

The Secrets Of Rosslyn

Nestling in an exquisite glen just seven miles from the centre of Edinburgh, Rosslyn Chapel is one of the world's most extraordinary places. Ever since it was built in the mid fifteenth century it has cast a mesmerising spell over all who have visited it, exuding an aura of profound mystery, as if it holds the key to some vast, unearthly secret. Six hundred years later it continues to confound and intrigue, inspiring stories of The Knights Templar, the Holy Grail and a myriad of esoteric beliefs, most notably in the 1980s bestseller The Holy Blood and the Holy Grail and Dan Brown's The Da Vinci Code, which made the chapel known to millions throughout the word. In this book Roddy Martine sifts through mounds of unfounded conjecture and fantasy to make sense of it all. The Secrets of Rosslyn is the only book that lets the facts speak for themselves, showing ultimately that the truth is no less amazing than fiction.

A curious thing happened to Tim Wallace-Murphy and Marilyn Hopkins when they published Rex Deus, their first book on the bloodline of Christ: they were contacted by a man from the very lineage they were studying. And instead of denying the existence of the bloodline or berating them for revealing secrets, he actually confirmed that the Rex Deus lineage exists and even disclosed some of its fundamental secrets. The story of the Rex Deus families, direct descendants of Christ--who is believed to have survived the crucifixion?turns out to be much more extensive than the authors first thought. Instead of beginning during the time of Jesus, it stretches far back into antiquity, to the Egyptian Mystery Schools. Instead of being only a propagation of the holy bloodline, the Rex Deus families are also carriers of the secret teachings of Jesus. Custodians of Truth reveals the purpose and secrets of the Rex Deus lineage. Jesus was not only a holy man, but an adept of ancient knowledge, which informed his own teachings. This secret knowledge was suppressed by the Church in their voracious quest for power and influence in the secular world. These teachings have manifested throughout history in different forms--Gnostic philosophy around the time of Jesus, the Order of the Knights Templar, Freemasons, and the current resurgence of interest in New Age thought. Finally, the time is right for the hidden message of Jesus to be revealed--a message of tolerance, brotherhood, and respect for nature. The next chapter in the legend of the Holy Grail and the bloodline of Christ-from the best-selling authors of Rosslyn.

Built by the Sinclair family in the 15th century, the mysterious Rosslyn Chapel is said to contain priceless treasure brought from France by the Knights Templar, hidden in its sealed vaults. The final destination of medieval pilgrimages to seven sacred sites throughout Europe, hundreds of ornate stone carvings detail Pagan, Christian, Masonic, Templar, and Islamic revelations.

It is said that Rosslyn Chapel is the last resting place of the Holy Grail and that the fabulous treasure is buried in its secret vaults. This text is the story of this mysterious chapel in Scotland, taking the reader on a voyage of discovery. It explores the existence of a configuration of seven pre-Christian sites which formed the route of a pilgrimage of initiation used by Druids, Knights Templar and Christian Mystics in their search for true knowledge and enlightenment. Beginning at Compostela in Spain, the voyage of discovery proceeds to Tolouse, Orleans, Chartres, Paris and Amiens, taking us deep into a mysterious world where hidden streams of spirituality flow beneath the surface of European history, profoundly influencing the evolution of Western thought. The journey ends at Rosslyn Chapel in Scotland, where the history of its founders, the Sinclair family, illuminates the revelations of Rosslyn and their signifance for us today.

