

## The Tigers Ambush Kit Davenport Book 3

The time is now. It seems all I've ever wanted was vengeance. I did everything right: I protected my friends, I pushed myself to the limits, and I saved lives. Once upon a time, I was an internationally renowned thief known as The Fox. Nobody knew me. Nobody could catch me. Nobody but them, my men, my partners in crime. But their love for me, it's cost them dearly. Our enemies keep coming for blood. They cut me. They hurt my friends. They push and push to see what will happen. I'm Kit Davenport, and I'm going to show them what happens. This is the end. Theirs.

Jerry Thigpen's study on the history of the Combat Talon is the first effort to tell the story of this wonderfully capable machine. This weapons system has performed virtually every imaginable tactical event in the spectrum of conflict and by any measure is the most versatile C-130 derivative ever produced. First modified and sent to Southeast Asia (SEA) in 1966 to replace theater unconventional warfare (UW) assets that were limited in both lift capability and speed the Talon I quickly adapted to theater UW tasking including infiltration and resupply and psychological warfare operations into North Vietnam. After spending four years in SEA and maturing into a highly respected UW weapons system the Joint Chief of Staff (JCS) chose the Combat Talon to lead the night low-level raid on the North Vietnamese prison camp at Son Tay. Despite the outcome of the operation the Talon I cemented its reputation as the weapons system of choice for long-range clandestine operations. In the period following the Vietnam War United States Air Force (USAF) special operations gradually lost its political and financial support which was graphically demonstrated in the failed Desert One mission into Iran. Thanks to congressional supporters like Earl Hutto of Florida and Dan Daniel of Virginia funds for aircraft upgrades and military construction projects materialized to meet the ever-increasing threat to our nation. Under the leadership of such committed hard-driven officers as Brenci Uttaro Ferkes Meller and Thigpen the crew force became the most disciplined in our Air Force. It was capable of penetrating hostile airspace at night in a low-level mountainous environment covertly to execute any number of unconventional warfare missions.

At Mia's Mercy... As the leader of the Blackpaw werewolf pack, Nick Jenner had spent years protecting his people from dark outside forces. When the victim of a feral drifter turns up on Blackpaw territory, he thinks nothing of bringing her home while her attacker is hunted down and destroyed. But Jenner soon finds that nothing about his alluring new houseguest is what it seems. Mia D'Alessandro, a dark beauty with abilities she would rather forget, was mortified to find herself the victim of a man she thought she could trust. As the full moon approaches, his bite will unleash an inner wolf that can destroy her unless she bonds with a pack. But the darkness now stalking her threatens to destroy far more, including her strong, silent guardian.

*Madison Kate is a new adult/college age dark romance with enemies to lovers/hate to love themes. This is a reverse harem series, meaning the leading lady has several love interests and she doesn't have to choose between them for her happily ever after. If this isn't your cup of tea, then this isn't the series for you. ♥ FAKE is book 3 of 4 in the MADISON KATE series. The blurb below will contain spoilers for previous books, and I urge you not to read it until you've finished both HATE and LIAR. ♦♦♦ "You'll always be mine." The latest taunt from my stalker reminded me I was nothing more than a possession to my father, to the Reapers, to Archer D'Ath. Even to Kody and Steele. Princess Danvers-the prize. His wife. Archer D'Ath's wife. I hated them. They lied to me. Over and over again. I knew they lied and I hated myself for letting it happen. For believing in the fake relationships I had wanted so desperately to be real. Fake. It was all fucking fake. My stalker isn't letting me go. None of them are. Archer and his boys think they control me. My stalker wants to possess me. I'm not an idiot, I know my newest allies are using me, too. That's fine. I'll use all of them. I'll use them to take back what's mine. My life. My freedom. My name. No one owns Madison Kate Danvers.*

