

The Not So Secret Emails Of Coco Pinchard Coco Pinchard Series Book 1

Since Coco Pinchard found first husband Daniel in bed with another woman, she hasn't just picked up the pieces: she's now a best-selling author married to her hunky soul-mate Adam. She feels stronger and wiser and surely the second time round she'll have learnt from her mistakes? But things aren't going quite according to plan... Adam has lost his job, Coco's grown-up son Rosencrantz seems to have derailed his life in spectacular fashion, and ex-mother-in-law Ethel keeps letting herself into the house thanks to an endless supply of spare keys. When literary agent Angie takes on Coco's arch rival, the indomitable Regina Battenberg, it looks as though things can't get any worse. And then Coco discovers she's pregnant; at 44. Can she really go through it all again? Sleepless nights, stretch marks on top of stretch marks, and poo as a normal topic of conversation? The third and final book in Robert Bryndza's bestselling series (which can also be enjoyed as a stand-alone story) is a hilarious diary with Coco's trademark wit and honesty, tracing the raging hormones and extraordinary twists that take her to motherhood for the second time.

Claire Hatwell is a wife, a mother of four and an advocate for sober living, having fought a battle with alcohol addiction and won. Addiction comes in many forms, there isn't a stereotypical addict or a certain way into recovery, and what works for one person won't necessarily work for all. Claire shares her personal experiences to give hope to those in situations similar to the one she was in. Her intention is to show those in need that there is a way out of addiction, a way for families to understand those close to them, and a way to see light at the end of the tunnel. Claire says, if she can get sober, anyone can, "There were so many years when I wondered about my drinking, but people like me don't have problems like that... or do they? Sometimes it's hard to admit something to others, and harder still to admit it to yourself." Having written the popular blog My Not So Secret Diary for the past few years, this is Claire's first book, and the story of her recovery and my journey to a life of sobriety. Claire has been sober since 2016.

Seventeen-year-old Arin Andrews shares all the hilarious, painful, and poignant details of undergoing gender reassignment as a high school student in this winning memoir. We've all felt uncomfortable in our own skin at some point, and we've all been told that "it's just a part of growing up." But for Arin Andrews, it wasn't a phase that would pass. He had been born in the body of a girl and there seemed to be no relief in sight... In this revolutionary memoir, Arin details the journey that led him to make the life-transforming decision to undergo gender reassignment as a high school junior. In his captivatingly witty, honest voice, Arin reveals the challenges he faced as a girl, the humiliation and anger he felt after getting kicked out of his private school, and all the changes—both mental and physical—he experienced once his transition began. Arin also writes about the thrill of meeting and dating a young transgender woman named Katie Hill...and the heartache that followed after they broke up. *Some Assembly Required* is a true coming-of-age story about knocking down obstacles and embracing family, friendship, and first love. But more than that, it is a reminder that self-acceptance does not come ready-made with a manual and spare parts. Rather, some assembly is always required.

The Not-So-Secret Diary of a City Girl

Her Not-So-Secret Diary

Where Bridget Jones left off... Coco Pinchard picks up. Coco was never a single thirty-something. She married young, had a son, and put her dream to be a writer on hold. Now her first novel is published. Husband Daniel has greyed nicely into a silver fox, and son Rosencrantz is grown up. It should be time to enjoy life. That is until the annual family Christmas with her hideous mother-in-law Ethel, and Coco opens her gift from Daniel. It's not the jewellery she chose, but an iPhone. This marks the start of Daniel's mid-life crisis and she catches him in bed with a younger woman. The iPhone becomes a confessional of sorts, through emails to her friends Chris, an ageing trustafarian and Marika a slightly alcoholic schoolteacher. Then she meets the hunky Adam and she's back in the world of dating as a single forty something... Read the emails which tell the hilarious tale of Coco picking up the pieces, in this fun, feel good Romantic Comedy.

A Very Coco Christmas is a delicious, stand-alone prequel short story to Robert Bryndza's smash-hit Coco Pinchard series, with a glorious cast of characters including Daniel's mother Ethel, sister Meryl - and a turkey called Jean Paul Belmondo...