Knights of the Quest

The Templars and the Grail

The True Mystery of Rennes-le-Château and the Dynasty of Jesus

Templars in America explodes the myth that Columbus was the first European to discover the Americas. Using archival and archaeological sources, Tim Wallace-Murphy and Marilyn Hopkins reveal the Venetian connection between the Knights Templar and pre-Columbian America and prove the continuous history of such exploration from the time of ancient Egypt, Greece, and Rome, through the Viking explorations. Told in fascinating detail, this story takes as many twists and turns as a historical mystery novel. Templars in America takes readers through the many possible early explorations of America, which set the stage for the real mystery: the tale of how various dealings between Venice and Normandy resulted in the Templars coming to America. Two leading European Templar families, nearly 100 years before Columbus, combined forces to create a new commonwealth in America. This is the story of Henry St. Clair of the Orkney Islands, then part of Normandy, and Carlo Zeno, a Venetian trader. These early explorers made peaceful and mutually beneficial contact with the Canadian Mikmaq people. Although the voyage had little immediate political or commercial impact, it acts as a signpost to a centuries-long process that culminates in the beliefs and traditions of the Templars and Freemasonry, shaping the thinking of the founding fathers of the United States and the American Constitution. Templars in America is a wild ride through the golden age of exploration to the founding of the United States of America.

Roddy Martine looks beyond the everyday world in this thought-provoking selection of real-life encounters with the supernatural. Based on personal experience and interviews with those who have witnessed all manner of paranormal activity, Haunted Scotland is a fascinating glimpse into a world unexplainable by the laws of science, and includes spine-chilling cases of hauntings, time slips, exorcisms, reincarnation, omens and witchcraft from all parts of Scotland.

"Here stands the New Man. His conception of reality is a dance of electronic images fired into his forebrain, a gossamer construction of his masters, designed so that he will not--under any circumstances--perceive the actual. This New Man's happiness is delivered to him through a tube or an electronic connection. His God lurks behind an electronic curtain; when t curtain is pulled away we find the CIA sorcerer, the media manipulator. Jeff Keith is one of the foremost writers and researchers on political conspiracy in the world today"-- Publisher description.

This book reveals the truth, and looks beyond the conspiracy theories and Grail rumours.Ever since its creation in the mid fifteenth century, Rosslyn Chapel has cast a mesmerising spell over all who have visited it. Nestling in an exquisite glen barely seven miles from the centre of Edinburgh, it exudes an extraordinary atmosphere, serene yet charged, as if it holds the secret of some vast, unearthly mystery. Almost 600 years after its creation it remains an enigma that continues to confound, intrigue and fire the imagination of those who believe that the treasures of the Knights Templar lie hidden within its precincts, as well as other more outlandish speculations. In this book, Roddy Martine sifts through mounds of unfounded conjecture and fantasy to make sense of the various theories surrounding the chapel. The Secrets of Rosslyn lets the facts speak for themselves, showing that the truth is no less amazing than fiction.

Cracking the Symbol Code

Donation.

Expanding on issues touched on in The Da Vinci Code, this thought-provoking study explores the real story of Christianity—a story told by men and women condemned by the traditional, orthodox church, and one long hidden in mysterious codes and symbols. In medieval times, dissenters believed the established church ruthlessly suppressed the truth about Jesus and his ministry. Branded as heretics and subject to torture and execution for their beliefs, the dissenters—including the Knights Templar, Freemasons, Cathars, and groups of scientists—devised an ingenious code to communicate with fellow sympathizers and preserve the truth. They concealed these complex symbols in art, artifacts, and architecture of the medieval world. Finally, this fascinating underground language is deciphered...revealing powerful messages meant as much for today's truth seekers as for medieval minds.

The mysterious history of Rosslyn Chapel and the Knights Templar is revealed in this authoritative volume by a descendent of its first patrons. In the 15th century, William Sinclair, 1st Earl of Caithness and Baron of Roslin, built a Catholic chapel in the Midlothian region of Scotland. Famous for its esoteric symbolism, this flamboyant Gothic church was of great importance to the Knights Templar, who formed a third Temple of Solomon with the patronage of the Sinclair lairds. Historian Andrew Sinclair, whose own family lineage traces back to William, explores the rise and fall of Rosslyn over the course of centuries. It is a tale of religious conflicts and ancient relics, of epic battles and secret societies. Along the way, he dispels the many myths and misinterpretations that have grown up around Rosslyn, as the fortunes of the Sinclair family declined and the Church and Castle fell into ruin.

