

## The Peacemaker Men Of The Saddle Series 1

Bull-headed Wynne Elliot has one goal in mind: to track down Cass Claxton and shoot him dead for leaving her at the altar and running off with her money. But when Cass's brother Cole shows up, Wynne finds herself on an unexpected adventure, and she just might lose her heart. Beloved author Lori Copeland takes readers back in time to an era when cowboys were heroes and the rules of the Wild West prevailed. Lori's trademark blend of humor, romance, and Christian content make this an irresistible read. Having survived the failed raid on the enemy lands, Tekeni had no illusions. He was nothing but an enemy cub, adopted into one of the clans, but not accepted, never for real. To fit in was difficult, to run away - impossible. To get into trouble, more often than not, was the only available option. They did not expect anything else from him, anyway. However, when a meaningless row during a ballgame grew out of proportion, resulting in a fight, Tekeni has found himself in a truly grave trouble. Neither he nor anyone else could have foreseen the chain of events the consequences of this fight would release, when the highly esteemed but controversial Two Rivers decided to help Tekeni out. Two Rivers was a strange person with unacceptable notions and ideas. He maintained that to war on and on was a mistake of disastrous consequences. He went as far as suggesting a negotiation of peace with some of the neighboring nations. Even Tekeni, the despised enemy, thought such ideas to be far-fetched and wild. And yet... With their trouble mounting and the revengefulness of some people around them growing, both Tekeni and Two Rivers find themselves pushed beyond limits.

In the twentieth century, great leaders played vital roles in making the world a fairer and more peaceful place. How did they do it? What lessons can be drawn for the twenty-first-century global agenda? Those questions are at the heart of *The Peacemakers*, a kind of global edition of John F. Kennedy's *Profiles in Courage*. Writing at a time when peace seems elusive and conflict endemic, when tensions are running high among the major powers, when history has come roaring back, when democracy and human rights are yet again under siege, when climate change is moving from future to present tense, and when transformational statesmanship is so needed, Bruce W. Jentleson shows how twentieth-century leaders of a variety of types—national, international institutional, sociopolitical, nongovernmental—rewrote the zero-sum scripts they were handed and successfully made breakthroughs on issues long thought intractable. The stories are fascinating: Henry Kissinger, Zhou Enlai, and the U.S.-China opening; Mikhail Gorbachev and the end of the Cold War; Dag Hammarskjöld's exceptional effectiveness as United Nations secretary-general; Nelson Mandela and South African reconciliation; Yitzhak Rabin seeking Arab-Israeli peace; Mahatma Gandhi as exemplar of anticolonialism and an apostle of nonviolence; Lech Walesa and ending Soviet bloc communism; Gro Harlem Brundtland and fostering global sustainability; and a number of others. While also taking into account other actors and factors, Jentleson tells us who each leader was as an individual, why they made the choices they did, how they pursued their goals, and what they were (and weren't) able to achieve. And not just fascinating, but also instructive. Jentleson draws out lessons across the twenty-first-century global agenda, making clear how difficult peacemaking is, while powerfully demonstrating that it has been possible—and urgently stressing how necessary it is today. An ambitious book for ambitious people, *The Peacemakers* seeks to contribute to motivating and shaping the breakthroughs on which our future so greatly depends.

In a small Montana town, a poor boy gets a chance at being a lawman Mac McPherson shivers beside the open grave, taking notes for a newspaper story for which he has been promised twenty-five cents. When he files his piece, the editor gives him only two dimes, but Mac is not too proud to take it. Only fourteen years old, he has his mother to think of and his own hungry belly to feed. One night, town sheriff Frank Drinkwalter gives Mac a better offer: an apprenticeship in riding and shooting that may one day lead to a deputy's star. The sheriff will need Mac's help sooner than either of them realizes. The devil lies behind the eyes of blacksmith Jack Galt, whom Drinkwalter suspects of savagely murdering a series of innocent women. But without proof, there is nothing Drinkwalter can do but watch and wait. When the blacksmith threatens the woman he loves, Drinkwalter has no choice but to call on Mac. In Montana, a boy must grow up fast if he wants to wear a deputy's star.

