Thoughts Are Things is a wonderful, motivational text from two acclaimed public speakers and accomplished authors--Bob Proctor and Greg S. Reid. What mind-set determines whether or not a person will be successful? Do successful people think differently from those who never reach their potential? How can we change our thoughts so that the result of every thought--the offspring of thought--sets us up to win rather than lose? Bob Proctor and Greg S. Reid, authorized by the Napoleon Hill Foundation, delve deeply into the science and psychology of thought, and how thinking is vitally important to a meaningful, successful life. In their interviews with neuroscientists, cardiologists, spiritual teachers, and business leaders, the authors show in Thoughts Are Things how we can think to live!

Men speak of “building up a business,” and, indeed, a business is as much a building as is a brick house or a stone church, albeit the process of building is a mental one. Prosperity, like a house, is a roof over a man’s head, affording him protection and comfort. A roof presupposes a support, and a support necessitates a foundation. The roof of prosperity, then, is supported by the following eight pillars which are cemented in a foundation of moral consistency:- 1. Energy 2. Economy 3. Integrity 4. System 5. Sympathy 6. Sincerity 7. Impartiality 8. Self-reliance

A guide on how to achieve material and spiritual success draws on the author's experiences as a motivational minister to explain the importance of accepting desires, casting aside limitations, and possessing directed faith.

An accessible guide to the principles of success by one of the most respected and sought-after motivational speakers of our time. In the tradition of Og Mandino and Zig Ziglar, this inspirational guide uses a wide variety of subjects, from “ Achievement ” to “ Worry, ” to bring clarity, information, and motivation to readers. For millions of readers, Bob Proctor ’ s name is synonymous with success. A former protégé of personal development pioneer Earl Nightingale, Proctor first built a wildly successful business career, and then an internationally successful speaking career, elaborating on the principles of Napoleon Hill ’ s Think and Grow Rich and other classic success and prosperity texts. Proctor ’ s position in the business motivation community equals that of Stephen Covey or Og Mandino. But as is not the case with those masters, his books have never been available to the general public—until now! In The ABCs of Success—the first trade book ever published by this master of motivation and prosperity—Proctor goes beyond the simple laws of success and attraction, weighing in on sixty-seven different topics essential to all those who wish to make their dreams a reality, including persistence, winning, effectiveness, and vision. Organized in A-to-Z fashion and composed of brief essays that can be read over and over, The ABCs of Success is an essential resource for anyone who wants the combined wisdom of a century of success thinking in a single, accessible volume.

A Happy Pocket Full of Money, first self-published in 2001, so impressed Rhonda Byrne, that she asked David Gikandi to become a consultant on The Secret. In A Happy Pocket Full of Money, Gikandi explains that true wealth is not about having buckets of cash, but rather understanding the value within. True wealth flows out of developing “ wealth consciousness, ” that incorporates gratitude, a belief in abundance, and an ability to experience joy in life. He explores how recent discoveries in theoretical physics are relevant for the creation of personal wealth and shows readers how to create abundance by saving, giving, offering charity, and building happy relationships. A Happy Pocket Full of Money features: How to use an internal mantra to build wealth consciousness.-How to be conscious and deliberate about your thoughts and intentions.How to decide, define, and set goals you can believe in.How to act on your beliefs and overcome challenges.How to incorporate gratitude, giving, and faith to experience abundance and joy in life. This inspirational book will change how you view and create money, wealth, and happiness in your life.

“ Desire is here to stay. The challenge we all face, and which I intend to guide you through, is to learn how to take into account the full measure of who you are and use the positive force of all four of your soul ’ s desires to lead you to your best life. ” —Rod Stryker

According to ancient Yogic tradition, your soul has four distinct desires: • The desire for purpose, the drive to become who you are meant to be • The desire for the means (money, security, health) to prosper in this world • The desire for pleasures like intimacy, beauty, and love • The desire for spiritual fulfillment and lasting freedom Learning to honor these four desires is the key to happiness, and to a complete and balanced life. But how can you discern what will truly satisfy your desires? How can you increase your capacity to achieve them? What if your desires seem to conflict with one another? Is it really possible to live a spiritual life while also wanting material pleasures and success? For more than three decades, master teacher Rod Stryker has taught yoga in the context of its deepest philosophy. His course, called The Yoga of Fulfillment™, has helped thousands recognize their soul ’ s call to greatness and to achieve their dreams. Now, in this wise and richly practical book, he has distilled those broad teachings into a roadmap for becoming the person you were meant to be. It is filled with revealing true stories, provocative exercises, and practices for unlocking your inner guidance. And even if you ’ ve never done a yoga pose, you can follow this step-by-step process to: • discover your soul ’ s unique purpose—the one you came into this world to fulfill. • recognize the goal(s) you need to focus on at any given time and enliven your capacity to reach them. • overcome self-defeating ideas and behavior. • recruit your deepest energies and strengthen your resolve to meet any challenge. • learn to live with joy at every stage of your growth. The Four Desires is nothing less than a complete path toward living your best life possible—a life that is rich in meaning and in means, a life that attracts and emanates happiness, a life that is your unique gift to yourself and the world.

The importance of ministry in the Body of Christ cannot be overemphasized. There can be no real expansion of the Kingdom of God on earth without each member understanding this concept. The expansion of the Kingdom, thus, cannot occur without significant financial input. God predetermined that He would bless His people financially as they fulfil their part in His covenant of prosperity by experiencing the supernatural law of sowing and reaping. This general principle applies to all Believers but even more so to those called to the ministry of giving in the Body of Christ. These are the Christian businessmen and women. This book pragmatically examines the laws of financial prosperity and encourages all Believers to support kingdom business in order that they may experience God's financial blessing. It also serves to bring enlightenment to Christian businesspeople, regarding their purpose, obedience to their call, and the resultant blessings on their business enterprises.
