

The Power Of The Pussy How To Get What You Want From Men Love Respect Commitment And More Dating And Relationship Advice

The question is asked, can love exist when everything that was supposed to be pure turns into shit? Forbidden territory is breached when the sexy allure of money and power slips into the hearts of so-called loyal men forcing the birth of murder stained hands and evil intentions. The bond that was built with laws set firm in place, that no man was supposed to cross, is infiltrated when treason begins to rest in every seat at the table and each man quickly finds out that, "Family ain't family, and Blood ain't blood." The Pussy Trap 5 is the end of a journey which will confirm the truth of the statement, "Pussy is the only thing that gives life, and takes it." ~NeNe Capri

Do you feel like you are too nice? Sherry Argov's *Why Men Love Bitches* delivers a unique perspective as to why men are attracted to a strong woman who stands up for herself. With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask: · Why are men so romantic in the beginning and why do they change? · Why do men take nice girls for granted? · Why does a man respect a woman when she stands up for herself? Full of advice, hilarious

Pussypedia

Is the Vagina More Powerful? - A Sex Joke Book for Adults

What Women Want--What Men Want

The Vagina: A Literary and Cultural History

Please note: This is a companion version & not the original book. Sample Book Insights: #1 You must learn to control your emotions if you want to win the game of seduction. It is not necessary to become a cold-hearted bitch, but it is necessary to become

aware of your emotions and their ability to control your actions. #2 You must be aware of the fact that there are a lot of bad guys out there, and they ' re everywhere. They know how to use a woman ' s emotions against her by telling her in the most sincere ways what she wants to hear. #3 Emotional creatures like us, ask ourselves why our exes are doing this to us. We make dozens of excuses as to why their behavior is forgivable. Then we plan how we ' ll get them back. But this is a mistake, as it allows our emotions to influence our actions and decisions. #4 We only do irrational things in order to feel better in the short term. We give in to our emotions in order to feel better in the short term, but we end up hurting even more over the long term.

Discover How to Get the Guy You Want and Avoid Dead-End Relationships If a man doesn't take you seriously he may feel compelled to have a good time with you. Unfortunately, this good time will last until you finally realize you're being taken for a ride or until Mr. Time-Waster moves on to the woman he REALLY wants. In cases like this, what a woman really requires are two things: a healthy amount of self-respect and a set of "player-proof" dating rules that will allow her to make wise dating decisions as she navigates the treacherous territory of finding Mr. Right. How to Keep a Man Interested Without Playing Games or Becoming His Doormat Many dating advice books for women tout the idea that a

high level of confidence is key when dealing with men. However, while this is partially true, being confident, at least in regards to making a man pursue you, is pointless without understanding how to apply that confidence in various dating situations when dealing with men. A woman's confidence is communicated to a man by what she stands for and what she doesn't. Being able to confidently socialize with men, having confident body language, and illustrating confidence in your femininity will only go so far if you still allow men to have their way with your emotions, time, affections, body, and anything else for that matter. Self-confidence makes a woman more attractive, but unless it effects how she enforces her personal boundaries it won't do anything to keep a man interested in her for the long-term. How to Date a Man to Keep Him Calling and Falling For You Women with strong personal boundaries are principle-centered, not men-centered or romance-centered. To them, their personal values, such as giving and receiving unconditional love, are more important to them than needing to be with any one particular guy. When a woman has strong personal boundaries she doesn't make excuses because of a man's handsomeness, status, wealth, race, background, promises, sexual chemistry, etc. She sticks to her guns and refuses to settle for dating situations that might cause her distress or jeopardize her future happiness. This

