

## The Ties That Bind A Memoir Of Race Memory And Redemption

*Everyone has a network, and in today's interconnected world, networking happens all the time. Those who seem to attain more in life have figured out how to access and use that network. Whether you have a small, close-knit group of friends or a vast network with far-reaching influence, this book will walk you through ways to expand your influence and achieve your dreams using the network you already possess. The Ties that Bind provides strategies and ideas for anyone, from those new to networking to seasoned professionals, in an easy-to-follow, storytelling guide. Learn how to navigate the networking landscape. Find out how to make the most of existing connections. Discover how to build real, lasting relationships. Use platforms like Facebook, Twitter, and LinkedIn to build your brand and expand your reach. A good network can turn dreams into reality if used properly. The Ties that Bind will show you how.*

*Newly released from prison, Brynn Taylor is determined to find her father, a man she's never met. Her only clue to his whereabouts is an address she finds in a rare volume of Jane Austen's "Sense & Sensibility" which he inscribed to her years ago. Armed with a bus ticket, a backpack, and her grandfather's gun, her search leads her to Elk Valley, Colorado where her plans and her life begin to unravel.*

*Cameron: I had one plan. And this wasn't it. All I wanted to do was break free of the psychological chain my father wrapped around my soul. Find my independence. Until I saw him behind that counter. Tall, handsome, sarcastic. A bit odd. I wasn't supposed to feel this way for him. I wasn't supposed to feel this way for any man. And I can't start now. No matter how drawn to him I am. Jaxon: Different day, same routine. Until her. Until she walked into my store and nearly brought me to my knees. Her eyes were just as haunted as my past. But then she was gone. Now I want to take every broken piece of her and claim it, cherish it. Somehow I know she won't make it easy. But I don't give up easy, either. This book is intended for readers 18+ due to its language, strong sexual content, and dark elements.*

*One young woman is about to learn what tough love is all about. . . Thirty-three-year-old Kendra Richards just can't escape her reckless mother's endless requests for money that will never be repaid. Again and again, Kendra rescues Ginny despite the advice of her own father—a man who left Ginny and her cheating ways long ago. Kendra knows her mother is troubled—what she doesn't understand is why she can't tell her no—until she happens to meet psychologist Sam Hughes. . . Smart and sexy, Sam offers Kendra the answers—and the love and romance—she's been looking for. She's finally happy—until Ginny turns up for another handout. But this time the situation is desperate, and the stakes are higher than ever. Now, Kendra must finally decide if she's willing to lose everything for a woman who has nothing to give. Praise for the Novels of Gwynne Forster "Wise and wonderful as it points out, once again, the importance of honesty and appreciating what you have while you have it."—Publishers Weekly on A Different Kind of Blues "Touching, thought-provoking, and will make you think twice about ever keeping secrets from the one you love." —Kimberla Lawson Roby, New York Times bestselling author on If You Walked in My Shoes*

*The Ties That Bind*

**Introductions blood really thicker than water? How far does your religious and cultural history define you as a person? Can a good person do bad things for good reasons and still be a good person?When everything you've thought to be true about yourself turns out to be false, do you burn your bridges and drift along through life, or do you blaze a different path?Some secrets are better left untold. Devastated by the dying revelations of the woman he had believed to be his mother Chan Tai keung felt his privileged world tear apart, he wanted to blow the world apart in retribution. His world was Hong Kong and China. Part of that world was Ben Varley, a jaded and disillusioned expat police officer who had stayed on after Hong Kong had been reunified with China. His world was far from perfect, his life full of human errors in his fight to be true to his own conscience.When despair meets hope, two worlds collide.**

**The Civil War has ended, and the Union Pacific and Central Pacific Railroads are locked in a high-stakes competition to link the eastern states with their western counterparts. Jordana Baldwin's writing catches the attention of an eastern newspaper, and she takes on the guise of a man to report on the progress of the rail line...and to spy for the Central Pacific. She continues to correspond with Captain Rich O'Brian, who now works for the Union Pacific. When they meet again, romantic sparks fly, but Rich's past still looms between them. Will competing interests keep Jordana and Rich apart...or bring them together?**

