

## The Story Of Bushy Squirrel And Me

The second in Arthur Scott Bailey's Sleepy-Time Tales series, this edition features 23 stories of lively little Frisky Squirrel. Frisky's adventures in meadows and forests offer wonderful glimpses of woodland life and subtle lessons about honesty, bravery, and other virtues. Includes black-and-white versions of Harry L. Smith's memorable illustrations from the original edition. Reprint of the Grosset & Dunlap, New York,

Maggie Case dedicates her first book to her four year-old son, Michael, who is quite a storyteller himself. Sammy Squirrel learns a valuable lesson about the difference between telling the truth and telling a tall tale.

"T. Ferral and Howard McAlister's Dog and Cat Rescue and Adoption Agency" has been open for one whole year! Cianan, Samantha, Josie, Ferral, and all the animals decide to have a big anniversary celebration! In the course of their celebrating by going on a float trip, the group discovers two men dumping chemicals into a river, killing fish and harming the environment. At their big party, one of their new puppies gets out of the gate and is stolen by dog nappers! A pair of birds meet and fall in love-but what happens to their nest of eggs? Attempting to solve some environmental problems leads the group to more new adventures! Will they find the culprits? Will the "bad guys" get caught? Will justice prevail? And how does it all end? Read and find out!

The Tale of Frisky Squirrel

Bushy-Tail and Hazel Squirrel

Keith Maze has inspired many people during his battle with cancer. Battle is a good way to describe it. Maze is more of a battler than a victim. Maze has always been a fan of the underdog, rooting for and helping them in any way he can. Even during the darkest days of battling the disease the talented singer organized or performed at many charity events. So who could have imagined that one of the underdogs he helped was, well, a dog? Maze found the Jack Russel named Wishbone annoying in the beginning. Between the frequent fights with another Jack Russel, and constantly dropping a plastic toy on top of Maze's shoe in an effort to get his attention, the dog was nothing more than a nuisance. But then the dog lost one of it's limbs in a tragic accident and everything changed. The two suddenly had something in common - being "Single Handed". This story will draw a tear to your eye, but have you laughing at the same time. Not only can you overcome adversity during the worst moments, you can also do it with a smile.

**Contemporary theology, argues Miller, is silent on what is unquestionably one of the most important cultural issues it faces: consumerism or "consumer culture." While there is no shortage of expressions of concern about the corrosive effects of consumerism from the standpoint of economic justice or environmental ethics, there is a surprising paucity of theoretically sophisticated works on the topic, for consumerism, argues Miller, is not just about behavioral "excesses"; rather, it is a pervasive worldview that affects our construction as persons-what motivates us, how we relate to others, to culture, and to religion. Consuming Religion surveys almost a century of scholarly literature on consumerism and the commodification of culture and charts the ways in which religious belief and practice have been transformed by the dominant consumer culture of the West. It demonstrates the significance of this seismic cultural shift for theological method, doctrine, belief, community, and theological anthropology. Like more popular texts, the book takes a critical stand against the deleterious effects of consumerism. However, its analytical complexity provides the basis for developing more sophisticated tactics for addressing these problems.**

**Squirrels didn't always have bushy tails you know! Have you ever wondered just why do they have such cosy tails to keep themselves snug and warm? This is a full colour illustrated story, a treasure hunt (find the tiny gold acorns on every page) and a colouring book containing the original artwork of all the illustrations.**

10 new and original stories with painted illustrations by Nadia Ilchuk. Imaginative stories of day-to-day adventures with human and animal characters that teach a life lesson. The story-telling is in the style of classics like The Adventures of Peter Rabbit, The Wind in the Willows or Winnie the Pooh in which animal characters have normal yet imaginative adventures, providing a vehicle for learning about community, compassion and collaboration. The elements used to craft the stories are: • normal, every-day activities into which is woven a challenge or a difficult situation. • talking animal characters engaged with human characters, involved in adventures. • lessons relating to teamwork, safety, helping others and kindness. About 2000 words per story.