book was designed to show women how men appraise female behavior in order to determine a woman's level of self-respect and therefore, her value as a romantic partner. In it, you'll discover the timeless seduction secrets and dating rules for women that will help you avoid those dating mistakes that make could make a woman appear desperate, needy, commonplace, or even "unqualified" for a serious commitment to a great guy. Here's what you're going to learn inside: The most powerful form of male seduction that can KEEP a woman helplessly "addicted" to chasing a man. How to keep a man interested by doing the one thing MOST women are terrified of doing when they find a great guy. An irritating habit that causes high-quality men to stop pursuing a woman almost INSTANTLY. How to "rebuff" undesirable male behavior and get the guy you want to either take you seriously or take a HIKE! A simple "Ego-Popping" phrase that burns into a man's memory, keeps you STUCK on his mind, and makes him DESPERATE to see you again. How to seduce a man and MELT his heart by overwhelming him with the ONE THING only the RIGHT woman can give him. A dangerous and common dating mistake that FORCES a man to disappear or "log out" of a relationship...for GOOD. Foolproof dating rules for women (the "Nice Girls") who feel that men CONSTANTLY take advantage of their love and kindness. And much, much more...

Would You Like to Know More? Get started right away and discover how to get the guy and keep him interested in you without playing games. Scroll to the top of the page and select the "buy button" now.

An inner city stripper befriends a high level executive in one of the world's largest companies and begins using a combination of intelligence, hustles she learned on the street and pornographic sex, to rise through the ranks, only to realize she is unhappy and there is still something missing. Along the way we meet perverted white men, backstabbers, haters, judgmental media, the unmotivated brother who isn't about anything, and a woman inspired for change. The author is quoted as saying, "I wanted to write about sex and it's impact in the marketplace. The subject matter is over the top for entertainment purposes, but very much based in reality. When sex is used as a weapon things can spin out of control, and I wanted to touch on that insanity that even takes place in corporate America. In insane times, what appeared to once be insane, is now just a day at the office. This is an entertaining read and you won't be disappointed in this book."

A myth-busting voyage into the female body. A camera obscura reflects the world back but dimmer and inverted. Similarly, science has long viewed woman through a warped lens, one focused narrowly on her capacity for reproduction. As a result, there exists a vast knowledge gap when it comes to what

we know about half of the bodies on the planet. That is finally changing. Today, a new generation of researchers is turning its gaze to the organs traditionally bound up in baby-making—the uterus, ovaries, and vagina—and illuminating them as part of a dynamic, resilient, and ever-changing whole. Welcome to *Vagina Obscura*, an odyssey into a woman's body from a fresh perspective, ushering in a whole new cast of characters. In Boston, a pair of biologists are growing artificial ovaries to counter the cascading health effects of menopause. In Melbourne, a urologist remaps the clitoris to fill in crucial gaps in female sexual anatomy. Given unparalleled access to labs and the latest research, journalist Rachel E. Gross takes readers on a scientific journey to the center of a wondrous world where the uterus regrows itself, ovaries pump out fresh eggs, and the clitoris pulses beneath the surface like a shimmering pyramid of nerves. This paradigm shift is made possible by the growing understanding that sex and gender are not binary; we all share the same universal body plan and origin in the womb. That's why insights into the vaginal microbiome, ovarian stem cells, and the biology of menstruation don't mean only a better understanding of female bodies, but a better understanding of male, non-binary, transgender, and intersex bodies—in other words, all bodies. By turns funny, lyrical, incisive, and shocking, *Vagina Obscura* is a powerful

testament to how the landscape of human knowledge can be rewritten to better serve everyone.

How to Make Him and YOU Happy

The modern day youth sports environment has taken the enjoyment out of athletics for our children. Currently, 70% of kids drop out of organized sports by the age of 13, which has given rise to a generation of overweight, unhealthy young adults.

There is a solution. John O'Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes, but have done so by creating an environment that promotes positive core values and teaches life lessons instead of focusing on wins and losses, scholarships, and professional aspirations. Changing the Game gives adults a new paradigm and a game plan for raising happy, high performing children, and provides a

Advice

even death. And, with this small twist of nature, the world drastically resets. From award-winning author Naomi Alderman, *THE POWER* is speculative fiction at its most ambitious and provocative, at once taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways.

