Dobson, New York, 1905. Detective Simon Ziele lost his fiancée in the General Slocum ferry disaster—a thousand perished on that summer day in 1904 when an onboard fire burned the boat down in the waters of the East River. Still reeling from the tragedy, Ziele transferred to a police department north of New York, to escape the city and all the memories it conjured. But only a few months into his new life in a quiet country town, he's faced with the most shocking homicide of his career to date: Young Sarah Wingate has been brutally murdered in her own bedroom in the middle of an otherwise calm and quiet winter afternoon. After just one day of investigation, Simon's contacted by Columbia University's noted criminologist Alistair Sinclair, who offers a startling claim about one of his patients, Michael Fromley—that the facts of the murder bear an uncanny resemblance to Fromley's deranged mutterings. But what would have led Fromley, with his history of violent behavior and brutal fantasies, to seek out Sarah, a notable mathematics student and a proper young lady who has little in common with his previous targets? Is Fromley really a murderer, or is someone

mimicking him? This is what Simon Ziele must find out, with the help of the brilliant but self-interested Alistair Sinclair—before the killer strikes again. With this taut, atmospheric, and original story of a haunted man who must search for a killer while on the run from his own demons, Stefanie Pintoff's *In the Shadow of Gotham* marks the debut of an outstanding new talent, the inaugural winner of the Minotaur Books/Mystery Writers of America Best First Crime Novel Competition. *In the Shadow of Gotham* is the winner of the 2010 Edgar Award for Best First Novel.

Princess Jehosheba wants nothing more than to please the harsh and demanding Queen Athaliah, daughter of the notorious Queen Jezebel. To further Athaliah and Jezebel's strategies, she is forced to marry Yahweh's high priest and enters the unfamiliar world of Yahweh's temple. Can her new husband show her the truth and love she craves? And can Jehosheba overcome her fear and save the family--and the nation--she loves? With deft skill, Mesu Andrews brings Old Testament passages to life, revealing a fascinating story of the power of unconditional love.

FROM POVERTY TO WEALTH, FROM AFRICA TO AMERICA, AND FROM CHILD SOLDIER TO U.S. MARINE Born into the Congolese wilderness, Tchicaya Missamou became a child soldier at age 11. As a horrific civil war loomed across his country, Tchicaya began using his militia connections to ferry jewels, cash, computers, and white diplomats out of the country. By 17, he was rich. By 18, he was a hunted man, his house destroyed, his family brutalized in front of him by his own militia. By 19, he 'd left behind everything he 'd ever known, escaping to Europe and, eventually, to America. Incredibly, that was only the start of his journey. In the Shadow of Freedom is the uplifting story of one man 's quest to achieve the American Dream. Tchicaya Missamou 's life is a shining example of why America is a gift that should not be taken for granted, and why we are limited only by the breadth of our imagination and the strength of our will.

This story was reintroduced to today's audiences in 2006 thanks to the release of the film, *End of the Spear*, which tells for the first time the killings from the perspective of the Huaorani.

Combining New Testament study with the terseness of thriller writing, Theissen conveys the Gospel story in the imaginative prose of a novel. This is a story of our times, or how the gospels might have turned out if they were written by John Le Carre: racy, readable and full of incident.

At age eighty-three and in failing health, Olivia Morrow knows she has little time left. The last of her line, she faces a momentous choice: expose a long-held family secret, or take it with her to her grave. Olivia has in her possession letters from her deceased cousin Catherine, a nun, now being considered for beatification by the Catholic Church. These letters reveal that, at the age of seventeen, Catherine gave birth to a son and gave him up for adoption and they identify the father as Alex Gannon, a world-famous doctor, scientist and inventor of medical patents. Now, two generations later, thirty-one year old paediatrician,

Dr. Monica Farrell, Catherine's granddaughter, stands as the rightful heir to what remains of the Gannon family fortune. But in telling Monica who she really is and getting what is lawfully hers, Olivia would have to betray Catherine's wishes and reveal the story behind Monica's ancestry. But as the pressure of Olivia's impending choice weighs down on her, little does she realize that Alex Gannon's grand-nephews - who are currently exploiting the Gannon inheritance to fund their profligate lifestyles - will stop at nothing to silence Olivia and prevent Monica from learning the secret, even murder.