As Nikki plans how she's going to spend her summer, things get more complicated after she starts hanging out with a visiting student.

Can Laura prevent the bank (and her love life) from crashing and burning? Banking analyst Laura McGregor's electronic diary is full of things which definitely shouldn't be made public: musings on her lacklustre relationship with trader boyfriend Tom, disturbing irregularities in new boss Will's trading accounts, and the small matter of her attraction to gorgeous journalist Alex. So when the diary is accidentally uploaded on to the internet in blog form by clueless younger sister Mel, suddenly not only Laura, but her bank too, is facing meltdown and, even worse, Laura suspects Alex of using it as a scoop. Fighting to convince the world's media to believe her over Alex is one thing, but can Laura win the battle with her heart?

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

When handsome twenty-five year old Filip leaves London for a life in Los Angeles, he dreams of being a celebrity stylist. But as the saying goes... be careful what you wish for. Filip has barely settled into his apartment in the Hollywood Hills when he meets Derek and Hillary - a bizarre middle-aged gay couple in matching jumpers. They introduce him to their neighbour Veronica Madison - a movie star on the verge of a nervous breakdown. She hires him to style her for a celebrity charity gala and soon Filip is pulled into the dark and hilarious world she inhabits, surrounded by the famous (and infamous) residents of the Hollywood Hills. Within a few months, Veronica invites him to be her guest at the Oscars and events take on a much darker tone. Filip faces a choice; should he dive into the murky waters of life in the Hollywood fast lane? Or should he choose happiness and return to the love of his life he left back home in London?

From: Sophie Buchanan Sophie's fantasy man is supposed to stay in her dreams... To: Jared Sanderson ...until her diary detailing her saucy dream gets accidentally emailed to her sexy new boss! Subject: Red-Hot Dream! Suddenly Sophie has Jared's attention! He's not looking for commitment, and luckily that's also the last thing on Sophie's mind, so the stage is set for a sizzling no-strings affair. But as work, steamy nights and painful secrets all begin to build up, Sophie soon knows she's in a whole heap of trouble...

Talk Triggers is the definitive, practical guide on how to use bold operational differentiators to create customer conversations, written by best-

selling authors and marketing experts Jay Baer and Daniel Lemin. Word of mouth is directly responsible for 19% of all purchases, and influences as much as 90%. Every human on earth relies on word of mouth to make buying decisions. Yet even today, fewer than 1% of companies have an actual strategy for generating these crucial customer conversations. Talk Triggers provides that strategy in a compelling, relevant, timely book that can be put into practice immediately, by any business. The key to activating customer chatter is the realization that same is lame. Nobody says "let me tell you about this perfectly adequate experience I had last night." The strategic, operational differentiator is what gives customers something to tell a story about. Companies (including the 30+ profiled in Talk Triggers) must dare to be different and exceed expectations in one or more palpable ways. That's when word of mouth becomes involuntary: the customers of these businesses simply MUST tell someone else. Talk Triggers contains: • Proprietary research into why and how customers talk • More than 30 detailed case studies of extraordinary results from Doubletree Hotels by Hilton and their warm cookie upon arrival, The Cheesecake Factory and their giant menu, Five Guys Burgers and their extra fries in the bag, Penn & Teller and their nightly meet and greet sessions, and a host of delightful small businesses • The 4-5-6 learning system (the 4 requirements for a differentiator to be a talk trigger; the 5 types of talk triggers; and the 6-step process for creating talk triggers) • Surprises in the text that are (of course) word of mouth propellants Consumers are wired to discuss what is different, and ignore what is average. Talk Triggers not only dares the reader to differentiate, it includes the precise formula for doing it. Combining compelling stories, inspirational examples, and practical how-to, Talk Triggers is the first indispensable book about word of mouth. It's a book that will create conversation about the power of conversation.

I'm Nimh, a little Dumbo Rat who is being trained as a program rat at a wildlife state park. My trainer, Barbara, is advocating fancy rats as pets and hoping to alleviate the fears many people have about rats. You will see that I'm cuddly and cute. But I'm also an intelligent, clean and curious little creature. This book shows me from ages 4 weeks to 4 months. I'm hoping you'll be able to see me as I grow bigger in another book someday. But in the meantime, enjoy learning some important "rat facts" that may surprise you.