From *South Park* to Kathy Acker, and from Lars Von Trier to *Sex and the City*, women's sexual organs are demonized. Rees traces the fascinating evolution of this demonization, considering how calling the 'c-word' obscene both legitimates and perpetuates the fractured identities of women globally. Rees demonstrates how writers, artists, and filmmakers contend with the dilemma of the vagina's puzzlingly 'covert visibility'. In our postmodern, porn-obsessed culture, vaginas appear to be everywhere, literally or symbolically but, crucially, they are as silenced as they are objectified. *The Vagina: A Literary and Cultural History* examines the paradox of female genitalia through five fields of artistic expression: literature, film, TV, visual, and performance art. There is a peculiar paradox - unlike any other - regarding female genitalia. Rees focuses on this paradox of what is termed the 'covert

File Type PDF The Power Of The Pussy How To

Commitment And More Dating And Relationship
Advice

visibility' of the vagina and on its monstrous manifestations. That is, what happens when the female body refuses to be pathologized, eroticized, or rendered subordinate to the will or intention of another? Common, and often offensive, slang terms for the vagina can be seen as an attempt to divert attention away from the reality of women's lived sexual experiences such that we don't 'look' at the vagina itself - slang offers a convenient distraction to something so taboo. *The Vagina: A Literary and Cultural History* is an important contribution to the ongoing debate in understanding the feminine identity

Welcome to *The Little Book of Pussy*, a petite little kitten that puts those up-close-and-personal pictures in proper perspective. Through 100 years of photos, we trace the exhibitionistic pleasure with which models present their feminine pulchritude.

File Type PDF The Power Of The Pussy How To Get What You Want From Men Love Respect Commitment And More Dating And Relationship Advice

Written by the creators of the popular website, this rigorously fact-checked, accessible, and fully illustrated guide is essential for anyone with a pussy. If the clitoris and penis are the same size on average, why is the word “small” in the definition of clitoris but strangely missing from the definition of penis? Sex probably doesn't cause yeast infections? But racism probably does cause BV? Why is masturbating so awesome? How hairy are butt cracks . . . generally? Why is labiaplasty on a global astronomical rise? Does egg freezing really work? Should I stick an egg-shaped rock up there or nah? There is still a shocking lack of accurate, accessible information about pussies and many esteemed medical sources seem to contradict each other. Pussypedia solves that with extensive reviews of peer-reviewed science that address old myths, confusing inconsistencies, and the influence of gender narratives on scientific research—always in simple, joyful language. Through over 30 chapters, Pussypedia not only gives the reader information, but teaches them how to read science, how to consider information in its context, and how to accept what we don't know rather than search for conclusions. It also weaves in personal anecdotes from the authors and their friends—sometimes funny, sometimes sad, often cringe-worthy, and always extremely personal—to do away with shame and encourage curiosity, exploration, and agency. A gift for your shy niece, your angsty teenager, your confused boyfriend, or yourself. Our generation's *Our Bodies, Ourselves*, with a healthy dose of fun.

The embarrassment and alienation we often feel when

the word 'vagina' comes up in conversation is fairly new. In this book, Naomi Wolf explains why the vagina deserves an understanding of its own cultural lineage and ancestry because, what is true of the female body in general, is more true of the vagina than of any other feminine aspect.

Pussy Power

The MANipulator Manual: Keep Your Man Interested and Begging for More Without Playing Games Let me start off by explaining I am in no way talking about the sexual act. F*ck him in this case is not physical, it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, "Well, f*ck him!" a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings. Nevertheless, most women I've coached have had men seem very interested only to disappear suddenly. These women are left

standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked them...just not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the high-value woman. You know her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, "How does she do it? What do they see in her? What does she know that I don't?" You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, "He doesn't

know what he's missing." What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way around men. She knows how to mentally f*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding. There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat, even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be

part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!

