

The Magical Life Of Long Tack Sam

After years of suppressing and denying his true self, Radleigh Valentine had a revelation: "The sparklier I am, the more me that I am, the happier and more magical my life becomes." Thus started a spiritual journey that led Radleigh to becoming the internationally renowned speaker, best-selling author, and spiritual intuitive that he is today. Now Radleigh distills all he's learned over the decades through messages from the universe, angels, and his own experiences to show you how to manifest and live a magical life. Radleigh offers practical advice and exercises to support you in several areas: •Getting in touch with your "inner genie" to make your wishes come true •Signs from the universe: how to read the messages you're receiving every day •How to speak to the angels and why these angelic messengers want to help you •Discovering your identity: examining your beliefs to choose only those that truly serve you •Finding love and managing the relationships in your life •The importance of choosing joy and living a life of gratitude Join Radleigh on a magical journey to discover and claim the magical life you were born to live!

Shows how to turn conflict and disappointment in a relationship into opportunities for learning, mutual growth, and intimacy

FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help. Operation Katie Saves her Own Damn Self is officially on.

Get ready to laugh! Here is a fun, witty read about life's ups and downs; a book about experiences that in one moment, make us feel grateful to be alive, and in the next, tempted to strangle whoever came up with the expression, 'Don't worry, be happy!' First time author and humorist, Barb E. Call serves up a smorgasbord of funny fare in, "The Magical Life: Where Do You Find That?" In this book of comedic memoirs, Barb discusses familiar everyday challenges, like horrible hairstyles, ludicrous attempts at sports, the trials of dieting, nightmare jobs, and regrettable vacations. Barb writes about them all in her lighthearted, outspoken, humorous way, reminding us that while life may not always be magical, it can certainly be entertaining. Her stories will leave readers smiling as they relate to her inadvertent adventures and recall some of their own magical mishaps.

The Long Life of Magical Objects

This unique biography details the life of magician Marshall Brodien, most remembered for his long-running career as television's Wizzo the Wizard on WGN-TV's Bozo's Circus and The Bozo Show. Coverage begins in the late 1940s, when Brodien was a young magician in his first job as a Chicago magic shop demonstrator, then recounts Brodien's steady rise to show-business success, including details of his work as a performer at the Magic Lounge in Cicero and, as a nightclub hypnotist in Chicago's posh Cairo Supper Club. The work concludes with an examination of Brodien's current career as one of the most successful marketers of magic sets in the U.S.

Everything You Need to Know to Move Forward on Your Path, from Best-Selling Author Lisa Chamberlain For many aspiring Witches, the path from novice to adept practitioner can be unclear. You can read all the books you like-and you definitely should!-but putting your new knowledge into action on a regular basis isn't always so easy. Maybe you're navigating a need for secrecy due to friends, family members, or others who wouldn't understand your new spiritual undertaking. Or perhaps-like so many of us-you find it challenging to work all of the Sabbats and Esbats into your schedule, let alone making time for spellwork. Then there's the question of initiation-when, how, and why should you formalize your dedication to the Craft with a special ritual? In Wicca, the tradition of studying for a year and a day before seeking initiation provides a useful framework, especially when it comes to covens. But what's a solitary Witch to do without a rigorous plan for formal study? After all, Wicca has no official sacred texts or protocols to follow. What, exactly, do you need to know? What should you expect yourself to understand after a year and a day has passed? How can you be initiated if you practice on your own? In truth, many Wiccans and other Witches feel that an inordinate amount of attention is placed on initiation-or self-dedication, as it is usually termed for solitary and eclectic practitioners. While it can be a truly transformative experience, it is ultimately one point on a life-long path of learning and growing in the Craft. What most people are seeking when they pursue initiation is a way of making their excitement and passion about the Craft a

