The prophetic clock is ticking. We are living in tumultuous times. From corrupt world politics to global pandemics to an unprecedented rebellion against God and His Word, humanity has reached a critical stage. What happens next? In this eye-opening book, Jimmy Evans examines biblical prophecies about the end times and points to their unmistakable parallels with today's world. With clear, insightful analysis of Scripture, he answers many common questions, such as: • Are we living in the end times? • How should Believers respond to increasing immorality? • Will Christians go through the Tribulation? • What role does Israel play in God's prophetic plan? • Are COVID-19 and other world events announcing the imminent return of Jesus? Ultimately, Tipping Point will help you understand current events with confidence. There is no going back, but hope and peace are possible as God's plan unfolds and we approach the end of the age. Jimmy Evans is senior pastor of Gateway Church in the Dallas/Fort Worth Metroplex and holds an honorary doctorate of literature from The King's University. In addition to authoring more than seventeen books, Jimmy has studied eschatology for more than 45 years and is passionate about helping believers find hope, peace, and encouragement in the Word of God.

On December 21, 2012, there will be an opportunity for the meek to prevail. So speaks one of the Mexican sages in Jock Whitehouse's 2012 anti-apocalypse book The Ledge of Quetzal. "There was a growing momentum of darkness in the world. As climate change spawned wildfires, tornadoes, hurricanes and floods; as earthquakes and mudslides turned entire villages into rubble; as political, social and religious differences gave rise to terrorism, genocide, and war; as the world teetered on the edge of economic chaos, it was not hard to imagine apocalypse in the making. The Maya, however, along with numerous other cultures and disciplines, had somehow discerned the largest cosmic cycles of man's destiny and the forces that surrounded it. And in those cycles they found, like the pause of a pendulum at its apogee, an opportunity for total change. It was like a second chance for all mankind." Yes, the weather is changing, world economies are shaky, terrorism and nationalism and fanatical leaders threaten global security. Some say civilization is ending. Can it be saved? Yes. Who can do that? We can. That's the message that comes through in this wild adventure story - in the tradition of Castaneda and Coelho, deep into the heart of southern Mexico and its rich traditions of plant-based hallucinogens and the spiritual clarity they awaken.

Love breaks through defenses and destroys walls that divide us. Love demands more of you and me than we often want to give. It's easy to love a lovely person, but what about...them? What about that stereotype, that race, that person or group of people in a political, cultural, or socioeconomic class who don't behave like you, don't believe like you, and if you are honest...make you uncomfortable? What is love in this context? We read that Jesus broke boundaries to love the people that many detested. His love was transformative because His love saw past disagreement, indifference, and offense. Loving them? Like this? That's hard. If you consider yourself a Christian, then love should be your primary characteristic. But it seems that division defines us in our society where rage and anger abound. Today, many people see Christians as angry followers of God who are more interested in winning political arguments than loving people. If we say we follow Jesus but are not loving like Him, then what's the point? There is a better way. Using the incredible story of how Pastor Choco chose to "love them anyway" to transform the crime-ridden community of Humboldt Park in Chicago, Love Them Anyway will inspire you to love in a way you never have. This book will pave a compelling path for you to both express and experience a truly transformative love on a deep level. It will tap into your deepest desires, expose your hesitations, connect you deeper with God's love, and help you take bold steps to love the people around you—and your love will change lives. When you learn to Love Them Anyway, your passion will be redirected, your purpose will be refined, and you will see God use you in ways you could never have imagined. Love is hard. It's not convenient, and it's not always safe. But love is beautiful. Love is contagious. It breaks through defenses and destroys walls that divide us. Love is the answer. So, love them anyway. Redirect your passion, refine your purpose, and see God use you in ways you never imagined.

MESSIAH'S JUBILEE is a major revised version of my 2015 published book, SEPTEMBER 2021. In this 2nd Edition, I unveil and decipher a hidden Jubilee, the Messiah's Jubilee, and Shemitah Pattern that directly links to the prophecies of the 9th and 12th Chapters of the Book of Daniel. Discover why the Seven-Week prophecy, following the Sixty Two Weeks Prophecy, began precisely on June 7th, 1967, as a double prophetic fulfillment; the very day that Jerusalem was RELEASED back to Israel and the Jewish People during the 6-Day War. Discover how and why the 69th week ended on Yom Kippur 2015, which, in turn, began the 70th week of the Daniel Timeline, and why the completion of the 70th week will initiate the Final Week of man's rule on the Feast of Trumpets, September 2021, with the sighting of the crescent new moon out of Jerusalem with the sound of the Last Trump and on the feast, "where no man knoweth the day nor hour."Additionally, discover the identity of a Powerful World Leader who resided as Chairman and "President" of the UN Security Council World Government back on Yom Teruah 2014 that initiated the Daniel Chapter 12 Timeline of 2,550 days that will highlight not only Shavuot 2021 (1,335 days from the Revelation Chapter 12 Sign (9/23/17)), but the Appointed Feasts of Trumpets and Yom Kippur 2021. Finally, discover how the dates mentioned in the book are not a result of my personal opinion/research but confirmed through the use of two lunisolar calendar systems. These two Calendar Systems, Jewish Calendar & Torah Calendar, when BOTH in SYMMETRY with 86 lunar

moon cycles over seven years (2,550 days), point to Shavuot 2018 (Fulfilled with the opening of the US Consulate in Jerusalem on 5/14/18; precisely 70 years from when Israel was declared a Nation on 5/14/48), Shavuot 2021, Shavuot 2026, and Yom Kippur 2029 as highly significant future appointed feasts. Finally, discover the relationship between these future appointed feasts and the true Messiah of the Jewish People!

