Month (Mysteries & Thrillers) A Daily Candy Best Book of March One of More magazine's "Five Thrillers Not to Read After Dark" When Dr. John Taylor turns up dead in a hotel room, the local police uncover enough incriminating evidence to suspect foul play. Detective Samantha Adams, whose Palo Alto beat usually covers petty crimes, is innocently thrown into a high-profile case that is more complicated than any she has faced before. A renowned reconstructive surgeon and a respected family man, Dr. Taylor was beloved and

admired. But beneath his perfect façade was a hidden life—in fact, multiple lives. Dr. Taylor was married to three very different women in three separate cities. As the circumstances surrounding his death emerge, Detective Adams finds herself tracking down a murderer through a tangled web of marital deception and revenge. New York Times–bestselling author Alice LaPlante’s haunting and complex novel of family secrets dissects—with scalpel-like agility—the intricacies of desire and commitment, trust and jealousy. “Exhilarating and smart, *A Circle of Wives* is a

wild ride of love, loss, marriage and murder, with a finale that's provocative, thrilling and grand. It all shows that while some deaths are a mystery, so, too, are some loves." —San Francisco Chronicle

Curt's having the worst luck: his date just stood him up, he just sat in someone's cheesy nachos at the movie theatre, and a crazy naked woman BIT him in the alley outside. It's true what they say, weird things do happen at the full moon. Little does Curt know that the woman who bit him in the alley has infected him. His full moon nights are about to get a lot weirder, because from

now on, he'll become a sex-hungry woman when the moon is fully exposed. His female self's appetites are insatiable when the full moon is in the sky. He can only refer to himself as a werewoman. He enlists Kathy, his oldest friend and the only person who will believe him, to help him deal with the werewoman.

Together, they manage to find a bright spot in all the madness. Author's note: This is a standalone romance story with a HAE ending! Two bonus gender swap romance stories have been included as a thank you to my readers! Warning: This 15,000-word novella

Let's face it: almost everyone fears growing older. We worry about losing our looks, our health, our jobs, our self-esteem—and being supplanted in work and love by younger people. It feels like the natural, inevitable consequence of the passing years, But what if it's not? What if nearly everything that we think of as the “natural” process of aging is anything but? In *Agewise*, renowned cultural critic Margaret Morganroth Gullette reveals that much of what we dread about aging is

Read Online The Plastic Surgeons Revenge Collection  
Gender Transformation Erotica  
The Full Trilogy, English Edition

actually the result of ageism—which we can, and should, battle as strongly as we do racism, sexism, and other forms of bigotry. Drawing on provocative and under-reported evidence from biomedicine, literature, economics, and personal stories, Gullette probes the ageism that drives discontent with our bodies, our selves, and our accomplishments—and makes us easy prey for marketers who want to sell us an illusory vision of youthful perfection. Even worse, rampant ageism causes society to discount, and at times completely discard, the wisdom and experience acquired by people over the course of adulthood. The costs—both collective and personal—of this culture of decline are almost incalculable, diminishing our workforce, robbing younger people of hope for a decent later life, and eroding the satisfactions and

sense of productivity that should animate our later years. Once we open our eyes to the pervasiveness of ageism, however, we can begin to fight it—and Gullette lays out ambitious plans for the whole life course, from teaching children anti-ageism to fortifying the social safety nets, and thus finally making possible the real pleasures and opportunities promised by the new longevity. A bracing, controversial call to arms, *Agewise* will surprise, enlighten, and, perhaps most important, bring hope to readers of all ages.

*Childhood Abuse, Body Shame, and Addictive Plastic Surgery* explores the psychopathology that plastic surgeons can encounter when seemingly excellent surgical candidates develop body dysmorphic disorder postoperatively. By examining how developmental abuse and neglect influence body image, personality, addictions, resilience, and adult health,

Childhood friends Jimmy Lemond and Peter LeBlanc grow into adulthood during the tumultuous days of the Vietnam War. Like Herman Melville's character, Bartleby, they both "prefer not to" take up arms, but they still can't avoid turmoil. Jimmy is a student journalist who soon finds himself on the front lines of protests, where his fellow students not only demand an end to war but also the end of racism and segregation in their college community. Peter is still haunted by his father's death on an ill-fated fishing trip.

He joins the Mennonites in Vietnam as a peace worker. Through his relationship with a Thai woman he is introduced to the Mother Goddess ceremony and finds spiritual confirmation of his gender transformation. What an intriguing and unexpected tale Robitaille gives us. Bartleby's Revenge kept me turning pages. The novel engages themes I care about a great deal, specifically those of peacemaking in response to war and of personality development through all the vicissitudes of social forces swirling around us. The story brought home for me in a renewed way the impact of the American War in Vietnam on individuals and families here in the US, particularly those with children facing the draft. For me as a Mennonite peacemaker, the draft was a welcome thing that midwifed me from a sheltered life here to years of peace work in Vietnam during the war, a path

similar to that of one of the protagonist's in the novel. —Earl Martin, author of *Reaching the Other Side* (1978), memoir of Mennonite peace work service in Vietnam I loved it. The pairing of Peter and Jimmy is a beautiful framework; their divergence and reunion are really engaging. They achieve a reconciliation without sentimentality, predictability, or compromise of their richly developed characters. —William C. Lineaweaver, MD, Editor in Chief, *Annals of Plastic Surgery* ... That a son of New Bedford imagines his life and the biography of his generation through the lens of Melville's *Bartleby* is a moving exemplar of a mystery, testing in novel form Nietzsche's insight, that life is the iron hand of necessity shaking the dice box of chance. —Gregory Ulmer, Professor of English, University of Florida and author of *Teletheory and Internet Invention*