*One quest. One crown. One shattered heart.The Royal Trials were never meant to be easy, not even for an imposter like Rybet Waise. But nothing could have prepared her for the magical storms, mutated animals and malicious gods standing in her way.There is no time for tears, mere hours after being bathed in Prince Alexander's blood, Rybet must embark on a quest. The second trial dictates she find a missing magical artefact--Queen Ophelia's crown.Released from the overbearing confines of the royal palace, Rybet competes not only with the other remaining ladies, but also with the land itself.*

*Magic is more volatile than ever, and the gods have come out to play. Royal love interests who don't know how to share only make things harder for this dirty pond-dweller--if that's really all she is. Rybet will do whatever it takes to make it out alive, and with her heart unbroken.\*\*SEEKER is book TWO of The Royal Trials trilogy and ends with another cliffhanger\*\**

*[In this book, the author's] analysis of the effects and causes of capitalist underdevelopment in Latin America present [an] account of ... Latin American history. [The author] shows how foreign companies reaped huge profits through their operations in Latin America. He explains the politics of the Latin American bourgeoisies and their subservience to foreign powers, and how they interacted to create increasingly unequal capitalist societies in Latin America.-Back cover.*

*My quest for answers is what's led me here. Here, to the edge of civilization where shifters are free from persecution and able to live in peace. Or, at least they were until I arrived. In the aftermath of the trouble I brought, one man holds the answers I seek so desperately. Whether he will part with his secrets, that's another matter. This world is not what I always thought it to be and someone is doing their best to kill us all; when accidents continue to happen I must consider the possibility that someone I love is setting me up. With the fate of the world at stake, I must face the demons of my past or risk being consumed by them. But this time, I'm not alone. I'm Kit Davenport and this is going to leave a mark.*

More than twenty years after the ground-breaking anthology *This Bridge Called My Back* called upon feminists to envision new forms of communities and practices, Gloria E. Anzaldúa and AnaLouise Keating have painstakingly assembled a new collection of over eighty original writings that offers a bold new vision of women-of-color consciousness for the twenty-first century. Written by women and men--both "of color" and "white"--this bridge we call home will challenge readers to rethink existing categories and invent new individual and collective identities.

"Liar, liar, pants on fire." The words scrawled on the back of my newest stalker mail makes my blood run cold. I have no idea if it's the lie I know, or one that I don't. Since arriving back into Shadow Grove, I've been stalked, tormented, chased and almost killed. I've been lied to, repeatedly, by people I was growing to trust. Liar. That word haunts me. Someone knows more about my life than I do. Someone is taunting me with answers and teasing me with secrets. Am I desperate enough to fall for more deception? Archer and his boys made a huge mistake when they lied to me. They thought they could play me but they're about to learn that they've met their match. No one stabs Madison Kate and gets away with it. LIAR is a full length (448 pages, 102,978 words) college/new adult romance with enemies-to-lovers/love-hate themes. This is a reverse harem novel, meaning the main character has more than one love interest. This is book TWO of FOUR in the series.

One of the earliest road-trip novels, *Free Air* tells the story of Claire Boltwood, who travels from New York City to the Pacific Northwest by automobile. She leaves her rich, snobbish family behind and falls in love with a good, down-to-earth man.

***Well, I just can't seem to catch a break, can I? None of us saw it coming, no matter what precautions we took or how many contingencies***

***we put into play. What's the point of having all this power when everyone is out to get me? They say things are darkest before the light, and that the storm gets worse before it clears. Trust me when I say platitudes don't do a damn bit of good when you're in the middle of it. I'm Kit Davenport, and my heart is breaking.***

***Children of Yesterday: The 24th Infantry Division in the Philippines, by Jan Valtin (the pseudonym of Richard Krebs) and first published in 1946, is the story of the U.S. Army's 24th Infantry Division during its deployment to the Philippines in 1944-45. The Division took part in fierce fighting on Mindanao, Leyte, Mindoro, Luzon, and Corregidor. Children of Yesterday portrays the horrors of the often close-quarters combat in graphic detail, while also accurately portraying the bravery and camaraderie of American troops, and remains one of the best accounts of the war in the Pacific from the perspective of the front-line infantryman.***

