

The Mara Dyer Trilogy The Unbecoming Of Mara Dyer The Evolution Of Mara Dyer The Retribution Of Mara Dyer By Michelle Hodkin 2015 11 03

Olivia Foster hasn’ t felt alive since her little brother drowned in the backyard pool three years ago. Then Kara Hallas moves in across the street with her mother and grandmother, and Olivia is immediately drawn to these three generations of women. Kara is particularly intoxicating, so much so that Olivia not only comes to accept Kara’s morbid habit of writing to men on death row, she helps her do it. They sign their letters as the Resurrection Girls.But as Kara’ s friendship pulls Olivia out of the dark fog she’ s been living in, Olivia realizes that a different kind of darkness taints the otherwise lively Hallas women—an impulse that is strange, magical, and possibly deadly.

"Mara Dyer continues to unravel the mystery of her powers and her relationship with Noah"--

Sophie Mercer thought she was a witch. That was the whole reason she was sent to Hex Hall, a reform school for delinquent Prodigium (aka witches, shapeshifters, and fairies). But that was before she discovered the family secret, and that her hot crush,

Archer Cross, is an agent for The Eye, a group bent on wiping Prodigium off the face of the earth.

The third book in this chilling new series from Michelle Hodkin, author of the New York Times bestselling Mara Dyer trilogy!

Archangel's Enigma

The Becoming of Noah Shaw

Goodbye, Perfect

Stories and Poems About Boys

The Crescent Stone

Haven Moore can't control her visions of a past with a boy called Ethan and a life in New York that ended in fiery tragedy. In our present, she designs beautiful dresses for her classmates with her best friend Beau. Dressmaking keeps her sane, since she lives with her widowed and heartbroken mother in her tyrannical grandmother's house in Snope City, a tiny town in Tennessee. Then an impossible group of coincidences conspire to force her to flee to New York, to discover who she is, and who she was. In New York, Haven meets Iain Morrow and is swept into an epic love affair that feels both deeply fated and terribly dangerous. Iain is suspected of murdering a rock star and Haven wonders, could he have murdered her in a past life? She visits the Ouroboros Society and discovers a murky world of reincarnation that stretches across millennia. Haven must discover the secrets hidden in her past lives, and loves, before all is lost and the cycle begins again.

No one knows what happened that morning at River Point. Five boys went hunting. Four came back. The boys won't say who fired the shot that killed their friend, Grant; the evidence shows it could have been any one of them. Kate Marino's senior year internship at the District Attorney's Office isn't exactly glamorous-more like an excuse to leave school early that looks good on college applications. Then the DA hands her boss, Mr. Stone, the biggest case her small town of Belle Terre has ever seen. The River Point Boys are all anyone can talk about. Despite their damning toxicology reports the morning of the accident, the DA wants the boys' case swept under the rug. He owes his political office to their powerful families. Kate won't let that happen. Digging up secrets without revealing her own is a dangerous line to walk; Kate has personal reasons for seeking justice for Grant. As she investigates with Stone-the aging prosecutor relying on Kate to see and hear what he cannot-she realizes that nothing about the case-or the boys-is what it seems. Grant wasn't who she thought he was, and neither is Stone's prime suspect. As Kate gets dangerously close to the truth, it becomes clear that the early morning accident might not have been an accident at all-and if Kate doesn't uncover the true killer, more than one life could be on the line including her own.

An enchanting story from Maggie Stiefvater featuring Opal, Ronan, and Adam from her bestselling Raven Cycle, taking place after the events of The Raven King.

Book 1 in the New York Times bestselling trilogy, perfect for fans of Battlestar Gallactica and Passengers! WHAT DOES IT TAKE TO SURVIVE ABOARD A SPACESHIP FUELED BY LIES? Amy is a cryogenically frozen passenger aboard the spaceship Godspeed. She has left her boyfriend, friends--and planet--behind to join her parents as a member of Project Ark Ship. Amy and her parents believe they will wake on a new planet, Centauri-Earth, three hundred years in the future. But fifty years before Godspeed's scheduled landing, cryo chamber 42 is mysteriously unplugged, and Amy is violently woken from her frozen slumber. Someone tried to murder her. Now, Amy is caught inside an enclosed world where nothing makes sense. Godspeed's 2,312 passengers have forfeited all control to Eldest, a tyrannical and frightening leader. And Elder, Eldest's rebellious teenage heir, is both fascinated with Amy and eager to discover whether he has what it takes to lead. Amy desperately wants to trust Elder. But should she put her faith in a boy who has never seen life outside the ship's cold metal walls? All Amy knows is that she and Elder must race to unlock Godspeed's hidden secrets before whoever woke her tries to kill again.