The Full Trilogy English Edition

*On the night of her 20th anniversary, Nina is home preparing her husband Braxton his favorite meal with plans to spend the rest of the evening trying to rekindle the flame that has long since died out in their marriage. Nina has packed on more than a few extra pounds over the years and no amount of dieting or exercise seems to work. Her world comes crashing to a screeching halt when Braxton arrives home and instead of celebrating their anniversary, he tells her that he's no longer attracted or in love with her and that he's leaving her...for her best friend, whom he's been having an affair with since their college days*

*and as if that wasn't bad enough, he reveals that they also have a 15 year love child together and that he wants to be with his family. Braxton coldly tells her he plans to provide her with a generous divorce settlement before he walks out the door and her life for good. Heartbroken and depressed, Nina gains even more weight as bitterness and the need to get even consumes her. 6 years go by before she decides to use the money from her divorce settlement and get plastic surgery, which includes liposuction and a face lift, altering her appearance drastically. Now looking and feeling younger & sexier, she carries out her plan to exact revenge on her cheating ex-husband and her*

*back stabbing best friend and what better way to do so than to seduce their now 21 year old son, Christian whom she meets at Braxton's annual masquerade ball. With her new appearance and a fake name, Nina a\*k\*a Camille, uses her manipulation and sex skills to get Christian to give her all the money she needs to support the extravagant lifestyle she was accustomed to while married to Braxton. She gets more than she expected once Braxton becomes sexually attracted to who he thinks is his son's new girlfriend and he's willing to pay her to keep him satisfied and to keep her mouth shut, never realizing that she's his ex-wife. When the truth about Nina comes out,*

*families will be torn apart and relationships will be ruined but will Nina get the last laugh she thinks she rightfully deserves?*

*After his destruction at the hands of Chloe Tynan and her brother Toby, the demon Sycanthus, better known as 'Spiteful Jack', was sent screeching back to Hell...but could that really be the end of him? What devious and convoluted plan did the hideous fiend set in motion to ensure his return to the realm of man, and how does it threaten Chloe's budding relationship with Mark Bowman?*

*Meanwhile...Nathan Cobb is having troubles of his own with the high-ranking demon and Great Duke of Hell, Naphula. What delicious*

*temptation has the depraved creature presented to the aged millionaire, and will a desperate Cobb succumb to the lifesaving offer? When Jack's twisted plan reaches fruition, he begins a wave of violence and revenge that will tear Chloe's life apart...but when he joins forces with Naphula...the fate of the whole world will be at stake. Can Chloe, Cobb, Bowman and their few remaining allies succeed a second time against two of Hell's vilest and most lethal demons? Demons so powerful and Cunning that even the reigning Monarch of Hell, Lucifer himself, is forced to seek help from our heroes... Grab your crucifix and say your prayers...

#1 New York Times Bestseller

From Liane Moriarty, the #1

New York Times bestselling

author of *Big Little Lies* and *Nine*

*Perfect Strangers*, comes *Apples*

*Never Fall*, a novel that looks at

marriage, siblings, and how the

people we love the most can

hurt us the deepest. The Delaney

family love one another

dearly—it ' s just that

sometimes they want to murder

each other . . . If your mother

was missing, would you tell the

police? Even if the most obvious suspect was your father? This is the dilemma facing the four grown Delaney siblings. The Delaneys are fixtures in their community. The parents, Stan and Joy, are the envy of all of their friends. They 're killers on the tennis court, and off it their chemistry is palpable. But after fifty years of marriage, they 've finally sold their famed tennis academy and are ready to start what should be the golden years of their lives. So why are Stan and Joy so miserable? The four Delaney children—Amy, Logan, Troy, and Brooke—were tennis stars in their own right, yet as

their father will tell you, none of them had what it took to go all the way. But that 's okay, now that they ' re all successful grown-ups and there is the wonderful possibility of grandchildren on the horizon. One night a stranger named Savannah knocks on Stan and Joy ' s door, bleeding after a fight with her boyfriend. The Delaneys are more than happy to give her the small kindness she sorely needs. If only that was all she wanted. Later, when Joy goes missing, and Savannah is nowhere to be found, the police question the one person who remains: Stan. But for

someone who claims to be innocent, he, like many spouses, seems to have a lot to hide. Two of the Delaney children think their father is innocent, two are not so sure—but as the two sides square off against each other in perhaps their biggest match ever, all of the Delaneys will start to reexamine their shared family history in a very new light.

Forgiveness and Revenge is a powerful exploration of our attitudes to serious wrongdoings and a careful examination of the values that underlie our thinking about revenge and forgiveness. From adulterous spouses to

terrorist factions, we are surrounded by wrongdoing, yet we rarely agree which response is appropriate. The problem of how to respond realistically and sensitively to the wrongs of the past remains a perplexing one. Trudy Govier clarifies our thinking on this subject by examining the moral and practical impact of revenge and forgiveness, both personal and political. Forgiveness and Revenge offers much-needed clarity and reason where emotions often prevail. It is essential reading for anyone interested in the ethics of attitudes to wrongdoing.

This is an edited volume of 12 articles previously published in Social Problems that may be considered among the most influential in the development of the sociological study of violence against women.

Interesting, informative, exploratory, the book attempts to interrogate the emotion of revenge. Combining academic discourses with popular representations, it moves across cultures and countries like India, Germany, USA, Africa and Brazil.