***Six hunky, supernatural tradesmen. One sarcastic, caffeine addicted bride. A match made by fate ... or karma? My name is Arizona Smoke, and I have six husbands. Yup. Count 'em--six. Four sexy plumbers, one electric electrician ... and my last husband? Total prick. Our unconventional marriage is almost complete. All I need to do is reconcile with my first love, and rescue a man I've never met. Easy, right? As if marrying a bunch of supernatural plumbers isn't hard enough, I also have to deal with the fact that my biological father and his six wives (yeah, I have six moms, too) are still hunting us, stalking us through sex parties hosted by demons and setting traps for us in the middle of underground supernatural raves. And you thought your family was dysfunctional! All I wanted was a moment to breathe, a chance to get to know my new husbands in a way that was more than sexual--although I'm not exactly complaining about our time in the bedroom. But between my maniacal mother-in-law, some kidnapped lady-elementals, and the rich asshole I'm supposed to welcome into my new harem ... when's a girl got time for dates? Let alone planning a seven-way ... wedding that is. I'm Ari Smoke, spirit elemental, supernatural bada\*\*, and hot-as-f\*ck dragon chick. Having six hot husbands is nice ... but being hunted by evil sex demons, not so much. ELEMENTS OF RUIN is a full-length comedic paranormal, reverse harem romance. This means our leading lady has six male love interests and doesn't have to choose between them. This book is full of steamy scenes, ridiculous plumbing puns, and heaps of action, intrigue, and ... well, more puns. This is book 2 of 3.***

***WARNING: This is a sexy, steamy reverse harem paranormal romance (one girl, four guys) with loads of humor, plumber puns, and group sex. Read with a glass of wine and a smile! Four hunky, supernatural plumbers. One reluctant, slightly drunk human. A match made in heaven ... or in the bathroom, rather. My name is Arizona Smoke, and I'm the proud owner of a house haunted by my dead Gram, best friend to a cocktail dress loving werewolf, and apparent soul mate to four plumbers who also happen to be elemental dragons. Besides rippling pectorals, tattoos, and ... uh, nice, long pipes, the guys also have control of the elements. Supernatural law (whoever heard of such a thing anyway?) dictates that since I stumbled upon the guys in their alternate forms, I have to marry them. All four of them. Oh, and apparently one lousy (okay, awesome) night of sex means that I'm an elemental, too--and no amount of magical penicillin can cure this disease. All I wanted was hot running water and toilets that flushed, but now I'm dealing with monsters lurking in the sewers, supernatural politics, and four penniless (but totally hot) plumbers living in my crumbling old Victorian. I'm Ari Smoke, wine aficionado, ex-barista, and a girl who is completely out of her element. Having four hot husbands is nice ... but the death threats, not so much.***

7th Circle is the first of a new series set in Shadow Grove. Several characters cross over to the Madison Kate series but it is not necessary to read MK's story first. HADES is a contemporary new adult reverse harem series, which means the leading lady has several love interests and never has to choose in order to find her HEA. ??? Five years ago, I masterminded the infamous massacre of the Tri-state Timberwolves. The streets outside the Wolves HQ ran red with the blood of the old guard, and not one of those members loyal to my father were spared mercy. Not a single one. I let the media twist and distort the story. My new recruits eagerly proved themselves in spreading false news, in covering our tracks. To the general public, the Tri-State Timberwolves were extinct. But that couldn't have been further from the truth. We changed, we grew, we evolved and came out stronger than ever. Now, I live, eat, sleep and breathe Timberwolves. I'll do anything to keep my empire safe and thriving. To keep the people depending on me safe. So, what do I do, when it's my own weakness that places us all in danger? When I let sex cloud my judgment, and my people pay the price? Simple. Kill the distractions. I'm called Hades for a reason, after all. ??? 7th Circle is book ONE of FOUR.

