

## The Miracle Of Petroleum Jelly How Petroleum Jelly Can Enhance Your Health Home Life And Beauty Diy Skincare Beauty And Household Tips

*With the power to refresh your skin, clean your home and add a touch of magic to your food, lemons truly have 'miraculous' properties and this is a wonderful pocket guide to using them as a powerful natural remedy, reliable beauty aid and useful household resource.*

A Kyiv family is caught up in the Ukrainian War of Independence in this novel by the author of *The Master and Margarita*, drawing from his own life. Reds, Whites, German troops, and Ukrainian nationalists battle for control of the city of Kyiv as the war becomes more tumultuous in Mikhail Bulgakov’s debut novel, *The White Guard*. Drawing heavily from the author’s own experiences in Ukraine during the period of the Russian Civil War—he witnessed ten changes of government himself—*The White Guard* is told from alternating points of view and takes an unusual angle in the conflict between Russian Whites (with whom the Turbin family identify) and Ukrainian nationalists. It elegantly portrays the chaos of a civil war in which there is no good or evil, only loyalty to one’s friends, family, and convictions. First appearing in partial form in a Soviet-era literary journal, the story was turned into a play under the title *The Days of the Turbins*—a long-running hit that Stalin himself attended twenty times—yet was not published widely until decades after Bulgakov’s death.

A look at the legendary unraveling of the 1969 Cubs against the backdrop of a milepost year in American life.

The Miracle of Lemons

George, Nicholas and Wilhelm

*In the years before World War I, the great European powers were ruled by three first cousins: King George V, Kaiser Wilhelm II, and Tsar Nicholas II. Carter uses the cousins' correspondence and a host of historical sources to tell their tragicomic stories.*

*The Miracle of Garlic is a compact yet comprehensive and authoritative guide to garlic, with helpful information on every possible way to use this wonderful product of nature - not only in cooking but also for health and well-being. The book opens with the history of garlic, its importance in the Mediterranean diet and its popularity around the world. The author discusses whether garlic is a miracle medicine, a valuable natural remedy, or just a useful part of a healthy diet. The first part outlines the varieties of garlic and how to grow it. A digest of the contents of garlic and how they affect health is followed by guidance on how to choose, use and store garlic. The second part offers well-tested recipes for well-loved garlic-containing dishes from around the world. The final part offers help on how to use garlic safely to aid health. The A-Z of ailments that can respond to garlic includes the possible causes of each ailment, how garlic can help, and how best to use garlic.*

*"An ingenious tale [that] takes its heart from Dickens and its soul from America's great outlaw West." —Elle Half Apache and mostly orphaned, Edgar Presley Mint's trials begin on an Arizona reservation at the age of seven, when the mailman's jeep accidentally runs over his head. As he is shunted from the hospital to a school for delinquents to a Mormon foster family, comedy, pain, and trouble accompany Edgar through a string of larger-than-life experiences. Through it all, readers will root for this irresistible innocent who never truly loses heart and whose quest for the mailman leads him to an unexpected home.*

The Miracle Life of Edgar Mint: A Novel

The German 35th Tank Regiment in World War II

Spa Wars was featured in the New York Times, Time Out New York and American Spa Magazine! What really happens when the spa door closes, the shades shut, and the staff thinks no one is looking? In Spa Wars: The Ugly Truth about the Beauty Industry, Lora Condon provides a behind-the-scenes glimpse into the beauty industry while sharing her personal experiences working in day spas, at cosmetic counters, and as a freelance makeup artist. Lora Condon has been a licensed esthetician for over ten years. Through loud personal anecdotes, she reveals all the dirty secrets of the spa and cosmetic and beauty industries. As she uncovers common lies and myths propagated by cosmetic companies, advertisers, and magazines, Condon also addresses common questions and provides easy-to-apply tips and tricks such as how to keep skin looking young and fresh, and shares her favorite beauty and health items as well as the best therapists, treatments, and organizations. Spa Wars uncovers the ugly truths of a fascinating industry and wondered what their bikini waxer is really thinking while ripping out their hair.