"permanent" thing. But staying immersed in the magic is a daily undertaking that can't be guaranteed just by undergoing a ceremony. The Craft is a way of life, and this means integrating it with your day-to-day world, making lifestyle adjustments as necessary and learning to expand your intuition and psychic gifts. Without applied effort on your part, initiation/self-dedication won't be enough to keep you on your new path. Initiation and Magical Development Living a Magical Life was created for new and aspiring Witches who want more insight and ideas for fostering their own transition into full-fledged Witchdom. It can definitely be used as part of your study as you make your way toward initiation/self-dedication, and even includes a step-by-step ritual you can perform when (and if) you feel the time is right. But the information here is valuable regardless of whether you choose a formal entrance into the Craft. In addition to the practical information on initiation, you'll find plenty of insights, ideas and advice, including: Navigating common obstacles to stepping fully and decisively onto your spiritual path Leaving behind old belief systems that may have more of a hold on you than you realize Spellwork for helping you stay in touch with your magical perspective Picking up on messaging from your invisible spirit guidance system, including animal symbolism, visual patterns in nature and messages from numbers Developing practices that strengthen and grow your sixth-sense connection to the Universe So whether you're just beginning to learn about Witchcraft, have been "dabbling" for some time without finding a solid footing, or are eager to undergo an initiation ritual, you'll find something in this guide to aid you on your way. If you're ready to learn about Magic, scroll to the top of the page and select the buy button. Readers will also be treated to an exclusive free gift!

Thus book is not just another book, it is a tool that will help you generate a drastic change in your life. It is a source of advice, professional secrets, theory and practice, so that throughout its pages you could find your potential for business and explore it without limits. If you like the world of sales, "From a tragic life to a magical life" is an ultimate instruction manual to turn your routine struggle for prosperity into a real success. During 4 stages of learning, Jose Gordo will teach you to fill your life with magic, knowledge, action and, above all, results. "From a tragic life to a magical life" is the book that must be read by people who dream big so as to transform those dreams into facts.

Rogue Souls- Unfortunate Souls Series book 3 Just as I thought I'd finally acquired my happy ending with Guy Stone- the man of my dreams, someone unexpected showed up from my past. Feelings I'd shelved long ago began to resurface and I found myself being torn between the affections of two men. As if that wasn't bad enough, our new home-a mountain sanctuary for wayward Unfortunate Souls- had been discovered and we were now being targeted by the World's most lethal hunters. A choice had to be made. A tough choice. A choice that would not only put my heart on the line, but my life on the line as well. *This book is recommended for ages 14 and up due to a little bit of kissing, cursing, and mild violence. An Illustrated Memoir

The Magical Life of Marshall Brodien

NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • From one of America's iconic writers, a stunning book of electric honesty and passion that explores an intensely personal yet universal experience: a portrait of a marriage—and a life, in good times and bad—that will speak to anyone who has ever loved a husband or wife or child. Several days before Christmas 2003, John Gregory Dunne and Joan Didion saw their only daughter, Quintana, fall ill with what seemed at first flu, then pneumonia, then complete septic shock. She was put into an

induced coma and placed on life support. Days later—the night before New Year’s Eve—the Dunnes were just sitting down to dinner after visiting the hospital when John Gregory Dunne suffered a massive and fatal coronary. In a second, this close, symbiotic partnership of forty years was over. Four weeks later, their daughter pulled through. Two months after that, arriving at LAX, she collapsed and underwent six hours of brain surgery at UCLA Medical Center to relieve a massive hematoma. This powerful book is Didion’s attempt to make sense of the “weeks and then months that cut loose any fixed idea I ever had about death, about illness ... about marriage and children and memory ... about the shallowness of sanity, about life itself.

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures . Filled with straightforward, accessible information that can be used in everyday life with dramatic, positive results, this compendium of craft ideas provides clear instructions for constructing 20 practical, magical, and spiritual items and shows how to employ simple metaphysical techniques to maximize their potential. Projects include a magic wand, a divine dream pillow, a gemstone amulet, a divining pendulum, prayer beads, power talismans, mystic runes, and magical beeswax candles. Each chapter features fascinating background information, illustrated examples, and other creative tools to help stimulate the imagination, such as chants and prayers. Additional magical association keys--including guides to color, astrology, moon phases, crystals, metals, and numerology--help crafters focus their intent to achieve specific goals, from love and wealth to happiness and health.

Life Is Magic

Ship of Magic

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series Tidying Up with Marie Kondo: the original guide to decluttering your home once and for all. **ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE**—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house “spark joy” (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