**From deciding to hold the door for the person behind you, to resolving for whom you will cast your vote, every day we find ourselves charged with making moral decisions. What steers our choices? And how do we weigh competing priorities and moral convictions? In Inventing the Ties That Bind, Francesca Polletta shows that we do not solve these dilemmas, whether personal or political, based on self-interest alone. Instead, relationships serve as a kind of moral compass. People consider the nature of their ties to one another to know what their obligations are, and in situations that are unfamiliar, they sometimes figure out the right thing to do by imagining themselves in relationships they do not actually have. Polletta takes up a wide range of cases, from debt settlement agencies to the southern civil rights movement, revealing that our relationships and how we imagine them are at the heart of our moral lives—guiding us as we choose whom to help and how we define what it means to treat someone as our equal. In a time of growing polarization, understanding how we make sense of our ties to one another is more urgent than ever.**

**Third Sister in the Tao family, Ailin has watched her two older sisters go through the painful process of having their feet bound. In China in 1911, all the women of good families follow this ancient tradition. But Ailin loves to run away from her government and play games with her male cousins. Knowing she will never run again once her feet are bound, Ailin rebels and refuses to follow this torturous tradition. As a result, however, the family of her intended husband breaks their marriage agreement. And as she enters adolescence, Ailin finds that her family is no longer willing to support her. Chinese society leaves few options for a single woman of good family, but with a bold conviction and an indomitable spirit, Ailin is determined to forge her own destiny. Her story is a tribute to all those women whose courage created new options for the generations who came after them.**

*Ariana's comfortable Old Order Amish world is about to unravel. Will holding tightly to the cords of family keep them together—or simply tear them apart? Twenty-year-old Ariana Brenneman loves her family and the Old Ways. She has two aspirations: open a café in historic Summer Grove to help support her family's ever-expanding brood and to take any other Amish from being lured into the English life by Quill Schlabach. Five years ago Quill, along with her dear friend Frieda, ran off together, and Ariana still carries the wounds of that betrayal. When she unexpectedly encounters him, she soon realizes he has plans to help someone else she loves leave the Amish. \* Despite how things look, Quill's goal has always been to protect Ariana from anything that may hurt her, including the reasons he left. After returning to Summer Grove on another matter, he unearths secrets about Ariana and her family that she is unaware of. His love and loyalty to her beckons him to try to win her trust and help her find a way to buy the café—because when she learns the truth that connects her and a stranger named Skylar Nash, Quill knows it may upend her life forever. Ties That Bind is the first novel in the Amish of Summer Grove series.*

*"As good as we humans are at division, we're better still at connection. Ties That Bind shows this again and again."—The New York Times "A testimony to the power of narrative and vision. . . . The collection successfully fulfills its mission: to make readers feel 'more connected, awake, and alive.'" —Publishers Weekly A celebration of the relationships that bring us strength, purpose, and joy Ties That Bind honors the people who nourish and strengthen us. StoryCorps founder Dave Isay draws from ten years of the revolutionary oral history project's rich archives, collecting conversations that celebrate the power of the human bond and capture the moment at which individuals become family. Between blood relations, friends, coworkers, and neighbors, in the most trying circumstances and in the unlikelyst of places, enduring connections are formed and lives are forever changed. The stories shared in Ties That Bind reveal our need to reach out, to support, and to share life's burdens and joys. We meet two brothers, separately cast out by their parents, who reconnect and rebuild a new family around each other. We encounter unexpected joy: A gay woman reveals to her beloved granddaughter that she grew up believing that family was a happiness she would never be able to experience. We witness lifechanging friendship: An Iraq war veteran recalls his wartime bond with two local children and how his relationship with his wife helped him overcome the trauma of losing them. Against unspeakable odds, at their most desperate moments, the individuals we meet in Ties That Bind find their way to one another, discovering hope and healing. Commemorating ten years of StoryCorps, the conversations collected in Ties That Bind are a testament to the transformational power of listening. Dave Isay's latest book, Callings, published in 2016 from Penguin Press.*

*She was never supposed to walk into my club. But she didn't have looked twice at her. But I did. The criminal underworld is no place for a girl like her. One night with Katerina isn't enough, but men like me can't afford to be weak. So, I tell her to leave me behind. She does, but not before she sees something she shouldn't. When she goes into hiding, it's my duty to hunt her down. I have a job to do, and she needs to disappear for good. But four years later, Kat isn't alone anymore. And the little boy right beside her looks just like me.*

