

## The One A Realistic Guide To Choosing Your Soul Mate

***This book is ideal for laundromat owners and anyone considering buying a laundromat. Its purpose is to explain day-to-day laundromat operations, as well as, how to evaluate, buy and grow laundromat businesses. It is written in a clear and concise manner that includes easy-to-understand examples of how to increase revenue. Both passive income and hands-on management models are explained, with emphases on increasing the business' profit and value. It summarizes the process of buying a laundromat and it lists the operating expenses that the seller is not telling you about. This book is a valuable guide that explains how to operate and grow your laundromat successfully.***

***The student affairs market has experienced a great boom in the last decade. Based on the fourth edition of the indispensable guide to the laws that bear on the conduct of higher education, this updated student affairs edition provides a reference and guide for student affairs practitioners and graduate students in student affairs administration courses. This volume combines sections that are pertinent to student affairs practitioners, as well as the government regulatory and administrative issues found in the full Fourth Edition. It is thus the most comprehensive and easy-to-use volume for student affairs officers and students.***

***If You Knew Better, You Would Do Better, is a comical, witty and down-to-earth read that puts a refreshing new twist on self-help and motivation. In If You Knew Better, You Would Do Better, Teratineka gives hilarious scenarios that hit close to home and gives MEN and WOMEN a simplified guide to understanding relationships (both friendly & intimate), sex, finances, self-improvement, coping with stress and other issues that most people deal with on a daily basis. She gives guides to maintaining composure under adverse conditions, making better decisions and being accountable for one's own self. Her motivational sarcasm is ingenious! This book is so real that it will have you laughing at your own mistakes, but making you more motivated than ever. Teratineka's inspiration was derived from personal goals and life lessons, as well as those of her peers. This book provides you with the tools you'll need in helping to get through life's common problems. Whether you're dealing with a fake friend or needing to follow your first mind, If You KNEW Better, You Would DO Better, will teach you how to overcome obstacles and recognize life's warning signs, while instilling the importance of self-confidence. You will learn to DO YOU by learning to put yourself first and by making better yet more rewarding decisions. With a new spin based on true-life experiences, Teratineka has conquered the power to help people overcome unhappiness in a society filled with stress. She hopes that her book will help readers navigate the 21st century***

***with self-actualizations. If You KNEW Better, You WOULD Do Better, is the perfect reference tool to avoiding life's pitfalls. A Special Thanks to Karla Pope of Parade.com & Victor Partee Photography Provides advice to single Christian men and women on how to date with a purpose, discussing how to find a mate, how to know if he or she is a good match, and how to keep the relationship progressing.***

*Increase your employees'—and your own—productivity at work If you look out over today's workforce, you'll find millions of hard-working people who are overly tired, overly stressed, and less than enchanted with work. For organizations around the globe, this represents an incredible opportunity to improve productivity, talent retention, innovation, and overall profitability. The great paradox here is that when you take hard-working, responsible adults with a desire to succeed and a sense of responsibility and drop them into our demanding work culture, they tend to default to a way of life that sabotages their ability and best efforts to reach their goals. That's where author Andy Core comes in. Change Your Day, Not Your Life offers a proven strategy to help you become energized at work. This book is designed as a resource for work-life balance, a tool to help you increase productivity during the final two hours of work by up to 47 percent, content to fuel employee communication, and a curriculum that departments can use in weekly or monthly meetings to keep everyone working at their best. Author Andy Core is a credentialed, award-winning thought leader on increasing employee engagement, productivity, and wellness motivation; his talent lies in helping hard-working, conscientious adults thrive at work and in their personal lives Turn wasted hours into tasks accomplished by following the methods found in Change Your Day, Not Your Life.*

*Ashleigh's boyfriend, Kaleb, is about to leave for college, and Ashleigh is worried that he'll forget about her while he's away. So at a legendary end-of-summer pool party, Ashleigh's friends suggest she text him a picture of herself -- sans swimsuit -- to take with him. Before she can talk herself out of it, Ashleigh strides off to the bathroom, snaps a photo in the full-length mirror, and hits "send." But when Kaleb and Ashleigh go through a bad breakup, Kaleb takes revenge by forwarding the text to his baseball team. Soon the photo has gone viral, attracting the attention of the school board, the local police, and the media. As her friends and family try to distance themselves from the scandal, Ashleigh feels completely alone -- until she meets Mack while serving her court-ordered community service. Not only does Mack offer a fresh chance at friendship, but he's the one person in*

