

The Norton Introduction To Literature Eleventh Edition By Mays Kelly J Published By W W Norton Company 11th Eleventh Edition 2013 Hardcover

The fifteen works collected in The Norton Introduction to the Short Novel, Third Edition, represent a wide range of po and international voices. Designed with the undergraduate in mind, the anthology includes a helpful introduction by Professor Beaty that defines the short novel in contrast to the short story and the long novel and explores the formal thematic corollaries of this particular literary form. Additionally, a short biographical headnote precedes each selection to prepare the reader to experience, appreciate, and understand the works as fully as possible during a first reading. A brief critical afterword follows each novel.

New Stories. Balanced attention to text and context. Substantive help with reading and writing.

Leaves rustle underfoot in a dark wood: two little girls, extracted from their homes in wartime London, encounter something terrifying in a forest. Later when they meet as grown women, they realise the experience has coloured their lives. A dark tale about the nature of stories themselves. Part of the Storycuts series, this short story was originally published in the collection Little Black Book of Stories.