While there haven't been many Secret Service related books about U.S. presidents, the ones still in print (and even those long out of print) are often sanitized memoirs of a politically correct nature or "tell-all" tabloid historical junk meant merely for entertainment purposes. The Not-So-Secret Service provides the facts with the bark off, so to speak, and reveals politically incorrect information of a decidedly unsafe nature. It may be controversial and against the grain, but this book is heavily documented and timely, as the Secret Service guards our political candidates, foreign dignitaries, and, of course, the President, the first family and the ex-presidents and their families.

The Millennium Trilogy

The Not-So Secret Society

A brand new novel from the Number 1 best-selling author, Robert Bryndza Natalie Love has worked hard to have it all: she runs a successful theatre in Soho that's about to host one of Hollywood's leading stars. Her biggest supporter is her eccentric Hungarian Gran, and she even has the 'perfect' yoga teacher boyfriend - Namaste! Life in the bright lights of London has always been Natalie's escape from her chaotic country family in rural Devon and Jamie, the childhood sweetheart she left at the altar 15 years ago. And then he turns up at her theatre door... With rivalry clouding old feelings, events in Soho bring Jamie and Natalie together in hilarious ways. Gran is loose in the city once more, it seems to be raining sandwiches and records are broken for Burlesque flash mobs. If she can keep her world together, will Natalie discover who is really Mr Right, and that perhaps she isn't Miss Wrong? A delightful new romantic comedy, from the author of the best-selling Coco Pinchard series.

The hilarious, feel-good, romantic comedy debut novel from No. 1 bestselling author Robert Bryndza. 'Crime thrillers and romantic comedy, both-who knew?! Had me belly laughing just as hard as I bite my nails when I read his suspense novels. Bryndza is a multi-talented writer!' Goodreads reviewer, 5 stars. Coco Pinchard has just turned forty, and is feeling fabulous. Her long-held dream to be a writer has been realised, with the publication of her debut novel, her son, Rosencrantz, is attending a prestigious London drama school, and her musician husband, Daniel, seems more in love with her than ever. Coco feels poised to enter an exciting new chapter in life. When the New Year dawns after a hideous Christmas spent with her awful in-laws, Coco catches Daniel in bed with a younger woman, her novel flops, and Rosencrantz goes spectacularly off the rails. As her once-happy life unravels, and any chance of an exciting new chapter recedes into the distance, Coco's new iPhone becomes her confessional. Through emails to loyal friends Christopher, a neurotic middle-aged socialite, and Marika, a slightly alcoholic schoolteacher, Coco begins to document her seemingly endless (and often hilarious) run of bad luck. When Coco reaches the top of the local allotment list (after putting her name down nineteen years previously) she meets the drop-dead gorgeous Adam, and she's back in the world of dating as a single forty-something. Read the emails that tell the hilarious, feel-good tale of Coco picking up the pieces! Fans of rom coms by Sophie Kinsella will be glued to the pages of this totally addictive page-turner!

Building an Opt-In list is probably the most important aspect of building your Author Platform. While this book is aimed at Authors, there are many aspects of this book that will assist anyone trying to build their list. We have all heard the saying 'the money is in the list', but building an opt-in list is not as simple as it might initially seem. There are many factors involved, such as what tools to use that will ensure you not only manage your list automatically, but also ensure that you do not have to build your opt-in list again because you did it incorrectly the first time!

What if you had just learned that your days are about to come to an end? Would you quietly accept your destiny, or would you fight this one final battle? And what if the demons of your past disturb the delicate reconciliation you thought you had found? These are the questions facing John Kadel in "If only I could...", a simple story about love. This is not a romance. It is a tale of the true and lasting love each of us dreams about, the undeniable love only some of us find in a lifetime of searching. John Kadel is a stubborn, single old man with a colorful past and questions for which he has no answers. Not long after his doctor hands him a death sentence, John runs into someone from his past.

