

## The Maze Runner Unit Plans

New York Times Bestseller Rosie may seem quiet during the day, but at night she's a brilliant inventor of gizmos and gadgets who dreams of being a great engineer. When her great-great-aunt Rose (Rosie the Riveter) comes for a visit and mentions her one unfinished goal—to fly—Rosie starts building a contraption to make her aunt's dream come true. But when her contraption doesn't fly but rather hovers for a moment and then falls, she deems the invention a failure. On the contrary, Aunt Rose insists that Rosie's contraption was a raging success: you can only truly fail, if you quit. From the powerhouse author-illustrator team of Iggy Peck, Architect comes Rosie Revere, Engineer, another charming, witty picture book about believing in yourself and pursuing your passion. Ada Twist, Scientist, the companion picture book featuring the next kid from Iggy Peck's team, is in September 2016.!

—?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" /-- Praise for Rosie Revere, Engineer "Cooper's mixed-media illustrations that keep the mood light and emphasize Rosie's creativity at every turn."—Publishers Weekly "The detritus of Rosie's life is fascinating, from broken dolls and stuffed animals to nails, tools, pencils, old lamps and possibly an erector set. And cheddar-cheese sandwiches. Reviews "This celebration of creativity and perseverance is told through rhyming text, which gives momentum and steady pacing to a story that is the celebration of its heroine, Rosie. She's an imaginative thinker who hides her light under a bushel (well, really, the bed) after being laughed at for her inventions." —Booklist Award 2013 Parents' Choice Award - GOLD 2014 Amelia Bloomer Project List ReadBoston's Best Read Alone Book of 2013 THE #1 INTERNATIONAL BESTSELLER WITH OVER 28 MILLION COPIES IN PRINT! A timeless business classic, Who Moved My Cheese? uses a simple parable to reveal profound truths about dealing with change so that you can enjoy less stress and more success in your work and life. It would be all so easy if you had a map to the Maze. If the same old routines worked. If they'd just stop moving "The Cheese." But things change. Most people are fearful of change, both personal and professional, because they don't have any control over how or when it happens. That's why it happens either to the individual or by the individual, Dr. Spencer Johnson, the coauthor of the multimillion bestseller The One Minute Manager, uses a deceptively simple story to show that when it comes to living in a rapidly changing world, what matters most is your attitude. Exploring how to take the fear and anxiety out of managing the future, Who Moved My Cheese? can help you discover how to anticipate, acknowledge, and adapt in order to have a positive impact on your job, your relationships, and every aspect of your life.

Eager to enlist, fifteen-year-old Charley has a change of heart after experiencing both the physical horrors and mental anguish of Civil War. A boy and a robot strike up a friendship despite their differences.

This "Maze Runner" unit plan contains a variety of teaching materials that cater to all learning styles. Inside you'll find Daily Lesson Plans, Student Activities, A Final Test with Multiple Choice Questions, Short Answer Questions, Essay Questions, Quizzes/Homework Assignments. These lessons and activities will help students gain a thorough understanding of the text, while the tests and projects will help you evaluate if they have grasped the material. Also listed are the Common Core Anchor Standards that are specifically connected to the unit plan. As you may know, they touch upon many more strands of the Common Core, the Anchor Standards listed are the ones directly addressed in the unit plan.

The Loners

A Storm Runner Novel, Book 2

A Novel of Mythic Proportions

Mighty, Mighty Construction Site

AP Psychology

*Traces the fateful period after the Earth is decimated by catastrophic solar flares and reveals the stories behind the formation of WICKED, the construction of the Glade, and Thomas' entry into the Maze.*

*Sixteen-year-old Thomas wakes up with no memory in the middle of a maze and realizes he must work with the community in which he finds himself if he is to escape.*

*Matt is six years old when he discovers that he is different from other children and other people. To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom... because Matt is marked by his difference in ways that he doesn't even suspect.*