The secrets of Scotland's Rosslyn Chapel have remained hidden for hundreds of years. After a decade of extensive research, two Scottish historians have pieced together the real story of Rosslyn and reveal all in this book.

Hidden Wisdom

Uses the principles of sacred geometry, archaeological evidence, and Native American legend to discover the site of a secret Templar settlement in Nova Scotia • Offers evidence that Scottish prince Henry Sinclair not only sailed to the New World 100 years before Columbus, but that he also established a refuge there for the Templars fleeing persecution • Shows that the Grail, the holy bloodline connecting the House of David to the Merovingian dynasty through Jesus and Mary Magdalene, was hidden in the New World In 1398, almost 100 years before Columbus arrived in the New World, the Scottish prince Henry Sinclair, Earl of Orkney, sailed to what is today Nova Scotia, where his presence was recorded by Micmac Indian legends about Glooskap. This was the same Prince Henry Sinclair who offered refuge to the Knights Templar fleeing the persecution unleashed against the order by French king Philip the Fair at the beginning of the 14th century. With evidence from archaeological sites, indigenous legend, and sacred geometry handed down by the Templar order to the Freemasons, author William F. Mann has now rediscovered the site of the settlement established by Sinclair and his Templar followers in the New World. Here they found a safe refuge for the Grail--the holy bloodline connecting the House of David to the Merovingian Dynasty through the descendants of Jesus and Mary Magdalene--until the British exiled all the Acadians in 1755.

Much has been written over the years about Rosslyn Chapel and its connection with Scottish Freemasonry, as well the St.Clair family, the Knights Templar and a variety of 'lost treasures'. The author looks in depth at the validity of the published material and the legends associated with the Rosslyn Chapel exposing major differences between Scottish Freemasons' view of their history and heritage and that described by those who are not Freemasons.

Did the Knights Templar survive the arrests on October 13th, 1307? The question is steeped in controversy. During research on the Order in England, the author was contacted by a leading member who wanted to share the unusual and secret history of his family. The Revised Edition includes stunning New Photos & Star Charts. Well researched & annotated

From Egyptian mythology to Jewish mysticism, Rome and Greece to the druids and the gnostics, Tim WallaceMurphy exposes a fascinating lineage of hidden mysteries and secret societies, continuing through the Templars, Rosicrucians, and Freemasons to our modern visionaries. This hidden stream of spirituality and that of sacred knowledge are inseparably entwined to form the single most important continuous strand in the entire Western esoteric tradition. This tradition exerted a seminal influence on the thinking of the builders of the great cathedrals/ leading teachers in ecclesiastical schools/ philosophers/ playwrights/ poets such as Shakespeare, Goethe, Blake, and W. B. Yeats/ and on artists and Renaissance giants such as Leonardo da Vinci and Michelangelo. It is also the root from which sprang alchemy and modern science. Now, as more people are looking to find information on the alternatives to dominant religions and dogmas that have told us what to think and how to behave, as faith has been questioned by religious scandals, economic meltdowns, and an increasingly sick planet Earth, WallaceMurphy reveals the secrets of the masters, including invaluable spiritual insights into everyday life that have been hidden throughout the ages. He shows us who kept this spiritual tradition alive despite appalling persecution, so that we in the twentyfirst century might benefit from its accumulated fruits and ennoble our lives. Hidden Wisdom will be of immense interest to readers of the number one bestseller The Lost Symbol as it explains much of Dan Brown's focus on the ancient mysteries.

Secrets of RosslynBirlinn

Interest in this subject has never been greater, but who were the Knights Templar? The order was founded early in the twelfth century to protect pilgrims to the Holy Land by the Rex Deus families, who claimed to trace their bloodline directly from Jesus Christ. The Knights Templar had their own agenda and rose to power despite not conforming to the Church. Wallace-Murphy explains the heretical spiritual beliefs of the Knights Templar and the Rex Deus families and examines their role in the loss of the Holy Land. He charts their achievements in a remarkable range of endeavours, from building castles and cathedrals to laying the foundations of the modern marketplace. He also uncovers the link between the Templars and the Rosicrucians, and how the propagation of the Grail sagas and, later, the foundation of the secret society of Freemasonry.

