Expanded and completely rewritten with information on grow rooms, greenhouses and outdoor growing, medicinal cannabis, security, lighting, fertilisers, hydroponics, Sea of Green, seeds, seedlings, vegetative growth, mother plants, cloning, flowering, harvesting and curing, diseases, pests and hash making. More than 1100 full colour photos and drawings illustrate every detail and numerous simple cultivation solutions make for easy appeal to novice growers. Readers will learn how to achieve the highest, most potent yields, even with limited space and budget.

""If anyone can prevent even a single child or teenager from

## Acces PDF The Official High Times Field Guide To Marijuana Strains

repeating the mistakes described in this book and avoid unnecessary suffering, then my struggles will not have been in vain." "Imagine being arrested, handcuffed and locked behind the bars of a dark, cold, jail cell. The next day you are thrust into a 4' x 8' steel-walled cage. Claustrophobia causes you to panic and scream. The prison guard says, "They are going to lock you up and throw away the key " " A psychiatrist prescribes mandatory shock treatments. The first electric voltages pass through your brain, and your heart stops. You are revived, then given a series of nine more ECT treatments without anesthesia. Each one feels like a sledge hammer to your head. Your memories fade into a fog. You remain confined indoors and drugged for months... all due to being misdiagnosed as schizophrenic, but you are bi-polar. Substance abuse soon triggers an obsession with suicide, and you are compelled to act on it.

Traces the life of a "High Times" reporter and life in the "dope underground" of pot plantations, biker rallies, and escaping customs agents

This ebook collects the nearly 300 stories that first appeared in The Magazine, an independent biweekly periodical for narrative non-fiction. It covers researchers "crying wolf," learning to emulate animal sounds; DIY medical gear, making prosthetics and other tools available more cheaply and to the developing world; a fever in Japan that leads to a new friendship; saving seeds to save the past; the plan to build a giant Lava Lamp in eastern Oregon; Portland's unicycle-riding, Darth Vader mask-wearing, flaming bagpipe player; a hidden library at MIT that contains one of the most extensive troves of science fiction and fantasy novels and magazines in the world; and far, far more.

From author Mark Russell Viliborghi's exceptionally vivid dream comes this

fascinating work of fiction that takes you into the interesting place called High

Times. As you delve deep into High Times,

An Alien Paradise, you'll find

## Acces PDF The Official High Times Field Guide To Marijuana Strains

satisfaction, intrigue, romance, revelation, humor, mystery, good times, and insight into the future of humankind. Meet an ensemble of charming characters who will show you the beauty and delight of living and working in High Times. Follow Horn, who narrates this story, as he tells you of how he enjoys waking up everyday to work as a saxophone player in a band at High Times. So what makes High Times that interesting? It is an unusual restaurant-nightclub-bar-dance hall. High Times or HT, as fondly called by its

## Acces PDF The Official High Times Field Guide To Marijuana Strains

employees, is not the typical place for entertainment and eating. It even has a romantic heated indoor-basement heart-shaped swimming pool. The founders of High Times has built HT mostly to get friends together, especially those who have common interests, in an environment of intimacy where the best of conversation, dance, music, and most of all, good warm feelings can be cultivated and expressed. But is this all there is to it – or is there some mystery and intrigue behind the façade of High Times? Find out in author Mark

## Acces PDF The Official High Times Field Guide To Marijuana Strains

Russell Viliborghy's *High Times, An Alien Paradise* Book Reviews A topsy-turvy psychedelic science-fiction tale—starring an eclectic array of beings, human and otherwise—based on an “exceptionally lucid dream” experienced by author Viliborghy. Viliborghy's hero is Horn, a musician at a small nightclub called High Times. For Horn, “life is so exciting that [he] can't wait to see what comes next.” He lives to play music, loves his band mates, is well paid and maintains a nice flat in a nearby post-war apartment building. “Actually,”

## Acces PDF The Official High Times Field Guide To Marijuana Strains

he explains, "I have accidentally found myself in a million-dollar lifestyle without the responsibilities or stresses. We who work at [High Times] are all riding a train through Shangri-La. I hope it never ends, and I just knew life could be this good." But not all is how it appears. As Horn soon discovers, there is a mysterious presence in the basement of the apartment complex. "The place gives me that funny feeling," he says, "the one where you walk backwards out so that you don't turn your back on whatever is

## Acces PDF The Official High Times Field Guide To Marijuana Strains

there." High Times is comprised of two narratives, each carefully intertwined by Viliborghi. The first is the more straightforward—Horn recruits a new female lead singer for his band, and promptly falls in love. The band plays gigs, and earns the respect of the community. Meanwhile, the author delves into the stories of the other denizens of the apartment complex, including a young couple named Jack and Jill. But the book is also a sci-fi adventure, and much of the book is concerned with Horn's search

## Acces PDF The Official High Times Field Guide To Marijuana Strains

for life in the basement. High Times appears to be a kind of portal, which connects the nightclub and the apartment complex to a powerful alien being.