In traditional cultures, oracles guided individuals and even entire societies, helping them to connect with the greater world and the meaning of life. Yet in our modern world of efficiency and productivity, this visionary awareness of the soul has been pushed into the background. This is a compelling account of one woman's journey to reclaim the magical, oracular, and spiritual dimensions of life. After building a personal altar to the Black Madonna, art critic Suzi Gablik finds herself immersed in a world of oracles and synchronicities. Adopting an attitude of openness, trust, and curiosity, she experiments with the reality of divine intervention: relying on oracular signs, numinous clues,

guided inspiration, and moments of meaningful coincidence as another way of knowing and appreciating the world. Confronting the challenges of a powerful experience that is filled with paradox and ambiguity, she arrives at a very special place of being able to enjoy, accept, and trust the ultimate inscrutability of the universe. Today many of us live without access to the visionary part of our psyche. We tend to think of life as being unpredictable and random -- a series of disconnected events, flowing like an arrow through time. Living the Magical Life opens a doorway to a deeper vision of the world. "A closer look has convinced me that life is more like an ecosystem than a linear equation. All the parts are interconnected. This feeling for the relationship between things -- seeing the world as a cat's cradle of interconnections rather than as a set of isolated fragments -- is something I learned from being a collage artist: everything is related to everything else. Nothing is isolated. Nothing exists separately from the rest. And synchronicities are the nodal points, magic moments where seemingly unrelated events are woven together to form a single, undivided world fabric."

Award-winning digital media star Zach King brings his unique brand of magic to the second installment of a lively, fun-filled trilogy about Zach, a middle schooler trying to figure out what his magical powers are while navigating the crazy, confusing world of middle school. Zach's back for another adventure at Horace Greely Middle School. Long homeschooled, Zach's finally comfortable at public school. Even though he's missing his magical powers, he's got a best friend, a super-popular YouTube channel, and a crush on Rachel, the prettiest girl in school. Zach is confident enough to muster up the courage to ask Rachel to the big school dance. Just as he's just about to do it, Hogan, the new kid from Australia, shows up and steals his thunder. But when Zach learns that Hogan is just using the dance as a way to embarrass Rachel and ruin her chances of becoming class president, Zach knows he has to stop him somehow. Now Zach's on a mission to recover his magical powers in order to stop Hogan before he can sabotage Rachel's chances. For fans of Diary of a Wimpy Kid, Timmy Failure, and DanTDM: Trayaurus and the Enchanted Crystal and anyone who's ever wondered where they belong, this is the perfect book for you.

Coffee Self-Talk

The Book of Witches

Megan Conroy thinks she has problems; she's struggling to pass math and with only one year of high school left she still has no idea what she wants to do with her life. She certainly never thought she'd become a witch. A near miss from a speeding car triggers an inexplicable rush of power within her, leading to strange, recurring dreams and encounters with even stranger creatures. After being saved from a demon by her classmate Finn, she finally starts getting some answers. Meg, he explains, is now an awakened witch; a person whose dormant magic has been brought out by trauma. Real witches, she learns, are nothing like the broomstick-riding figures she's used to from movies. The descendants of an ancient tribe who made an alliance with the Fae, Witani are born with magic and have the ability to see the spirits who oversee the natural world. She receives another shock looking through study abroad brochures when she finds a picture of the same standing stone from her dreams. This prompts her to choose Scotland as her destination, where the stone is located. As she's drawn ever deeper into the secret world of magic and Fae, she wrestles with the dilemma of whether or not to tell her parents about her new life. But it's not long before she has far more to worry about. Her arrival in Scotland sets a series of events in motion that will change her forever; bringing with it new friends, love, and danger.

Eleven-year-old Zach has magical powers, just like everyone in his family, but he's having trouble harnessing his abilities. To help his powers manifest, and to help him appreciate his natural gifts, Zach's parents decide that he needs to be around 'real' people more. No more homeschooling - it's time for Zach to enter the scary world of secondary school. Zach can't resist a bit of magic though, but a simple spell ends with him and his best friend stuck in a vending machine. Someone filmed it and by the next day he's gone viral on YouTube, in the process attracting the attention of Rachel, the prettiest girl at school. With everyone wondering how Zach does his tricks, and with head mean girl Trisha plotting to bring him down, Zach's got his work cut out if he's going to survive year 7 and keep his dreams of becoming a master magician intact.

An invitation to return to a simpler time of earth-based spirituality and ritual living, through writings from a small forest-farm in the Appalachian Highlands. This book looks at the agricultural year as a starting space for a deepening of earth-centered spirituality. It gives a set of backstories to ease the reader into a time between the pre-industrial era and the modern one, into a place where the fast-moving stress of American life can be affected by a better connection not only to the natural world but to the elegant expression of the year as expressed through seasonal festivals and celebrations. The chapters are broken into four seasons, with the quarter days a highlight within each, and feature simple skills that accompany each marker in the year. Author H. Byron Ballard offers advice on spiritual and physical immersion into the seasons that applies to readers from all areas: rural, urban, and suburban. This is also a deeply practical book, including insights into the following: Farming & gardening: composting, manure, soil preparation, pests, seed-saving Food: cooking, preserving, foraging, the summer kitchen, mushrooms and mycelium Fiber arts: knitting, crocheting, spinning, weaving, decorative cut-work, and embroidery Sewing: treadle machines, electric machines, hand sewing Household crafts: candle-making, soap-making, broom-making, sharpening tools Health: medicines, tending the dying, death and death rituals A glossary is included for any unfamiliar terms.