Explores the hidden history of Freemasonry from ancient Rome, through the Middle Ages, to the present • Shows the close connection between medieval masons and the Knights Templar • Illustrates the sacred nature of Roman and medieval trade associations • Reveals the missing link that connects the lodges of modern Freemasonry to the Knights Templar • Shows how the Templars were persecuted and how they survived • Explores the distinction between the operative Masonry of the Middle Ages and the speculative Masonry of modern times, emphasizing that there is no direct bridge connecting the two. Modern historians also have scoffed at Masonic claims concerning the close relationship between the Lodge and the Temple. Using medieval archives housed throughout Europe, the author traces the very intimate connection between the Masons and the Knights Templar. Church records of medieval Paris show that most, if not all, the Masons of that time were residents of the Templar censive, which allowed them to enjoy great exemptions and liberties from both church and state as a result of the protection afforded them by this protection. The Templar lineage can be traced back to the collegia of ancient Rome. He traces the evolution of organizations such as the Comacine Masters, the Arab turuqs, and the brotherhoods of builders created under the aegis of the Benedictines and the Knights Templar, all of which provide the vehicle for the transmission of a sacred tradition from pre-Christian times to the present. The author also explores the symbolism, and it provides the missing link in the transformation of the operative Masonry of the medieaval cathedral builders to the spiritual principles of modern speculative Masonry.

You contemplate whether there's a monster in Loch Ness. You wonder why the ancient Scots loved stone circles so much. And you never quite understand how they came up with the recipe for haggis. Yet nowhere is as thought-provoking as Rosslyn Chapel. This stunning chapel is located outside of Edinburgh and has flummoxed historians for centuries. The stonework is laced with strange symbolism, ancient cults appear behind every story, and alien activity frequently gets reported by UFO hunters. This book evaluates the artistry of both the exterior and interior of Rosslyn Chapel in light of that geometry. The magnificent masonry and structural design of the Rosslyn Chapel are carefully assessed and explained. The book has had held sacred secrets.

The Second Messiah

The Continuance Of Rex Deus

The book answers many questions concerning the whereabouts of the Templar's unique treasure trove, including mysteries of the Rosslyn Chapel and Rennes-le-Château, and how the treasure is believed to have found its way to the New World long before Columbus or other explorers had set sail. It also portrays a link from the Templars to modern day Freemasons.

Presenting the ancient Holy Grail lineage from Asia and how the Knights Templar were initiated into it, this book reveals how ancient Asian wisdom became the foundation for the Holy Grail legend.

The glorious fifteenth-century Rosslyn Chapel, one of Scotland's most extraordinary architectural masterpieces, has remained in the ownership of the St Clair family for over 550 years. Rosslyn Chapel, written by the Earl and Countess of Rosslyn, its current St Clair custodians, is a personal account of a family chapel that has become a national treasure. Built entirely in stone, the multitude of carvings and sculptures include Christian imagery, from angelic musicians to Biblical scenes; over 100 representations of the pagan Green Man, a symbol of fertility and rebirth; and the earliest recorded stone carving of the medieval Dance of Death, the 'Danse Macabre'. Rosslyn Chapel also looks into the myths and legends associated with the building and the family, who have been connected at various points in history.

The book also explores the connection between the Knights Templar and the Rosicrucians, and how the Templars were persecuted and how they survived. The Templar lineage can be traced back to the collegia of ancient Rome. He traces the evolution of organizations such as the Comacine Masters, the Arab turuqs, and the brotherhoods of builders created under the aegis of the Benedictines and the Knights Templar, all of which provide the vehicle for the transmission of a sacred tradition from pre-Christian times to the present. The author also explores the symbolism, and it provides the missing link in the transformation of the operative Masonry of the medieaval cathedral builders to the spiritual principles of modern speculative Masonry.