St. Pio of Pietrelcina, pray for us. Before his death in 1968, Padre Pio was known throughout the world as a very holy man — many even called him a living saint. This humble Italian priest who bore the wounds of Christ received thousands of letters and visits, spiritual counsel, healing, and prayer. Padre Pio's intense spirituality and holiness remain legendary and life-changing. This is the comprehensive life story of the priest who became world famous for his stigmata, miracles, and supernatural insights. Read in detail the miracles of Padre Pio, and discover how knowing this powerful saint can change your life, too. By far the best biography of Padre Pio ever written — newly updated with more details and 16 pages of photos!

Fresh-squeezed Lexicology, with Twists No man of letters savors the ABC’s, or serves them up, like language-loving humorist Roy Blount Jr. His glossary, from ad hominy to zizz, is hearty, full bodied, and out to please discriminating palates coarse and fine. In gists, tangs, and energies of letters and their combinations in Alphabet Juice, to wide acclaim. Now, Alphabetter Juice. Which is better. This book is for anyone—novice wordsmith, sensuous reader, or career grammarian—who loves to get physical with words, disgust, ew, doing in beautiful and cutie? Why is toadless, but not frogless, in the Oxford English Dictionary? How can the U. S. Supreme Court find relevance in gollywoddies? Might there be scientific evidence for the sonicky value of hunch? And why would you correctly the very word he is trying to define on Urbandictionary.com? Digging into how locutions evolve, and work, or fail, Blount draws upon everything from The Tempest to The Wire. He takes us to Iceland, for salmon-watching with a "girl gillie," and to Germany, where a distinguished etymologist bites off more of a "giantess" than he can chew. Jimmy Stewart appears, in connection with kludge and the bombing of Switzerland. Litigation over supercalifragilisticexpialidocious leads to a vintage werewolf movie: news of possession. As Michael Dirda wrote in The Washington Post Book World, "The immensely likeable Blount clearly possesses what was called in the Italian Renaissance 'sprezzatura,' that rare and enviable ability to do even the most difficult things without breaking a sweat, brimming with sprezzatura. Have a taste.

*Pregnancy Sucks, by Joanne Kimes and Sanford A. Tisherman, M.D., gives you real solutions to all the annoying and somewhat awkward situations that can unexpectedly arise during your pregnancy. Did you know that: Farm-fresh butter, or petroleum jelly, works just as well for your itchy belly as a fancy and overpriced "pregnancy" product? If you're put on bedrest, walkie-talkies will allow you to yell at your husband-no matter where he is in the house! Surrounding yourself with regular pillows (don't forget to swipe your husband's) is just as good as buying a special large "pregnancy pillow"-and more adaptable to giving support where you personally need it? Doing the hokey pokey, or taking a warm shower, can ease Braxton Hicks contractions? Full of insight, hilarity, and practical solutions on every page, Pregnancy Sucks shows how, through it all, you can survive with your health, dignity, and sanity intact! Sometimes three is deliciously better than two Raleigh McKean has borne witness to every conceivable way one person can take advantage of another. He sees it all the time in his job as a book publicist, especially working alongside his boss's daughter. Everley Shannon would be amazing if she wasn't such a pain in his ass. All Raleigh wants is something real. But when the captivating stranger he agrees to go home with turns out to be Bruce Engle, the elusive rock star, it's a harsh reminder that users are everywhere. Raleigh's his route to a book deal, nothing more. What Raleigh doesn't realize is that the brooding musician is also searching for something real—and it's possible he's already found it in Everley's arms. But is there room in those arms for one more? With Everley's own dream of getting out from under her father's shadow crumbling into chaos, it feels like the perfect time to embrace something new. But when Raleigh's insatiable attraction to both Everley and Bruce makes it impossible to keep his distance, there's only one obvious solution...assuming they can learn how to share. This book is approximately 75,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise!*

*Explains the cosmetic benefits of Botox treatments for wrinkles, and answers questions regarding the number of treatments needed, side effects, and cost issues.*

Hector Diego, a field agent working for the top secret government agency known as C.H.E.S.S. (Command Headquarters Echelon: Secret Service) has only days before a psychopathic scientist known only as 'Gabriel' unleashes his powerful new weapon on the world and causes the 'Neutron Storm'. Joined by his partner Virginia Connors, they track the madman to his hidden base where they'll have to fight ninjas and ineptitude in their battle against the clock.