Viliborghy's writing often falls flat, but his plotting is solid and the book moves from the early scenes to the surprising, exciting ending with a good deal of ballast. Extraterrestrial happenings make this an intriguing ride. -Kirkus

storytelling . . . [Pollan] masterfully elevates a series of big questions about drugs, plants and humans that are likely to leave readers thinking in new ways." –New York Times Book Review From #1 New York Times bestselling author Michael Pollan, a radical challenge to how we think about drugs, and an exploration into the powerful human attraction to psychoactive plants—and the equally powerful taboos. Of all the things humans rely on plants

## Acces PDF The Official High Times Field Guide To Marijuana Strains

for—sustenance, beauty, medicine, fragrance, flavor, fiber—surely the most curious is our use of them to change consciousness: to stimulate or calm, fiddle with or completely alter, the qualities of our mental experience. Take coffee and tea: People around the world rely on caffeine to sharpen their minds. But we do not usually think of caffeine as a drug, or our daily use as an addiction, because it is legal and socially acceptable. So, then, what is

## Acces PDF The Official High Times Field Guide To Marijuana Strains

a "drug"? And why, for example, is making tea from the leaves of a tea plant acceptable, but making tea from a seed head of an opium poppy a federal crime? In *This Is Your Mind on Plants*, Michael Pollan dives deep into three plant drugs—opium, caffeine, and mescaline—and throws the fundamental strangeness, and arbitrariness, of our thinking about them into sharp relief. Exploring and participating in the cultures that have grown up around

## Acces PDF The Official High Times Field Guide To Marijuana Strains

these drugs while consuming (or, in the case of caffeine, trying not to consume) them, Pollan reckons with the powerful human attraction to psychoactive plants. Why do we go to such great lengths to seek these shifts in consciousness, and then why do we fence that universal desire with laws and customs and fraught feelings? In this unique blend of history, science, and memoir, as well as participatory journalism, Pollan examines and

## Acces PDF The Official High Times Field Guide To Marijuana Strains

experiences these plants from several very different angles and contexts, and shines a fresh light on a subject that is all too often treated reductively—as a drug, whether licit or illicit. But that is one of the least interesting things you can say about these plants, Pollan shows, for when we take them into our bodies and let them change our minds, we are engaging with nature in one of the most profound ways we can. Based in part on an essay published

## Acces PDF The Official High Times Field Guide To Marijuana Strains

almost twenty-five years ago, this groundbreaking and singular consideration of psychoactive plants, and our attraction to them through time, holds up a mirror to our fundamental human needs and aspirations, the operations of our minds, and our entanglement with the natural world.

In the United States, cannabis is currently illegal, but this book investigates how big pharmaceutical

## Acces PDF The Official High Times Field Guide To Marijuana Strains

companies are looking at an end-game of legality—controlled by them. It examines how the Amsterdam scene has been transformed; how home growers have been manipulated into using inferior techniques; and how companies, with help from the Drug Enforcement Agency (DEA) and “big pharma,” are patenting cannabis strains for control and profit. The leadership of the cannabis industry want to legalize marijuana with taxation and regulation, but the

## Acces PDF The Official High Times Field Guide To Marijuana Strains

pharmaceutical industry cannot take over medical cannabis without first shutting down the scene today. The book predicts that legalized production will be tightly controlled by major players, using the IRS and DEA as a means of removing other growers. Regulation will also control the amount of tetrahydrocannabinol (THC) in each marijuana cigarette, forcing stronger cannabis to be available to medical patients by prescription only. A black

## Acces PDF The Official High Times Field Guide To Marijuana Strains

market will still exist, so people will still go to jail, and the drug war will go on. With history and explosive, behind-the-scenes looks at big pharma collusion, this book is both an exposé and an in-depth look at the arc of freedom and probable control through use of pharmaceutical patents for marijuana.