They say if you leave an enemy breathing they rise up and take revenge. Kayson, a big time dealer in New York, got his come-up early in the game by killing anybody he had to on his way to the top. Anxiously waiting for fifteen years to get revenge, an opportunity finally presents itself when his right-hand man Aldeen introduces him to KoKo. KoKo is a boss in her own right and down for whatever, so when the offer is placed on the table to work with the top man, she accepts. Kayson carefully trained KoKo to be his best angel of death. With a score needing to be settled, it will be KoKo who will not only seduce and trap Kaysons enemy, but she will also end up stumbling upon an enemy of her own. Will the trap Kayson sets for his enemy quench his thirst for revenge or will the power of the pussy prove to be his own downfall? The Pussy Trap is a dramatic web full of sex, greed, power and payback.

From National Book Award winner Masha Gessen, the heroic story of Pussy Riot, who resurrected the power of truth in a society built on lies. On February 21, 2012, five young women entered the Cathedral of Christ the Savior in Moscow. In neon-colored dresses, tights, and

balaclavas, they performed a "punk prayer" beseeching the "Mother of God" to "get rid of Putin." They were quickly shut down by security, and in the weeks and months that followed, three of the women were arrested and tried, and two were sentenced to a remote prison colony. But the incident captured international headlines, and footage of it went viral. People across the globe recognized not only a fierce act of political confrontation but also an inspired work of art that, in a time and place saturated with lies, found a new way to speak the truth. Masha Gessen's riveting account tells how such a phenomenon came about. Drawing on her exclusive, extensive access to the members of Pussy Riot and their families and associates, she reconstructs the fascinating personal journeys that transformed a group of young women into artists with a shared vision, gave them the courage and imagination to express it unforgettably, and endowed them with the strength to endure the devastating loneliness and isolation that have been the price of their triumph.

Following the work of E. O. Wilson, Desmond Morris, and David Buss, *What Women Want--What Men Want* offers compelling new evidence about the real reasons behind men's and women's differing sexual psychologies and

sheds new light on what men and women look for in a mate, the predicament of marriage in the modern world, the relation between sex and emotion, and many other hotly debated questions. Drawing upon 2000 questionnaires and 200 intimate interviews that show how our sexual psychologies affect everyday decisions, John Townsend argues against the prevailing ideologically correct belief that differences in sexual behavior are "culturally constructed." Townsend shows there are deep-seated desires inherited from our evolutionary past that guide our actions. In a fascinating series of experiments, men and women were asked to indicate preferences for potential mates based on their attractiveness and apparent economic status. Women overwhelmingly preferred expensively dressed men to more attractive but apparently less successful men, and men were clearly inclined to choose more attractive women regardless of their professional status. Townsend's studies also indicate that men are predisposed to value casual sex, whereas women cannot easily separate sexual relations from the need for emotional attachment and economic security. Indeed, wherever men possess sexual alternatives to marriage, and women possess economic alternatives, divorce rates will be high. In the concluding chapter,

Townsend draws upon the advice of couples who have maintained their marriages over the years to suggest ways to survive our evolutionary predicament. Lucidly and accessibly written, *What Women Want--What Men Want* shows us why we are the way we are and brings new clarity to one of the most intractable debates of our time.