*"Multilayered, compassionate, and thought-provoking." — Kirkus Reviews (starred review) Thirteen-year-old Sophie isn't happy about spending the summer of 1960 at her grandmother's old house in the bayou. Bored and lonely, she can't resist exploring the house's maze, or making an impulsive wish for a fantasy-book adventure with herself as the heroine. What she gets instead is a real adventure: a trip back in time to 1860 and the race-haunted world of her family's Louisiana sugar plantation. Here, President Lincoln's Emancipation Proclamation is still two years in the future and passage of the Thirteenth Amendment is almost four years away. And here, Sophie is mistaken, by her own ancestors, for a slave.*

*Benson Fisher thought that a scholarship to Maxfield Academy would be the ticket out of his dead-end life. He was wrong. Now he's trapped in a school that's surrounded by a razor-wire fence. A school where video cameras monitor his every move. Where there are no adults. Where the kids have split into groups in order to survive. Where breaking the rules equals death. But when Benson stumbles upon the school's real secret, he realizes that playing by the rules could spell a fate worse than death, and that escape—his only real hope for survival—may be impossible.*

*Movies are not a waste of time if you're intentional about watching the movie you're viewing. Reel Leadership speaks to leaders and movie lovers who want to look at leadership and personal development in a new way. Author Joseph Lalonde wants leaders to enjoy entertainment without feeling guilty. When he began his own personal development*

journey, Lalonde discovered how leadership gurus try to dissuade people from enjoying regular forms of entertainment because they see it as a waste of time. He fell in line and believed this lie; that entertainment, especially movies, held no real value. Over time, he realized each movie provides a story with a moral premise or leadership lesson. In this book, you'll read about: David Hayter (the writer of X-Men 1 and 2) and how he dealt with a demanding director on set. Daniel Knudsen and how every great movie should have a moral premise. Marty Himmel and how he overcame fear because of the movies he watched. Through Reel Leadership, you'll discover how movies provide more than just a quick escape. They are powerful tools for communicating leadership principles and how to find their leadership lessons.

The #1 New York Times bestselling and Newbery Award-winning novel *The One and Only Ivan* is now a major motion picture streaming on Disney+ This unforgettable novel from renowned author Katherine Applegate celebrates the transformative power of unexpected friendship. Inspired by the true story of a captive gorilla known as Ivan, this illustrated book is told from the point of view of Ivan himself. Having spent twenty-seven years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. Instead, Ivan occupies himself with television, his friends Stella and Bob, and painting. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes. In the tradition of timeless stories like *Charlotte's Web* and *Stuart Little*, Katherine Applegate blends humor and poignancy to create an unforgettable story of friendship, art, and hope. *The One and Only Ivan* features first-person narrative; author's use of literary devices (personification, imagery); and story elements (plot, character development, perspective). This acclaimed middle grade novel is an excellent choice for tween readers in grades 5 to 8, for independent reading, homeschooling, and sharing in the classroom. Plus don't miss *The One and Only Bob*, Katherine Applegate's return to the world of Ivan, Bob, and Ruby!

At last—here from the team behind the beloved international bestseller comes a companion to *Goodnight, Goodnight, Construction Site*. All of our favorite trucks are back on the construction site—this time with a focus on team-building, friendship, and working together to make a big task seem small! Down in the big construction site, the crew faces their biggest job yet, and will need the help of new construction friends to get it done. Working as a team, there's nothing they can't do! The millions of fans of *Goodnight, Goodnight, Construction Site* are in for a mighty good time!

When his attempts to get to know his dying father fail, William Bloom makes up stories that recreate his father's life in heroic proportions.

Maze Runner 3: The Death Cure

The Game of Lives (the Mortality Doctrine, Book Three)

Sam & Dave Dig a Hole

Dive deep into the vivid underwater world of Dark Life!The oceans rose, swallowing the lowlands. Earthquakes shattered the continents, toppling entire regions into the rising water. Now, humans live packed into stack cities. The only ones with any space of their own are those who live on the ocean floor: the Dark Life.Ty has spent his whole life living deep undersea. When outlaws attack his homestead, he finds himself in a fight to save the only home he has ever known. Joined by Gemma, a girl from Topside, Ty ventures into the frontier's rough underworld and discovers some dark secrets to Dark Life. Secrets that threaten to destroy everything.

