The Viking Hondbók

The award-winning first book of the Viking Vengeance Series "Can a mere mortal Viking tame the daughter of a goddess?" When Scotland's King Kenneth orders his death and kidnaps his sister, the Viking Brokk--the Malice Striker--plans his vengeance: he'll steal the king's bastard daughter from Sumbarten Abbey and use her to buy his sister's freedom. But his schemes go awry when his liege lord commands him to wed Skatha--and when he finds five women instead of one at the Abbey, none will claim the King as father. When the Viking abducts Skatha and her women, she's bewildered. Why did Brokk seize her? Why does he want her for his wife? She weds him willingly enough when he threatens to kill her companions, but she vows to control her own destiny and escape. For if the Viking discovers her secrets, the laws of his people will force him to cast her aside...or kill her. And even Skatha, daughter of a goddess, might not escape the Viking's wrath...

An epic of twelfth-century Scotland relates the story of Waryk de Graham, a loyal warrior to King David, and his reluctant bride, Mellyora MacAdin, the woman chosen for him but whose heart belongs to another, and as Mellyora succumbs to Waryk's tender embrace, she must decide whether her loyalty lies with her family or her husband.

Duncan MacGregor does not understand his da's command to imprison the young woman who saved his sister's life. He is more than intrigued with Anna's skill with a bow and sword-in fact, he is fascinated by everything about her, in spite of her lack of feminine wiles. Trained as a warrior and unwilling to be any man's chattel, Anna shuns the idea of marriage-until Duncan coaxes her into a world of acceptance and passion she never knew existed. He wants her as his wife. She will agree, but only on her own terms-conditions Duncan is not sure he can accept.

The Viking's Touch

Vampires Like It Hot

What in the name of Thor could be making this Viking so blue? Eating haggis? Listening to those insufferable bagpipes? Traveling through Scotland with the world's worst poet? Searching for the infuriatingly inept witch who's cursed his face . . . and even more important parts? For Rurik the Viking, life has not been worth living since he left Maire of the Moors. Oh, it's not that he misses her fiery red tresses or kissable lips. Nay, it's the embarrassing blue zigzag she put on his face after their one wild night of loving. For a fierce warrior who prides himself on his immense height, his expertise in bedsport, and his well-honed muscles, this blue streak is the last straw. In the end, he'll bring the witchling to heel, or die trying. Mayhap, he'll even beg her to wed . . . so long as she can promise he'll no longer be . . .

Disgraced! Banished from polite society for bearing a child out of wedlock, Lady Eadyth of Hawks' Lair spends her days hidden under a voluminous veil, tending her bees. But when her son's detested father threatens to reveal the boy's true paternity and seize her beloved lands, Lady Eadyth seeks a husband willing to claim the child as his own. Eirik of Ravenshire is England's most virile bachelor, notorious for loving—and leaving—the most beautiful damsels in the land. Now a mysterious lady is offering him a vow of chaste matrimony in exchange for revenge against his most hated enemy, and Eirik simply cannot refuse. But the lusty knight's plans go awry when he finds himself unable to resist Eadyth's myriad charms . . . and he succumbs to the sweet sting of the tarnished lady's love.

Hell Hath No Fury Like a Princess Scorned! Princess Drifa can certainly see why Sidroc Guntersson is a living legend—on battlefield and in bedchamber both. But the King of Stoneheim's willful daughter pitches a royal fit when she learns of the true reason for the virile Viking's passionate attentions. A third-born son with no hope of inheriting the family jarldom, scheming Sidroc must marry and is interested in Drifa only for her father's land and money. The barbarian is lucky she just cracks him on his fool head with a pottery pitcher! Five years later, Drifa needs Sidroc's protection—in Byzantium, no less!—though revenge holds more appeal for this man she left for dead. 'Tis a pity two such perfect enemies match each other so well, passion for passion. So much so that the bold Viking berserker is soon thinking marriage again . . . only this time it will be on his terms!

