

The dialogue expands . . . When Neale Donald Walsch was experiencing one of the lowest points of his life, he decided to write a letter to God. What he did not expect was a response, with extraordinary answers covering all aspects of human existence - from happiness to money, to faith. The resulting book, Conversations with God, was an instant bestseller on publication in 1995 and has since sold millions of copies world-wide, changing countless lives everywhere. Conversations with God: Book 3 is the third volume of the original Conversations with God trilogy that takes us even further in our questioning and search for answers, dealing with universal truths of the highest order and the challenges and opportunities of the soul. This incredible series contains answers that will change you, your life and the way you view others. Also by Neale Donald Walsch and available from Hodder & Stoughton: Conversations with God, Books 2 and 3, Communion with God, Friendship with God, Applications for Living and Meditations from Conversations with God, Book 1. A New York Times bestseller. "My life was a complete mess, and God bless all of it. Because it's in the messes where we learn the most—as long as we slow down enough to realize what God is trying to show us." Suddenly in the spotlight, twenty-four-year-old Hannah Brown realized that she wasn't sure what she wanted. After years of competing in beauty pageants, and then starring on The Bachelorette and Dancing with the Stars, she had become incredibly visible. There she was, in her early twenties, with millions around the world examining and weighing in on her every decision. She found herself wondering what it would mean to live on her terms. What it would mean to stop seeking approval from others and decide—for the first time—what it was she wanted from her own life. An honest and earnest examination of her own mid-twenties, God Bless This Mess is a memoir that doesn't claim to have all the answers. Hannah knows she doesn't have all the answers. What she does have is the insight of someone who has spent critical years of her youth under public scrutiny. Thus what emerges is a quarter-life memoir that speaks to the set of difficulties young women face, and how to move through them with grace. By pushing against her engrained need to seek approval, and learning how to think critically about her own goals and desires, Hannah inspires others to do the same—and to embrace the messiness that comes hand-in-hand with self-discovery (even if that sometimes means falling flat on your face). Using her time on The Bachelorette as a launching pad, Hannah doesn't shy away from the most painful experiences of her life: moments when her faith was tested, when she feared it was lost, and the moments when she reclaimed it on national television. "And Jesus still loves me." Fans will be inspired by the never-before-told stories: the ones about facing depression and anxiety during her pageant years, the ways in which therapy and journaling have proven to be a saving grace, and the previously private moments—both at home and on television—that have shaped the star's outlook. Honest and emotionally urgent, God Bless This Mess is a reminder that true growth doesn't come without strife—and it's through those dark, messy moments that self-acceptance and love can bloom.

The Power of Now

"Friendships are built on chatter, on gossip, on revelations--on talk. Over the course of the summer of 1965, Linda Rosenkrantz taped conversations between three friends (two straight, one gay) on the cusp of thirty vacationing at the beach: Emily, an actor; Vince, a painter; and Marsha, a writer. The result was Talk, a novel in dialogue. The friends are ambitious, conflicted, jealous, petty, loving, funny, sex- and shrink-obsessed, and there's nothing they won't discuss. Topics covered include LSD, fathers, exes, lovers, abortions, S&M, sculpture, books, cats, and of course, each other. Talk was ahead of its time in recognizing the fascination and significance of nonfamily ties in contemporary life. It may be almost fifty years since Emily, Vince, and Marsha spent the season in East Hampton, but they wouldn't be out of place on the set of Girls or in the pages of a novel like Sheila Heti's How Should a Person Be?"--