The summer before Troy Stotts turns seventeen, his mother dies. Troy and his father barely speak, communicating instead by writing notes on a legal pad by the phone. Troy spends most of his time with his closest friends: Tom Buller, brash and fearless, the son of a drunk; Gabe Benavidez, smart enough to know he'll never take over the family ranch; and Gabe's sister, Luz, whose family overprotects her, and who Troy has loved since they were children. Troy and his friends don't want trouble. They want this to be the summer of what Troy calls "ghost medicine," when time seems to stop, so they won't have to face the past or the future. But before the summer is over, their paths will cross in dangerous and fateful ways with people who will change their lives: Rose, a damaged derelict who lives with a flock of wild horses and goats; and Chase Rutledge, the arrogant sheriff's son. Troy and his friends want to disappear. Instead, they will become what they least expect –brothers, lovers, heroes, and ghosts.

In this apocalyptic finale to the Shaw Confessions, the companion series to the New York Times bestselling Mara Dyer novels, alliances will be tested, hearts will be broken, and no one will be left unscarred. Noah's confessions end here. Noah Shaw wants to start over without being haunted by his past. He can't. Despite his recent losses, he's sure he knows who he can trust. He doesn't. He thinks he's finally found his happy ending. He's wrong.

Three women. Three generations. Three secrets. Katie's life is falling apart: her best friend thinks she's a freak, her mother, Caroline, controls every aspect of her life, and her estranged grandmother, Mary, appears as if out of nowhere. Mary has dementia and needs lots of care, and when Katie starts putting together Mary's life story, secrets and lies are uncovered: Mary's illegitimate baby, her zest for life and freedom and men; the way she lived her life to the full yet suffered huge sacrifices along the way. As the relationship between Mary and Caroline is explored, Katie begins to understand her own mother's behavior, and from that insight, the terrors about her sexuality, her future, and her younger brother are all put into perspective. Funny, sad, honest, and wise, this powerful multigenerational novel from international bestseller Jenny Downham celebrates life like no book before.

Savvy criminal turned skilled Leviathan pilot Zara Cole finds new friends and clashes with bitter enemies in the second book of this action-packed series from New York Times bestselling authors Rachel Caine and Ann Aguirre that's perfect for fans of The 100 and The Fifth Wave. Zara Cole was a thief back on Earth, but she's been recently upgraded to intergalactic fugitive. On the run after a bloody battle in a covert war that she never expected to be fighting, Zara, her co-pilot Beatriz, and their Leviathan ship Nadim barely escaped the carnage with their lives. Now Zara and her crew of Honors need a safe haven, far from the creatures who want to annihilate them. But they'll have to settle for the Sliver: a wild, dangerous warren of alien criminals. The secrets of the Sliver may have the power to turn the tide of the war they left behind—but in the wrong direction. Soon Zara will have to make a choice: run from the ultimate evil—or stand and fight.

Being a member of the Elite Hunter Command imperils Joy in more ways than one. In their latest clash with Othersiders, the army of monsters nearly wiped them out. Apex City is safe...for now. But within the city barriers, Joy must wage a different kind of war. The corrupt and powerful PsiCorps is determined to usurp the Hunters as chief defenders of Apex City and Joy is now squarely in their crosshairs. Unused to playing political games, she has very few people she can truly trust—not even Josh, her first friend in Apex City, who broke up with her when it became too dangerous for a Psimon to be dating a Hunter. Then Josh comes to Joy for help. He fears that Abigail Drift, the head of PsiCorps, will soon use him in her twisted experiments designed to empower PsiCorps and render Hunters superfluous--a scheme that's already killed off dozens of Psimons. Joy manages to smuggle Josh to safety, but he cannot evade Drift forever... As Joy faces ever more powerful Othersiders, she is helped by the most surprising ally imaginable---the same Folk Mage she once met in battle on the train to Apex City. But can Joy trust the most cunning and treacherous of all Othersiders? In the thrilling finale to Mercedes Lackey's #1 New York Times bestselling trilogy, Joy must risk everything to end a brutal war...before she loses all she's ever loved.