The Vulva and the Vagina: Separating the Myth from the Medicine

"Stylish, striking, and elegantly packaged...as indispensable to confronting, say, your domineering mother-in-law or your local city council as it is to helping foment an ongoing and ever-escalating insurrection against, say, a sexist, racist, nepotistic power-mad oligarchy threatening to destroy democracy as we know it...My advice: Buy one"--VOGUE From artist, activist, and Pussy Riot founder Nadya Tolokonnikova, a guerilla guide to radical protest and joyful political resistance The face of modern protest is wearing a brightly colored ski mask. Nadya Tolokonnikova, founding member of the Russian activist group Pussy Riot, is a creative activist, professional

File Type PDF The Power Of The Pussy How To Get What You Want From Men Love Respect Commitment And More Dating And Relationship Advice

protestor, brazen feminist, shocking visual artist, and force to be reckoned with. Her spontaneous, explosive approach to political action has involved jumping over barbed wire, kissing police officers, giving guerilla performances in crowded subway cars, and going on a hunger strike to protest the abuse of prisoners. She's been horse-whipped by police in Sochi, temporarily blinded when officers threw green paint in her eyes, and monitored by the Russian government. But what made Nadya an activist icon overnight happened on February 21, 2012, when she was arrested for performing an anti-Putin protest song in a Moscow church. She was sent to a Russian prison for 18 months and emerged as an international symbol of radical resistance, as calls to "Free Pussy Riot" resounded around the world. With her emblematic ski mask, black lipstick, and unwavering bravery, Nadya has become an emissary of hope and optimism despite overwhelming and ugly political corruption. *Read & Riot* is structured around Nadya's ten rules for revolution (Be a pirate! Make your government shit its pants! Take back the joy!) and illustrated throughout with stunning examples from her extraordinary life and the philosophies of other revolutionary rebels throughout history. Rooted in action and going beyond the typical "call your senator" guidelines, *Read & Riot* gives us a refreshing model for civil disobedience, and encourages our right to question every status quo and make political action exciting—even joyful.

This is the book that no man wants you to read... Countless women play by the bias male rules of dating and relationships, one that keeps them in a constant state of stress and worry. Victims of romance instead of masters of love, today's women settle for cheap dates and cheaper talk. Why are you splitting the bill with a man that should be spoiling you? Why are you preparing home cooked meals for a man that can't provide you a home? Why are you having

File Type PDF The Power Of The Pussy How To Get What You Want From Men Love Respect Commitment And More Dating And Relationship Advice

sex with a man that promises the world, but refuses to give you his heart? Why are you playing by outdated rules in hopes that one day your kindness will be rewarded? I have discovered a group of women who refuse to be exploited, are immune to manipulation, and who never settle in the name of love. These ladies know what they want and take what they want by beating men at their own game. Utilizing the secrets exposed in this book, these women gain power, money, and status. Men call them Gold Diggers, women call them Hos, but they call themselves Winners. This is the book that society doesn't want you to read... Ho Tactics: How To MindF**k A Man into Spending, Spoiling, and Sponsoring lays out the practical steps to evolve from a woman that goes Dutch to a woman that gets pampered. Ho Tactics provides the Sex-Free blueprint on how to turn any man into your personal ATM. Stop spending nights with men that can't offer you anything but conversation, stop being understanding of men who are underachieving, stop settling and submitting, and learn how to seduce and destroy! You tried to play by their rules, now it's time to play by Ho rules.

'A meticulous guide not only to the vagina but to changing perceptions of womanhood' OBSERVER 'An empowering and enlightening book' IRISH TIMES The vagina is the ultimate symbol of female power. Sexual power, creative power and the power to prevent harm. For too long, though, the true extent of vaginal power has been ignored, hidden and misrepresented. Raising the skirt: the unsung power of the vagina reveals this revolutionary view of female genitalia and points the way to a new understanding of what it means to be female. An inspiration for millennia, the vagina is actually a muscular marvel of engineering - sensitive and strong, fluid and flexible. Far from being a passive vessel, female genitalia control the most important role of all: the survival of the species. Originally published as THE STORY OF V:

Mama Gená's School of Womanly Arts shows women how celebrating their sensuality can help them achieve their dreams—"think of it as The Power of Positive Thinking as interpreted by Anais Nin" (The New York Times).

