Properly, while I endeavor to expound the principles of Christian social justice, I shall also endeavor to show you how these principles can be applied. And just as properly, it will be my hope to bestir you to action-Christian action, American action-for faith without good works is dead. Thus, at the outset, while I am deeply grateful to everyone of you for, the heroic sacrifices you have made, and will make, to keep me on the air over this independent chain of radio stations, may I ask you for one more favor today-the favor of a prayer to the Holy Ghost. I beseech all of you to ask the spirit of understanding to fill me with prudence; and the spirit of fortitude to give me strength and courage to carry on

the battle against the hidden powers of darkness- perhaps not quite so hidden today as yesterday. May I also suggest that you will ask your little children who are ignorant of the causes of poverty, wretchedness and exploitation-may I suggest that you ask these innocent children to whisper a prayer for one who fully recognizes how unworthy he is but who fully realizes what a golden opportunity God has given to him to be an instrument for good. You are anxious to know what topics I shall discuss during the insuing year. Roundly speaking, it is my hope that these addresses will be concerned chiefly with Christian social justice. While my ultimate objective is to help more and more men to save their immortal souls, I recognize how difficult it is for man to practice Christian virtue, to live a holy life in peace and contentment, when he and a great group of his fellowmen are denied unjustly an equitable share in the goods and wealth of this world-goods and wealth which our common Father in heaven bestowed upon all men for all men to use and enjoy-goods and wealth, which, alas, have been concentrated in the hands of a few to the detriment of the many because an un-Christian species of social injustice was foisted upon us in the past few centuries and because, as a result of this, an alien philosophy of social injustice, under the name either of Communism or Naziism, is endeavoring to win our allegiance today. Fearlessly, Christian social justice challenges these several systems for the attention and the support, in this instance, of the American public-a public composed of persons who, despite their many faults and shortcomings, will never surrender the

heritage of Bethlehem, of Pilate's hall, of Calvary Hill or of the Easter morning sepulchre from whose empty depths there echo and re-echo the immortal words, "I am the Resurrection and the Life." Fortified with these precious heritages it is our hope to carry on a campaign of instruction and inspiration even though we find ourselves opposed by the rugged individualists on the right and by the unchristly radicals on the left. It is our hope to convert a zealous band of followers into a group of active Christians- Christians who, by the sincerity of their lives and the logic of their doctrines shall win millions of followers who are convinced that there is no way other than Christ's way for saving America and restoring prosperity and peace for all. My friends, at the outset, permit me to clarify the fundamental doctrine of Christian social justice-the doctrine that differentiates it from every other plan of life proposed for man to follow. It is this: Christ came on earth not only to redeem and save individuals but also to establish an absolutely new social order. Recognizing the chaotic condition of society in His own time; aware of the universal slavery practiced virtually by every nation; and conscious of the spiritual darkness which had encompassed every kingdom, empire, republic and tribe, our Saviour well understood that man, left to his natural abilities, was unable to acquire peace and prosperity in this world and save his immortal soul in the hereafter.

In October, 1970, The Blue Flame rocket car screamed across the Bonneville Salt Flats at 622.407 mph setting the absolute world land speed record. The title held fast for 13 years and remains the fastest American-built car in history. Ray Dausman designed the rocket engine for The Blue Flame. Why wasn't he present when The Blue Flame set the world record? Why didn't the car achieve 1,000 mph as he designed it to do? Ray's story unfolds with humorous observations of what it was like to be a fish out of water in the racing world. The reader has a front row seat for this wrestling match between regret and perspective of achievement. Sarah, Ray's daughter, shares his story in this memoir of a man with a passion for rockets and new ideas. The Reluctant Rocketman introduces the reader to a boy with a thirst for new adventures who develops a passion for rockets as he reaches adulthood with an even greater appreciation for new ideas. The Blue Flame project is the common thread throughout these chapters which shed light on the life a self-taught rocket designer who had to decide if the price of invention was worth it after all.

Louis van Gaal is a paradox from top to toe. This is the man who, when unveiled as Bayern Munich manager in 2009, described himself like this: "I am what I am; self-confident, arrogant, dominant, honest, industrious, innovative." Former players have described him as "scary," as a "volcano." The former Barcelona president described him as "the devil himself." At Bayern, they said he "vaangalised" their team. And yet at the same time, he is "warm-blooded." He openly admits: "I cry almost every day. There's always something that touches me."