*It all started in college, in the turbulent sixties, when Randolph and Jenna became lovers. Randolph knew the moment he saw Jenna Haywood that he had to make her his. But the path to love is not an easy one. His wealthy Grandmother Julia disapproves of the match and unbeknownst to him, his brother's seemingly docile fiancée has a few plans of her own that she would like to set in motion. Betrayal and devastation lurks in unexpected places and tests the bond they believed was unbreakable. As they struggle with love and passion, secrets and lies the question is: Is love enough to help them see each other through the storms that await them ahead?*

*When there are no heroes left, it's up to the villains to save the world. Even the best swordsman is one bad day away from a corpse. It's a lesson Blademaster Jezzet Vel'urn isn't keen to learn. Chased into the Wilds by a vengeful warlord, Jezzet makes it to the free city of Chade. But instead of sanctuary all she finds are more enemies from her past. Arbitr Thornguil Darkheart is a witch hunter for the Inquisition, on a holy crusade to rid the world of heresy. He's also something else: expendable. When the God Emperor gives Thornguil an impossible task, he knows he has no choice but to venture deep into the Wilds to hunt down a fallen Arbiter. The Black Thorn is a cheat, a thief, a murderer and worse. He's best known for the killing of several Arbiters and every town in the Wilds has a WANTED poster with his name on it. Thorn knows it's often best to lie low and let the dust settle, but some jobs pay too well to pass up. As their fates converge, Jezzet, Thornguil, and the Black Thorn will need to forge an uneasy alliance in order to face their common enemy. Pick up this fantasy spaghetti western today!*

*Book Two picks up directly where book one leaves off in 1994. When Ransom Lawson met Willamina "Billy" Stanton on a deserted highway outside of Chatham, New Mexico, neither knew they were meeting their eternal soul mate. But is love enough to permanently bind two people from two vastly different lifestyles? Coming in second to a motorcycle club and the unpredictable dangers that life presents is more than Ransom thinks Billy can handle. She deserves better and he tells her so. After his heart-wrenching rejection, Billy returns west to resume her "old life" to focus on her studies, where she thrives as a theater major at a local university in Northern California.Ransom's life is too entrenched in the MC headed by his father and current club Prez, Slade Lawson. Though Ransom is the youngest of Slade's twin sons, he's grooming Ransom to one day take over as the leader of the Immortals. But does Ransom want that responsibility especially when the honor is the birthright of his older twin brother Harley, the weak, impressionable son with the darkened soul?Will Ransom and Billy find their way back to one another with all the obstacles they face, or are the pressures to conform to their family expectations and them for good? Will Harley, Fitch, and Dipper see the error in their vile ways? Is Slade ready to put his hound dog tendencies behind him? And if so, is it too late for him and Claudia? Or has an unexpected attraction she has to another sealed their marriage's fate? The gangs all back with a couple of newcomers added into the mix. BOOKS MUST BE READ IN ORDER. *WHERE THERE'S A WILL, THERE'S A WEDDING? When ruggedly sexy cowboy Zach Mahoney set foot on her beloved ranch, feisty Willa Simmons saw red. How dare her stepfather's will dictate that she, this mesmerizing stranger and his long-lost brothers all inherit the Rocking R? Infuriated at Zach's commanding ways, unnerved by his raw masculinity and secretly, scandalously drawn to his potent magnetism, Willa obstinately vowed to defy the formidable loner at every turn. But when danger loomed, his powerful broad shoulders protected her. His brotherly brood rallied around her. Her aching heart slowly awakened to the power of love.*

*Aghast, Willa began wishing that the will that had undone her,would weave the ties that bind.*

**The family is a major area of scholarly research and public debate. Many studies have explored the English family in the sixteenth and seventeenth centuries, focusing on husbands and wives, parents and children. The Ties that Bind explores in depth the other key dimension: the place of brothers and sisters in family life, and in society. Moralists urged mutual love and support between siblings, but recognized that sibling rivalry was a common and potent force. The widespread practice of primogeniture made England distinctive. The eldest son inherited most of the estate and with it, a moral obligation to advance the welfare of his brothers and sisters. The Ties that Bind explores how this operated in practice, and shows how the resentment of younger brothers and sisters made sibling relationships a heated issue in this period, in family life, in print, and also on the stage.**