In a world where habitats are constantly changing and the impact of anthropization on the environment is increasingly intense, interactions between human and wildlife are becoming more and more complex. Some species pose problems for human activities while many others need to be helped in order to continue to exist. This book follows the first volume called 'Problematic Wildlife', edited by F.M. Angelici and published by Springer in 2016, which has had considerable success with readers and critics. The volume includes 21 chapters divided into 7 parts devoted specific topics which are approached in a multidisciplinary way. There are both review chapters and specific cases, always bearing in mind the interest for an international audience. The book is useful both for scientists, wildlife specialists, conservationists, zoologists, ecologists, university students, nature managers, and for those who live in contact with wildlife and its problems, such as farmers, shepherds, hunters, urban planners, and staff of parks and nature reserves. Its ultimate goal is to offer scientific and pragmatic approaches to manage each categories of problematic species.

**Willa Knight: Dweller. Slave. Non-magical being. In Minatsol, being a dweller means that you are literally no better than dirt. In fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer village is far removed from the cities of the sols, and she won't ever be forced to present herself to them... Until one small mistake changes everything, and Willa is awarded a position to serve at Blesswood, the top sol academy in the world-a position that she definitely did not earn. Under the sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series**

**THE ROYAL TRIALS: COMPLETE SERIES is all three books in The Royal Trials trilogy as well as an EXCLUSIVE BONUS EPILOGUE SCENE. Book 1: IMPOSTER Three trials. Three weeks. Three Royal Princes. It should have been an easy task, for a skilled mercenary like Rybet Waise. Simply break into the royal palace, and rescue her friend from the executioner's block. But when Rybet accidentally qualifies for the Trials, she finds herself with little choice but to see them through. A thin veil of etiquette, elegance and glamour hides the true nature of the Trials. Behind closed doors, they are brutal and bloody, and to fail means to forfeit her life. Thrust into the limelight and forced to compete with the Kingdom's elite sweethearts, unlikely allies emerge and bonds are formed. But someone will stop at nothing to see her fail. After all, she's nothing but a dirty pond-dweller. Rybet will do whatever it takes to survive until the Golden Ball, Princes be damned. Book 2: SEEKER One quest. One crown. One shattered heart. The Royal Trials were never meant to be easy, not even for an imposter like Rybet Waise. But nothing could have prepared her for the magical storms, mutated animals and malicious gods standing in her way. There is no time for tears, mere hours after being bathed in Prince Alexander's blood, Rybet must embark on a quest. The second trial dictates she find a missing magical artefact--Queen Ophelia's crown. Released from the overbearing confines of the royal palace, Rybet competes not only with the other remaining ladies, but also with the land itself. Magic is more volatile than ever, and the gods have come out to play. Royal love interests who don't know how to share only make things harder for this dirty pond-dweller--if that's really all she is. Rybet will do whatever it takes to make it out alive, and with her heart unbroken. Book 3: HEIR A corrupt King. A murdered Queen. A missing Princess... Found. Once upon a time, The Royal Trials were a sacred ritual designed for a queen to select her king. But nothing is as it was in the kingdom of Tiech. Not since the brutal murder of beloved Queen Ophelia. The town of Ironforge revealed important secrets, but it all came at an unbearable cost. The streets run red with the blood of innocents and Rybet's heart is heavy as she returns to Lakehaven. Facing court and her mother's murderer will require more than just a brave face. She will need the skill, intellect and support of those who love her. Or what's left of them. Torn between love and duty, Rybet faces decisions she never thought she would have to make. This long lost princess will do whatever it takes to make it to the Golden Ball, even at the cost of her own happiness. \*\*PLEASE NOTE: This is a reverse harem romance, meaning the leading lady ends up with 3+ love interests and does not choose between them. I should have known my quest for vengeance would eventually be my downfall. I should have been more careful, more paranoid--but I'm glad I wasn't. Who knew that getting caught for my crimes would lead to so much happiness? But joy can be fleeting... It turns out, this battle is only just beginning. With ultimate power on the line, my faceless enemies will stop at nothing to capture me, dead or alive. I need to master my abilities, fast, or this could be the end for someone I care far too deeply about. I'm Kit Davenport and this is going to be a bumpy flight. Warning: This is a reverse harem story with sex, violence and swearing.