The Peacemakers: Leadership Lessons from Twentieth-Century Statesmanship

A gate slams shut, sending a jolt of reality through seventeen-year-old Jayson Jackson's entire body. As an officer pats him down, Jayson secretly hopes that tomorrow, when he turns eighteen, his life will finally be his own. But he knows it will not be easy. Two years ago, he accidentally shot his best friend. Once again, Jayson is the victim of stolen opportunities. Now left helpless as he awaits a judge's decision to either let him walk free or give him a sentence that could land him in a correctional facility for a long time, Jayson reflects on the friendship he once shared with Michael-Stephens, all-star athlete, high school scholar, and aspiring singer. On the surface, Michael, also known as Mr. Basketball, appeared to have it all. But no one but Jayson knew that he and Michael shared a powerful kinship created through similar childhood tragedies. Now with the help of his grandmother and his uncle Scott, Jayson must learn to reconcile his past in order to move forward with his future. Set against the sometimes-gritty backdrop of Detroit, this poignant saga reveals an unforgettable message of forgiveness, responsibility, and second chances as a young man struggles to regain his life after a horrible mistake.

Stefano Vanzetti. You'd have to be living under a rock if you grew up in northern Boston and didn't know who he is. He's the heartthrob of every Italian girl in my neighborhood, the man who's probably had your daughter roll through his sheets at least once, the devilishly handsome mysterious man with dark brown eyes that gave you nightmares, and yes, every horrible thing you've probably heard about him is very much true. Did I also mention he destroyed my dreams and aspirations in life when he asked my father for my hand in marriage?

Born of Mohawk and Cayuga descent, musical icon Robbie Robertson learned the story of Hiawatha and his spiritual guide, the Peacemaker, as part of the Iroquois oral tradition. Now he shares the same gift of storytelling with a new generation. Hiawatha was a strong and articulate Mohawk who was chosen to translate the Peacemaker's message of unity for the five warring Iroquois nations during the 14th century. This message not only succeeded in uniting the tribes but also forever changed how the Iroquois governed themselves—a blueprint for democracy that would later inspire the authors of the U.S. Constitution. Caldecott Honor-winning illustrator David Shannon brings the journey of Hiawatha and the Peacemaker to life with arresting oil paintings. Together, the team of Robertson and Shannon has crafted a new children's classic that will both educate and inspire readers of all ages. Includes a CD featuring an original song written and performed by Robbie Robertson.

You probably haven't ever noticed them. But they've noticed you. They notice everything. That's their job. Sitting quietly in a room outside a bank making note of the tellers' work habits, the positions of the security guards. Lagging a few car lengths behind on its daily rounds. Surreptitiously jiggling the handle of an unmarked service door at the racetrack. They're thieves. Heisters. They're pros, and Parker is far and away the best of them. If you're planning a job, you want him in. Tough, smart, hardworking and relentlessly focused on his trade, he is the heister's heister, the robber's robber, the heavy's heavy. You don't want to cross him. You don't want to get in his way, because he'll stop at nothing to get what he's after. Parker, the ruthless antihero of Richard Stark's mystery novels, is one of the most unforgettable characters in hardboiled noir. Lauded by critics for his taut realism, unapologetic and razor-sharp prose-style—and adored by fans who turn each intoxicating page with increasing urgency—Stark is a master of his books as influential as any in the genre. The University of Chicago Press has embarked on a project to return the early volumes of the series to print for a new generation of readers to discover—and become addicted to. Parker goes under the knife in *The Man in the Face*, changing his face to escape the mob and a contract on his life. Along the way he scores his biggest heist yet: an armored car in New Jersey, stuffed with cash. "Westlake knows precisely how to grab a reader, draw him or her into the story, and then slowly to the point where escape is impossible."—*Washington Post Book World* "Elmore Leonard wouldn't write what he does if Stark hadn't been there. Quentin Tarantino wouldn't write what he does without Leonard. . . . Old master that he is, Stark does all of them one better."—*Times* "Donald Westlake's Parker novels are among the small number of books I read over and over. Forget all that crap you've heard yourself about *War and Peace* and *Proust*—these are the books you'll want on that desert island."—Lawrence Block