From the "Queen of Suspense," Mary Higgins Clark, comes a riveting tale of suspense, secrets, and revenge. But a dear friend of hers soon becomes the fifth woman in the class to meet a sudden, mysterious end. Then Jean receives a taunting fax about a child she gave up for adoption, whose existence she had kept a secret but whose life may now be in danger. For present at the reunion is The Owl, a murderer on a mission of vengeance against women who once humiliated him...and Jean is his final intended victim.

This enriching book describes the value of learning about the development of the human personality through the experience of observing a baby in the context of

the family. It is distinctive in the field of infant observation literature, for it shows how the affective learning model augments the learning experience. It also highlights a somewhat neglected area of observational study: the relationship between siblings and its influence on the development of self-esteem of the younger child.

"We live in a grief illiterate society." Truer words were never spoken. Grief is more than unpleasant; it's messy. Grief is more than foreign; it's counter-intuitive. Grief is more than probable; it's inevitable. Do you know what the Bible has to say about grief? Have you prepared yourself to grieve, and to do so well when your time comes LIFE IN THE SHADOW OF DEATH will educate you on grief and equip you to grieve to the glory of God. In the book, Michael Whitworth discusses what the Bible has

to say about the grief journey, how to weep appropriately with those that weep, how to grieve unconventional losses, and how we can know we are never alone in the valley of the shadow of death.

Adam de Guirande owes his lord, Roger Mortimer, much more than loyalty. He owes Lord Roger for his life and all his worldly goods, he owes him for his beautiful wife – even if Kit is not quite the woman Lord Roger thinks she is. So when Mortimer rises in rebellion against the king, Adam has no choice but to ride with him – no matter what the ultimate cost may be. England in 1321 is a confusing place. Edward II has been forced by his barons to exile his favourite, Hugh Despenser. The barons, led by the powerful Thomas of Lancaster, Roger Mortimer and Humphrey de Bohun, have reasons to believe they have finally tamed the king. But Edward is not about to take things lying down, and fate is a fickle mistress, favouring first one, then the other. Adam fears his lord has over-reached, but at present Adam has other matters to concern him, first and foremost his new wife, Katherine de Monmouth. His bride comes surrounded by rumours concerning her and Lord Roger, and he hates it when his brother

snickers and whispers of used goods. Kit de Courcy has the misfortune of being a perfect double of Katherine de Monmouth – which is why she finds herself coerced into wedding a man under a false name. What will Adam do when he finds out he has been duped? Domestic matters become irrelevant when the king sets out to punish his rebellious barons. The Welsh Marches explode into war, and soon Lord Roger and his men are fighting for their very lives. When hope splutters and dies, when death seems inevitable, it falls to Kit to save her man – if she can. In the Shadow of the Storm is the first in Anna Belfrage’s new series, The King’s Greatest Enemy, the story of a man torn apart by his loyalties to his lord, his king, and his wife.

A debut entry in an alternate-history series depicts three kids who try to solve a modern-world puzzle and complete a treasure hunt laid into the streets and buildings of New York City.

A stunning, powerful debut novel set against the backdrop of the Cambodian War, perfect for fans of Chris Cleave and Chimamanda Ngozi Adichie For seven-year-old Raami, the shattering end of childhood begins with the footsteps of her father returning home in the early dawn hours bringing details of the civil war that has overwhelmed the streets of Phnom Penh, Cambodia's capital. Soon the family's world of carefully guarded royal privilege is swept up in the chaos of revolution and forced exodus. Over the next four years, as she endures the deaths of family members, starvation, and brutal forced labour, Raami clings to the only remaining vestige of childhood - the mythical legends and poems told to her by her father. In a climate of systematic violence where memory is sickness and justification for execution, Raami fights for her improbable survival. Displaying the author's extraordinary gift for language, In the Shadow of the Banyan is testament to the transcendent power of narrative and a brilliantly wrought tale of human resilience. 'In the Shadow of the Banyan is one of the most extraordinary and beautiful acts of storytelling I have ever

encountered' Chris Cleave, author of The Other Hand 'Ratner is a fearless writer, and the novel explores important themes such as power, the relationship between love and guilt, and class. Most remarkably, it depicts the lives of characters forced to live in extreme circumstances, and investigates how that changes them. To read In the Shadow of the Banyan is to be left with a profound sense of being witness to a tragedy of history' Guardian 'This is an extraordinary debut ... as beautiful as it is heartbreaking' Mail on Sunday

In the Shadow of Sacrifice shows by example how to minimize the significance of life's challenges by presenting them as necessary ingredients in a strong and healthy development. The book reveals the impoverished youth of Howard Calhoun, the one quirky life-changing intervention that started his path to college, and many thoughtful, humorous, and truthful narratives that will convince the most skeptical to welcome the most difficult problems that life presents. The book challenges anyone who has ever felt overwhelmed, helpless, and threatened by life to use that energy to recognize their own excellence.