A captivating look into the society of the Knights Templar Brought to you by the author of Freemasons For Dummies, The Templar Code is more than an intriguing cipher or a mysterious symbol - it is the Code by which the Knights Templar lived and died, the Code that bound them together in secrecy, and the Code that inspired them to nearly superhuman feats of courage and endurance. The Templar Code For Dummies will explore the meaning behind the cryptic codes and secret rituals of the medieval brotherhood of warrior monks known as the Knights Templar. This intriguing guide will cover such topics as who the Knights Templar were, how they rose so high and fell so far, and most importantly why there is so much interest in them today. The Templar Code For Dummies will explore myths and theories of Christian history, the meaning of the Templar Code such as the quest for the Holy Grail, the Catholic Church's relationship with women that are hotly debated now with special emphasis on the Templar connection. It also explores the surprising part the Templars have played in some of the most important historic events of these past seven centuries, including the French Revolution, the birth of groups such as the Freemasons, and even the birth of the modern world.

Holy Blood, Holy Grail

Rosslyn Chapel

Rosslyn and the Grail

The Secrets of the Western Esoteric Tradition

The Templar Code For Dummies

Explores the legends of Rosslyn Chapel in Scotland and its connection to both the Knights Templar and the hidden stream of mystical spirituality beneath the surface of European history

Reveals evidence of visionary plants in Christianity and the life of Jesus found in medieval art and biblical scripture--hidden in plain sight for centuries • Follows the authors' anthropological adventure discovering sacred mushroom images in European and Middle Eastern churches, including Roslyn Chapel and Chartres • Provides color photos showing how R. Gordon Wasson's psychedelic theory of religion clearly extends to Christianity and reveals why Wasson suppressed this information due to his secret relationship with the Vatican • Examines the Bible and the Gnostic Gospels to show that visionary plants were the catalyst for Jesus's awakening to his divinity and immortality Throughout medieval Christianity, religious works of art emerged to illustrate the teachings of the Bible for the largely illiterate population. What, then, is the significance of the psychoactive mushrooms hiding in plain sight in the artwork and icons of many European and Middle-Eastern churches? Does Christianity have a psychedelic history? Providing stunning visual evidence from their anthropological journey throughout Europe and the Middle East, including visits to Roslyn Chapel and Chartres Cathedral, authors Julie and Jerry Brown document the role of visionary plants in Christianity. They retrace the pioneering research of R. Gordon Wasson, the famous "sacred mushroom seeker," on psychedelics in ancient Greece and India, and among the present-day reindeer herders of Siberia and the Mazatecs of Mexico. Challenging Wasson's legacy, the authors reveal his secret relationship with the Vatican that led to Wasson's refusal to pursue his hallucinogen theory into the hallowed halls of Christianity. Examining the Bible and the Gnostic Gospels, the authors provide scriptural support to show that sacred mushrooms were the inspiration for Jesus' revelation of the Kingdom of Heaven and that he was initiated into these mystical practices in Egypt during the Missing Years. They contend that the Trees of Knowledge and of Immortality in Eden were sacred mushrooms. Uncovering the role played by visionary plants in the origins of Judeo-Christianity, the authors invite us to rethink what we know about the life of Jesus and to consider a controversial theory that challenges us to explore these sacred pathways to the divine.

THE MOST CLOSELY GUARDED SECRET OF THE WESTERN WORLD IS ABOUT TO BE REVEALED -- AND YOU WILL NEVER SEE CHRISTIANITY IN THE SAME LIGHT AGAIN. In a remarkable achievement of historical detective work that is destined to become a classic, authors Lynn Picknett and Clive Prince delve into the mysterious world of the Freemasons, the Cathars, the Knights Templar, and the occult to discover the truth behind an underground religion with roots in the first century that survives even today. Chronicling their fascinating quest for truth through time and space, the authors reveal an astonishing new view of the real motives and character of the founder of Christianity, as well as the actual historical -- and revelatory -- roles of John the Baptist and Mary Magdalene. Painstakingly researched and thoroughly documented, The Templar Revelation presents a secret history, preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals of Europe, whose final chapter could shatter the foundation of the Christian Church.