The sumptuous and powerful conclusion to the gender-fluid duet begun by The Brilliant Death, hailed in a starred review by Kirkus as "a delicious and magical intrigue too tempting not to devour." By turns thrilling, witty, and heartbreaking, this dramatic conclusion to the Brilliant Death duet transports us to a Vinalia on the verge of transformation and radiates with the electric power of love. With her power over magic finally in hand, and her love for Cielo at last confessed, Teodora di Sangro should be on top of the world. But the country of Vinalia is in chaos as the dictator like Capo threatens to plunge them all into war and capture every strega in the land--including Teo and Cielo. Teo knows she can't take down the Capo alone. She must convince a small band of streghe who have been hiding in plain sight to join her in the cause. But as she struggles to bring them together, she discovers a far deadlier enemy than the Capo has been hunting her all along. Now everyone--especially Cielo--is in danger. What lengths will Teo go to in order to unite her country and save the one she loves?

New York Times-bestselling author Goldy Moldavsky delivers a deliciously twisty YA thriller that's Scream meets Karen McManus about a mysterious club with an obsession for horror. When it comes to horror movies, the rules are clear: x Avoid abandoned buildings, warehouses, and cabins at all times. x Stay together: don't split up, not even just to "check something out." x If there's a murderer on the loose, do not make out with anyone. If only surviving in real life were this easy... New girl Rachel Chavez turns to horror movies for comfort, preferring stabby serial killers and homicidal dolls to the bored rich kids of Manhattan Prep...and to certain memories she'd preferred to keep buried. Then Rachel is recruited by the Mary Shelley Club, a mysterious society of students who orchestrate Fear Tests, elaborate pranks inspired by urban legends and movie tropes. At first, Rachel embraces the power that comes with reckless pranking. But as the Fear Tests escalate, the competition turns deadly, and it's clear Rachel is playing a game she can't afford to lose.

In the first book of the Shaw Confessions, the companion series to the New York Times bestselling Mara Dyer novels, old skeletons are laid bare and new promises prove deadly. This is what happens after happily ever after. Everyone thinks seventeen-year-old Noah Shaw has the world on a string. They're wrong. Mara Dyer is the only one he trusts with his secrets and his future. He shouldn't. And both are scared that uncovering the truth about themselves will force them apart. They're right.

Her Dark Curiosity

NEVER BEFORE PUBLISHED New York Times bestselling author Nalini Singh returns to her world of dark passion and immortal power—and to one of the most seductive and impenetrable heroes ever to stalk the Guild Hunter landscape... “Oh, Naasir. So weird, so bloodthirsty, so unique and wonderful...I have fallen for him...”—Fiction Vixen Naasir is the most feral of the powerful group of vampires and angels known as the Seven, his loyalty pledged to the Archangel Raphael. When rumors surface of a plot to murder the former Archangel of Persia, now lost in the Sleep of the Ancients, Naasir is dispatched to find him. For only he possesses the tracking skills required—those more common to predatory animals than to man. Enlisted to accompany Naasir, Andromeda, a young angelic scholar with dangerous secrets is fascinated by his nature—at once playful and brilliant, sensual and brutal. As they race to find the Sleeping archangel before it’s too late, Naasir will force her to question all she knows...and tempt her to walk into the magnificent, feral darkness of his world. But first they must survive an enemy vicious enough to shatter the greatest taboo of the angelic race and plunge the world into a screaming nightmare... Praise for the Guild Hunter novels “One of my favorite paranormal worlds.”—Smexy Books “Amazing in every way!”—Gena Showalter, New York Times bestselling author

Reviews (starred review) Winner of The Bookseller’s YA Book Prize Friendship bonds are tested and the very nature of loyalty is questioned in this lyrical novel about a teen whose best friend runs away with her teacher after suffering the effects of too much academic pressure. Perfect for fans of Morgan Matson and Jennifer Niven. Eden McKinley knows she can’t count on much in this world, but she can depend on Bonnie, her solid, steady, straight-A best friend. So it’s a bit of a surprise when Bonnie runs away with the boyfriend Eden knows nothing about five days before the start of their final exams. Especially when the police arrive on her doorstep and Eden finds out that Bonnie’s boyfriend is actually their music teacher, Mr. Cohn. Sworn to secrecy and bound by loyalty, only Eden knows Bonnie’s location, and that’s the way it has to stay. There’s no way she’s betraying her best friend. Not even when she’s faced with police questioning, suspicious parents, and her own growing doubts. As the days pass and things begin to unravel, Eden is forced to question everything she thought she knew about the world, her best friend, and herself. In this touching and insightful novel, bestselling author Sara Barnard explores just what can happen when the pressure one faces to be “perfect” leads to drastic fallout.