Now more than ever, people are painfully divided politically, religiously, and culturally. And yet, there is a commonality in our faith that can help us turn away from polarization and create a greater sense of community in which our differences are honored. This Path brings together wisdom from the world's major religious traditions, including Bahá'í, Buddhism, Christianity, Hinduism, Islam, Judaism, Native American spiritualities, Sikhism, Taoism, and Zoroastrianism, showing that we have much more in common than we think. Through daily readings that explore the tenets, teachings, writings, and prayers of these diverse faith traditions, you will gain a deeper understanding, and connection with people from different religious backgrounds. Each day offers a reflection, scripture passage from the world's religions, questions to contemplate, a call to action, and a closing prayer. May we realize the tremendous importance of building bridges of peace in our own lives, our communities, and our world. Loving our friends is easy; loving the "other" will bring shame.

***The Bible story of Abigail and David reimagined as a twenty-first century novel of ruthless political ambition and devastating family secrets. A provocative and timely thriller in which the fate of the world depends on a single election.***

***Leif Mitchell has gone from a humble life as a stable hand and country rock singer to become Governor of Kentucky. Now he's running as the Republican candidate for the Presidency. The contender: US democratic Senator Darren Richards. But its Richards' wife Chessa who is privy to not only her husband's damaging secrets, but also a vengeful plan of attack by Mitchell to bring down his opponent by any means necessary. As the increasingly vicious campaign escalates, the "high road" to victory is all but destroyed. Now it's up to Chessa to try and preserve peace on both sides. But more than the futures of Richards and Mitchell are in question. The likely First Lady is putting herself the middle of a political crossfire in which her own life could be at risk.***

***A thrilling retelling by master storyteller Jean Houston of the legendary exploits of the founder of the Iroquois Confederacy, known as the Peacemaker. Under his leadership they created a peaceful democracy among five tribes of Native peoples in the northeastern woodlands. This story has inspired American leaders from Benjamin Franklin to the present-day occupants of the White House, and is shown by Houston to be a potent guide to personal transformation and to the visioning of a peaceful world. Jean draws from the experiential workshops she leads, with the help of Margaret (Peggy) Rubin, to guide readers through group or individual exercises that "bring the story home."***

Against the backdrop of a never-colonized North America, a broken Ojibwe detective embarks on an emotional and twisting journey toward solving two murders, rediscovering family, and finding himself. North America was never colonized. The United States and Canada don't exist. The Great Lakes are surrounded by an independent Ojibwe nation. And in the village of Baawitigong, a Peacekeeper confronts his devastating past. Twenty years ago to the day, Chibenashi's mother was murdered and his father confessed. Ever since, caring for his still-traumatized younger sister has been Chibenashi's privilege and penance. Now, on the same night of the Manoomin harvest, another woman is slain. His mother's best friend. The leads to a seemingly impossible connection take Chibenashi far from the only world he's ever known. The major city of Shikaakwa is home to the victim's cruelly estranged family--and to two people Chibenashi never wanted to see again: his imprisoned father and the lover who broke his heart. As the questions mount, the answers will change his and his sister's lives forever. Because Chibenashi is about to discover that everything about those lives has been a lie.

Martin Luther King Jr.'s "Letter from Birmingham Jail" is arguably the most important written document of the civil rights protest era and a widely read modern literary classic. Personally addressed to eight white Birmingham clergymen who sought to avoid

violence by publicly discouraging King's civil rights demonstrations in Birmingham, the nationally published "Letter" captured the essence of the struggle for racial equality and provided a blistering critique of the gradualist approach to racial justice. It soon became part of American folklore, and the image of King penning his epistle from a prison cell remains among the most moving of the era. Yet as S. Jonathan Bass explains in the first comprehensive history of King's "Letter," this image and the piece's literary appeal conceal a much more complex tale.

Providing practical tips, ideas, and suggestions drawn from many years of experience, the president of Peacemaker Industries presents a valuable conflict resolution tool, based on biblical wisdom and principles, that will bring about harmony and unity in every aspect of life. Original.

