

The Most Expensive Valuable Hallmark Keepsake Ornaments

In countries around the world, the rise of class divisions and unbridled capitalism are changing the conventional definitions of art and esthetics. Historically, the philanthropy of the elite has played a leading role in supporting, funding, and distributing artistic works. While such measures may be pure in intent, many worry that private funding may be gentrifying the arts and creating a situation in which art will only be valued for its prestige or, worse, its price tag. This collection of essays examines the current movement to democratize the arts and make the world of artistic endeavor open and accessible to all. Instructors considering this book for use in a course may request an examination copy here.

Beyond Compatibility is a primer for engaged and married couples on the development of genuine love that will last a lifetime. It differs from many marriage books in that it moves past mere compatibility in pursuit of the biblical dynamics of enduring love and three-dimensional intimacy capable of withstanding the changes that life deals us all. Compatibilities, preferences, and opinions change with your maturity and the seasons of your life and marriage, but genuine love never fails.

Beyond compatibility shows you how to build a self-perpetuating love that will grow in intimacy and intensity for as long as you both shall live!

Grundlaggende lærebog om CT og MRI og disses anvendelse forbindelse med undersøgelser af kroppens organer. Først beskrives principperne bag CT-teknik og MRI, og derefter gennemgæes undersøgelser af kroppens organer systematisk. Bogen beskriver både normale og abnorme fund med tekst og billeder og giver instruktioner i, hvorledes man optimerer billedkvalitet, -analyse, og -fortolkninger, samt undgår de mest almindelige fejlfortolkninger.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Rough Guide to Turkey is the most comprehensive travel guide to a unique country straddling both Europe and Asia and bordering countries as diverse as Greece in the west and Iran in the east. Inside you'll find insightful coverage of everything from Mediterranean beaches that play host to nesting turtles to soaring mountain ranges spangled with Alpine flowers, and from legendary ancient sites such as Troy to the exotic domed skyline of Byzantine and Ottoman-era Istanbul. There's detailed advice on how to travel about this vast and varied country and, once you reach your destination, clear city maps to help you navigate everywhere from the fifteen-million plus metropolis of Istanbul to the small frontier settlement of Dogubeyazit, in the shadow of biblical Mt Ararat. There's up to date descriptions of the best eating and drinking places, hotels and shops to suit all budgets, plus an array of stunning images. Make the most of your time with The Rough Guide to Turkey. Now available in ePub format.

A Dictionary for the Modern Flutist presents clear and concise definitions of more than 1,500 common flute-related terms that a player of the Boehm-system flute may encounter. Fully illustrated with more than 100 images, the entries contain descriptions of words related to all aspects of the flute: flute types, flute parts, flute repair, playing techniques, acoustics, articulations, intonation, common ornaments, flutemaking, flute history, flute music books, and more. Susan MacLagan has thoroughly researched and clarified definitions of terms that often cause confusion or not been clearly defined previously, listing them alphabetically with concise, in-depth definitions. Carefully labeled illustrations for many flute types, parts, mechanisms, and accessories help to make the definitions easier to visualize. The entries also consist of brief biographies of more than 50 significant names in the flute community worldwide. Several appendixes provide further information on subjects like flute classifications, types of modern Boehm-system flutes and their parts, key and tone hole naming conventions, and more. The book is a must-read for all flutists, from the beginner to the professional.

CONTEMPORARY MARKETING, Seventeenth Edition, is the proven, premier teaching and learning resource for foundational marketing courses. The authors provide thorough coverage of essential marketing principles, exploring all components of the marketing mix, and providing practical guidance to help students prepare for successful marketing careers. This trusted text continues to grow stronger with each groundbreaking new edition, preserving what has made previous editions perennial best-sellers, while adding in

trends, topics, research, and best practices in this ever-evolving field. Because it is so technologically advanced, student-friendly, instructor-supported, and more relevant than ever, CONTEMPORARY MARKETING, Seventeenth Edition, remains in a class by itself. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