*town who received the text of Ashleigh's photo -- and didn't look. Acclaimed author Jennifer Brown brings readers a gripping novel about honesty and betrayal, redemption and friendship, attraction and integrity, as Ashleigh finds that while a picture may be worth a thousand words . . . it doesn't always tell the whole story.*

*To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, The Power of Now is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.*

*There's no shortage of "expert" advice for the new mother: books, doctors, and well-meaning grandmothers liberally give opinions on what you should be doing and how you should be feeling. But I Wish Someone Had Told Me is not a book of shoulds: it is a book about how women really handle the joys, the challenges, and the problems of being a mother. During the course of her interviews with more than sixty new moms, Nina Barrett made an important discovery. No one knows the secret: we are all putting our motherhood together from scratch. This collection of tales from the front addresses universal topics from labor (yes, it hurts), to marriage (babies may create a strain rather than a bond), to daycare (there is no Mary Poppins), to everyday life with a baby (what exactly does a newborn do all day?). This book by mothers for mothers will instill confidence in all new mothers who fear that every other mother knows something that they do not.*

*Playing the Hand Life Deals You A Realistic Guide to Managing Your Loved Ones Aging & Illness This is a layperson's guide to understanding and maneuvering through the perilous task of dealing with aging loved ones or their illnesses. This was written by an award winning author who managed to assist her loved ones with Alzheimer's Disease, moving into an assisted living facility, relocating her parents from their homestead of 40+ years, and finally, she was instrumental in supporting her 100 year old grandmother as she transitioned from this earth. There is information about estate planning, managing siblings and other family issues, establishing care plans, and providing support to your loved one. There is also an extensive appendix, that has a great deal of information on resources and support available to caregivers and families. It is a profound read, a no holds barred, self-help guide that will assist others*

as they are faced with these daunting tasks.

Featuring 600+ sketches depicting a vast array of human expressions, movements, and more, *Draw Like an Artist: 100 Faces and Figures* is a must-have visual reference book for student artists, illustrators, cartoonists, urban sketchers, and anyone seeking to improve their realistic drawing skills. Designed as a contemporary, step-by-step guidebook for artists who are learning to draw the human form, *Draw Like An Artist: 100 Faces and Figures* features an inclusive array of faces, figures, and poses, all shown from a variety of perspectives. Each set of illustrations takes you from beginning sketch lines to a finished drawing. Author Chris Legaspi is a leading figure illustrator and popular workshop instructor whose clear and elegant drawing style will make this a go-to sourcebook for years to come.

Welcome back to the office! It's what we've all been waiting for since the beginning of the pandemic - or is it? Have we all conveniently forgotten how profoundly irritating our colleagues can be? Have the memories of maddening bosses slipped from our memories (or more likely been deliberately scrubbed)? And now, our home working hybrid hell makes juggling family and work even more terrifying. So how do we balance success and work with sanity? Whether you're drowning in a toxic working environment, battling burnout, recovering from redundancy or furlough, or just struggling to figure out what you actually want from your career, Cate Sevilla is here to help coach you through the shittiness of your working day, and help you shift your relationship with your career. Drawing on her time working in both giant corporations and scrappy startups, Cate Sevilla is a voice of reason, guiding you through every shitstorm you'll ever face, whether you're: - feeling overwhelmed by your workload - trying to get out of a job you hate - battling a micromanager who seems determined to destroy you - struggling to stay motivated - or bouncing back from failure If you've spent your day ugly crying with your colleagues or flat-out exhausted from endless video calls, this book is your well-earned (gin and) tonic at the end of the day. 'Cate's brilliant book is GENUINELY EMPOWERING!' Daisy Buchanan 'An invaluable guide to surviving professional life. Cate Sevilla is insightful, inventive and so supportive' Viv Groskop 'Entertaining and practical; moving and funny and, most importantly, a helping hand from someone who's been through it' Emma Gannon 'A timely and provocative book that is at once empathetic about the challenges work presents and empowering on how to overcome them' Bruce Daisley

The best paper-flower artist working today, Livia Cetti, presents a comprehensive how-to manual for creating jaw-droppingly beautiful and unbelievably realistic blooms.

