

The New City Catechism Devotional Gods Truth For Our Hearts And Minds Gospel Coalition

Unites some of today's most promising young evangelicals in a bold assertion of the stability, relevance, and necessity of Christian orthodoxy, and reasserts the theological nature of evangelicalism.

A simplified version of The New City Catechism designed for children, this 64-page booklet contains 52 short questions and answers aimed at helping them better understand God, humanity, sin, and salvation.

Every day we are formed by what we see on social media. Every day we are formed by the new Netflix special. Every day we are formed by the hot-button topics of the culture that appear on our news feeds. In fact, every single day we are formed as we interact with the world around us. We learn from it, are taught by it, and live from it. So what is the faithful Christian to do when they can't help but be shaped by the world around them? What is the believer in Jesus to do when the world opposes so much of his teachings? This book seeks to answer those questions by turning to the lost art of catechesis. This book seeks to turn the tables on formation by the world by providing formation through the word. This devotional work utilizes an updated form of The Westminster Catechism, Scripture passages, brief reflections, and prayers to help form believers into more robust disciples. Who knows, maybe this process will provide a way for us to no longer be formed by the world but rather, to begin forming the world to reflect its great redeemer, Jesus Christ. This is the eighth workbook in the Westminster Shorter Catechism for Kids series. Lessons cover questions 98-107 of the catechism. Children learn the meaning of prayer and the direction given to us by Christ in the Lord's Prayer.

We need good preaching—preaching that challenges us by God's Word and brings the

comfort that comes from God's promises. Yet many of us rely solely on others to preach to us and are not benefitting from the kind of preaching that should be most consistent and personal—preaching to ourselves. Note to Self is a practical introduction to this daily discipline. Pastor Joe Thorn delivers fifty brief, devotional chapters that model preaching the gospel to ourselves and its practical implications. Readers will be challenged by the book's direct, personal exhortations to apply the law and the gospel to their own lives. Part of the Re:Lit series.

How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then "systematic theology" is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand—and it's packed with solid, biblical answers to your most important questions.

A joint adult and children's catechism consisting of 52 questions and answers adapted by Timothy Keller and Sam Shammas from the Reformation catechisms.

Guides both pastors and members to recognize key characteristics of a healthy church and then challenge each person to do his or her part in developing those characteristics in the local church body.

Want to explain your faith to your family? You can using these brief readings that simply explain key Christian beliefs. Designed for family devotions, three times a week.

The Ology by best-selling children's author Marty Machowski is a stunningly illustrated beginner's theology book to help kids of all ages understand who God is and how we, as his children, relate to him. Arranged within a traditional systematic theological framework, each truth in The Ology is also connected to the larger redemptive story of Scripture. This storybook of systematic theology takes abstract concepts in the Bible and makes them easier to understand with the use of creative examples, illustrations, and analogies. The Ology is a starting point to learning theology and aims to create a hunger and desire in children to learn more as they grow older. Designed for six-year-olds through preteens, this flexible resource includes built-in adaptations so the entire families can enjoy it together. The story begins in the cellar of the old stone cathedral, where Carla and Timothy uncover a life-changing treasure: a carefully wrapped, ancient book known as The Ology. Young readers will discover a tale of adventure, mystery, and wonder, which will lead them to the truth about God, themselves, and the world around them. As a father to six children, Machowski knows how to intentionally create a vivid resource, full of analogies and word pictures to help kids grasp difficult theological concepts. Read The Ology to preschoolers; read it with grade-school kids, and let older kids discover the "hidden" truths by reading the corresponding Scripture passages for each section. However you read it, The Ology will give your children a gift that will last a lifetime—a solid foundation of transformative biblical truth that will point them to the God who loves them and gave himself for them. There is also a companion album to The Ology by Sovereign Grace Music that celebrates these wonderful theological truths through worship music that the whole family can enjoy. From places like John Piper's den, Al Mohler's office, and Jonathan Edwards's college, Christianity Today journalist Collin Hansen investigates what makes today's young Calvinists tick. Church-growth strategies and charismatic worship have fueled the bulk of evangelical growth in America for decades. While baby boomers have flocked to churches that did not look or sound like church, it seems these churches do not so broadly capture the passions of today's twenty-something evangelicals. In fact, a desire for transcendence and tradition among young

evangelicals has contributed to a Reformed resurgence. For nearly two years, Christianity Today journalist Collin Hansen visited the chief schools, churches, and conferences of this growing movement. He sought to describe its members and ask its leading pastors and theologians about the causes and implications of the Calvinist resurgence. The result, *Young, Restless, Reformed*, shows common threads in their diverse testimonies and suggests what tomorrow's church might look like when these young evangelicals become pastors or professors.