'I'll Be Home for Christmas Movies is the unofficial fan guide to Hallmark holiday movies, from the creators of the wildly popular Deck the Hallmark podcast. Hosts and best friends Brandon Gray, Daniel "Panda" Pandolph, and Dan Thompson share reviews that make you feel like you're watching these holiday favorites with your best buds, discussing warm Christmas feelings and absolutely bonkers plot twists with equal enthusiasm. And thanks to original interviews with the movies' stars and creators, fans will find out answers to pressing questions. Why do the lead characters keep coming down with amnesia? Why do so many female stock brokers and lawyers find themselves forced to plan parties? And do all of the stories take place within something called the "Kenyniverse"? To complete the perfect Christmas package, the book is also chock-full of ideas for hosting your own holiday movie-watching party, complete with delicious recipes. Featuring dozens of full-color photos throughout, 'I'll Be Home for Christmas Movies is as cozy as a blanket.

A detailed look at how to profit in the precious metalsmarket Today, gold, silver, platinum, and palladium offer a new anddifferent profit potential for those who understand the impact ofnew technologies, new economic forces, and new demographics.Updated to reflect changes in this market since the mid-1990s, ThePrecious Metals Trader focuses on new developments that couldtranslate into serious profit-making trends—fromelectrically-generated automobiles that could substantiallyincrease demand for platinum to the increased use of composites indentistry, which could negatively impact the use of both silver andgold. The Precious Metals Trader also explains the supplydemandfundamentals of the four precious metals—gold, silver, platinum,and palladium—and provides projections about long-term trends andprofit opportunities that will coincide with them. Filled withfresh insights from Philip Gotthelf—one of the top experts in thisfield—The Precious Metals Trader offers readers the guidance theyneed to trade profitably within this dynamic market. Philip Gotthelf (Closter, NJ) publishes the Commodex System—theoldest daily futures trading system published in the world—and theCommodity Futures Forecast Service. He is also President of EquidexIncorporated and Equidex Brokerage Group Inc.

At the close of the 2010s, to many, the world appears to be in a state of dangerous change. News and fictional media alike report that these are dark times, and narratives of social resistance imbue many facets of Western culture. The chapters in this collection examine different events and themes of the 2010s that readily acknowledge the struggling state of things. Crucially, these essays look to the resistance and political activism of communities that seek to make long-reaching and institutional changes in the world through a diverse group of media texts. They scrutinize how a society relates to injustices and how individuals enact a desire for change. The authors analyze a broad range of works such as texts like: Awake: A Dream from Standing Rock, Black Panther, The Death of Stalin, Get Out, Jessica Jones, Hamilton, The Shape of Water, and Star Wars: The Last Jedi. By digging into these and other works, as well as historic events, the contributors explicate the soul-deep necessity of pushing back against injustice, whether personal or cultural.

"Bevy knows what's what, and she is the kind of woman you want in your corner. If you don't believe me . . . buy the book." —Whoopi Goldberg "Funny, wise, well-experienced, empathetic, colorful—Bevy brings the spirit of humanity wherever she goes." —Pharrell Williams From the host of the fabulous and popular show Bevelations on SiriusXM's Radio Andy channel, Bevy Smith's irreverent and inspiring memoir about learning to live a big, authentic, and unapologetic life—and how you can, too Bevy Smith was living what seemed like a glamorous dream as a fashion advertising executive, blazing a lucrative career for herself in the whitewashed magazine world. She jetsetted to Europe for fashion shows, dined and danced at every hot spot, and enjoyed a mighty roster of lovers. So it came as quite a shock to Bevy when one day, after arriving at her luxury hotel in Milan, she collapsed on the Frette bedsheets and sobbed. Years of rolling with the in-crowd had taken its toll. Her satisfaction with work and life had hit rock bottom. But Bevy could not be defeated, and within minutes (okay, days) she grabbed a notepad and started realizing a truer path—one built on self-reflection and, ultimately, clarity. She figured out how to redirect her life toward meaningful creativity and freedom. In her signature lively and infectious voice (there's no one like Bevy!), Bevelations candidly shares how she reclaimed her life's course and shows how we too can manifest our most bodacious dreams. From repressing her bold childhood nature to becoming her own brand to envisioning her life's next great destination (which will feature natural hair, important charitable giving, and a midcentury house overlooking the Pacific Ocean), Bevy invites readers along on the route of her personal transformation to reveal how each of us can live our best lives with honesty, joy, and, when we're in the mood, a killer pair of shoes.