Learning How to Draw Has Never Been Easier! Lee Hammond's All New Big Book of Drawing is the culmination of nearly forty years of teaching. No matter what your experience level YOU CAN DRAW by following along these easy step-by-step demonstrations.

want to create drawings of flowers, learn how to draw animals or how to draw a person, these drawing techniques, all-new tips will show you how to get great results with both regular pencils and colored pencils. • Two books in one. The first half is a course on using pencils to capture shape, form and likeness. The second half explores adding color using colored pencils • 88 projects. You will learn to draw everything with this book! Starting with a simple sphere and working up to sea shells, sunsets, horses, clothing, people--and so much more! • A lifetime of know-how! Lee covers it all--from big picture concepts (selecting techniques, making sense of perspective) down to techniques for creating the look of feathers, capturing skin tones, and making shiny or transparent. Using her straightforward, three-stage approach to lifelike drawings, Lee makes any subject approachable and landscapes to animals and even people. This project-driven tome will help you create realistic, frame-worthy artwork. Proceed and subject by subject, you will gain confidence and cultivate great joy in drawing.

With more than 330 artworks--including hundreds of step-by-step illustrations--this comprehensive guide teaches intermediate artists how to achieve their goal of producing stunningly photorealistic paintings. Covering watercolors and oils, it lays out tips for creating true-to-life landscapes and figures, and discusses color choice, brushes, brushstrokes, and execution. Each chapter includes color examples plus augmented-reality links to instructional videos and galleries.

An Instant New York Times Bestseller! If I Stay meets Your Name in Dustin Thao's *You've Reached Sam*, a heartfelt novel about love and loss and what it means to say goodbye. Seventeen-year-old Julie Clarke has her future all planned out—move out of her small town with her boyfriend Sam, attend college in the city; spend a summer in Japan. But then Sam dies. And everything changes. Heartbroken, Julie skips his funeral, throws out his belongings, and tries everything to forget him. But a message Sam left behind in her yearbook forces memories to return. Desperate to hear him one more time, Julie calls Sam's cell phone just to listen to his voice mail recording. And Sam picks up the phone. The connection is temporary. But hearing Sam's voice makes Julie fall for him all over again and with each call, it becomes harder to let him go. What would you do if you had a second chance at goodbye? Learn to paint contest-quality military figures with this book! Covers military figures and horses from medieval times to Desert Storm. Includes more tips for resin models and oil paints, new techniques for painting in enamels and oils, and information on

camouflage and black-and-white uniforms.

- A supplementary guide for students who are learning how to evaluate reports of empirical research published in academic journals.
- Your students will learn the practical aspects of evaluating research, not just how to apply a laundry list of technical terms from their textbooks.
- Each chapter is organized around evaluation questions. For each question, there is a concise explanation of how to apply it in the evaluation of research reports.
- Numerous examples from journals in the social and behavioral sciences illustrate the application of the evaluation questions. Students see actual examples of strong and weak features of published reports.
- Commonsense models for evaluation combined with a lack of jargon make it possible for students to start evaluating research articles the first week of class.
- The structure of this book enables students to work with confidence while evaluating articles for homework.
- Avoids oversimplification in the evaluation process by describing the nuances that may make an article publishable even though it has serious methodological flaws. Students learn when and why certain types of flaws may be tolerated. They learn why evaluation should not be performed mechanically.
- This book received very high student evaluations when field-tested with students just beginning their study of research methods.
- Contains more than 60 new examples from recently published research. In addition, minor changes have been made throughout for consistency with the latest edition of the Publication Manual of the American Psychological Association.

***A thorough immersion in the art of botanical drawing, this book is sure to attract both aspiring and more experienced artists seeking scientific accuracy and the illusion of 3-dimension in their botanical artwork.***

***The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of***

*hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.*

*A guide to Asperger's syndrome describes what it is and how it is diagnosed, along with information on such topics as bullying, emotions, language, movement, cognitive ability, and long-term relationships. Sexual intimacy in marriage is a great gift from a good God that cements couples together and brings unity and happiness. Nevertheless, in our broken and messed-up world we often need help and direction to understand and enjoy what it means to give ourselves to one another, and to overcome some of the difficulties and questions that every Christian husband and wife faces. Adrian and Celia Reynolds are straightforward and compassionate as they look at Scripture to guide couples in this area. They give five clear biblical principles relating to sex and apply them to the common questions Christian couples ask about intimacy.*

