Three days before Erin Bellini's wedding, her fiancé breaks up with her--in an email! Hurt and embarrassed, she decides to have a fling with veterinarian Jason Callum, who's both the best man and the hottest guy she knows. Suddenly Erin finds herself spending a lot more time with Jason than she intended. Feelings she never planned on having again are wrapping around her heart, refusing to let go. In the postcard-perfect seaside town of Annapolis, Maryland, the bestselling romance series begins—Lieutenant Commander Mick Riley, a member of the fabled SEAL Team Six, can't pull his eyes from Lacey Owens. Yet she is the type of woman he wants to avoid—the kind that gets him thinking about settling down, spawning kids, and finding lower-mortality employment. Lacey has her own reasons for avoiding Mick. Tired of living in the shadow of her financial mogul sister, this real estate agent has tossed ethics aside to succeed, putting the tempting SEAL well out of her reach. But when their circles of friends collide, Lacey can't avoid Mick's rock-hard abs and a smile that melts her into a pool of hot wax. Friendship blossoms and passion simmers... even as she struggles to conceal the unethical business plan that brought him into her life. SEAL the Deal is a full-length novel about the fine line that divides friendship and love, and the unexpected joy of crossing it.

When Maeve said good-bye to Jack eight years ago after a weekend fling, she never expected he'd return to her life, and wind up the best man in the wedding of her friends, Mick and Lacey. But a lot has happened in the years they've been apart... just enough to make a relationship with him impossible. If she can resist temptation for just six more weeks, her secrets will be safe. Six weeks... starting... now... The SEAL's Best Man is a full-length novel about what happens when the low sizzle of a weekend fling blazes into a bonfire that could burn for a lifetime.

Seal Team Seven 02: Specter

Who put the "O" in Aloha? Yeah, that's me. Camden Sheridan. A guy who will bring you to "O" faster than you can text it. Former Army Ranger with the standard issue 8-pack. And now, a bartender who'll get you safely back to your hotel after too many margaritas... and you won't want me to leave. Believe me, you won't. I live life by my rules in my bachelor pad paradise here on the Big Island of Hawaii. Until a Ranger brother needs me to take care of his little girl while he deploys. A four-year-old cockblock in pigtails. My sex life comes to a screeching halt. Then the babysitter shows up. Annie. Smart, principled, good with kids. All the things I don't look for in a woman. I want her anyway. Annie's got a fortress of secrets surrounding her. But I'll break it down and claim her as mine. If this kid will just take a nap.

Colt Adler: I'm trying to picture him, way back when. But how can I? All I see now is the Army Ranger he's become. Intoxicating smile. Sculpted arms. To-die-for eight-pack. And enough medals on his uniform to set off airport security from a mile away. He doesn't resemble the kid who shared my tree house with me, along with every perfect memory of my childhood. He protected me—long before he protected our country. And he knows it all. Every hope and dream in my heart. Every vulnerability I hide from everyone but him. Every secret... Except one. One tiny lie that I'm discovering I want desperately to be the truth. Because he's not the only one who's changed since we were ten. But I can't risk a friendship that's lasted eighteen years—even when his lips are so close that I'm wondering if he'll finally kiss me... ..or kiss me not.

If anyone can resist a man in uniform, it should be Becca ... As the young widow of a Soldier, the sister of a Navy SEAL commander, and the business partner of a handful of tempting SEALs, Becca Shey-Corridan knows all too well that those sexy-as-sin uniforms can come with a lot of heartache. Now, she prefers a simpler life, focusing on raising her son and running the ice cream shop she and her late husband once dreamed of opening together when he retired from the military. She has no interest in falling for another Army officer... until a chance meeting in the woods with Delta Force squadron commander Liam Carter changes her life forever. As the snow falls on her first holiday in her new home, will destiny give Becca a second chance at love?

The answers you've been waiting for... in the follow-up novella to No Reservations! When former Navy SEAL, Maddox Kerry, sweeps Bridget Needham off her feet, slips a ring on her finger, and talks about "forever," her life should be a fairy tale romance. But a mysterious envelope hidden away in a wall threatens to shatter Bridget's happily ever after. Maddox has pulled off plenty of rescues in his time

with the SEALs. But as the minutes count down to their impending wedding, can he save Bridget from letting her past destroy her future?

Hot SEAL, Bachelor Party

I know exactly what I want. And it has nothing to do with the hot Navy SEAL I picked up in a bar. Really... it doesn't. Even though the pressure of his lips on mine fires me like a hot kiln, and the feel of his ripped chest beneath my hungry fingertips... Wait... I'm digressing. Focus, Allie. Since graduating from college, I've been juggling two jobs while fostering abandoned dogs, with my sights set on opening a rescue kennel. I'll do whatever it takes to succeed, even if it means fighting back my cravings for the man who's been fueling my fantasies since I got my first taste of him in a hotel elevator. This guy is too full of secrets. Dark ones, hidden behind his ice blue eyes. Secrets of his Special Ops past and of a billionaire family that employs half our town. He won't let me into his world, and it's for the best. Logan Sheridan is more than I can handle. But when he slips his way into my life, searing the memory of his rock-hard body pressed against mine into my consciousness, all I can do is remember that night in the elevator... ..and ask for more, please.