Can a squirrel ever get what a squirrel wants most? The squirrel loves a particular tree ("MY tree") and is happiest sitting in its shade eating pinecones ("MY pinecones"). But then the squirrel starts worrying. What if someone else wants to claim this tree, to call it THEIRS? So, the squirrel builds a massive wall around the tree. One that no one can get over. Perfect! Only, now the squirrel can't see what's beyond the

wall. There may be a better tree out there, full of pinecones. Maybe even a whole forest of better trees ... Believe every squirrel ever: the never-ending quest for MINE is sure to drive you nuts!

After recovering from his recent gruesome battle with the Bogeyman, Squirrel Boy is called back into action and forced to face his most fearsome foe: the Squirrel Hunter. The Squirrel Hunter has been terrorising squirrels in the local park but the squirrel tail he most wants to nail to his wall is Walter's. Will Walter be able to save the rapidly depleting squirrel population and most importantly his own skin?

The Nutcracker & other stories

*Solve riddles with Squirrel as he travels to the walled city of bees, the fireless tea plantation of mice, and treacherous desert full of tricksters in this beautifully written and creative debut adventure. Squirrel never expected to be anything other than a slave: the last animal slave in Bimmau. That is, until he is invited to a high profile wedding and takes a sip of the forbidden ceremonial wine, unlocking a mysterious riddle. The riddle reveals that there is a key which has the power to grant Squirrel his freedom (and a name!), but also could enslave anyone in Bimmau. Disastrous if it falls into the wrong hands! Squirrel and his friends find themselves in a race to find Brittle's Key before the army of crows gets to him...and before the mysterious Colonel finds the key first.*

*Follow the adventures of Jackie Jinks, his cousin Cricket, Paws the cat, Rags the dog, and more of their friends in this fun collection of 20 tales. Delightful Stories for Children is an ideal book for young readers just beginning to read chapter books; it is easy enough for your child to read independently, but it is also great for reading aloud. Each of the book's chapters is a stand-alone episode, which is perfect for reading a story or two at bedtime. Many of these episodes illustrate various well-known adages, making these tidbits of wisdom accessible to even the smallest youngster. Some of these include: - Birds of a feather flock together (pg. 17) - Sweets to the sweet (pg. 37) - A friend in need is a friend indeed (pg. 50) - Love me, love my dog (pg. 80) and more! This book brings a rascally, loveable gang of kids and their pets to life for an engaging 135 pages, with full-color vintage paintings and black-and-white illustrations. Its sturdy hardcover features a cute vintage design, making it an attractive addition to any children's library. Originally published in 1920, this vibrant reproduction ensures that these stories will live on to delight yet another generation of children.*

*The Nutcracker and Other Stories is about a squirrel, Bushy Tail, and his little adventures. Bushy Tail is a squirrel, who unlike other squirrels does not know how to break open a nut. He prefers climbing trees and claims he simply does not*

*like nuts. He meets Mr. Beaver, who tells him a story about a turtle that once climbed an oak tree. Bushy Tail decides to climb the tree himself. A snake, a bunch of ants, and his mother advise him and help him connect to his true self. Read on to find out if Bushy Tail succeeds in breaking open a nut!*

### **THE ADVENTURES OF CHATTERER THE RED SQUIRREL**

Squirrel loved to brag more than just about anything else in the world. Sadly, all that bragging was a cover-up for hiding his big secret. What was his secret? Squirrel truly thought his tail was ugly and useless. When confronted by a hungry hawk, will Squirrel learn his lesson that all parts of his body are essential and important before it is too late? This story of Squirrel attempting to reject his bushy tail was inspired by hearing a Native American tale about Coyote plus the author's past weight loss efforts. See if it reminds you of any time when you might have rejected or put down any part of your body or life. About the author: Debbie Dunn has been a professional storyteller since 1989. She has also served as a teacher of at-risk teens, an anti-bullying specialist, and she taught both elementary and middle school. She now indulges her passion for anti-bullying and her love of nature, traveling, and writing as she follows the trail of at-risk animals and strives to help young people at risk, as well.