Experience the spine-tingling, bone-chilling, New York Times bestselling Mara Dyer trilogy, now available in one collectible boxed set. Mara cannot remember anything about the night her friends died. All she knows is what she's been told: they went to an abandoned asylum, the building collapsed, and only Mara survived. Two months later, Mara is eager to move forward with her life in a new town, but that's easier said than done. A boy at school named Noah Shaw seems to know more about Mara's tragic past than she does. And to make matters worse, Mara is beginning to see people and things that can't possibly be there. Or can they? When Mara goes searching for answers, she discovers a secret about herself that is most unbecoming. A secret that promises a future full of destruction, pain, love, evolution, and, ultimately, retribution. This paperback boxed set includes The Unbecoming of Mara Dyer, The Evolution of Mara Dyer, and The Retribution of Mara Dyer.

"An exciting and whipsmart mystery... Keep your eyes on Ehrlich." —Courtney Summers, New York Times bestselling author of Sadie and The Project "Deathly smart, twisty, and at times wickedly funny, Killing Time is a pitch-perfect mystery." — Kara Thomas, author of The Cheerleaders Summer in Ferry, Connecticut, has always meant long, lazy days at the beach and wild nights partying in the abandoned mansions on the edge of town. Until now, that is. Natalie Temple, who's never been one for beaches or parties in the first place, is reeling from the murder of her favorite teacher, and there's no way this true-crime-obsessed girl is going to sit back and let the rumor mill churn out lie after lie—even if she has to hide her investigation from her disapproving mom and team up with the new boy in town... But the more Natalie uncovers, the more she realizes some secrets were never meant to be told. "Expertly-plotted and brimming with suspense, Killing Time is more than just a mystery. It's a thoughtful novel about true crime stories and how we tell them. Brilliant, fun, and utterly compelling." — Jessica Goodman, New York Times bestselling author of They'll Never Catch Us

Alice Hoffman is at her magical best in a new novel about loss and healing. When her family is lost in a terrible disaster, 15-yr-old Green is haunted by loss and by the past. Struggling to survive physically and emotionally in a place where nothing seems to grow and ashes are everywhere, Green retreats into the ruined realm of her garden. But in destroying her feelings, she also begins to destroy herself, erasing the girl she'd once been as she inks ravens into her skin. It is only through a series of mysterious encounters -- with a ghostly white dog and a mute boy -- that Green relearns the lessons of love and begins to heal as she tells her own story.

Seventeen-year-old Mara cannot remember the accident that took the lives of three of her friends, but after moving from Rhode Island to Florida, finding love with Noah, and more deaths, she realizes that uncovering something buried in her memory might save her family and her future.

From the critically acclaimed author of We Are the Ants and At the Edge of the Universe comes a mind-bending, riveting novel about a teen who was born to a virgin mother and realizes she has the power to heal—but that power comes at a huge cost. Sixteen-year-old Elena Mendoza is the product of a virgin birth. This can be scientifically explained (it ' s called parthenogenesis), but what can ' t be explained is how Elena is able to heal Freddie, the girl she ' s had a crush on for years, from a gunshot wound in a Starbucks parking lot. Or why the boy who shot Freddie, David Combs, disappeared from the same parking lot minutes later after getting sucked up into the clouds. Other things that can ' t be explained are the talking girl on the front of a tampon box, or the reasons that David Combs shot Freddie in the first place. As more unbelievable things occur, and Elena continues to perform miracles, the only remaining explanation is the least logical of all—that the world is actually coming to an end, and Elena is possibly the only one who can do something about it.

From the #1 New York Times bestselling author of the Stalking Jack the Ripper series comes the sizzling, sweepingly romantic sequel to Kingdom of the Wicked. One sister. Two sinful princes.