Relationship expert Regena Thomashauer teaches the lost “womanly arts” of identifying your desires, having fun no matter where you are, knowing sensual pleasure, befriending your inner bitch, flirting (in a way that makes your day, not just his), and more—because making pleasure your priority can actually help you reach your goals. So if you need a refresher course in fun—and you know you do—come to Mama.

Highly relevant! Perhaps one of the most relevant pieces of writing out there today. An instant landmark classic of indecency that means more than it says. This book is not for the faint of heart and great caution and maturity should be observed if you must venture into it. Sophisticated readers, however, will find the terrible ideas of our hero, "Mr. Crump," devilishly entertaining. Seriously though, this book is a crude social commentary on the character of our most newly elected president. The book consists of maniacal visions and advice on how to sexually assault women. Its purpose is to call into question the nature of abusive rhetoric and our willingness to be complacent in the face of it. Furthermore, it demands accountability not only from our so called "president," but from those of us who elected him as well. The book is written in a racist and misogynistic tone, and there is plenty of vulgarity to go around. It is mostly founded on the premise of the superiority of white men. The narrative takes full advantage of the attitude against political correctness and openly addresses issues that are often hard to discuss. There are themes of race, gender, xenophobia, white supremacy and idiocy that will keep any student of philosophy entertained. The book is insulting to the reader, but it is all part of the act. Mr. Crump treats the subject of

sexual harassment as a sport and outlines tactics and criteria for playing such a sport. He references the sexual revolution of the '60s, deranged ideas about penis envy, and male sexual entitlement. He advises against falling in love and warns men about the strength of the weaker sex. He is an avid advocate of sexual dominance, and to that effect he proposes the ideas of money, power, race, good looks, and the right mental attitude as fundamental to achieving that goal. Crump goes on to clearly detail "how to grab women by the pussy." He talks about how to get started: where to train, what to expect, how to choose your victims. He establishes levels of difficulty in the game, and how to overcome those challenges. Heavily influenced by pop culture, Crump references several movies and news stories of the scandalous sort: Schwarzenegger's love child, Bill Cosby's allegations of sexual abuse, etc. Finally, Crump admits that in his game, as fun as it may be, there will always be a price to pay. He admonishes the reader of the consequences of engaging in such foul behavior, and concludes by predicting the rise of Trump. In spite of its silliness and shameful content, this book should not fail to challenge our notions about truth and decency. When filth, deceit and arrogance become a source of entertainment and leverage rather than condemnation, then it's time to start asking some serious questions about ourselves. There are things, awful, terrible things, festering under the surface of seemingly innocent boys' locker room talk. And these are things that we really must have a conversation about. The subject matter of this book is not to be taken seriously. However, what should be taken seriously is the fact that it exists, and that its source of inspiration is none other than the president of the United States. All in all,

if there is one thing that the success of this book will do is prove one of the most valued tenets of the United States; a principle that Trump's own election has come to endorse. And that is that anything is still possible in this great country of ours.

bestseller Pussy: A Reclamation, she reveals what no one taught you about the source of your feminine power and how to use it. This power is the part of a woman that she has been taught to ignore, push down, and despise. Indeed, the word that most viscerally sums it up is "arguably the most powerful pejorative word in the English language." Like any expletive used effectively, the title of this book is meant to be a wake-up call. It is a reclamation, in a world that desperately requires the feminine. Readers learn the secret ingredient every woman is missing; how to crack the confidence code; why sex appeal is an inside job; what's ahead on the next frontier of feminism—and how they can help make it happen; and much more. By turns earthy and erudite, passionately argued and laugh-out-loud funny, Pussy delivers the tools and practices a woman requires to do and be whatever she wants in this life. It's a call for her to tune in, turn on, and not drop out—but live more richly, fully, and lusciously than she ever thought she could. How to Make Anyone Fall in Love with You