*There is an extensive literature on Goal Attainment Scaling (GAS), but the publications are widely scattered and often inaccessible, covering several foreign countries and many professional disciplines and fields of application. This book provides both a user manual and a complete reference work on GAS, including a comprehensive account of what the method is, what its strengths and limitations are, how it can be used, and what it can offer. The book is designed to be of interest to service providers, program directors and administrators, service and business organizations, program evaluators, researchers, and students in a variety of fields. No previous account of GAS has provided an up-to-date, comprehensive description and explanation of the technique. The chapters include a basic "how to do it" handbook, step-by-step implementation instructions, frequently occurring problems and what should be done about them, methods for monitoring the quality of the goal setting process, and a discussion of policy and administration issues. There are many illustrations from actual applications including examples of goals scaled for the individual, the specific program, the agency, or the total system. Procedures for training and estimates of training costs are also provided.*

*For those seeking the joys and satisfactions of developing a solid, hard-hunting, close-working bird dog, this manual is a practical classic.*

*Gain the drawing skills you need to create textured works like a pro with Drawing: Basic Textures in Pencil. From handling the pencil and mastering basic techniques to learning about value, form, and shading, Basic Textures in Pencil teaches beginning artists all of the elements they need to achieve realistic results in their drawings. Intuitive step-by-step lessons then demonstrate how you can put your newfound skills to use by rendering everything from metal, glass, and wood textures to fur and feathers. Each concept is clearly explained in easy-to-comprehend language, making this book an accessible and approachable resource for beginning artists and art enthusiasts. Designed for beginners, the How to Draw & Paint series offers an easy-to-follow guide that introduces artists to basic tools and materials and includes simple step-by-step lessons for a variety of projects suitable for the aspiring artist. Basic Textures in Pencil allows artists to widen the scope of their abilities, demonstrating basic pencil drawing techniques that allow beginners to re-create a variety of common textures and surfaces.*

*First published in 1971, Rules for Radicals is Saul Alinsky's impassioned counsel to young radicals on how to effect constructive social change and know "the difference between being a realistic radical and being a rhetorical one." Written in the midst of radical political developments whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him, Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition.*

A candid, inspiring guide to finding lasting love by getting real about your relationship goals--based on the viral sermon series about dating, marriage, and sex. Realer than the most real conversation you've ever heard in church on the topic, Michael Todd's honest, heartfelt, and powerful teaching on relationships has already impacted millions. Michael believes that relationships are the epicenter of human thriving. All too often, though, we lack the tools or vision to build our relationships on the wisdom and power of God. In other words, it's good to have a goal, but you can't get there without proper aim By charting a course that candidly examines our most common pitfalls, and by unpacking explosive truths from God's Word, Michael's debut book will transform a trendy hashtag into a future where your most cherished relationships thrive in relational life, hope, and abundance. Now those are real #relationshipgoals.

HOW DEEP IS YOUR LOVE – FOR GOD? If you are like most dating couples, you are looking for more than just a companion – you want a soul mate! The essence of a true soul mate relationship is that of deep spiritual connection. This dynamic book, *Devotions for Dating Couples*, offers guidance for deepening your commitment to God as individuals and as a couple. Through short chapters focused on such essential topics as prayer, simplicity, community, and purity, you will discover how to make your most important love relationships—with God and your potential mate—strong, lasting, and radiant. Relationship experts Ben Young and Samuel Adams, authors of *The Ten Commandments of Dating* and *The One*, give user-friendly tips for nurturing your personal walk with God and enhancing your spiritual connection as a couple. As you read through the devotions each day, you will: Become a great lover by learning to love God first Develop the essential disciplines of a lasting relationship Focus on the important things in life Discover a sense of spiritual purpose and meaning Understand that grace is not just for "beginners" – it is for you, every day Whether you are dating seriously or engaged to be married, these daily personal devotions and weekly couple's devotions will help you discover the way to lifelong

love.

Does God want to write your love story? Well, maybe not—especially not if it is the culture's romanticized ideal of happily ever after! Margaret and Dwight Peterson help us sort out the difference between how our surrounding society often depicts marriage and how Christians really should approach this particular gift of God to all humanity. They guide us through many aspects of a growing, maturing marriage including being a family, handling conflict, friendship, children, household economics and weathering the transitions of life. In the end they show how Christian marriage is far deeper and stronger than a romantic fairy tale. In fact, it reflects the kind of love God has for us in the gospel of Jesus Christ who gave his life for us that we might have his life in us.