**California underworld legend, Skrappy the Butcher, exposes the deepest roots, classifications, personalities, and gritty face of life in the mafia. In this masterpiece of unprecedented magnitude, the reader will learn the definition of each category in the game (mob life), and explore in graphic detail what it takes to embody and display the viciousness of California street and prison mobs. They will also see the afflictions no one will suffer if they lack the core devotion, respect, and carnivorous attitudes of the game. With descriptive stories and keen insights into the minds of all forms of members, you will journey through the belly of the devils playground (prison) and witness what no one outside of these walls ever gets to see firsthand. This book is not for the faint of heart, but also includes approaches to reach members seeking exit from the game. Tour with us amid the trenches and evils of the mob and realize reality of those lost in the system.**

**From strangers to lovers, from enemies to family, from mafia princess to . . . mafia wife? Ava Moretti is a mafia princess with a fiery personality and an aversion to doing what she's told. Nick Caponelli is next-in-line to lead the Caponelli mafia—he's used to getting exactly what he wants. When they meet by chance one night, neither has any idea they are from rival crime families. After a night of passion, they are supposed to part ways and never see each other again. But fate has bigger plans and soon Ava is faced with a decision that will change her life forever . . . for better or for worse. For fans of Rhenna Morgan, JI Shen, and JJ McAvoy, Nicole Knight's steamy, intense, and action-packed mafia romance that begins the Caponelli saga where Ava Moretti must face both her dreams and her fears as she weds boss Nick Caponelli. What comes first: love or family?**

**New York Times bestselling sensation Jayne Ann Krentz delivers the romantic story of two opposites that attract in The Ties that Bind.Shannon Raine lives in the artistic community of Mendocino, where she designs silk-screened fabrics that look like medieval illuminations. When Garth Sheridan appears on the beach outside her home, she is immediately drawn to him, convinced that the dark stranger must be a writer or an artist. But when the two meet, she realizes that nothing could be further from the truth. She has nothing in common with the San Diego businessman whose corporate world has taught him not to trust anyone. With an undeniable attraction between them, can they find a common ground in their very different lives?**

**Intimacies of friendship create vital spaces for practices of power and resistance within the histories of apartheid and colonialism. What does friendship have to do with racial difference, settler colonialism and post-apartheid South Africa? While histories of apartheid and colonialism in South Africa have often focused on the ideologies of segregation and white supremacy, Ties that Bind explores how the intimacies of friendship create vital spaces for practices of power and resistance. Combining interviews, history, poetry, visual arts, memoir and academic essay, the collection keeps alive the promise of friendship and its possibilities while investigating how affective relations are essential to the social reproduction of power. From the intimacy of personal relationships to the organising ideology of liberal colonial governance, the contributors explore the intersection of race and friendship from a kaleidoscope of viewpoints and scales. Insisting on a timeline that originates in settler colonialism, Ties that Bind uncovers the implication of anti-blackness within nonracismal, and powerfully challenges a simple reading of the Mandela moment and the rainbow nation. In the wake of countryside student protests calling for decolonisation of the university, and reignited debates around racial inequality, this timely volume insists that the history of South African politics has always already been about friendship. Written in an accessible and engaging style, Ties that Bind will interest a wide audience of scholars, students and activists, as well as general readers curious about contemporary South African debates around race and intimacy.**

**Although acceptance of difference is on the rise in America, it's the rare gay or lesbian person who has not been demeaned because of his or her sexual orientation, and this experience usually starts at home. among family members. Whether they are excluded from family love and approval, expected to accept second-class status for life, ignored by mainstream arts and entertainment, or abandoned when intervention would make all the difference, gay people are routinely subjected to forms of psychological and physical abuse unknown to many straight Americans. "Familial homophobia," as prizewinning writer and professor Sarah Schulman calls it, is a phenomenon that until now has not had a name but that is very much a part of life for the LGBT community. In the same way that Susan Brownmiller's Against Our Will transformed our understanding of rape by moving the stigma from the victim to the perpetrator, Schulman's Ties That Bind calls on us to recognize familial homophobia. She invites us to understand it not as a personal problem but a widespread cultural crisis. She challenges us to take up our responsibilities to intervene without violating families, community, and the state. With devastating examples, Schulman clarifies how abusive treatment of homosexuals at home enables abusive treatment of homosexuals in other relationships as well as in society at large. Ambitious, original, and deeply important, Schulman's book draws on her own experiences, her research, and her activism to probe this complex issue—still very much with us at the start of the twenty-first century—and to articulate a vision for a more accepting world.**