Barcelona's Xavi says of him: "People see him as arrogant and aloof but he's really not." Dutch Courage is a detailed dissection of the truth behind the myth of Van Gaal, studying his philosophy and his character, as well as some of the excellent football teams he has produced. This Dutch master has been the head of some of the greatest dynasties in European football - Ajax, Barcelona, Bayern Munich, and Manchester United - as well as the boss of the Netherlands national team (twice). Along the way, he has won a combined seven league championships across Europe. He has also been successful in continental competitions, listing the Champions League, the UEFA Cup, and the UEFA Super Cup amongst his honours. As head coach of the Netherlands in the 2014 World Cup, he led them to within a whisker of the final, beating world champions Spain 5-1 along the way, before his young

Dutch charges were finally beaten on penalties by Argentina in the semi-final. But in 2014 he took on arguably his greatest challenge: restoring Manchester United to their perch after a year in the doldrums.

Christian Nerlinger predicts that Van Gaal's United reign will be anything but predictable: "one thing is for sure: it will not be boring." And this book is anything but boring. It is the exciting tale which supporters of Ajax, Barcelona, AZ Alkmaar, Bayern Munich, Manchester United and the Netherlands national team will want to read. Andrew J Kirby is a season-ticket holder at Old Trafford, and writes about United for a number of fanzines and blogs. He is the author of Fergie's Finest: Sir Alex Ferguson's Greatest Manchester United x11, and The Pride of all Europe: Manchester United's Greatest Seasons in the European Cup. PRAISE FOR THE BOOK "From Ajax to Man United, via Bayern Munich, Andrew J Kirby plots the rise of this indomitable, complex figure with verve and great insight. Despite not being a Manchester United fan, Van Gaal's extreme personality has long intrigued me. Kirby captures it on the page with an uncanny accuracy. This book is exhaustively researched, and offers great psychological insights into the man, as well as the world of football. Most books about football are poor- Kirby's is an exception, and is written with a ferocious intellect that matches its subject matter. A must-read for fans of United, and those of us interested in this colossus of football." - Guy Mankowski, author of 'How I Left the National Grid' PRAISE FOR ANDREW J KIRBY'S SPORTSWRITING

Simcha Guterman's, Leaves from Fire, is a firsthand account written with the deep sense of comprehension he was documenting the fate of his people. Knowing full well that his life was in danger, Simcha chronicled the occurrences of the Holocaust on long scraps of paper, as they happened right before his eyes. The events described take place in Poland, during the first years of World War II. The author stuffed long paper scraps, written in Yiddish, into bottles and hid in them in different places. One of these bottles was discovered after the war. Simcha Guterman's work has been published and translated into eight different languages, receiving high praise from critics. The book's evocative illustrations were drawn by Yaakov Guterman, the author's son.

Reading all such Books, just to get a Good Understanding of them. At any rate, this Version of Isaiah is by far the Best in the World, and is Rated as "Extremely Good" by Well-Educated People. Therefore, it is a "must read" Book, if anyone is Interested in Actually Understanding the Bible. Most People are not; but, that is not a Problem: because most People were not Born to be Masters. Indeed, most were Born to be Good Servants of Good Masters, which is Good: because the Masters are like the Head of the Body of Good Government, which Body must have many other Working Parts and Organs, just to Function Correctly as a Body. Therefore, do not let the Hands Despise the Eyes: because, what could the Hands Do without Eyes to Guide them, even if the Eyes belong to some other Person, who can See what is Needed. We suggest that Readers of this Inspired Book take their Sweet Time, and read only a few Chapters each Day, and do not attempt to read the entire Book during one Day even though it will be Tempting to Finish it, quickly, just to Discover those Precious Parts that make it so Famous and Controversial among Religious Scholars, some of whom are very Perplexed by it: because no one can Rightly Deny that God, himself, is Speaking through "Isaiah," who may have been Reincarnated! Indeed, there is the Possibility of it; but do not let that "Buck you Out of the Saddle," as a Cowboy might say. Remember that this is a Companion Book of: "The New MAGNIFIED Version of The Book of MOORMUN!" (The Story of the White and Dark Indians in the Americas!), Book 040, which is perhaps the Best Modern Book in the whole World!