Landscapes in Oil is the first-ever comprehensive guide to classical landscape painting reinterpreted for the twenty-first century. Drawing from the tradition established by American painters of the Hudson River School--artists like Thomas Cole, Frederic Church, and George Inness--author and painter Ken Salaz reveals great masters' philosophy and methods, updating their approaches for the contemporary landscape painter. Beginning painters are given the basic tools and step-by-step demonstrations, intermediate painters are challenged with unpublished techniques that allow them to break through to the next level, and advanced painters learn to apply their skills under unified theories. Landscapes in Oil devotes a chapter to each of the fundamental elements of landscape painting--drawing, value, color, composition, and light quality--and offers critical advice on selecting tools and materials, choosing colors, and structuring your palette for best results. Emphasizing the necessity of plein air drawing and painting, Salaz demonstrates how to translate small, quick studies made outdoors into full-scale studio paintings. He provides detailed step-by-step breakdowns of the creation of four of his own paintings, focusing not only on application but also on the ideas that underpin every decision a landscape painter must make. The scores of landscape masterworks, past and present, that illustrate this book have been carefully chosen for their aesthetic power and because each embodies a specific aspect of the landscape painter's craft. For Salaz, landscape painting is a noble pursuit, and the goal of the landscape artist is not to paint "pretty pictures" but to create compelling images that express human beings' profound connection to nature in all its diversity and grandeur. At a time when classical landscape is enjoying a renaissance in

art schools, ateliers, and galleries across North America, this book is an essential resource for beginning and experienced painters alike.

The author shows you how to build a hi-rail toy train layout such as his Sandy Harbor Terminal Railway. He provides modeling concepts as well as practical techniques for incorporating toy trains and accessories into realistic settings.

Going to prison is one of the most traumatic things a person can experience, and all of their information usually came from Hollywood interpretations and rumor. As someone who went to prison as a young man, this leads to a lot of avoidable problems. In "A Realistic/No-Nonsense Guide to: Surviving Prison", I explain many of the things to expect from the moment the cuffs go click. From the upcoming court appearances, getting to see the dentist, and even a few tips on adjusting to the inside. This is not a legal strategy book in any way, shape, or form. This is a guide to navigating the jail/prison portion of your legal troubles. Figuring out how to make the best out of your situation, despite your sentence. Because, unless that sentence was death and it will be carried out today, you will live in prison for however long that judge said.

Learn important drawing skills with 30+ step-by-step demonstrations of favorite subjects. Learning how to draw is fun, so whether you've never drawn before or have been drawing for years, grab a pencil and some paper, and let's have fun drawing together! Each of the 30+ lessons focuses on a different topic, technique, or concept, promoting learning through clear step-by-step demonstrations for successful drawings. No experience necessary! Readers will get creative and have fun learning how to draw with this essential addition to any art-instruction library.

A Complete Guide

Breathe Life into Your Animal Drawings Wildlife artist Doug Lindstrand has spent 30+ years observing animals in nature, capturing them on paper. In this book, he distills his expertise into key lessons for drawing any animal in a charming, realistic style. Inside, a whole herd of step-by-step exercises and demonstrations (43, to be exact!) cover a broad range of subjects and challenges, including how to draw: • Short, long and patterned fur • Mouths, eyes, ears and horns • Various poses, including seated, standing and moving • A diversity of animals, domestic and wild--from housecats to big cats, from tiny cottontails to massive African elephants. Nothing intimidating here! Starting with easy sketches, you'll learn to gradually refine basic techniques into lifelike dogs, wolves, deer, sheep, horses, bears, giraffes, owls, eagles, geese and other magnificent creatures. With a clear and time-tested approach, you'll be able to draw not only the animals illustrated on these pages, but any animal that has an artistic soul.

Perfect for the beginning plastic modeler who wants to learn more advanced techniques, this photo-driven guide includes an introduction to airbrushing and sections on brush painting, spray painting, weathering, and applying finishes.

Trusted Christian counselor H. Norman Wright gives concise-and-clear answers to your questions on parenthood. Draw

his years as a professional counselor, as well as biblical wisdom and real-life understanding, Norm helps you with issues that range from "my toddler won't go to sleep at night" to "my teenager refuses to do household chores." You'll discover practical suggestions and innovative ideas in an easy-to-read format: I really get frustrated talking with my children. They just ignore me and the more I tell them to listen, the less they do. Help! If you want to be heard by your children, try talking less. The fewer the number of words that come out of your mouth, the more your children's ears and mouths close. Here are three more suggestions... Offering plenty of encouragement and hope, The One-Minute Counselor for Parents is short enough to glance through and detailed enough to refer back to when specific issues arise.