**"Everything's bigger in Texas. Even the Secrets." Rufus McKay was not always the bright shining star of the art world. He owes his reputation to the strange happenings in his childhood community, and to the generations past. The images in his paintings are memories—of his loyal friends and his quirky family, and of the harrowing murders that darkened his sunny South Texas youth. Young love, old grudges, and new beginnings abound in Nicholas Bridwell's globe-trotting debut novel. Equal parts saga and mystery, The Ties That Bind is bursting with a cast of worldly characters and Texas-size drama. First published in 1984, this book made an important and timely contribution to the development of the idea that the law is a major source of women ' s oppression. Based on research of the theory and practice of family law, it examines the way in which private law operates to sustain, reproduce and reinforce the dependence of women in the most private of spheres, namely marriage. The author focuses on the point of break down or divorce, where the economic vulnerability of women caused by marriage and the sexual division of labour ' is most clearly expressed. She points to the way in which the law, while mitigating the worst excesses of men ' s power over women in marriage, has consistently failed to tackle the economic structure of marriage and women ' s fundamental material vulnerability inside the family. She confronts various myths on divorce legislation in Britain and discusses alternative feminist proposals for tackling the problems caused by women ' s economic dependence in marriage. Although Smart writes in 1984, many of the issues she discusses retain their significance in today ' s society.**

**Luke Conside is a true-crime writer in search of a story, until the perfect subject lands in his lap: reformed gangster Joss Grand, who once ruled Brighton's underworld with his sadistic sidekick Jacky Nye. Then in 1968, Jacky was found strangled and thrown into the sea. Though Grand's alibi seems cast-iron, Luke is sure there's more to the story than meets the eye, and he convinces the criminally unrepentant cop to be interviewed for a book about his life. Soon Luke is being drawn deeper into the mystery of Jacky Nye's murder. Was Grand there that night? Is he really as reformed a character as he claims? And who was the girl in the red coat seen fleeing the murder scene? In stirring up secrets from the past, Luke may have placed himself in terrible danger... Audrey Cuff, Ed.D's novel is an all too real tale of the struggles and heartbreak faced when loved ones return from war. Follow Ashley Brown as she struggles to establish a healthy relationship with her estranged father. Her father returned from the war in Iraq, but there is something deeply wrong with Ashley's father. She has not seen him since she was five years old, and she fears him more than anything.**

**After a bomb destroys Esme's London home and kills her son, she moves to Woodcombe, her old country house in Devon, to begin the impossible task of recuperating. Soon she is drawn back into the world of espionage, and as her marriage to Richard starts to crumble, a local airman pulls her closer. Meanwhile, Lou awaits confirmation that she can relocate to Canada to be with her husband Douglas. She notices her father behaving strangely. With rumours of spies afoot, she needs to learn the truth before anyone else does. Lou and Esme still have battles to overcome as the war continues. Will Esme betray her wedding vows, or can she find her way back to Richard?**

**"In this lyrical narrative about Shoeboots, Doll, and their descendants, Tiya Miles explores the constant push and tug between family connections and racial divides. Building on meticulous and inspired historical detective work, Miles shows what it might have felt like to be a slave and reassesses the convoluted ideas about race that slavery generated and left as a legacy."—Nancy Shoemaker, author of A Strange Likeness: Becoming Red and White in Eighteenth-Century North America "Ties That Bind is a haunting and innovative book. Tiya Miles refuses to avoid or cover over the most painful aspects of the shared stories of Indians and African Americans. Instead, Miles passionately defends the need to explore history, even when the facts provided by history are not those that contemporary people want to hear."—Peggy Pascoe, author of Relations of Rescue: The Search for Female Moral Authority in the American West, 1874-1939**

**When tragedy threatens to tear her family apart, Margot Matthews discovers that her friendship with the new female pastor and her quilting sisterhood are the only things holding her together as she tries to piece back together her life.**

**"A cord of three strands is not quickly broken." —Ecclesiastes 4:12 A mother and daughter relationship is one of the most important and defining relationships in life. Just like when we braid our daughter's hair, as we raise our girls we weave three strands together: our faith and their faith, together with God's love. If we can do this well, the cords is not easily broken. In this weekly devotionals there are common themes supported by scripture, with one reading specifically for mothers, the other for daughters. Each week is intended to generate connection and conversation, with questions included to spark discussion. Topics include: Gossip Body Image, Forgiveness Contentment Relationships Purity Comparison Perfection Healthy Friendships and many more! This year long journey together will deepen your faith, and your relationship in addition to offering introspection and personal growth for women of every age.**