Is the traditional, accepted view of the life of Christ in some way incomplete? • Is it possible Christ did not die on the cross? • Is it possible Jesus was married, a father, and that his bloodline still exists? • Is it possible that parchments found in the South of France a century ago reveal one of the best-kept secrets of Christendom? • Is it possible that these parchments contain the very heart of the mystery of the Holy Grail? According to the authors of this extraordinarily provocative, meticulously researched book, not only are these things possible — they are probably true! so revolutionary, so original, so convincing, that the most faithful Christians will be moved; here is the book that has sparked worldwide controversy. "Enough to seriously challenge many traditional Christian beliefs, if not alter them." — Los Angeles Times Book Review "Like Chariots of the Gods?...the plot has all the elements of an international thriller." — Newsweek

Hidden Treasures of the Knights Templar

The Secret Naval War Between the Knights Templar and the Vatican

The Rosslyn Hoax?

Revised Edition

The Rosslyn Templar

Rosslyn Chapel Decoded

Rosslyn Chapel has fuelled controversy and debate, both recently in several best-selling books as well as in past centuries. Revered by Freemasons as a vital part of their history, believed by some to hold evidence of pre-Columbian voyages to America, assumed by others to hold important relics, from the Holy Grail to the Head of Christ, the Scottish chapel is a place full of mystery. This book will guide you through the theories, showing and describing where and what is being discussed; what is impossible, what is likely... and what is fact. At the same time, the book will virtually guide you around all enigmatic and important aspects of the chapel. The history of the chapel, its relationship to freemasonry and the family behind the scenes, the Sinclairs, is brought to life, incorporating new, forgotten and often unknown evidence. Finally, the story is placed in the equally enigmatic landscape surrounding the chapel, from Templar commanderies to prehistoric markings, from an ancient kingly site to the South, to Arthur's Seat directly north from the Chapel -- before its true significance and meaning is finally unveiled: that the Chapel was a medieval stone book of esoteric knowledge, 'written' by the Sinclair family, one of the most powerful and wealthy families in Scotland, chosen patrons of Freemasonry.

Why do the powerful medieval Knights Templar, the famed warriors of the Crusades, still intrigue many today? A secret society long shrouded in mystery, the Templars were believed to conduct mystical rituals, to guard the Holy Grail, and to possess the priceless treasures of the Temple of Jerusalem. Did they bring their treasure to North America, as some legends say? This definitive work about the Templars and their presumed hidden knowledge addresses many such fascinating questions, with rare photos from the Rosslyn Chapel Museum (Scotland) included.

Ben Hansby is determined to cast a young student, Kate Winter, in his musical as he guards his participation in the Underground Railroad, while Kate is determined to use the musical to flee from her mother's determination to marry her off to a wealthy suitor.

This modern Grail quest leads to a French hilltop village with a turbulent history of religious and political intrigue and secrets--such as the claim that some of its families descended from the 24 high priests of the Temple in Jerusalem. This book provides the first full examination of this shadowy dynasty and the way it has altered history. Line drawings.

Templars in America

The Heretical Message within Church and Renaissance Art

The Secret History of Freemasonry

Its Origins and Connection to the Knights Templar

From the Crusades to the New World

Guardians of the Holy Grail

The Knights Templar and Rosslyn Chapel have recently been catapulted to Hollywood fame, with the knights' activities at the small Scottish town of Roslin proving to be a source of many conspiracy theories due to the chapel's alleged involvement in the holy grail legend. "The Rosslyn Templar" avoids well worn grail legend, instead providing new research concentrating on the symbolism of R.T.

