

## The Scoutmasters Other Handbook

*Scoutmaster's and Scout Leaders alike must fill many shoes. They must manage, lead, teach, and protect their scouts, but most of all they must inspire them, for a scout who does not know his true purpose is a lost scout, one who will often fall behind. It has been a long tradition to end scout meetings and campfires with short stories with a moral that makes a single point. Scoutmaster's Minutes is the best tool available to help do just that. With over 70 inspirational stories and lessons Scoutmaster's Minutes allows you as a leader to impart the wisdom of many others who have come before them, teaching a new lesson every meeting. Help your scouts dive deeper into the Scout Law, the Scout Oath, and the Scout Motto. Incite discussions about morals, values, and character. Scoutmaster's Minutes is the essential means to teach your scouts what it truly means to be a Boy Scout and a responsible citizen.*

The Complete Guide to Scouting's Greatest Moment

Being a scoutmaster can be one of the most rewarding things a person can do. But it can be a lot of work! Ask any scoutmaster what's the hardest part of the job, and one of the most common responses you will get would be coming up with the scoutmaster's minutes. Week after week, over fifty times a year, the scoutmaster must come up with an inspiring, educational, and entertainment message for the Scouts. Let's face it. Not every scoutmaster is the most gifted public speaker. Research shows that the number one fear of people is speaking in public. Just because a scoutmaster loves to hike, camp, teach, lead, and motivate, doesn't mean that they are comfortable speaking in front of a group. And how do you come up with inspiring stories, instructional words of wisdom and motivational messages, week after week? Long-time Scout leader, Larry Carpenter, has written a book that can be a lifesaver for any scoutmaster. This collection of 100 of the best scoutmaster's minutes offers brief messages that are themed to topics, including the Scout Oath, Law, Motto and Slogan. Additional minutes cover other topics, such as persistence, honesty, leadership, and other positive character traits. This book makes a perfect gift for your scoutmaster. Or, if you are a scoutmaster who is on the spot once a week, make it a gift to yourself!

This blueprint for the Boy Scout movement not only provides energetic tips on camping, tracking, and woodcraft, but offers proper Victorian-era advice on manners, self-discipline, and good citizenship. Includes the original illustrations.

**Begining Boy Scouts is an introduction to the youth program of the Boy Scouts of America. It is an unofficial guide to Boy Scouting to help parents, new leaders, and even scouting youth to better understand scouting goals and participate in Boy Scouting. It quickly answers numerous common questions and provides instruction and advice for parents and leaders -- to help know "what is first?" and how to get started, preparing for outdoor activities and summer camp, uniforms, leadership and the Patrol Method, earning awards and badges, Eagle planning and Eagle paperwork, and how to participate. It introduces the terminology and defines the common scouting lingo.**

*With these words Chuck Grant reflects on his adventure as a new Scoutmaster - If I had a nickel for every time I thought, said or heard the phrase "so far so good" over the past few months I'd be a rich man! I'd served as an assistant Scoutmaster for a few years when our Scoutmaster announced a job relocation that required his family to move. Mark Hacker, our committee chair, took me aside one evening and asked me if I would consider being the new Scoutmaster. I was stunned. I love Scouting, it's great fun. But, really? My wife Anne and I discussed the commitments involved, she appreciated what Scouts did for our son and believes in the program. She agreed I ought to give it a try. I called Mark and told him I would take the job in the fall. I had three months to prepare, so I started reading everything I could find about Scouting. I felt a combination of excitement and dread. It was like stepping off the edge and jumping into a volcano; no turning back now!*

*Please note This is NOT the current edition of the BSA Handbook. It is a reprint of an historical edition of the BSA Handbook. For the first time, we are pleased to present this facsimile copy of the 1910 Original Edition of the Boy Scouts of America Official Handbook! Written primarily by Ernest Thompson Seton, with sections added from Lieutenant General Sir Robert Baden-Powell's "Scouting for Boys" and "Aids to Scouting." The 1910 Original Edition is a milestone in the history of the Boy Scouts of America. Published only from July 1910 to March 1911, this short-lived BSA Handbook was cobbled together using material from Seton's earlier work "The Birch Bark Roll" and then fused with Baden-Powell's Boy Scouts concept. Always meant as a temporary handbook until a proper one could be written and published, the 1910 Original Edition is super interesting and contains a wealth of woodsman's lore and military scouting techniques and training which do not appear in later editions of the BSA Handbooks. Many expertss consider this book to be quite a useful backwoods survival manual, and it definitely has appeal to the modern "classic camping" movement. The content of this edition is presented exactly as per the original, with the same page count, illustrations and table of contents. It's the original text exactly as it was presented in 1910 without some modern "expert" analysis or introduction. Today's reader can make up their own mind by actually reading the book. A perfect gift for the classic camping enthusiast, old Eagle Scout or the young Indiana Jones in your life. With all original illustrations, this new paperback replica edition brings this exceptionally rare book to a 21st Century audience.