In *The Magical Approach*, Seth invites us to look at the world through another lens – a magical one. Seth reveals the true, magical nature of our deepest levels of being, and explains how we have allowed ourselves to become inhibited by our own beliefs and conventional thinking. *The Magical Approach* teaches us how to live our lives spontaneously, creatively, and according to our own natural rhythms. It helps us to discover and tune into our natural, instinctive behavior. By applying the principles in this book, readers will learn to trust their impulses and discover the highest expression of their creativity. "We are speaking about an approach to life, a magical or natural approach to life that is man's version of the animal's natural instinctive behavior in the universe." – Jane Roberts, *Speaking for Seth*

In the deep South, where love and hatred run deep and close, dissension often summers just beneath the surface. When a family gathers for a funeral as its old homestead above the waters of Mobile Bay, it must carry out the last wish of the aunt and sister whom it has come to mourn. It is a wish that will unearth a terrible secret, one that will either tear her siblings and their offspring apart or allow them to accept buried memories, wounds, and love. In *This and Magic Life*, Anne Carroll George has created as brilliant portrait of a Southern family in all its glory, captured in a moment of searing intensity and lyric truth. Rich with wisdom and deep understanding this compelling saga the twentieth century -- and tells a story that is truly timeless. The epic tale of Grandmaster Sin Kwang The's extraordinary struggle and ultimate triumph to become the youngest Grandmaster in history. "The Last Grandmaster" artfully weaves the legendary stories of historic martial arts heroes with the Grandmaster's own life story, set against many riveting events in the history of modern China.

From the disability rights advocate and creator of the #DisabledAndCute viral campaign, a thoughtful, inspiring, and charming collection of essays exploring what it means to be black and disabled in a mostly able-bodied white America. Keah Brown loves herself, but that hadn't always been the case. Born with cerebral palsy, her greatest desire used to be normalcy and refuge from the steady stream of self-hate society strengthened inside her. But after years of introspection and reaching out to others in her community, she has reclaimed herself and changed her perspective. In *The Pretty One*, Brown gives a contemporary and relatable voice to the disabled—so often portrayed as mute, weak, or isolated. With clear, fresh, and light-hearted prose, these essays explore everything from her relationship with her able-bodied identical twin (called “the pretty one” by friends) to navigating romance; her deep affinity for all things pop culture—and her disappointment with the media’s distorted view of disability; and her declaration of self-love with the viral hashtag #DisabledAndCute. By “smashing stigmas, empowering her community, and celebrating herself” (*Teen Vogue*), Brown and *The Pretty One* aims to expand the conversation about disability and inspire self-love for people of all backgrounds.

Simcha Guterman's, *Leaves from Fire*, is a firsthand account written with the deep sense of comprehension he was documenting the fate of his people. Knowing full well that his life was in danger, Simcha chronicled the occurrences of the Holocaust on long scraps of paper, as they happened right before his eyes. The events described take place in Poland, during the first years of World War II. The author stuffed long paper scraps, written in Yiddish, into bottles and hid in them in different places. One of these bottles was discovered after the war. Simcha Guterman's work has been published and translated into eight different languages, receiving high praise from critics. The book's evocative illustrations were drawn by Yaakov Guterman, the author's son.

Written in the form of a graphic novel, a full-color biography of China's greatest magician by his great-granddaughter chronicles the extraordinary life and career of Long Tack Sam, from his youth in China's Shangdong province to his diverse roles as an acrobat, magician, comic, impresario, restaurateur, theater owner, world traveler, and more. Original. 40,000 first printing.