The definitive history of the Vikings -- from arts and culture to politics and cosmology -- by a distinguished archaeologist with decades of expertise *The Viking Age -- from 750 to 1050 -- saw an unprecedented expansion of the Scandinavian peoples into the wider world. As traders and raiders, explorers and colonists, they ranged from eastern North America to the Asian steppe. But for centuries, the Vikings have been seen through the eyes of others, distorted to suit the tastes of medieval clerics and Elizabethan playwrights, Victorian imperialists, Nazis, and more. None of these appropriations capture the real Vikings, or the richness and sophistication of their culture. Based on the latest archaeological and textual evidence, Children of Ash and Elm tells the story of the Vikings on their own terms: their politics, their cosmology and religion, their material world. Known today for a stereotype of maritime violence, the Vikings exported new ideas, technologies, beliefs, and practices to the lands they discovered and the peoples they encountered, and in the process were themselves changed. From Eirík Bloodaxe, who fought his way to a kingdom, to Gudrid Thorbjarnardóttir, the most traveled woman in the world, Children of Ash and Elm is the definitive history of the Vikings and their time.*

The Vikings and the Victorians

Even fierce Norse warriors have bad days. 'Twas enough to drive a sane Viking mad, the things Tykir Thorksson was forced to do—capturing a red-headed virago, putting up with the flock of sheep that follows her everywhere, chasing off her bumbling brothers. But what could a man expect from the sorceress who had put a kink in the King of Norway's most precious body part? If that wasn't bad enough, Tykir was beginning to realize he wasn't at all immune to the enchantment of brash red hair and freckles. Perhaps he could reverse the spell and hold her captive, not with his mighty sword, but with a Viking man's greatest magic: a wink and a smile.

SHE IS A HEROINE OF HER PEOPLE. . . . With her extraordinary violet eyes, ebony hair, and ivory skin, the French countess Melisande was a prize for any man. But it was Conar MacAuliffe, a young warrior who rode into battle to defend her people, who made Melisande his bride—and then disappeared for years. Now MacAuliffe has returned to claim his wife, a ravishing woman determined to fight for her freedom at all costs. But the proud beauty who fears no man suddenly fears herself—and the passionate embrace of the husband who vows never to let her go. HE IS THE MIGHTY VIKING CONQUEROR THEY CALLED. . . . Lord of the Wolves, a legendary warrior whose greatest challenge will come with the woman he is destined to wed. In the fiery Melisande he will find his heaven and hell. Even as he wages war for her heart, he dares not yield his own. Even as he lays sweet seductive siege to her body, he tries to shield his soul. It will take a common enemy and a little trust to awaken them both to a love that can change their lives forever.

A Viking to bed, not to wed! Medana Elsadottir, known as the Sea Scourge, never planned to become a pirate, but there's no denying her talent. Her female-only tribe has an island hideaway, food aplenty, goods to trade...everything except the means to breed. That's where the strapping Norsemen tied up in her ship's hold come in handy. Renowned as the wildest Viking of his time, Thork was returning home to regain his father's favor. Mayhap even (shudder) marry. His brazen—and very beautiful—kidnapper has likely done him a favor in preventing such an irksome fate. That doesn't mean he'll let her off easy. Two bold warriors, two proud lands, united by passion—and revenge . . . Prince Olaf of Norway—Lord of the Wolves, the golden Viking warrior who came in his dragon ship to forge a great kingdom in the Emerald Isle. Princess Erin—Daughter of the Irish High King, the ebony-haired beauty who swore bitter vengeance on the legendary Norseman who had brought death and destruction to her beloved homeland. Yet, in the great Norse and Irish alliance against the invading Danes, it was her own father who gave her in marriage to her most hated enemy. Bewitched by Olaf's massive strength, seduced by his power, still Erin vowed that neither the wrath of his sword nor the fire of his kiss would sway the allegiance of her proud and passionate heart.