This thorough update to Benjamin Compaine's original 1979 benchmark and 1982 revisit of media ownership tackles the question of media ownership, providing a detailed examination of the current state of the media industry. Retaining the wealth of data of the earlier volumes, Compaine and his co-author Douglas Gomery chronicle the myriad changes in the media industry and the factors contributing to these changes. They also examine how the media industry is being reshaped by technological forces in all segments, as well as by social and cultural reactions to these forces. This third edition of Who Owns the Media? has been reorganized and expanded, reflecting the evolution of the media industry structure. Looking beyond conventional wisdom and expectations, Compaine and Gomery examine the characteristics of competition in the media marketplace, present alternative positions on the meanings of concentration, and ultimately urge readers to draw their own conclusions on an issue that is neither black nor white. Appropriate for media practitioners and sociologists, historians, and economists studying mass media, this volume can also be used for advanced courses in broadcasting, journalism, mass communication, telecommunications, and media education. As a new benchmark for the current state of media ownership, it is invaluable to anyone needing to understand who controls the media and thus the information and entertainment messages received by media consumers.

100 years that crafted an iconic American company A century ago, the Halls were a poverty-stricken family trying to make their way in a small Nebraska town. Today, they are a golden example of a family that has created a groundbreaking company. Hallmark: A Century of Caring is the inspirational story of an American dream brought to life through hard work, strong values, and a genuine care for both employees and customers. Beginning with a heartfelt introduction from famed poet Maya Angelou, the reader is taken on a journey that follows the Hall family from Norfolk, Nebraska, to Kansas City, Missouri, the eventual home of Hallmark. Through boom times, war times, and the Great Depression, the company grew and flourished, always with the belief that its products and services must enrich people's lives. One hundred years after Joyce Hall first stepped off of the train in Kansas City, Hallmark is poised and ready for the future. This book is an enduring salute to the company and a historic journal of a truly iconic American company.

This widely-used management principles text is now in its Third Edition. Stresses good management to achieve high productivity. Presents the essentials of management theory via the four traditional functions of management: planning, organizing, leading, and controlling. Special attention is given to decision-making and problem-solving in today's dynamic business environment.

A veteran Wall Street Journal editor and authority on branding, marketing and reputation provides the 18 crucial rules for companies to follow in developing and protecting their reputation, which can be their most valuable asset or their worst nightmare. A must read book for senior executives, consultants, advertising, public relations, and marketing professionals. From Enron and WorldCom to the Catholic Church and Major League Baseball, reputation crises have never been more widespread. Now Ronald J. Alsop, a veteran Wall Street Journal authority on branding and reputation management, explains the dangers—and gives organizations the eighteen crucial laws to follow in developing and protecting their reputations. Consider this example of a simple decision made by a low-ranking employee: *When rescue workers at the site of the World Trade Center disaster sought bottled water from a nearby Starbucks outlet, they complained that an employee charged them for it. In a matter of hours, the Internet had picked up the story and Starbucks' carefully cultivated worldwide reputation was quickly besmirched. This is just one instance among many of how the business world, ever more global and competitive, has become increasingly difficult to navigate. Studies have demonstrated the powerful impact of reputation on profits and stock prices, and yet less than half of all companies have a formal system for measuring reputation. Clearly, companies in every industry—from Dow Chemical to Disney to DaimlerChrysler—have much more to learn. It is still the rare company that realizes the full value of its reputation: how corporate reputation can enhance business in good times, become a protective halo in turbulent times, and be destroyed in an instant by people at the lowest or highest levels of the corporate ladder. Mr. Alsop provides eighteen thoroughly documented lessons based on years of experience covering every aspect of corporate reputation, with a clear distillation of the complex principles at the heart of a reputation. He explains:*

