

The Martyrs Chapel Father Grif Mysteries

Philip Schaff’s classic work colloquially known as The Early Church Fathers is an invaluable resource filled with the primary documents and early theological building blocks for the Christian church. Comprised of thirty-eight volumes, it is broken into three parts: the Ante-Nicene Fathers, and Nicene and Post-Nicene Fathers, First and Second Series.

Early Christians lived in a culture not unlike our own—in love with empire, infatuated with sex, tolerant of all gods but hostile to the One. Christopher Hall takes us back to that time, conversing with Christian leaders around the ancient Mediterranean world and exploring how this cloud of witnesses challenges us to live an ethical life as a Christ follower.

The Ante-Nicene Fathers: The apostolic fathers. Justin Martyr. Irenaeus

A Tale of the Times of the Martyrs. [Extracted from “The Anniversary” for 1829.]

The Complete Ante-Nicene Church Fathers Collection [9 Volumes]

The Lives of the Primitive Fathers, Martyrs, and Other Principal Saints

Library of Fathers of the Holy Catholic Church ...

The book, On care to be had for the dead, I wrote, having been asked by letter whether it profits any person after death that his body shall be buried at the memorial of any Saint. The book begins thus: Long time unto your Holiness, my venerable fellow bishop Paulinus.

This volume, containing the equivalent of three volumes of the Edinburgh series of the Ante-Nicene Fathers, will be found a library somewhat complete in itself. The Apostolic Fathers and those associated with them in the third generation, are here placed together in a handbook, which, with the inestimable Scriptures, supplies a succinct autobiography of the Spouse of Christ for the first two centuries. No Christian scholar has ever before possessed, in faithful versions of such compact form, a supplement so essential to the right understanding of the New Testament itself. It is a volume indispensable to all scholars, and to every library, private or public, in this country. The American Editor has performed the humble task of ushering these works into American use, with scanty contributions of his own. Such was the understanding with the public: they were to be presented with the Edinburgh series, free from appreciable colour or alloy. His duty was to give historic arrangement to the confused mass of the original series; to supply, in continuity, such brief introductory notices as might slightly popularize what was apparently meant for scholars only, in the introductions of the translators; to supply a few deficiencies by short notes and references; to add such references to Scripture, or to authors of general repute, as might lend additional aid to students, without clogging or overlaying the comments of the translators; and to note such corruptions or distortions of Patristic testimony as have been circulated, in the spirit of the forged Decretals, by those who carry on the old imposture by means essentially equivalent. Too long have they been allowed to speak to the popular mind as if the Fathers were their own; while, to every candid reader, it must be evident that, alike, the testimony, the arguments, and the silence of the Ante-Nicene writers confound all attempts to identify the ecclesiastical establishment of "the Holy Roman Empire," with "the Holy Catholic Church" of the ancient creeds. In performing this task, under the pressure of a virtual obligation to issue the first volume in the first month of the new year, the Editor has relied upon the kindly aid of an able friend, as typographical corrector of the Edinburgh sheets. It is only necessary to add, that he has bracketed all his own notes, so as to assume the responsibility for them; but his introductions are so separated from those of the translators, that, after the first instance, he has not thought it requisite to suffix his initials to these brief contributions. He regrets that the most important volume of the series is necessarily the experimental one, and comes out under disadvantages from which it may be expected that succeeding issues will be free. May the Lord God of our Fathers bless the undertaking to all my fellow-Christians, and make good to them the promise which was once felicitously chosen for the motto of a similar series of publications: "Yet shall not thy teachers be removed into a corner any more, but thine eyes shall see thy teachers."

Protestants and Catholics both claim that the early Church heritage of theology and broad consensus of the Church fathers favors their own view. Protestants, from the beginning, claimed to be "reformers" of the Catholic Church; that is, they felt themselves to be hearkening back to the more pure doctrines of the early Church and the Church fathers, rather than overturning historic Catholic doctrine. I shall contend in this book, by means of massive documentation, that the "historical case" for Catholicism becomes stronger as the accumulation of patristic evidence piles up. Catholics need not fear patristic data any more than they need fear the Bible. The discussion of what the Church fathers believed must be undertaken by means of historical fact, and it can be determined (fairly conclusively in most cases, I submit) what a Church father believed about various Christian doctrines. This volume surveys the beliefs of the Church fathers, particularly with regard to Catholic "distinctives."

Living Wisely with the Church Fathers

The lives of the fathers, martyrs, and other principal saints. ed. by F.C. Husenbeth. [With] The history of the blessed virgin Mary, by the abbé Orsini, tr. by F.C. Husenbeth

Second Series, Volume XIV the Seven Ecumenical Councils

A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West: Tertullian, v.1

Letters, Volume 2 (186–368) (The Fathers of the Church, Volume 28)

Christopher A. Hall offers you the opportunity to study theology and church history under the preaching and instruction of the early church fathers.

Emily was oh so very happy! She loved school. She loved her pup. And she especially loved her family! But one day the very worst thing happened. Emily lost someone she loved. And after that nothing felt the same.From debut author Kathleen Fucci comes a story about adorable, vivacious Emily and a loss so big it threatens everything she knows. But one night when Emily cries out, "Where is God?!" she learns He is much closer, and loves her so much more, than she ever realized. Emily Lost Someone She Loved is a story written from personal experience. It communicates real emotions children feel when they lose a loved one.

It's a book that can be read over and over again, restoring faith in God and hope for the future.

Learning Theology with the Church Fathers

Catholic Church Fathers: Patristic and Scholarly Proofs

This volume presents several treatises of St. Cyprian (200/10?-258) in translation.

In the autumn of 1873, one of the worst yellow fever epidemics in U.S. history swept through Shreveport. As the deadly scourge claimed a quarter of the town's population, the dedicated efforts of five missionary priests offered a call to hope, even as they laid down their own lives in the struggle. True martyrdom is vanishingly rare, extolled as the highest possible sacrifice, yet Shreveport bore abundant witness through these five saintly priests. Their heroism in the midst of this tragic chapter is captured here by a trio of authors, winding a narrative that transcends history to reveal complex themes of virtue, sacrifice and response in times of human crisis and suffering.

Ante-Nicene Fathers: Fathers of the Early Church (Complete)

On Care to Be Had for the Dead

A Trusted Introduction to the Church Fathers This concise introduction to the church fathers connects evangelical students and readers to twelve key figures from the early church. Bryan Litfin engages readers with actual people, not just abstract doctrines or impersonal events, to help them understand the fathers as spiritual ancestors in the faith. The first edition has been well received and widely used. This updated and revised edition adds chapters on Ephrem of Syria and Patrick of Ireland. The book requires no previous knowledge of the patristic period and includes original,

easy-to-read translations that give a brief taste of each writer’s thought.