Instant New York Times, USA Today, and

Publishers Weekly bestseller! Boston Globe bestseller #1 Canadian Bestseller OB/GYN, The New York Times columnist, host of the show Jensplaining, and internationally bestselling author Dr. Jen Gunter now delivers the definitive book on vaginal health, answering the questions you've always had but were afraid to ask—or couldn't find the right answers to. She has been called Twitter's resident gynecologist, the Internet's OB/GYN, and one of the fiercest advocates for women's health...and she's here to give you the straight talk on the topics she knows best. Does eating sugar cause yeast infections? Does pubic hair have a function? Should you have a vulvovaginal care regimen? Will your vagina shrivel up if you go without sex? What's the truth about the HPV vaccine? So many important questions, so much convincing, confusing, contradictory misinformation! In this age of click bait, pseudoscience, and celebrity-endorsed products, it's easy to be overwhelmed—whether it's websites, advice from well-meaning friends, uneducated partners, and even healthcare providers. So how do you separate facts from fiction? OB-GYN Jen Gunter, an expert on women's health—and the internet's most popular go-to doc—comes to the rescue with

a book that debunks the myths and educates and empowers women. From reproductive health to the impact of antibiotics and probiotics, and the latest trends, including vaginal steaming, vaginal marijuana products, and jade eggs, Gunter takes us on a factual, fun-filled journey. Discover the truth about:

- The vaginal microbiome
- Genital hygiene, lubricants, and hormone myths and fallacies
- How diet impacts vaginal health
- Stem cells and the vagina
- Cosmetic vaginal surgery
- What changes to expect during pregnancy and after childbirth
- What changes to expect through menopause
- How medicine fails women by dismissing symptoms

Plus:

- Thongs vs. lace: the best underwear for vaginal health
- How to select a tampon
- The full glory of the clitoris and the myth of the G Spot . . . And so much more.

Whether you're a twenty-six-year-old worried that her labia are "uncool" or a sixty-six-year-old dealing with painful sex, this comprehensive guide is sure to become a lifelong trusted resource. Click my banner to search inside and purchase from Amazon.com

Back Cover Reads: This mind-boggling journal-of-sorts was borne out of love. True love that had not yet existed for a 60-year old, still hot, simmering woman. I already had a full

stressful life with a demanding & money-making career, a millionaire boyfriend, two beautiful daughters and grandchildren that I all loved well. Enter Peter Straat. Our lust-driven relationship that has made my life the most sex-filled time is recorded for you to read by incredible open lovemaking to verbal warfare. Here's the key to our relationship, just understand one thing: HE MUST BE THE LION KING. That's how I started and am still continuing this journey with Peter Straat. I worshiped his dick. We had sex anywhere anytime he wanted. We are both so passionate, it also came out in bad ways including the biggie: jealousy. If you can relate and want to know more, read my book. -Sandy Author Sandy Patsy shares to all, especially to women the Power of Pussy. Her mind-boggling journal serves as a life handbook-guide-outline-map for women about the world of sex that revolves around them. In this book, she chronicles how she, even at the age of 60 is still boggled by this stressful circumstance --- she details it through her thoughts, feelings, emails, and narrative. Her vivid and descriptive account of the events with Peter Straat --- sex-filled moments, passionate rendezvous, jealousy, and more are recorded in this eye-opening episode

of her life. Learn the Power of Pussy in Patsy's intriguing book. **REVIEWS** From the very beginning this book makes you laugh. We have all felt the way Patsy feels in this story. Her insights on how men and women think could not be more on track. I truly enjoyed it. I really wish I had read it about 15 years ago. It would have saved me a lot of heartache and headache. But better to realize late than never that we women have the true power. Robin The Power is Ours!, May 23, 2008 By Crystal Adkins "Crystal's book reviews" Ashland, KY) This review is from: Power of Pussy (Paperback) Sandy Patsy's book, Power of Pussy is about her getting the feelings for her on again off again boyfriend, Peter onto the paper, in which helps clear up the confusion of men. Why do men think they have all of the power, when it is we women who have what they crave and lust after? The black widow and female praying mantis, have a great lifestyle, find a mate, intercourse, and then have them for dinner...literally! Ah, but if it were only that easy. Through Sandy's eyes and life experiences, at the age of 60 she considers herself an expert, on the Power of Pussy. Saved notes, feelings, true events, and ramblings make up the interior of this book. Ms. Patsy uses colorful

