The wonderfully loving letters established the "relational legacy," provided instruction on being a great citizen, inspired his son to strive for excellence, and left a historical account of a parent's love. Raising Supaman is loaded with practical, insightful and useful tips to help parents. Raising Supaman encourages parents to be their best so that they can raise successful children. Whether you are dealing with the growing pains of a child or whether you are attempting to inspire or motivate a child, Raising Supaman is a must read. If you've been looking for the answers: an instructional manual for great parenting, a tool to improve your relationship with your child and a guidebook that can inspire a child to consistently reach for the moon, Raising Supaman is just the book for you.