McPherson's 1836 painting, "Templar Knight at Roslin Chapel".McPherson's recently discovered painting is the earliest material evidence linking the Knights Templar to Rosslyn Chapel. Cowie presents an engaging discussion of the painting, the history of Freemasonry and the architecture of Rosslyn, opening up new artistic evidence for a connection between the Templars, Freemasons and Rosslyn. This beautifully produced book contains detailed photographs of the interior and exterior of the chapel making it appealing to academic enthusiasts and visitors to the chapel alike, especially as public photography has been banned in the building since 2007.

Rosslyn Chapel is a deeply enigmatic 15th-century Gothic masterpiece, situated near Edinburgh. Although generally referred to as a 'chapel' and acting as a local parish church these days, Rosslyn is actually much more than either - and in fact most people who have studied the site in detail come to the conclusion that those who created the structure in the 15th century were not, in reality, intent on building a Christian church at all. In fact, nothing at Rosslyn is what it seems. With its overpowering air of mystery, its superlative stone carvings and its strong Templar and Freemasonic connections, Rosslyn represents one of the most absorbing historical puzzles in Britain. The discovery of new evidence by the authors puts a new slant on the motivations of those who decided to create a New Jerusalem in the Scottish Lowlands. The signs pointed the authors to a lost holy relic - the skull of St Matthew the Evangelist, in whose name the chapel is dedicated. There is startling evidence that this skull came to Rosslyn in the early 15th century, brought there by polymath, librarian and all-round genius Sir Gilbert Hay, who also put together a substantial library. What follows is no less than an adventure, using the clues from the lost books to locate St Matthew's skull - now in Washington, DC. The authors also embark on a thorough examination of Rosslyn Chapel's credentials, both a Christian church and as an icon of the impending Renaissance, a reconstruction of King Solomon's Temple and an astronomical observatory - all suffused with ancient beliefs that would have had the chapel's builders burned at the stake if their true motivations had been discovered.

Next to Rosslyn Chapel in Scotland, no other place on Earth holds as much esoteric symbolism as France's Rennes le Ch'teau. Its location and design are the subjects of countless rumors, myths, and legends. Mysteries of Templar Treasure and the Holy Grail, formerly published as The Secrets of Rennes le Chateau, delves into the reality behind the action and adventure of The Da Vinci Code. Rennes le Chateau has plenty of secrets: buried treasure, unsolved murders, supernatural powers, codes on parchments and tombstones, not to mention clues concealed in statues and paintings, enigmatic priests who controlled immense wealth, and secret societies that are still active today. The authors survey the arcane history and secrets of Rennes le Chateau, including its relationship to the Merovingian bloodline of Christ. The Chateau is a possible location of an immense treasure, such as a Templar, Cathar, or Priory of Sion hoard. The final resting place of a famous artifact like the Ark of the Covenant, the Spear of Longinus, the Emerald Tablets of Hermes Trismegistus- or even the Holy Grail. The authors also examine Rennes le Chateau's proximity to Cathar and Templar fortresses, its mystical layout, and its location on the same Paris meridian as so many other esoteric mysteries. Extensive appendices in the book offer possible solutions to secret cryptograms, point out odd connections and commonalities between Rennes le Chateau and J.R.R. Tolkien's Lord of the Rings, and suggest the possibility of fourth-dimension/tesseract implications.

Ever since its creation in the mid fifteenth century, Rosslyn Chapel has cast a mesmerising spell over all who have visited it. Nestling in an exquisite glen barely seven miles from the centre of Edinburgh, it exudes an extraordinary atmosphere, serene yet charged, as if it holds the secret of some vast, unearthly mystery. Almost 600 years after its creation it remains an enigma that continues to confound, intrigue and fire the imagination of those who believe that the treasures of the Knights Templar lie hidden within its precincts, as well as other more outlandish speculations. In this book, Roddy Martine sifts through mounds of unfounded conjecture and fantasy to make sense of the various theories surrounding the chapel. "The Secrets of Rosslyn" lets the facts speak for themselves, showing that the truth is no less amazing than fiction.