Doreen Green, age fourteen, is a little too busy wiping out crime in her suburban New Jersey neighborhood to focus on her overdue homework. That's because she also happens to be Squirrel Girl, a bushy-tailed, squirrel-powered Super Hero! After foiling the nefarious plot of an amateur Super Villain, Squirrel Girl is finally finding her groove--and group texting with the Avengers, like, all the time. Doreen, on the other hand, is still trying to navigate friendships, evil teachers, and all the pitfalls that come with middle school. (Seriously, it's complicated.) An announcement goes out that sends waves of excitement through the community: There's a new mall opening on the border of Shady Oaks and neighboring town Listless Pines, and they all get to vote on the mall's mascot! Everyone goes wild over the election . . . a little too wild, if you ask Squirrel Girl and her BHFF (Best Human Friend Forever), Ana Sofia. Soon the

two towns are at war--even the trusty Squirrel Scouts are going berserk. Is there something sinister at work in Shady Oaks? Something that has less to do with quality shopping choices and more to do with world domination? And will Squirrel Girl be able to unleash the furry paws of justice in time to save the day?

Why are squirrels always so busy? Why are they here, there, and everywhere? This is a tale that follows a squirrel's nutty adventures as he prepares for the long winter. The whimsical illustrations highlight the bushy-tailed squirrel's diet, habits and other fun facts. This is a book for everyone whether you're a parent, teacher or an early reader. It is a fun, educational and easy to read children's picture book.

Bear and Squirrel Are Friends . . . Yes, Really!

Squirrel Boy Vs. the Squirrel Hunter

Fully illustrated throughout, Beatrix Potter's famous tale of a naughty squirrel who loses his tail is as popular today as it was when it was first published over 100 years ago.

Moon Shadow is a snow-white Siberian husky who loves running in the yard and chasing squirrels. She would love to be friends with the squirrels, but they always run away. But one day after she uses her wily dog skills to chase a brown, bushy squirrel up a tree, Moon Shadow finally gets her opportunity. While perched on a branch next to Cloud the squirrel, Moon Shadow tells her she would like to be friends. But Cloud has never been friends with a dog-only other squirrels. As the husky and squirrel talk the day away, they soon discover that what once seemed impossible is not impossible at all! Moon Shadow Takes a Leap is a story about courage, acceptance of differences, and an unlikely friendship between two furry creatures.

A collection of stories, rhymes, and folk tales arranged under the themes of "The Little Child Out of Doors," "In the Nursery with Mother Goose," and "Grandmother's Fireside Tales."

The Impish Squirrel and other stories

A Book for Boys and Girls

*Grey squirrel, swish your bushy tail! This fun activity song will put a bounce in your step and a smile on your face.*

*The leaves have started to fall. The air is cold. Squirrel needs to get ready for winter. He cannot nibble with the mice. He does not have time to hop with the frogs or run with the dogs. Will this busy little squirrel ever slow down? Focusing on all the charming features of the fall season, this sweetly illustrated story features country animals, pumpkins, leaves, apples and other signs of autumn. Now available as a sturdy board book, the newly redesigned Classic Board Book logo calls out this title's seasonal theme on the front cover.*

*Yes, bears sometimes eat squirrels. But can they still be friends? Find out in this clever picture book that's perfect for preschoolers. The other bears said, "Squirrel would make a good midnight snack!" Bear said, "Squirrel's my friend. I would never eat a friend." But what happens if Bear gets really, really hungry? Squirrel has just the solution! This story about the power and bond of friendship will warm the hearts—and tickle the funny bones—of everyone who reads it.*