Mason Adler: Hot. Cocky. Sugar-coated Bad Boy. The type of man who knocks the big "O" clear to the front of the alphabet every time. Wrap up that eight-pack with Navy khakis and top it off with a shiny SEAL Trident, the kind that makes the girls swoon. That's Mason. My best friend. For me, he's off limits. Now that I've finished college, I need to focus on my writing career. And without his help, I don't stand a chance. But I need something from him. Something only he can give me. So I'll pull the blinds. I'll toss my inhibitions. I'll call it "research." And I won't let my heart get involved, especially with him leaving at the end of the week. Leaving me ... even though my very soul is still in his grasp.

A survey of the economic resources of Alaska in the early territorial period of 1868 to 1895 including seal and salmon fishing, in particular in the Bering Sea and Pribilof Islands, and the condition of native peoples, as well as the operations of the Alaska Commercial Company. Includes annual reports of agents in charge of seal islands.

Stein Adler: The first time I saw him, he was splitting logs like my filthiest lumberjack fantasy. A Delta Force hero with a heart of gold... hidden behind pecs that should be sculpted in marble. And then there's that eight-pack that renders me speechless as I stare at him from behind a bush during my vacation. He's not what I'm looking for. Really. A fling with Stein is the polar opposite of the calm, peaceful week I planned when I booked this trip. His piercing eyes are full of secrets that should make me run for cover. But if he can handle a woman as masterfully as he handles that axe... well, he might be enough to pull me out of my post-divorce gloom. So I'll strike a deal with him. I can't resist. It's not often an accountant like me comes across a man this... fling-worthy.

Bridget Needham knows first-hand how a Special Ops man can shatter a girl's heart. She's still kicking herself over the one that got away... after watching him get down on one knee and propose to someone else. After giving up her career to re-open her aunt's struggling bed-and-breakfast inn, the last thing she needs is a sexy-as-sin SEAL showing up on her doorstep—especially when the secrets of her past still threaten to keep her from holding onto love. Besides, this guy might have a Greek god bod and an impressively large power drill, but he also has a girlfriend two thousand miles away. Former Navy SEAL Maddox Kerry hadn't intentionally landed himself in Annapolis during Commissioning Week—the one week when it's next-to-impossible to find a place to stay. So it's mission-critical that he convince an adorably awkward innkeeper whose bed-and-breakfast is closed for renovations to let him stay. And hey, if he finds himself hoping for a little more than the customary turn-down service, who can blame him? Yet every time the chemistry sparks between them, she runs for cover. Any other guy would shrug his shoulders and move on. But he can't walk away when he senses the pain behind her prim exterior. Because Maddox Kerry isn't any other guy.

Rough-around-the-edges Gabe Nolan grew up poor in a bad neighborhood and literally fought his way to the top, learning discipline through boxing and earning a college degree. Now the owner of the nation's most popular chain of sports adventure stores, he enjoys wealth and women, but neither can diminish the pain of losing the girl of his dreams to his best friend. Brianne Whitcomb is all set to marry Eric, a man who's perfect for her in every way—except for the fact he's not Gabe. But Gabe didn't fight for her when he had the chance, and it's obvious he views her only as a friend. He's even agreed to be Eric's Best Man. Only when Eric fails to show up for the wedding, Gabe takes on a new role: Brianne's confidante and shoulder-to-cry-on. The more time they spend together, the more friendship turns into an irresistibly tempting passion. With no idea if or when Eric will return, Gabe and Brianne tentatively explore whether their physical attraction can lead to something lasting. But Gabe's fear that he'll never be good enough is the toughest opponent of all. Will Gabe take on the fight of his life to win Brianne's love?

FUBAR. The day my life fell apart, I was introduced to this term. It's comforting to know there's one word that completely defines my life. Go ahead. Look it up. And right next to the term, you might see a picture of me as the example, sweltering in a 40-pound princess gown in front of my castle beside a kiddie coaster ... and flanked by the sexiest piece of man candy that ever walked this earth: Dylan Sheridan. The same Dylan Sheridan who's an Olympic medalist turned MMA fighter turned billionaire entrepreneur. The same Dylan Sheridan who destroyed my best fantasy the moment I realized he's just a cock-sure narcissist who thinks I have a single-digit IQ. And I won't fall for him. Even when my life spirals out of control and he's the only one who reaches into the hurricane to pull me out. Because even though you see his rock-hard body standing by my side ... we're just faking it.

