic 54th Street Salon. Kenneth Battalle, known simply as "Kenneth," started his

50-year career in the early 1950s in New York City and built a loyal client list who swore by his skills, including Jacqueline Kennedy, Marilyn Monroe, Audrey Hepburn, Princess Margaret, Diana Vreeland, Lucille Ball, and Gloria Vanderbilt. This biography not only celebrates his extraordinary talent but examines his behind-the-scenes life and career struggles, including the disastrous fire that destroyed his salon, and his perseverance moving forward. Through personal memories of those closest to him, including friends, clients, and former employees, the man who created a cult of classic, timeless ladies comes to life. Photos (some never before published), notes, clippings, and original Joe Eula illustrations richly exhibit both his myriad achievements and America's 20th-century high-fashion scene.

The pioneering demonstration of organic gardens planned and planted by the Prince of Wales over thirty years at Highgrove. The gardens at Highgrove are one of the world's most celebrated examples of organic gardening, offering inspiration to generations of gardeners by showing that a gorgeous landscape through completely organic and earth-friendly means is truly possible. Like a personal tour through each of the seasons, the Prince of Wales, along with Bunny Guinness, describes the thinking behind each planting, lessons learned from trial and error, the highlights and triumphs, as well as future plans. Lavishly illustrated with photographs that capture both the light and detail of this majestic space, this beautiful book will delight and inspire gardeners of every level. It is an exquisite celebration of garden design, full of passion and inspiration.