A PUBLISHERS WEEKLY BESTSELLER *Motherhood is hard*. In a world of five-step lists and silver-bullet solutions to become perfect parents, mothers are burdened with mixed messages about who they are and what choices they should make. If you feel pulled between high-fives and hard words, with culture's solutions only raising more questions, you're not alone. But there is hope. You might think that Scripture doesn't have much to say about the food you make for breakfast, how you view your postpartum body, or what school choice you make for your children, but a deeper look reveals that the Bible provides the framework for finding answers to your specific questions about modern motherhood. Emily Jensen and Laura Wifler help you understand and apply the gospel to common issues moms face so you can connect your Sunday morning faith to the Monday morning tantrum. Discover how closely the gospel connects with today's motherhood. Join Emily and Laura as they walk through the redemptive story and reveal how the gospel applies to your everyday life, bringing hope, freedom, and joy in every area of motherhood.

To Be a Christian

Old Story New

We're all waiting for something. It might be a spouse or a baby. It might be healing or a home. Regardless of what we're waiting for, it's easy to feel discontent when things aren't going as planned and our dreams are delayed—especially when questions of "Why?" and "How long?" remain unanswered. God uses seasons of waiting to teach us patience and make us more like himself. But sanctification is not the only purpose God has in mind. When we wait faithfully with unmet longings, we become a powerful picture of the bride of Christ waiting for the day when he returns and God's kingdom reigns.

A year of gospel-saturated daily devotions from renowned Bible teacher Alistair Begg. Start with the gospel each and every day with this one-year devotional by renowned Bible teacher Alistair Begg. We all need to be reminded of the truth that anchors our life and excites and equips us to live for Christ. Reflecting on a short passage each day, Alistair spans the

Scriptures to show us the greatness and grace of God, and to thrill our hearts to live as His children. His clear, faithful exposition and thoughtful application mean that this resource will both engage your mind and stir your heart. Each day includes prompts to apply what you've read, a related Bible text to enjoy, and a plan for reading through the whole of the Scriptures in a year. The hardback cover and ribbon marker make this a wonderful gift. Supplies two needs: (1) profitable, useable material for family devotions and (2) a practical guide for parents helping their children learn the catechism. My name is Jaquelle, and I'm a teenager. I like football movies, sushi, and dark chocolate. But the biggest, most crucial, most significant thing about me is that my life's task is to follow Jesus. He is the One who changed my life. That's what this book is about. It's for teenagers eager to reject the status quo and low standards our culture sets for us. It's for those of us who don't want to spend the adolescent years slacking off, but rather standing out and digging deep into what Jesus says about following him. This book will help you see how the truth about God changes everything—our relationships, our time, our sin, our habits, and more—freeing us to live joyful, obedient, and Christ-exalting lives, even while we're young.

Can God stir revival by his Holy Spirit, even in our culture today? Do we really believe he can? In a day of diminished expectations, A God-Sized Vision: Revival Accounts That Stretch and Stir recounts global examples of prior revivals, beginning with the Reformation and the Great Awakenings. It continues with the Welsh and Azusa Street revivals and those that occurred simultaneously in Asia, followed by the East Africa Revival of the 1930s. More recent revivals in North America that instigated parachurch or evangelistic ministries like those of Billy Graham and the revivals in China, particularly in Henan Province over the last forty years, give further evidence of church renewal. These stories enlarge our hearts, expand our minds, and empower our witness to the power of God at work in human history. Christians with a deep evangelistic commitment who realize that there is more to church growth than field-tested techniques will expand their vision by remembering God's vision, as it has been revealed throughout history. Hansen and Woodbridge mine these stories of renewal to suggest how to get ready for revival today.

The New City Catechism Curriculum expands the questions and answers of The New City Catechism into fifty-two engaging and informative lessons, helping children ages 8-11 better understand the truth of God's Word and how it connects to their lives.