Discover the books that changed the way the world reads crime - Stieg Larsson's phenomenal global blockbuster, the Millennium Trilogy The Girl with the Dragon Tattoo: Forty years ago, Harriet Vanger disappeared from a family gathering on the island owned by the powerful Vanger clan. Her uncle employs disgraced journalist Mikael Blomkvist and tattooed hacker Lisbeth Salander to investigate. When the pair link Harriet's disappearance to a number of grotesque murders, they begin to unravel a dark family history... The Girl Who Played With Fire: Lisbeth Salander is now a wanted woman, on the run from the police. Mikael Blomkvist, editor-in-chief of Millennium magazine, is trying to prove her innocence. Yet Salander is more avenging angel than helpless victim. She may be an expert at staying out of sight - but she has ways of tracking down her most elusive enemies. The Girl Who Kicked the Hornets' Nest: Salander is plotting her final revenge - against the man who tried to kill her, and against the government institutions that very nearly destroyed her life. With the help of journalist Mikael Blomkvist and his researchers at Millennium magazine, Salander is ready to fight to the end. Stieg Larsson's phenomenal trilogy is continued in The Girl in the Spider's Web and The Girl Who Takes an Eye for an Eye by David Lagercrantz.

Emails are replacing regular mails from the post office. Not only because it is cheaper, since you do not need to buy a stamp, it's also definitely faster. Emails can be sent in as fast as five seconds, depending on the server, anywhere in the world. No doubt emails are being used to distribute newsletters, promotional mails, and other stuff. How then would you be able to round up email addresses to send those marketing mails you have? Here is where an opt-in list comes in. An opt-in list is a directory of email addresses you can send those mails to. Though it seems to be easy to find email addresses, if you are talking thousands in numbers, it is going to be hard. Besides, you have to determine the recipient of the email. You wouldn't want your readers mostly male if you are selling lipsticks, right? A good opt-in list should include the profile of the email address owner. If Only I Could...

Anya's Secret Society

The Nurse's Not-so-secret Scandal

The Not So Secret Emails of Coco Pinchard

Talk Triggers

Between family nightmares and a series of lousy men, nurse Roxie Morano's life is a disaster zone. But enigmatic (and gorgeous!) new colleague Ryan "Fig" Figelstein is ignoring her hazard warnings--instead, he's signaling his attraction! Now Roxie's bulletproof heart is at risk...but dare she dream Fig will stick around when he discovers all her secrets?

In the third volume of the Millennium series, Lisbeth Salander lies in critical condition in a Swedish hospital, a bullet in her head. But she's fighting for her life in more ways than one: if and when she recovers, she'll stand trial for three murders. With the help of Mikael Blomkvist, she'll need to identify those in authority who have allowed the vulnerable, like herself, to suffer abuse and violence. And, on her own, she'll seek revenge--against the man who tried to kill her and against the corrupt government institutions that nearly destroyed her life.

Left-handed Anya draws with great passion . . . but only when she's alone. In Russia, right-handedness is demanded--it is the right way. This cultural expectation stifles young Anya's creativity and artistic spirit as she draws the world around her in secret. Hiding away from family, teachers, and neighbors, Anya imagines a secret society of famous left-handed artists drawing alongside her. But once her family emigrates from Russia to America, her life becomes less clandestine, and she no longer feels she needs to conceal a piece of her identity.

Writing team Matthew Daley (Lantern City) and Arlene Daley call on their combined 25 years of education experience to create this thrilling coming-of-age adventure. Co-created by Trevor Crafts (Lantern City) and Ellen Crafts, and illustrated by Wook Jin Clark (Adventure Time: The Flipside), The Not-So Secret Society is an all-ages adventure that celebrates the value of teamwork and lifelong friendships. Madison, Dylan, Emma, Aidan, and Ava have pretty normal lives for a group of 12-year-olds: They go to school, participate in extracurricular activities, and oh yeah, they also have AWESOME ADVENTURES. Together they form The Not-So Secret Society. But when they invent a candy-making machine for their school's annual science fair, things don't go according to plan . . . and their candy creation comes to life and escapes, threatening to destroy the entire city!