Betrayal has forced us on the run. Evading the very man I considered my family, the organization I once considered good. In hiding, I need to master my new power and find peace with my bonded guardian--or risk exposure. But my heart can't accept the events that led us here. I need answers. Closure. An olive branch is offered and another trap is sprung. While my relationships grow stronger by the day, new tensions arise and ghosts of my past appear. But can anyone be trusted? I'm Kit Davenport and I didn't see that one coming. Madison Kate is a new adult/college age dark romance with enemies to lovers/hate to love themes. This is a reverse harem series, meaning the leading lady has several love interests and she doesn't have to choose between them for her happily ever after. The blurb below may contain spoilers for previous books, and I urge you not to read it until you've finished HATE, LIAR and FAKE. ☐☐☐ "I never miss." Riot Night changed my life. Coming back to Shadow Grove turned it on its head. I've been hunted, stabbed, stalked, tormented, and used. Hate fueled me, lies tore me apart, and in the end everything I thought I knew turned out to be fake. Except... Riot Night also brought Archer, Kody, and Steele back into my life. No matter how much I've fought it, hated it, been lied to or discovered the deceptions-I want them in my life. No one owns me. No one is taking them away. This is my life, dammit, and these guys are mine to keep. If a war is what it takes, then a war is what they'll get.

The heart-pounding history of how Pope Pius XII -- often labeled "Hitler's Pope" -- was in fact an anti-Nazi spymaster, plotting against the Third Reich during World War II. The Vatican's silence in the face of Nazi atrocities remains one of the great controversies of our time. History has accused wartime pontiff Pius the Twelfth of complicity in the Holocaust and dubbed him "Hitler's Pope." But a key part of the story has remained untold. Pope Pius in fact ran the world's largest church, smallest state, and oldest spy service. Secretive, he sent birthday cards to Hitler -- while secretly plotting to kill him. He skimmed from church charities to pay covert couriers, and surreptitiously tape-recorded conversations with top Nazis. Under his leadership the Vatican spy ring actively plotted against the Third Reich. Told with heart-pounding suspense and drawing on secret transcripts and files by an acclaimed author, Church of Spies throws open the Vatican's doors to reveal some of the most astonishing events in the history of the papacy. Riebling reveals how the world's greatest moral institution met the greatest moral crisis in history.

I must marry Sawyer Crescent. The alternative is to be discarded by my clan. For one year, I've prepared myself for my duty. My unloving parents sent me to Japan. As an orphaned kitsune with only one tail, I'm seen as a bad omen, and this marriage is the only way I can redeem myself and be loved by my fellow foxes. The problem? Sawyer has been a bad boy in his past, and he doesn't want anything to do with me. While trying to convince him that we're both fated to be with each other, I sense a connection with two other foxes: a bad boy who has anger management issues, and Nicholas, the calm sage who fought in a war many years ago. I find out I have three true mates, Sawyer included. But this isn't as easy as it seems. Without their claim is a dark paranormal romance which features a girl and multiple men. There will be no choosing required. There are some mild moments of violence which will escalate in future books, and a heroine who suffered an abusive past.

*This lively and readable survey introduces students to key areas of the field and shows how to apply an anthropological approach to the study of contemporary world religions. Written by an experienced teacher, it covers all of the traditional topics of anthropology of religion, including definitions and theories, beliefs, symbols and language, and ritual and myth, and combines analytic and conceptual discussion with up-to-date ethnography and theory. Eller includes copious examples from religions around the world – both familiar and unfamiliar – and two mini-case studies in each chapter. He also explores classic and contemporary anthropological contributions to important but often overlooked issues such as violence and fundamentalism, morality, secularization, religion in America, and new religious movements. Introducing Anthropology of Religion demonstrates that anthropology is both relevant and essential for understanding the world we inhabit today.*