Deepak Chopra, Debbie Ford, and Marianne —New York Times bestselling authors and internationally acclaimed teachers—have joined together to share their knowledge on one of the most crucial obstacles to happiness we face—the shadow. These three luminaries, each with a signature approach, bring to light the parts of ourselves we deny but that still direct our life. For it is only when we embrace our shadow that we discover the gifts of our authentic nature. The shadow exists within all of us. It is a part of us and yet we spend most of our life running from it. But far from being scary, our dark side holds the promise of a better, more fulfilling life. Our shadow makes itself known every day. It is the reason we get furious over a friend showing up ten minutes late, yell at our parents or kids when they have done nothing wrong, and sabotage our own success at the worst possible time. Until we are able to embrace our dualistic nature, we will continue to hurt ourselves and those closest to us and fall short of our potential. Combining the wisdom of three experts, *The Shadow Effect* is a practical and profound guide to discovering the gifts of our shadow. These three authors powerfully pierce the veil of our unclaimed self, releasing us from the past and propelling us on a journey to wholeness. No longer living a half life, we are capable of achieving our dreams and reclaiming the happiness that is our birthright.

From the late nineteenth century through the post-Holocaust era, the world was divided between countries that tried to expel their Jewish populations and those that refused to let them in. The plight of these traumatized refugees inspired numerous proposals for Jewish states. Jews and Christians, authors and adventurers, politicians and playwrights, and rabbis and revolutionaries all worked to carve out autonomous Jewish territories in remote and often hostile locations across the globe. The would-be founding fathers of these imaginary Zions dispatched scientific expeditions to far-flung regions and filed reports on the dream states they planned to create. But only Israel emerged from dream to reality.

Israel's successful foundation has long obscured the fact that eminent Jewish figures, including Zionism's prophet, Theodor Herzl, seriously considered establishing enclaves beyond the Middle East. In the Shadow of Zion brings to life the amazing true stories of six exotic visions of a Jewish national home outside of the biblical land of Israel. It is the only book to detail the connections between these schemes, which in turn explain the trajectory of modern Zionism. A gripping narrative drawn from archives the world over, In the Shadow of Zion recovers the mostly forgotten history of the Jewish territorialist movement, and the stories of the fascinating but now obscure figures who championed it. Provocative, thoroughly researched, and written to appeal to a broad audience, In the Shadow of Zion offers a timely perspective on Jewish power and powerlessness. Marwin Strong should not be alive today. He died 17 years ago, and was reborn a remarkably transformed man. Marwin Strong's message is: "Achieving dreams is possible for everyone," though he admits it will not be easy. With his unique life and message, Marwin shows that moving into the light of self-fulfilling dreams and success is a choice and a journey worth making. "Born in the small, rural town of Muncie, Indiana, Marwin grew up in an inner-city neighborhood rife with poverty, drugs, violence and discrimination. After a near fatal attack by an unknown assailant, Marwin made a dramatic comeback from his former life by starting his own in-the-trenches war against drugs and violence. His experiences in the streets, and his unique speaking style due to his trauma, help him communicate with those in the community as well as those still in the drug game. With frequent frustration, but also courage and hope, Marwin shows this kind of transformation can happen to anyone. Though his experience is told from a uniquely Christian perspective, Marwin's is a story for any person, from any religion, even for those who claim no religion at all. It is a story of hope for an America ravaged by overdoses from the

opioid epidemic, suicide, homicide and depression.

Set in a changing Istanbul, this rediscovered 1940s classic from a pioneering Turkish author tells the story of a forbidden love and its consequences. Raised by her grandmother in one of the famed yalıs, elegant yet crumbling, that line the Bosphorus, Celile occupies a unique space between the old world of the Ottoman Empire and the new world of the Republic. She drifts through ten years of marriage, reserved even with her husband, never tempted to stray from the safe path of respectability. And then one night, intoxicated by a soulful tango, she is suddenly seized with a mad passion for another man, whose reckless pursuit of her should offend but doesn't. Torn between two men who want to possess her, Celile attempts to live a life true to herself, always keenly aware of the limits placed on her as a woman.