The Peacemaker's Path

The breakout character from The Suicide Squad gets his own tale of peace ahead of the upcoming HBO Max TV show! Long before joining the Suicide Squad, Christopher Smith, code name Peacemaker, meets with a psychiatrist—a woman dangerously obsessed with his bizarre and violent past. From his tragic childhood to his military service overseas to his multiple missions with Special Forces, Smith has more than his share of skeletons in the closet. But who 's actually analyzing whom? And will this trip down memory lane result in yet more fatalities? Garth Ennis and Garry Brown delve deep into Christopher Smith 's history of violence, and reveal what might bring peace-or not-to the Peacemaker.

The Enneagram is an ancient personality typology using nine points within a circle to represent nine distinct personality types. This sixty-day devotional is for the Peacemaker, number 9 of the Enneagram personality types. This devotional will help Peacemakers, and those who love them, to better understand how God created them and how best to use their unique gifts to serve Him and love others. It features a full explanation of what the Enneagram is and how it benefits people, followed by a full description of what it means to be a 9, including their deadly sin, sloth, and their greatest strength, their gut feelings. Also covered are motivations, fears, childhood wounds, the lost message they long to hear, their deadly sin, and defense mechanisms, as well as common subtypes, wings, and where they are in the head/heart/gut triad. The sixty days are split into six 10-day topics that include uniqueness, weakness, strength, pain points, and how Peacemakers react in times of stress and growth.

Excerpt from Edward the Peacemaker: An Address Delivered at the Canadian Club, Winnipeg, on Monday, May 16th, 1910 In the following week I visited other cities in Eastern Canada, and everywhere the same demonstrations of sorrow were manifest. I spoke to the leading men of the East - men of such diverse views as Sir Wilfrid Laurier (the Dominion Premier) and Sir James Whitney (the

Premier of Ontario) - and there was not a discordant note in the chorus of appreciation of the dead Monarch. Samson: Man of Faith - Mike Connell (Page 5) Keys from the story of Sampson, about the grace of god, how he loves us even in the midst of defeat and disgrace. This story is about the goodness of God to someone who's fallen over, fallen down. You are not beyond the reach of God, no matter where you are today. The best days of our life are ahead of us if we're in the hands of God. Being a Peacemaker - Shane Willard (Page 24) This is a story about Peacemakers & Escalation. Our hero of the faith was a rebellious, spoilt brat, who wanted his own way, in every single way. This was a man that was sleeping with prostitutes on his wedding night, because he got depressed, because his best man stole his wife. From what started out as a joke no-one understood, a fascinating cycle of violence ensues, based on: because you did this, I now have a right to do that. I merely did to them, what they did to me.

This way of living will always bring death. <http://mikeconnellministries.com> <http://shanewillardministries.org> <http://colleenarchibald.wordpress.com> Fourteen-year-old Manny Weaver, a Mennonite boy living near Harrisonburg, Virginia, in 1861, has a habit of biting off more than he can chew. The Weavers are Unionists and pacifists and do not wish to secede from the Union or to participate in the fighting. In the past, Manny's father and uncle have avoided militia service by paying a small fine, but when Virginia secedes from the Union, the fine is no longer accepted. Manny loves his family and would do anything to protect Father and Uncle Davy from being forced to join the Confederate Army. That's when his trouble begins! With his world crumbling into chaos, Manny is forced to deal with issues of honesty, justice, loyalty, and good judgment. He must find answers to serious questions. Is it really better to "turn the other cheek," as his Mennonite faith tells him? What actions lead to peace? How does a boy grow into a man?

Tragic confrontations at schools throughout the past two decades are striking evidence that teens need help and training in peaceful conflict resolution. God knows each conflict a teen goes through--with their families, friends, and teachers--and he is in control. In this student edition of The Peacemaker, Ken Sande and Kevin Johnson show teens, youth leaders, parents, and pastors, how they can apply biblical principles to conflict situations, allowing for forgiveness and reconciliation instead of hatred or violence. With an approachable style that treats teens with respect, this much-needed resource can be used individually or as part of a small group or youth group study.