*Moon Shadow Takes a Leap*

*The Story of Saint Catrick*

I have personally raised many infant squirrels. Despite my knowledge of these wonderful animals, this informative book provided me with an even better understanding. Anything and everything you may want to learn about the Eastern grey squirrels and Fox squirrels can be found in this book, including diet, behavior, nesting sites, and reproduction. Once again Dr. Richard NeSmith has provided yet another easy to read book full of interesting information that will keep you engaged. After learning about some of their habits and behavior, you may notice some of them in your own backyard. --Laurie Aleixo, DVM, Fort Pierce, Florida

This book follows the historical adventures of two adorable white squirrels. A young squirrel named Swish invites the reader to listen in on Old Mr. Squirrel's tale. We learn how the white squirrels came to this country from Thailand, how they escaped from an overturned carnival truck, and how they ended up establishing a thriving colony in North Carolina.

WHO RUNS THE WORLD? SQUIRRELS! Fourteen-year-old Doreen Green moved from sunny California to the suburbs of New Jersey. She must start at a new school, make new friends, and continue to hide her tail. Yep, Doreen has the powers of...a squirrel! After failing at several attempts to find her new BFF, Doreen feels lonely and trapped, liked a caged animal. Then one day Doreen uses her extraordinary powers to stop a group of troublemakers from causing mischief in the neighborhood, and her whole life changes. Everyone at school is talking about it! Doreen contemplates becoming a full-fledged Super Hero. And thus, Squirrel Girl is born! She saves cats from trees, keeps the sidewalks clean, and dissuades vandalism. All is well until a real-life Super Villain steps out of the shadows and declares Squirrel Girl his archenemy. Can

Doreen balance being a teenager and a Super Hero? Or will she go...NUTS?

A Squirrel's Tale

Squirrelie and Maude

Movin' Over!

*An irresistible photographic story featuring wild squirrels in homemade miniature domestic settings -- taking a bath, doing laundry, and barbecuing -- will surprise and amuse readers and animal lovers of all ages! Adorable squirrels as you've never seen them! You may think you know what squirrels do all day...but Mr. Peanuts is no ordinary squirrel. Instead of climbing tress, he plays the piano. ("Moonlight Sonutta" is his favorite.) Instead of scurrying through the woods, he reads books (such as A Tail of Two Cities). But everything is more fun with company, so Mr. Peanuts writes a letter to Cousin Squirrel and invites him for a visit! Featuring candid photographs of wild squirrels in handcrafted, homemade miniature settings, this irresistible book is sure to delight readers young and old!*

*Shows how to use such children's books as "Are You My Mother?" "A Pocket for Corduroy," and Ezra Jack Keats's "The Snowy Day" as a basis for activities in writing, art, science, and math.*

*Two young squirrels, Bright-Eyes and Bushy-Tail, land with a bump and a thump on their rumps at the foot of a humongous squirrel while out playing in the park. They had a ton of questions. Grandpa Greyson had a story to tell. Join them and hear this heart-warming tale, inspired by the true story of Amos Peters and The Nutty Narrows Bridge: The very first squirrel bridge which was built in Longview, WA. This book is informational fiction. Although it is based on and inspired by a true story it does contain fictional elements.*

*Adventures in Durst Meadows*

*The Unbeatable Squirrel Girl: 2 Fuzzy, 2 Furious*

*Popular Books by Beatrix Potter : All times Bestseller Demanding Books*

Bushy-tail is a lively young squirrel faced with a dilemma, how to win the race with his brothers. How he figures it out is unique by turning a problem into an answer is the focus of this story. This book is the first of a series of twelve and is best read aloud with the parent or older person to bring a family relationship.

Life is good for Oscar Westerwit. He's the mayor of Central Park -- the greatest place on earth for the squirrels, chipmunks, mice, and other animals who live there. He's the shortstop and manager of his baseball team. What could be bad? Plenty! Big Daddy Duds, jewel thief, all-around thug, and leader of rats, is about to take over the park. And when he does, the other animals who live there will be turned out of their homes. Everyone looks to Oscar to save the day, but he may not even be able to save himself. . . .
