'I don't know how to tell you what I did.' The unfinished letter is the only clue Tara and Emerson have to the reason behind Noelle's suicide. Everything they knew about Noelle—her calling as a midwife, her passion for causes, her love for her family—described a woman who embraced life. But they didn't know everything. The unaddressed letter reveals a terrible secret... and a legacy of guilt that changes everything they thought they knew about the woman who delivered their children. A legacy that will irrevocably change their own lives— and the life of a desperate stranger— forever.

The Water Dancer meets The Prophets in this spare, gripping, and beautifully rendered novel exploring love and friendship among a group of enslaved Black strivers in the mid-19th century. They call themselves the Stolen. Their owners call them captives. They are taught their captors' tongues and their beliefs but they have a language and rituals all their own. In a world that would be allegorical if it weren't saturated in harsh truths, Cato and William meet at Placid Hall, a plantation in an unspecified part of the American South. Subject to the whims of their tyrannical and eccentric captor, Cannonball Greene, they never know what harm may befall them: inhumane physical toil in the plantation's

quarry by day, a beating by night, or the sale of a loved one at any moment. It's that cruel practice—the wanton destruction of love, the belief that Black people aren't even capable of loving—that hurts the most. It hurts the reserved and stubborn William, who finds himself falling for Margaret, a small but mighty woman with self-possession beyond her years. And it hurts Cato, whose first love, Iris, was sold off with no forewarning. He now finds solace in his hearty band of friends, including William, who is like a brother; Margaret; Little Zander; and Milton, a gifted artist. There is also Pandora, with thick braids and long limbs, whose beauty calls to him. Their relationships begin to fray when a visiting minister with a mysterious past starts to fill their heads with ideas about independence. He tells them that with freedom comes the right to choose the small things—when to dine, when to begin and end work—as well as the big things, such as whom and how to love. Do they follow the preacher and pursue the unknown? Confined in a landscape marked by deceit and uncertainty, who can they trust? In an elegant work of monumental imagination that will reorient how we think of the legacy of America's shameful past, Jabari Asim presents a beautiful, powerful, and elegiac novel that examines intimacy and longing in the quarters while asking a vital question: What would happen if an enslaved person risked everything for love?

Savio Falcone has a few non-negotiable rules when it comes to girls. They need to be hot as f*ck. Spread their legs without much prompting. And leave as soon as the fun is over. Preferably minus any bitching or tears. With his easy-going bad boy attitude, a last name

For Savio to get Gemma he'd need to seal the deal and put a ring on her finger. Settling down is out of the question, no matter how hot a piece of ass waits at the altar. Gemma Bazzoli has had a crush on Savio from the first moment she came face to face with his arrogant smile, but for him she was always his best friend's annoying little sister—until her hard-earned curves catch even his attention. But Savio likes it easy, and Gemma is anything but. When she's promised to another man, Gemma resigns herself to the fact that the man she's wanted all her life, doesn't want her badly enough. Savio has to decide how much work he's willing to invest, because bending the rules in his usual style might not be enough to get the girl that haunts his wet dreams.— Can be read as a standalone—

A young New Yorker grieving his mother's death is pulled into a gritty underworld of art and wealth in this "extraordinary" and beloved Pulitzer Prize winner that "connects with the heart as well as the mind" (Stephen King, New York Times Book Review).