language, and pulls no stops when it comes to showing her true feelings for Peter or actually men in general. Parts of the Power of Pussy were laugh out loud funny while others were informative and full of emotion. Step into a sneak peak of Sandy's love life by reading her book. 4 Hearts WOW! All we women can relate to Sandy's emotion, confusion & feelings. Universal experiences. Jill White, Wichita KS What an emotional ride.....I might have killed him. Sheryl Wohlford, Wichita KS

Here, from bestselling author Leil Lowndes, is a surefire guide to love for anyone seeking romantic bliss. In How to Make Anyone Fall in Love with You readers will find 85 techniques based on scientific studies regarding the nature of love, including: Finding potential love partners Making an unforgettable first impression Dodging "love bloopers" Establishing sexual rapport By using these pragmatic, down-to-earth strategies, anyone can turn new or casual relationships into lasting ones--or make current relationships deeper.

"No" is sometimes the hardest word to say. It's also the most necessary. How many times have you heard yourself saying yes to the wrong things--overwhelming requests, bad relationships, time-consuming

obligations? How often have you wished you could summon the power to turn them down? This lively, practical guide helps you take back that power—and shows that a well-placed No can not only save you time and trouble, it can save your life. Drawing on their own stories as well as feedback from their readers and students, James Altucher and Claudia Azula Altucher clearly show that you have the right to say no: To anything that is hurting you. To standards that no longer serve you. To people who drain you of your creativity and expression. To beliefs that are not true to the real you. It's one thing to say no, the authors explain. It's another thing to have the Power of No. When you do, you will have a stronger sense of what is good for you and the people around you, and you will have a deeper understanding of who you are. And, ultimately, you'll be freed to say a truly powerful "Yes" in your life—one that opens the door to opportunities, abundance, and love.

"Juliet, a self-identified queer, Bronx-born Puerto Rican-American, comes out to her family to disastrous results the night before flying to Portland to intern with her feminist author icon--whom Juliet soon realizes has a problematic definition of feminism that excludes women of color"--

This great gift book, both timely and humorous is a rhyming picture book decidedly for adults with a good sense of humor! In *The Queen V*, the beloved OB-GYN, celebrity doctor, and star of Bravo's *Married to Medicine* reveals the twelve principles behind a happy and healthy vagina...and other lady parts. After twenty years of private obstetrics and gynecological practice, there 's nothing Dr. Jackie Walters hasn 't seen. And now, in her new book, the widely-adored OB-GYN invites you to put your feet in the stirrups and investigate. Whether she 's covering libido, contraceptives, labiaplasty, or fertility, Dr. Jackie educates readers with her characteristic grace and pragmatism. Both funny and informative, she brings you on a quest through the female reproductive system--answering all the burning (and itching, and smelling...) questions you 've always been afraid to ask. Dr. Jackie knows that every woman is different, and she 's designed a reading experience that 's tailor-made for each individual. After taking a fun quiz to uncover your own vaginal personality (V.P.), you'll embark upon an eye-opening journey of self-discovery. Are you a Mary Jane, a Sanctified Snatch, or a Notorious V.A.G.? What 's the shape of your vaginal flower--rosebud, tulip, or carnation? Dr. Jackie reveals the answer and doles out advice so personal you 'll feel like you 're in the office talking to her. For every time you've been draped in a paper gown and too embarrassed to ask that question, Dr. Jackie has you covered. Her book is a woman's guide to self-awareness that will educate, entertain, and empower others to achieve vaginal liberation. It's a must-read for anyone who owns (or loves) a vagina.