Pastor and New York Times bestselling author Timothy Keller reveals the hidden depths within the book of Jonah—the most misunderstood parable in the Bible. Previously

published as The Prodigal Prophet The story of Jonah is one of the most well-known parables in the Bible. It is also the most misunderstood. Many people, even those who are nonreligious, are familiar with Jonah: A rebellious prophet who defies God and is swallowed by a whale. But there's much more to Jonah's story than most of us realize. In Rediscovering Jonah, pastor and New York Times bestselling author Timothy Keller reveals the hidden depths within the book of Jonah. Keller makes the case that Jonah was one of the worst prophets in the entire Bible. And yet there are unmistakably clear connections between Jonah, the prodigal son, and Jesus. Jesus in fact saw himself in Jonah. How could one of the most defiant and disobedient prophets in the Bible be compared to Jesus? Jonah's journey also doesn't end when he is freed from the belly of the fish. There is an entire second half to his story—but it is left unresolved within the text of the Bible. Why does the book of Jonah end on what is essentially a cliffhanger? In these pages, Timothy Keller provides an answer to the extraordinary conclusion of this biblical parable—and shares the powerful Christian message at the heart of Jonah's story. Every Christian knows the importance of a daily quiet time with the Lord. But anyone who's been a believer long enough has likely experienced seasons that feel more mundane or routine, leading to aimlessly skimming a couple of Bible verses or praying the same prayer over and over. In Be Thou My Vision, Jonathan Gibson has created a 31-day liturgical guide designed to provide structure to the daily worship of individuals and families. Each daily reading includes a call to worship, adoration, confession, assurance, creed and catechism, the Gloria Patri, a prayer of illumination, Bible reading, intercessory prayer, and the Lord's Prayer. Designed to be read in 15–20 minutes a day, this beautifully produced liturgy will give readers focus and purpose to their daily quiet time while teaching them historical prayers, creeds, and catechisms that point them to Christ.

The student edition of the popular A Practical Guide to Culture by John Stonestreet and Brett Kunkle delivers a hopeful message to readers ages 15 – 25 who live every day with increasing cultural pressure. These young people struggle to navigate contemporary challenges to their Christian faith and values, but will be encouraged to emerge as leaders. In A Student ' s Guide to Culture, Stonestreet and Kunkle write in a highly relational style, sharing insight and experience. Jumping off from the

original version, this guide includes all-new discussion questions and stories that remind young readers that they can live differently and be a light in a culture that sometimes feels overwhelming.

Historically, the church's ministry of grounding new believers in the essentials of the faith has been known as catechesis--systematic instruction in faith foundations, including what we believe, how we pray and worship, and how we conduct our lives. For most evangelicals today, however, this very idea is an alien concept. Packer and Parrett, concerned for the state of the church, seek to inspire a much needed evangelical course correction. This new book makes the case for a recovery of significant catechesis as a nonnegotiable practice of churches, showing the practice to be complementary to, and of no less value than, Bible study, expository preaching, and other formational ministries, and urging evangelical churches to find room for this biblical ministry for the sake of their spiritual health and vitality.

Catechesis is an ancient practice of Christian disciple making that uses a simple question-and-answer format to instruct new believers and church members in the core beliefs of Christianity. *To Be a Christian*, by J. I. Packer and a team of other Anglican leaders, was written to renew this oft-forgotten tradition for today ' s Christians. With over 360 questions and answers, plus Scripture references to support each teaching, this catechism covers the full range of Christian doctrine and life, drawing from the Apostles ' Creed, the Lord ' s Prayer, the Ten Commandments, and other important doctrinal summaries. Clear, concise, and conversational, this resource was written for all believers who seek to be grounded more deeply in the truth of God ' s Word.

God's Truth for Our Hearts and Minds

Every year thousands of God's servants leave the ministry convinced they are failures. Years ago, in the midst of a crisis of faith, Kent Hughes almost became one of them. But instead he and his wife Barbara turned to God's Word, determined to learn what God had to say about success and to evaluate their ministry from a biblical point of view. This book describes their journey and their liberation from the "success syndrome"-the misguided belief that success in ministry means increased numbers. In today's world it is easy to be seduced by the secular thinking that places a number on everything. But the authors teach that true success in ministry lies not in numbers but in several key areas: faithfulness, serving, loving, believing, prayer, holiness, and a Christlike attitude. Their thoughts will encourage readers who grapple with feelings of failure and lead them to a deeper, fuller understanding of success in Christian ministry. This book was originally

published by Tyndale in 1987 and includes a new preface.