An uncanny and eye-opening journey into a mysterious building, adapted from a short story by Jeff VanderMeer To the west: trees. To the east: a mall. North: fast food. South: darkness. And at the centre is The Building, an office building wherein several factions vie for dominance. Inside, the walls are infiltrated with vines, a mischief of mice learn to speak English, and something eerie happens once a month on the fifth floor. In Secret Life, Theo Ellsworth uses a deep-layered style to interpret Nebula award-winning author Jeff VanderMeer's short story. What emerges is a mind-bending narrative that defamiliarizes the mundanity of office work and makes the arcane rituals of The Building home. When his manager borrows his pen for a presentation, a man is driven to unspeakable acts as he questions the role the pen has played in his workplace success. The despised denizens of the second floor develop their own tongue, incomprehensible to everyone else in The Building. A woman plants a seed of insurgency that quickly permeates every corner of the building with its sweet, nostalgic perfume. With deft insight, Secret Life observes the sinister individualism of bureaucratic settings in contrast with an unconcerned natural world. As the narrative progresses you may begin to suspect that the world Ellsworth has brought to life with hypnotic visuals is not so secret after all; in fact, it's uncannily similar to our own.

Vivia is a hag, one of the last of her race, and can die, visit the underworld and return at will. She has a job she loves--helping London's most vulnerable supernaturals, even if her colleague Malcolm drives her round the bend on a daily basis. Then Malcolm is outed as a zombie and, along with his teenage son Ben, flees the police. When Malcolm is captured, he is only able to pass on one message before his dead brain degrades completely: 'He killed me.' As Ben remains missing, the police find decades-old corpses hidden near Malcolm's house, and Vivia begins to realise there's a lot more at stake than just a possible zompocalypse...

Spammers, scammers, and hackers are destroying electronic mail. The email inbox that once excited you with messages from friends, family, and business prospects now causes outright dread and rage. With unsolicited and unwelcome email accounting for as much as 80% of the world's email traffic, it's time for all email users to act to turn the tide in this epic battle for their privacy and sanity. Spam Wars veteran and award-winning technology interpreter Danny Goodman exposes the often criminal tricks that spammers, scammers, and hackers play on the email

system, even with the wariest of users. He also explains why the latest anti-spam technologies and laws can't do the whole job. Spam Wars provides the readers with the additional insight, not only to protect themselves from attack, but more importantly to help choke off the economies that power today's time-wasting email floods. Spam Wars puts to rest many popular misconceptions and myths about email, while giving readers the knowledge that email attackers don't want you to have. Danny Goodman's crystal-clear writing can turn any email user into a well-armed spam warrior.

Tales from a Not-So-Secret Crush Catastrophe

Jem Calder's Reward System is a set of ultra-contemporary and electrifyingly fresh fictions about a generation on the cusp, enmeshed in Zooms and lockdowns, loneliness and love.

Audacious fictions for a generation wondering: What now? Julia has landed a fresh start at an up-and-coming city restaurant. "Imagine that," says her mother. "I'm imagining." Her ex-boyfriend Nick is flirting with sobriety and nobody else. Did you know that adults his age are more likely to live with their parents than with a romantic partner? Life should have started to take shape by now—but instead we're trying on new versions of ourselves, swiping left and right, searching for a good answer to the question "What do you do?"

It's 1985, and eighteen-year-old Coco is home in London for Christmas after her first term at Aberystwyth University. She has started to write, and fallen hopelessly in love with Daniel Pinchard, a devilishly handsome musician from the wrong side of the river. But Coco's overbearing mother has other plans and resumes her campaign for Coco to meet and marry the 'right sort of man', preferably Kenneth, son of her best friends Adrian and Yvonne Rosebury, who will be joining them for Christmas. As snow falls softly over the city, and Coco tries to juggle a series of hilarious events, the stage is set for a Christmas lunch like no other. A Very Coco Christmas is a delicious, stand-alone 'prequella' to the smash-hit Coco Pinchard series, with a glorious cast of characters including Daniel's mother Ethel, sister Meryl - and a turkey called Jean Paul Belmondo...