In over 200 delightful short essays Bill captures the creativity and impact of engineers. He talks of their spectacular achievements - jets, satellites, skyscrapers, and fiber optics - but draws his deepest insights from the everyday, the quotidian. He finds beauty, elegance and meaning in Ferris wheels, Tupperware, Slinkys, mood rings, waterless urinals and Velcro. Delivered originally on public radio between 1999 and 2006, each essay is a small slice of the world created by engineers. The essays also illuminate and inform about the important topics of our day by showing how intertwined engineering and technology are with terrorism, security, intellectual property and our cultural legacy.

Home remedies remain an appealing alternative to costly doctor visits—they're effective, inexpensive, and ideal for everyday illnesses and injuries that don't require hands-on medical care. When brand-name product guru Joey Green tackles a subject like home remedies, readers can be found reaching into their closets, cupboards, and pantries for their favorite products to cure what ails them. From relieving a migraine with Dole Pineapple Chunks, treating stinky feet with Clearasil, and soothing an insect bite with Colgate Toothpaste, Joey Green's Magic Health Remedies is packed with reliable, user-friendly cures for everything from acne and calluses to morning sickness and toothaches—121 conditions in all. Joey divulges that many products have special, never-before-revealed qualities not found on the label and, with a little ingenuity, can be used to treat minor health issues and conditions. There's compelling evidence for experimenting with off-label uses—like when hay fever strikes, a little McCormick Ground Turmeric in a glass of water brings relief in 15 minutes; the bioflavonoids in the spice are antioxidants that suppress histamine production. Who knew? Well, Joey knows and now he's bringing fast relief (and lots of fun) to health care at home!

*Advance praise for Memories of the Beach: "Lorraine O'Donnell Williams has given us a charming and evocative memoir of the Beach district six or seven decades ago, when it was a separate world in the southeast corner of Toronto. Everyone who knew the Beach that was, and everyone who knows the Beach of today, will enjoy her account of growing up in that special place." - Robert Fulford, author of Accidental City: The Transformation of Toronto "In this richly rendered memoir of a Catholic girl growing up in Toronto's Beach community in the 1930s and 1940s, Lorraine Williams not only vividly captures the feeling of a more innocent age, but at the same time touches on a universal truth - that the place in which we are nurtured forms an integral part of the person we become. Simply wonderful." - Michael Bedard, author of the Governor General Award-winning Redwork In this rare combination of history and memoir, Lorraine O'Donnell Williams details life within Toronto's Beach community in the 1930s and '40s from the vantage point of her front verandah, which abutted the boardwalk. Her extensive research has uncovered numerous hidden facets of the heritage of this exceptional neighbourhood, including the stories of what was in its time one of North America's most remarkable amusement parks, the popular dance hall, and how the area was transformed from cottage to urban living.*

*Eleven-year-old Mae Moore is having a horrible birthday week. Her sister, Shelby, had another seizure on account of her cerebral palsy. The school bully won't leave Mae alone. The adults in her life are having money troubles. And then there's her secret—the terrible wish Mae made two years ago—that she can't seem to shake. Mae needs a miracle, or maybe multiple. But why would God bother to listen to her prayers? Especially when it seems He hasn't listened in the past? Still, when Mae discovers that one of her closest friends also needs divine intervention, Mae just might step into that miraculous life she's been longing for after all. With plenty of adventure and humor to keep readers turning the page, Drive-Thru Miracle is a contemporary middle grade novel that confronts the honest—and sometimes difficult—truths about life with spunk and sincerity. Not shying away from hard topics like disability, bullying, and poverty, Author Dana Edwards weaves Mae's story with empathy and hope, showing readers that the God of miracles is still working in this world, even if we can't see it.*