The most important disciple a parent will make is within their own home, and yet this is the most difficult disciple to make. **Family Discipleship** by Matt Chandler and Adam Griffin helps readers develop a sustainable rhythm of gospel-centered discipleship through a guided framework focusing on moments of discipleship in 3 key areas: time (intentional time gathering your family around gospel activities or conversations), moments (leveraging opportunities throughout the day), and milestones (celebrating significant life events). Each section provides parents with Scriptures to consider, questions to answer, structures to implement, and ideas to try out as they seek to see Christ formed in their children. Here is a book that begins with the end in mind, offering ideas and examples of what gospel-centered family discipleship looks like, helping parents design their own discipleship plan as they seek to raise children in the love and fear of the Lord. "A Christian without a church is a Christian in trouble." Since a global pandemic abruptly closed places of worship, many Christians have skipped church life, even neglecting virtual services. But this was a trend even before COVID-19. Polarizing issues, including political and racial strife, convinced some people to pull away from the church and one another. Now it's time to recommit to gathering as brothers and sisters in Christ. In **Rediscover Church**, Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission. Through biblical references and personal stories, they show readers God's true intention for corporate gathering: to spiritually strengthen members as individuals and the body of Christ. In an age of church-shopping and livestreamed services, rediscover why the future of the church relies on believers gathering regularly as the family of God. Imagine . . . an interconnected group of people who entrust themselves to each other. You can speak of your pain, and someone responds with compassion and prayer. You can speak of your joys, and someone rejoices with you. You can ask for help with sinful struggles, and someone prays with you. The goal of this book is that these meaningful relationships will become a natural part of daily life in your church. With short chapters and discussion questions meant to be read in a group setting, Ed Welch guides small groups through eight lessons that show what it looks like when ordinary, needy people care for other ordinary, needy people in everyday life.

Renowned pastor and New York Times bestselling author Timothy Keller writes the book his readers have been asking for: A year-long daily devotional, beautifully designed with gilt edges and a gold ribbon marker. The Book of Psalms is known as the Bible's songbook--Jesus knew all 150 psalms intimately, and relied on them to face every situation, including his death. Two decades ago, Tim Keller began reading the entire Book of Psalms every month. The Songs of Jesus is based on his accumulated years of study, insight, and inspiration recorded in his prayer journals. Kathy Keller came to reading the psalms as a support during an extended illness. Together they have distilled the meaning of each verse, inviting readers into the vast wisdom of the psalms. If you have no devotional life yet, this book is a wonderful way to start. If you already spend time in study and prayer, understanding every verse of the psalms will bring you a new level of intimacy with God, unlocking your purpose within God's kingdom.

In centuries past, the church has used catechisms to teach foundational Christian doctrines. Today, this communal practice of learning basic beliefs via questions and answers has largely been lost. Seeking to restore this ancient method of teaching to the regular life of the church, The New City Catechism Devotional is a gospel-centered, modern-day resource that not only summarizes important Christian beliefs through 52 questions and answers but also helps readers meditate on and be transformed by those doctrines. Each question features devotional commentary written by leading contemporary and historical figures such as John Piper, Timothy Keller, Kevin DeYoung, D. A. Carson, Alistair Begg, Mark Dever, Augustine, John Calvin, Jonathan Edwards, John Owen, Martin Luther, and many others. Each question also includes a relevant Scripture reading and short prayer. Designed for use in a variety of contexts, including with families, churches, and small groups, The New City Catechism Devotional stands as a valuable resources for helping adults and children alike learn the key doctrines that stand at the heart of the Christian faith.

the Reformation and epitomizes its essential teaching. Holding forth faith in Jesus Christ as our only comfort in life and in death, it presents, very personally and eloquently, what is necessary to know that we may live and die in that comfort. While many played a role in its composition, it was especially Zacharias Ursinus and Caspar Olevianus who imparted its theological content and practical spirit. Having received hearty approval by the pastors and teachers in Heidelberg, it was published on January 19, 1563. Its influence in Germany, the Netherlands, Hungary, and beyond exceeded all expectations. It was welcomed by Reformed believers everywhere. Today, those who are yearning for a beautiful statement of biblical truth will find this work a treasure. It remains as fresh as when it was first published 450 years ago.