"This is a brilliant and hardheaded book. It will frighten those who prefer not to dwell on the unthinkable and

The Official High Times Cannabis Cookbook

More Than 50 Irresistible Recipes That Will Get You High

## Acces PDF The Official High Times Field Guide To Marijuana Strains

***Based on the popular Munchies and Viceland television series Bong Appétit, this cannabis cookbook features 65 "high"-end recipes for sweet and savory dishes as well as cocktails. Inspired by the popular MUNCHIES and Viceland television series, Bong Appétit is the Joy of Cooking for a new generation interested in making serious, sophisticated food--with weed. Bong Appétit breaks down the science of infusing (oils, butters, milks, alcohol, and more) with cannabis, and offers recipes ranging from weed butter-basted chicken to weed chimichurri to weed brownie sundaes. Along the way, the book***

***Celebrating the One Hundredth Anniversary of Anita O'Day's Birth. Jazz legend Anita O'Day was one of the most remarkable and unforgettable talents of the jazz world. A swinging, good-humored stylist, O'Day rose to fame as a vocalist with the Gene Krupa Big Band ("Let Me Off Uptown") and the Stan Kenton Band ("And Her Tears Flowed Like Wine") in the 1940s before she***

***became a successful solo act in the 1950s—punctuated by her energetic performance at the 1958 Newport Jazz Festival, as captured in the concert film Jazz on a Summer's Day.***

***Unfortunately, O'Day was as well known for her drug problems as her jazz singing, and in High Times Hard Times, O'Day offers an unvarnished personal account of her life, as well as a behind-the-scenes look at the golden age of jazz. Starting out with her grisly 1966 overdose, then flashing back to tell all from the beginning, High Times Hard Times presents an intimate portrait of a larger-than-life jazz and big-band singer—the***

***medicinal treatment -- all culminating in the annual event for marijuana aficionados everywhere: the Cannabis Cup. After spending three years researching his novel Baked, Mark Haskell Smith turns his focus on the one event that intrigued him in the fascinating world of the cannabis culture: the Cannabis Cup competition. What makes a strain of marijuana award-winning? he wonders. Who would risk everything to grow the good stuff? Is this really a nearly \$100 billion a year industry? Alternating between California, the hub of the legalization and decriminalization debate, and Amsterdam, where***

***Church. Now, with a dynamic new leader in Pope Francis, all eyes are upon the church, as this immensely popular Pope seeks to bring the church back from the right to center, in what can almost be described as a populist stance, blurring the lines between politics, religion and culture. With topics including women, finance, scandal, and reform at the fore, never before have so many eyes been upon the church in what could be its defining moment for modern times. Now the most respected journalist covering the Vatican and the Catholic Church today, John L. Allen, reveals the inner workings of the Vatican to***

Michael Pollan's *How to Change Your Mind* meets Christopher McDougall's *Born to Run* in this immersive, investigative look at the hidden culture of cannabis use among elite athletes (as well as weekend warriors)--and the surprising emerging science behind the elusive, exhilarating "runner's high" they all seek. Pot makes exercise fun. The link between performance enhancement and cannabis has been an open secret for many years, so much so that with the wide-sweeping national legalization of cannabis, combining weed and working out has become the hottest new wellness trend.

Why, then, is there still a skewed perception around this leafy substance that it only produces the lazy, red-eyed stoner laid out on a couch somewhere, munching on junk food? In fact, scientists have conducted extensive research that uncovers the power of the "runner's high"--the true holy grail of aerobic activity that was long believed to be caused by endorphins. In an extraordinary reversal, scientists believe marijuana may actually be the key to getting more Americans off their phones and on to their feet. In *Runner's High*, seasoned investigative journalist Josiah Hesse takes readers on a journey through the secret world of stoned athletes, describing astounding, cannabis-inspired physical and mental transformations, just like he experienced. From the economics of the \$20 billion CBD market to the inherent

Dreesen, and several hundred other shameless showoffs and incorrigible cutups from all across the country migrated en masse to Los Angeles, the new home of Johnny Carson's Tonight Show. There, in a late-night world of sex, drugs, dreams and laughter, they created an artistic community unlike any before or since. It was Comedy Camelot—but it couldn't last. William Knoedelseder, then a cub reporter covering the scene for the Los Angeles Times, was there when the comedians—who were not paid for performing—tried to change the system and incidentally tore apart their own close-knit community. In *I'm Dying Up Here* he tells the whole story of that golden age, of the strike that ended it, and of how those days still resonate in the lives of those who were there.