An "infuriating, fast-paced" (The Washington Post) account of the Navy SEALs of Alpha platoon, the

startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America's special forces—from a Pulitzer Prize-winning reporter WINNER OF THE COLORADO BOOK AWARD • “Nearly impossible to put down.”—Jon Krakauer, New York Times bestselling author of *Where Men Win Glory* and *Into the Wild* In this “brilliantly written” (The New York Times Book Review) and startling account, Pulitzer Prize-winning New York Times correspondent David Philipps reveals a powerful moral crucible, one that would define the American military during the years of combat that became known as “the forever war.” When the Navy SEALs of Alpha platoon returned from their 2017 deployment to Iraq, a group of them reported their chief, Eddie Gallagher, for war crimes, alleging that he'd stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. The story of Alpha's war, both in Iraq and in the shocking trial that followed the men's accusations, would complicate the SEALs' post-9/11 hero narrative, turning brothers-in-arms against one another and bringing into stark relief the choice that elite soldiers face between loyalty to their unit and to their country. One of the great stories written about American special forces, Alpha is by turns a battlefield drama, a courtroom thriller, and a compelling examination of how soldiers define themselves and live with the decisions in the heat of combat.

A definitive history of the US Navy's renowned special operations fighting force—“the most complete in-depth study of this fabled elite unit” (Library Journal). The legend was forged in the fires of World War II, when special units of elite navy frogmen were entrusted with dangerous covert missions in the brutal global conflict. These Underwater Demolition Teams, as they were then called, soon became known for their toughness and fearlessness, and their remarkable ability to get the job—any job—done. Years later, the renamed US Navy SEALs (for Sea, Air, and Land) continued to be a wartime force to be reckoned with throughout the remainder of the twentieth century and into the twenty-first. They served as rangers and scouts in the jungles of Vietnam, answered the call to duty in Panama, Granada, and in Saddam Hussein's Iraq, while developing into the very best of the best, the cream of America's Special Forces crop. Author Orr Kelly offers a rich and riveting history of the SEALs, covering their remarkable triumphs while not shying away from the scandals and controversies. An extraordinary portrait of extraordinary fighting men, *Brave Men, Dark Waters* shines a brilliant light into the darkest shadows of war, which is where the SEALs have operated for decades with awesome and deadly efficiency.

famed Underwater Demolition Team 21, he was an initial member -- a "plank owner" -- of America's deadliest and most elite fighting force, the U.S. Navy SEALs. Through three tours in the jungle hell of Vietnam, he walked the point -- staying alert to trip wires, booby traps and punji pits, guiding his squad of amphibious fighters on missions of rescue, reconnaissance and demolition -- confronting a war's unique terrors head-on, unprotected . . . and unafraid. This is the story of a hero told from the heart and from the gut -- an authentic tour of duty with one of the most legendary commandoes of the Vietnam War.

31 Days Training with the Toughest Man on the Planet

Lieutenant Blake Murdock and his seven-man unit from SEAL Team Seven's Red Squad embark on a perilous mission to recover a Japanese freighter carrying nuclear fuel from the renegade Iranian fanatics that hijacked it.

Dangerous missions, death-defying escapes, and mortal combats are child's play compared to taking a virgin ... Dark nights, strange forest creatures, ropes, cuffs, paddles, and a whip should've been more than enough to tame one little virgin. Blyss wasn't your typical virgin! I'd won her in a bidding war. She was pure as the driven snow. Every Dom wanted her. It was me who was supposed to rule her, but she stole my heart before I knew what was happening. Every part of her was virgin territory, yearning to be explored. She was primal, and I took her that way. A blast from my past forced me to accept a fake marriage, just so I could see my daughter, who'd been kept a secret. Just as it was all coming together, my SEAL team needed me. War is hell, and it gets even

harder when you have to leave the ones you love at home. Would I see the smiling faces of my girls again? Or would an enemy prison camp become my new home? Our happily ever after was in jeopardy. Could I save it?

Entrepreneur Jesse Itzler chronicles his month of living and extreme fitness training with a Navy SEAL in the New York Times and #1 LA Times bestseller *LIVING WITH A SEAL*, now with two bonus chapters. Entrepreneur Jesse Itzler will try almost anything. His life is about being bold and risky. So when Jesse felt himself drifting on autopilot, he hired a rather unconventional trainer to live with him for a month—an accomplished Navy SEAL widely considered to be "the toughest man on the planet"! *LIVING WITH A SEAL* is like a buddy movie if it starred the Fresh Prince of Bel-Air...and Rambo. Jesse is about as easy-going as you can get. SEAL is...not. Jesse and SEAL's escapades soon produce a great friendship, and Jesse gains much more than muscle. At turns hilarious and inspiring, *LIVING WITH A SEAL* ultimately shows you the benefits of stepping out of your comfort zone.

You've heard the joke... Know how to figure out if a guy's a pilot? He'll tell you. Yep. Cocky? Arrogant? Player? That's generally the impression I like to give women. Outside of my 8-pack and medals for valor, when it comes to women's expectations of me... I try to keep the bar low enough so that I can roll over it. Until Kaila comes along. She's like every fantasy I could conjure - that night I made her soul-searing eyes glaze over with passion as she cried out my name... Several times, because I'm very thorough. It should have been enough for me. It's not. But with my past - and a secret I've kept even from my brothers - I know I'm not capable of giving her what she deserves. I know it... even with hindsight.