This book explores a series of powerful artifacts associated with King Solomon via legendary or extracanonical textual sources. Tracing their cultural resonance throughout history, art historian Allegra lafrate delivers exciting insights into these objects and interrogates the ways in which magic manifests itself at a material level. Each chapter focuses on a different Solomonic object: a ring used to control demons; a mysterious set of bottles that constrain evil forces; an endless knot or seal with similar properties; the shamir, known for its supernatural ability to cut through stone; and a flying carpet that can bring the sitter anywhere he desires. Taken together, these chapters constitute a study on the reception of the figure of Solomon, but they are also cultural biographies of these magical objects and their inherent aesthetic, morphological, and technical qualities. Thought-provoking and engaging, lafrate's study shows how ancient magic artifacts live on in our imagination, in items such as Sauron's ring of power, Aladdin's lamp, and the magic carpet. It will appeal to historians of art, religion, folklore, and literature.

Magora is about to fall to the hordes of ravenous Unfinished camped right beneath its walls when Holly O'Flanigan returns to the parallel world for the fourth time. To save the place they have come to love, Holly and her friends Brian, Rufus, and Amanda risk everything on a perilous journey through the dark realm ruled by the evil Duke of Cuspidor. There they find the hidden city of the Woodspeople and a mysterious link to Holly's Grandpa Nikolas. When they return to the island of Magora, Holly has some big questions to answer. Will she accept the power the High Councilor Krah offers her? Can she find a way to defeat the Unfinished and save Magora? And most of all, where does she really belong—in the real world or a fantasy one? Holly is torn between the two, and as the surprises mount higher, and an instructor is killed, Holly learns that nothing is what it seems, either in Donkleywood or Magora.

“Jon Dorenbos is a magical person. Life Is Magic shows how we can all choose happiness in the face of overwhelming odds.” —Ellen DeGeneres An extraordinary and empowering story of resilience, forgiveness, and living a life of purpose in the face of unfathomable obstacles. You may know him as an NFL All-Pro or as a world-class magician who made the finals of America’s Got Talent, but Jon Dorenbos says that what he does is not who he is. He is someone who coached himself, at the most tender of ages, to turn tragedy to triumph. One morning in August 1992, when Jon was twelve years old and living a seemingly idyllic childhood in suburban Seattle, he woke up for baseball camp. His dad waved goodbye. Later that day, Jon heard the news: his father had murdered his mother in the family’s three-car garage. In an instant, his life had shattered. He’d essentially been orphaned. Thrust into foster care while his father stood trial for murder, Jon struggled. Left to himself, he discovered an unlikely escape performing magic tricks. If you found a way to alter your reality, after your dad—your hero—killed your mom, wouldn’t you cling to it too? Then came football, which provided a release for all of his pent-up anger. Together, magic and football saved him, leading to fourteen NFL seasons on the gridiron and raucous sleight of hand performances to packed houses across the globe. In 2017, he was diagnosed with a life-threatening heart condition leaving him with a choice. To either break down or—as he’d by now long taught himself—bounce back. **“Life Is Magic shows how we can all choose happiness in the face of overwhelming odds” (Ellen DeGeneres) and provides a roadmap for overcoming even the darkest of times. Jon’s story is poignant and powerful, told by a charismatic and optimistic man who has overcome life-or-death challenges with grace, persistence, a childlike sense of wonder...and jaw-dropping card tricks.**

The Magical Life of Long Tack SamAn Illustrated MemoirPenguin

“A truly extraordinary saga . . . The characterizations are consistently superb, and [Hobb] animates everything with love for and knowledge of the sea.”—Booklist Bingtown is a hub of exotic trade and home to a merchant nobility famed for its liveness—rare vessels carved from wizardwood, which ripens magically into sentient awareness. Now the fortunes of one of Bingtown’s oldest families rest on the newly awakened liveness Vivacia. For Althea Vestrit, the ship is her rightful legacy. For Althea’s young nephew, wrenched from his religious studies and forced to serve aboard the ship, the Vivacia is a life sentence. But the fate of the ship—and the Vestrits—may ultimately lie in the hands of an outsider: the ruthless buccaneer captain Kennit, who plans to seize power over the Pirate Isles by capturing a liveness and bending it to his will.

BONUS: This edition includes an excerpt from Robin Hobb's Mad Ship. Praise for Robin Hobb and the Liveness Traders Trilogy “Fantasy as it ought to be written . . . Robin Hobb’s books are diamonds in a sea of zircons.”—George R. R. Martin “A major work of high fantasy, reading like a cross between Tolkien and Patrick O’Brian . . . one of the finest fantasy sagas to bridge the millennium.”—Publishers Weekly “Rich, complex . . . [Hobb’s] plotting is complex but tightly controlled, and her descriptive powers match her excellent visual imagination. But her chief virtue is that she delineates character extremely well.”—Interzone