- *How to protect your reputation when the inevitable crisis hits*
- *How to cope with the many hazards in cyberspace*
- *How to create a reputation for vision and industry leadership*
- *How to establish a culture of ethical behavior*
- *How to measure and monitor your ever-changing public image*
- *How to make employees your reputation champions*
- *How to decide when it's time to change your name*

The result is a book that is important not only for business executives, consultants, and advertising, public relations, and marketing professionals but also for anyone eager to learn more about the companies they work for, buy from, and invest in.

Detailed and timely information on accommodations, restaurants, and local attractions highlight these updated travel guides, which feature all-new covers, a two-color interior design, symbols to indicate budget options, must-see ratings, multi-day itineraries, Smart Travel Tips, helpful bulleted maps, tips on transportation, guidelines for shopping excursions, and other valuable features. Original.

Everybody loves a parade! Well, everybody except Evan... Evan, the county sheriff, knows that business are struggling in the small town of Clark Creek. But unlike the mayor—who happens to be his mother—he doesn't think that hiring a “Christmas Consultant,” whatever that is, will help. Especially when this Christmas Consultant proposes a holiday parade that seems likely to overwhelm his staff and leave the town in even more debt. Mary is sure the parade is going to be a superb fundraiser. She's going to make sure of it, overcoming every obstacle...including those put in place by the stubborn sheriff. But in the middle of her planning, the unexpected happens: she and Evan begin to see one another in a different light. Could the parade bring about more than one Christmas miracle? This funny, feel-good holiday romance is perfect for fans of Sheila Roberts, Susan Mallery, and Jenny Hale.

The author's photographs illustrate increasing levels of complexity in composing photographs and reflect his belief that the whole is manifest in the part. The book covers the use of shapes and lines, colour, texture and motion, together with the business of selling nature photographs.

The author's photographs illustrate increasing levels of complexity in composing photographs and reflect his belief that the whole is manifest in the part. The book covers the use of shapes and lines, colour, texture and motion, together with the business of selling nature photographs.

Quitar sleuth and music-history detective Deke Dickerson tells the true tales of 50 thrilling rare guitar finds that will make guitarists green with envy. A golden Fender Stratocaster hidden away in an attic for 30 years. A sunburst Gibson Les Paul worth \$100,000. Jimi Hendrix's Strat burned by the guitarist during a concert—and then mysteriously lost for decades. The mint Fender Broadcaster forgotten under a bed in a neighbor's house. The 1960s Rickenbacker bought for \$50 at a garage sale! These days, classic vintage guitars can bring Ferrari and Porsche prices. Baby boomers who wish they'd been rock & roll stars have shot the market into the stratosphere for classic models. As with automobiles, finding that classic guitar stashed away beneath a bed, in a closet, hidden away in an attic, or in the dusty corner of a guitar shop is the Holy Grail.

Philip Gotthelf shows readers exactly how to profit from changes sweeping the precious metals marketplace. Authoritative and full of fresh insights from one of the top experts in the field, this book is the first truly original book on precious metals in years.

In this fresh and expansive work, Ellen Davis offers a comprehensive interpretation of the prophetic role and word in the Christian scriptures. Davis carefully outlines five essential features of the prophetic role and then systematically examines seven representations of prophets and prophecies. Thoroughly theological, Davis's volume provides both instruction and insight for understanding prophecy in Christian tradition and discipleship. This volume concludes with a rich discussion of practical matters, including the relationship between Christian discipleship and prophetic interpretation and the role of biblical prophecy in interfaith contexts.
