*Little Tuk had to learn his lesson for the next day but he was far too busy with other things and so he found himself with the sun already setting, while his family did not have enough money to keep the lanterns lit at night. Would he learn his lesson in time? Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. ISSN: 2397-9607 Issue 364 In this 364th issue of the Baba Indaba's Children's Stories series, Baba Indaba narrates the Fairy Tale "THE NIGHTINGALE AND THE ROSE". ONCE upon a time, long, long ago and far, far away, a nightingale sat in her nest watching and listening to the people below... A young man was lamenting "She said that she would dance with me if I brought her red roses," cried the young Student; "but in all my garden there is no red rose." This got the nightingale wondering..... "Here at last is a true lover," said the Nightingale. "Night after night have I sung of him, though I knew him not: night after night have I told his story to the stars, and now I see him. His hair is dark as the hyacinth-blossom, and his lips are red as the rose of his desire; but passion has made his face like pale ivory, and sorrow has set her seal upon his brow." "The Prince gives a ball to-morrow night," murmured the young Student, "and my love will be of the company. If I bring her a red rose she will dance with me till dawn. If I bring her a red rose, I shall hold her in my arms, and she will lean her head upon my shoulder, and her hand will be clasped in mine. But there is no red rose in my garden, so I shall sit lonely, and she will pass me by. She will have no heed of me, and my heart will break." "A true lover indeed," said the Nightingale. "What I sing of, he suffers: what is joy to me, to him is pain. Surely Love is a wonderful thing. It is more precious than emeralds, and dearer than fine opals. Pearls and pomegranates cannot buy it, nor is it set forth in the market-place. It may not be purchased of the merchants, nor can it be weighed out in the balance for gold." What did the nightingale do next you ask...? Well many things happened, some strange, some silly and some serious. To find the answer to what happened to the young man and if he eventually danced with the woman of his dreams. This is an extraordinary autobiography of a young girl growing up in Iran. The daughter of an English Christian mother and an Iranian Zoroastrian father, Nesta Ramazani sketches her personal life story against the backdrop of a society marked by the fusion of Iranian, Islamic, and Western cultures, and by the efforts of an authoritarian state to force modernization on a traditional society. Within this multicultural tapestry of personal, cultural, and national life, the author portrays how she came to love Persian and Western music, poetry, and dance. But translating this love into practice seemed an insurmountable task until an American woman pioneered the establishment of the first indigenous Iranian ballet company. As a member of this troupe, the author violated convention, performing first in her native land and then traveling abroad to exhibit this beautiful synthesis of Persian/Western forms to foreign audiences. The significance of this work transcends an autobiography penned by an Iranian woman—still a taboo in traditional Iranian society—it is a unique microcosm of today's universal quest for a dialogue among civilizations. Ramazani's story will appeal not only to students of Iran, the Middle East, and women's studies, but also to general readers.

Hafiz of Shiraz was one of the very greatest Persian poets. The poetry of Hafiz is erotic yet spiritual, both sensual and symbolic, full of images of wine and the tavern, of the Beloved, of nightingales and roses. Bardic Press is proud to announce a new edition of Richard Le Gallienne's moving and poetic translations of Hafiz.

"What a silly thing Love is. It is not as useful as Logic, for it does not prove anything, and it is always telling one of things that are not going to happen, and making one believe things that are not true." A young man is in love with a girl who promises to dance with him at a ball if he brings her a red rose. The boy is at a loss because he does not know where to find a red rose. A nightingale overhears and decides to help. But is their love even worth the sacrifice of the nightingale? 'The Nightingale and the Rose' is a heart-breaking fable by Oscar Wilde about the nature of love and sacrifice, and is so very captivating and emotional for such a short story. Fans of 'Aesop's Fables' will love discovering the moral of this story. Oscar Wilde (1854-1900) was an Irish playwright, novelist, essayist and poet famous for 'The Picture of Dorian Gray' and 'The Importance of Being Earnest'. He died in Paris at the age of 46. 'The Importance of Being Earnest' is Oscar Wilde's most popular and enduring play. Poking fun at the ridiculousness of human nature, especially that of the Victorian elite, it is both incredibly clever and undeniably silly. It has been performed and made into films and for television many times, most recently in the 2002 film starring Colin Firth, Reese Witherspoon and Judi Dench.

"The Selfish Giant" is a short fantasy story for children by the Irish author Oscar Wilde. The story's plot revolves around a giant who builds a wall to keep children out of his garden, but learns compassion from the innocence of the children. The short story contains significant religious imagery. The Selfish Giant owns a beautiful garden which has 12 peach trees and lovely fragrant flowers, in which children love to play after returning from the school. The Giant put a notice board "TRESPASSERS WILL BE PROSECUTED". The garden falls into perpetual winter. One day, the giant is awakened by a linnet, and discovers that spring has returned to the garden, as the children have found a way in through a gap in the wall... It was first published in 1888 in the anthology *The Happy Prince and Other Tales*, which, in addition to its title story, also includes "The Nightingale and the Rose", "The Happy Prince", "The Devoted Friend" and "The Remarkable Rocket".