Zane Obispo's new life on a beautiful secluded tropical island, complete with his family and closest friends, should be perfect. But he can't control his newfound fire skills yet (inherited from his father, the Maya god Hurakan); there's a painful rift between him and his dog ever since she became a hell hound; and he doesn't know what to do with his feelings for Brooks. One day he discovers that by writing the book about his misadventures with the Maya gods, he unintentionally put other godborn children at risk. Unless Zane can find the godborns before the gods do, they will be killed. To make matters worse, Zane learns that Hurakan is scheduled to be executed. Zane knows he must rescue him, no matter the cost. Can he accomplish both tasks without the gods detecting him, or will he end up a permanent resident of the underworld? In this cleverly plotted sequel to The Storm Runner, the gang is back together again with spirited new characters, sneaky gods, Aztec royalty, unlikely alliances, and secrets darker than Zane could ever have imagined. Secrets that will change him forever.

If you had to name a statue, any statue, odds are good you'd mention the Statue of Liberty. Have you seen her? She's in New York. She's holding a torch. And she's taking one step forward. But why? In this fascinating, fun take on nonfiction, uniquely American in its frank tone and honest look at the literal foundation of our country, Dave Eggers and Shawn Harris investigate a seemingly small trait of America's most emblematic statue. What they find is about more than history, more than art. What they find in the Statue of Liberty's right foot is the powerful message of acceptance that is essential to an entire country's creation. Can you believe that?

Profiles the lives of twenty-six women who, through their acts and deeds, helped shape and change the world during their lifetime, including pilot Amelia Earhart and anthropologist Zora Neal Hurston.

A hilarious, irreverent book about doing your own thing Meet Iggy Peck—creative, independent, and not afraid to express himself! In the spirit of David Shannon 's No, David and Rosemary Wells 's Noisy Nora, Iggy Peck will delight readers looking for irreverent, inspired fun. Iggy has one passion: building. His parents are proud of his fabulous creations, though they 're sometimes surprised by his materials—who could forget the tower he built of dirty diapers? When his second-grade teacher declares her dislike of architecture, Iggy faces a challenge. He loves building too much to give it up! With Andrea Beaty 's irresistible rhyming text and David Roberts 's puckish illustrations, this book will charm creative kids everywhere, and amuse their sometimes bewildered parents. Also from the powerhouse author-illustrator team of Iggy Peck, Architect, is Rosie Revere, Engineer, a charming, witty picture book about believing in yourself and pursuing your passion. Ada Twist, Scientist, the companion picture book featuring the next kid from Iggy Peck's class, is available in September 2016.

The film adaptation of Dashner's third installment of his #1 "New York Times"-bestselling Maze Runner series hits theaters on January 26. This special tie-in edition features an eight-page full-color insert with photos from the film. Maze Runner Lesson Plans Teacher Unit Plan With Chapter Questions, Activities, Worksheets, Tests and Answer Keys Independently Published

The international bestseller that celebrates the myriad talents that each child brings to the world. Smart is not just ticks and crosses, smart is building boats from boxes. Painting patterns, wheeling wagons, being mermaids, riding dragons... From the award-winning creators of The Underwater Fancy-Dress Parade and Under the Love Umbrella comes this joyful ode to all the unique and wonderful qualities that make children who they are.

It was just another ordinary day at McKinley High—until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher convulsed and died right in front of him. And that was just the beginning. A year later, McKinley has descended into chaos. All the students are infected with a virus that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you're as good as dead. And David has no gang. It's just him and his little brother, Will, against the whole school. In this frighteningly dark and captivating novel, Lex Thomas locks readers inside a school where kids don't fight to be popular, they fight to stay alive.

Candace Fleming and illustrator Boris Kulikov pair up to tell a fun story about a real submarine inventor in Papa's Mechanical Fish Clank! Clankety-bang! Thump-whirr! That's the sound of Papa at work. Although he is an inventor, he has never made anything that works perfectly, and that's because he hasn't yet found a truly fantastic idea. But when he takes his family fishing on Lake Michigan, his daughter Virena asks, "Have you ever wondered what it's like to be a fish?"—and Papa is off to his workshop. With a lot of persistence and a little bit of help, Papa—who is based on the real-life inventor Lodner Phillips—creates a submarine that can take his family for a trip to the bottom of Lake Michigan.