It's America's most popular sport, played by thousands, watched by millions, and generating billions in revenues every year. It's also America's most controversial sport,

haunted by the specter of life-threatening injuries and plagued by scandal, even among its most venerable personalities and institutions. At the college level, we often tie football's tales of corruption and greed to its current popularity and revenue potential, and we have vague notions of a halcyon time--before the new College Football Playoff, power conferences, and huge TV contracts. Perhaps we conjure images of young Ivy Leaguers playing a gentleman's game, exemplifying the collegial in collegiate. What we don't imagine is a game described in 1905, not today, as "a social obsession--this boy-killing, man-mutilating, education-prostituting, gladiatorial sport." In *The Opening Kickoff*, Dave Revsine tells the riveting story of the formative period of American football (1890-1915). It was a time that saw the game's meteoric rise, fueled by overflow crowds, breathless newspaper coverage and newfound superstars--including one of the most thrilling and mysterious the sport has ever seen. But it was also a period racked by controversy in academics, recruiting, and physical brutality that, in combination, threatened football's very existence. A vivid storyteller, Revsine brings it all to life in a captivating narrative.

Christians often spend time arguing that Jesus rose, but we forget to appreciate why it actually matters. In the follow-up to his brilliant book on the cross, *Passion*, US pastor and well-known author Mike McKinley considers the revolutionary consequences for each of us of Christ's resurrection, ascension and the sending of his Spirit. Walk through Luke 24 and Acts 1-2 and discover how the reality that Jesus lives can and should change every aspect of our world. Whether you're a new or a mature Christian, let the joy, peace, confidence and purpose of the resurrection flood into your everyday life.

"Amir Tsarfati tells the prophetic story of the Bible from Genesis to Revelation and in the process helps his readers to comprehend God's

unique purpose and plan for both Israel and the Church. His refutation of Replacement Theology is profound and yet easy to understand. This book answers a lot of questions many prophetic writers are afraid to ask.”

—Dr. David Jeremiah As the day of the Lord rapidly draws near, we must appreciate God’s plans for all His people To truly grasp Bible prophecy, we must first understand how God’s promises to Israel complement His vision for the church. While some believe God has forsaken Israel for the church, this goes against the nature of the faithful Lord we find in Scripture. In his latest book, native Israeli and bestselling author Amir Tsarfati makes clear what the Bible says about God’s unique master plans for His two chosen groups, Israel and the church. Amir gets to the heart of key questions, such as... Do the promises God made to the Old Testament nation of Israel still apply to the Jewish people today? Has God replaced rebellious Israel with the church? Now that the church exists, does Israel possess a distinct role in the present age? How are current events in Israel relevant to the church? What should the church’s attitude be toward Israel? Israel and the Church provides a fascinating look at all that God has prepared for His two peoples—and why it’s so relevant to us today!

Are you settling for half the story? Highlighting connections that have been hidden from non-Jewish eyes, Rabbi Jason Sobel will connect the dots between the Old and New Testament, helping you see the Bible with clarity as God intended. Most people—even people of faith—do not understand how the Bible fits together. Too many Christians accept half an inheritance, content to embrace merely the New Testament, while Jewish people may often experience the same by embracing only the Old Testament. But God has an intricate plan and purpose for both the Old and the New. In Mysteries of the Messiah, Rabbi Jason Sobel reveals the many connections in Scripture hidden in plain sight. Known for his emphatic declaration “but there’s more!” he guides us in seeing the passion and purpose of the Messiah. Mysteries of the Messiah: Uncovers connections between the Old and New Testaments Connects the dots for readers with details about Jesus, the Torah, and biblical characters Written with the unique perspective of a rabbi with an evangelical theological degree No matter how many times you have read the Bible, Mysteries of the Messiah will bring fresh perspective and insight. God’s Word, written by many people over thousands of years, is not a random selection of people and stories. Rabbi Jason Sobel connects the dots and helps us see with clarity what God intended.

This book will help me to understand who Donald Trump is, what he really believes, where his vision for America will lead us, and where God is in all of this.

PARADIGM

The Bible teaches the mystery of Daniel's prophecies are "sealed till the time of the end." As that time approaches, the mystery of Daniel's "Seventy Sevens" has been revealed. Regarded by scholars as the most difficult prophecy in the Bible to interpret, this new book reveals that Daniel's "Seventy Sevens" prophecy accurately predicts the time of Christ's birth, and also points to the next Jewish Sabbatical year (Sept 25, 2014-Sept 13, 2015) as the year the "little horn" or Antichrist will confirm "a covenant"-regarded to be the beginning of the Great Tribulation by the majority of Eschatology scholars. No one knows the day or the hour, but Daniel's prophecy does point to one specific year. This book is not based on mathematical calculations, or dispensational theories. It is based on the method of counting years given by God in the Law of Moses. Only the great scientist Isaac Newton used this method of interpretation. Discover what will happen in the "seventh Shmita."

In this sequel to The harbinger, the reader witnesses the return of Nouriel, Ana Goren, and the mysterious figure known as 'the prophet.'

The New York Times best seller The Harbinger now has an indispensable companion that will enable you to go deeper into the prophetic revelations and decode the mysteries that have caused a stir throughout the nation.