**Archie's first original graphic novel featuring the world of CW's Riverdale! Four interconnected stories trap each of our main characters in a unique high-stakes conflict over the course of a few pressure-cooker hours! Jughead's locked in and left behind with Moose at Stonewall Prep, Veronica is trapped with Cheryl at a nearby suburban shopping mall, Betty and Poi girls' night goes horribly avry and Archie is held hostage by a long lost relative' of Fred's who's come to town seeking payback of any and every kind. Will Archie and company even make it to sunrise? If they do, will they ever be the same again?**

**In-law relationships are among the most challenging issues a couple must face. Holidays, money management and the most trivial of squabbles can turn into major obstacles for any couple when the in-laws are involved. Many times in-law relationships can bring about the downfall of a couple. But many of the issues that cause these problems can be avoided -- even Bind...and Bind explores the life cycle of in-law relationships from all the players' point of view. Each chapter includes checklists of tips for each member of the family: parents-in-law, in-law children -- and the siblings are not ignored either! The author even includes the special issues associated with grandparents-in-law. Two basic principles are the cornerstones of law problems festers and grow, they inevitably poison a couple's relationship. And, it is primarily the couple's responsibility to handle and prevent in-law problems before their marriage is adversely affected. Sylvia Bigelsen, a marriage counselor with 25 years of experience, utilizes real case studies to illustrate various problems that couples encounter. The Ties That Bind -- look realistically at the origin of relationship difficulties -- anticipate potential problems and work on solutions before the trouble begins -- understand the way in which your family influences your assumptions and expectations of marriage and family -- work toward and expect harmonious solutions to problems -- recognize when compromise is not possible and find the problem -- realize that the source of solutions reside with you -- you can't change others, you can only change yourself. The Ties That Bind...and Bind...and Bind offers guidelines for all kinds of couples, including engaged couples, newlyweds, parents and grandparents, as well as gay and lesbian couples and couples who are living together. With practical tips and family on both sides of a couple's relationship can work toward a more harmonious life together.**

**In the 21st century, corporations have worked their way into government and, as they become increasingly more powerful, arguments about their involvement with public health have become increasingly black and white. With corporations at the center of public health and environmental issues, everything chemical or technological is good, everything natural is bad. Right and those who are independent are invariably wrong. There is diminishing common ground between the two opposed sides in these arguments. Corporate Ties that Bind is a collection of essays written by influential academic scholars, activists, and epidemiologists from around the world that scrutinize the corporate reasoning, false science and tricky industry mediate the scientific message of organizations who attack and censure independent voices. This book addresses how the growth of corporatism is destroying liberal democracy and personal choice. Whether addressing asbestos, radiation, PCBs, or vaccine regulation, the essays here address the dangers of trusting corporations and uncover the lengths to which corporations go to protect themselves. THE TIES THAT BIND is a powerful, moving saga from bestselling author Lyn Andrews. Not to be missed by readers of Kate Thompson and Donna Douglas. Tessa O'Leary is the only daughter of a family of fatherless boys. When her mother dies she's her brothers' lifeline to survival. So for Tessa the privations of war are just another battle to be fought for a young woman. Harrison is oppressed by her shopkeeper mother's snobbish expectations and it seems that the coming war could offer her an escape from her family's emotional ties - but at what cost?**

**The Ties That Bind is an emotionally riveting debut novel about the power of a mother's love and the bonds among family that, though severed, can never be fully broken. On opposite sides of the world, two lives are changed forever. One by the smallest breeze. The other by a devastating bushfire. And both by a shocking secret . . . Miami art curator Courtney Hamilton and her husband David live the perfect life until their ten-year-old son Matthew is diagnosed with leukemia. He needs a bone-marrow transplant but, with Courtney being adopted, the chances of finding a match within his family are slim. Desperate to find a donor, Courtney tracks the scattered details of her birth 15,000 kilometres away, to the remote town of Somerset in the Victorian bush. Meanwhile Jade Taylor wakes up in hospital in Somerset having survived the deadly bushfire that destroyed the family home and their beloved olive groves. Gone too are the landmarks that remind her of her mother, Asha, a woman whose repeated absences scarred her childhood. As Jade rallies her fractured family to rebuild their lives, Courtney arrives in the burnt countryside to search for her lost parents - but discovers far more . . .**
