Introduction
By Lori Perkins
It seems that everywhere you look everyone you know is talking about doing it with a vampire and/or werewolf lover. Team Edward or Jacob. Bill and Sookie. Makes you kind of feel like you're missing something if your alpha male

Download Ebook The Tigers Fang

is just a plain old alpha man. Not to worry. Fang Bangers brings you fourteen tales of love and lust redefined with every fanged and/or clawed creature imaginable-and some you probably never even thought of in quite that way before. You may ask yourself,

Download Ebook The Tigers Fang

why are we, as an American culture, suddenly so in love with these supernatural creatures? Where did all this paranormal panting come from? The answer lies in the reflection (or lack thereof) we see of ourselves. The paranormal part of the equation comes

Download Ebook The Tigers Fang

in the freedom to break the "rules" of traditional romance story telling (alpha male meets damsel/heroine, grave misunderstanding ensues to keep couple apart, but hero or heroine figures out how to fix the problem and they live happily ever after) and allows

Download Ebook The Tigers Fang

the heroine to also be an alpha, and perhaps, even kick his ass before saving it. When supernatural creatures are involved, all rules can be broken/inverted/suspended along with our disbelief. The only romance rule that continues to apply is the possibility

Download Ebook The Tigers Fang

of some sort of happily-ever-after or happy-for-now ending. Both the vampire and werewolf mythos as interpreted in American popular culture continue to be flexible and work well in partnership with the romance alpha male format. The vampire and werewolf

Download Ebook The Tigers Fang

mythos is malleable, and can therefore be adapted to the zeitgeist of the times- in the late "70s, the vampire mythos stood for the androgyny of glam and gender politics as seen in the homoerotic elements of Anne Rice's novels. In the "90s, we saw the

Download Ebook The Tigers Fang

emergence of the greedy blood-sucking vampires, which were a sign of those boom times. Buffy and Anita Blake were products of the change in gender roles of the times. Today, we find the paranormal a fluid metaphor that allows for a lot of cross-pollination of

Download Ebook The Tigers Fang

supernatural creatures. As a result, we have seen an explosion of created universes where werewolves and vampires and zombies and ghosts and shapeshifters all inhabit the same sphere (and vie for the same female, be she human or even some hybrid). It's a

Download Ebook The Tigers Fang

brave new paranormal world. This reflects our global reality. In these first years of the twenty-first century, our vampires/werewolves and creatures of the night represent that new world we are forging with new alliances among nations we never imagined and new

Download Ebook The Tigers Fang

socio/racial/sexual global politics. So, in these pages you will find traditional paranormal romances such as Elizabeth Thorne's werewolf tale in "The Best Man" and Melanie Thompson's historical vampire story in "Red Devil." And you will find taboos-a

Download Ebook The Tigers Fang

vampire who lusts after a shapeshifter in "Forbidden Pleasures" by Rebecca Leigh, or a dominant/submissive relationship between a werewolf and a fairy in Sascha Illyvich's "Jan's Punishment," and the touchingly lovely story of the last human and the last

Download Ebook The Tigers Fang

vampire in a world overtaken by zombies in Kilt Kilpatrick's "Love Bites: A Survival Guide." The possibilities are truly endless. As long as writers figure out new ways to interpret the vampire/werewolf mythos, we will continue to be gifted with

Download Ebook The Tigers Fang

compellingly relevant paranormal fiction. I hope that's what Fang Bangers brings to you. Lori Perkins July 9, 2010 Forbidden Pleasures By Rebecca Leigh Even from the great distance between them, Marcus Valiant could smell her blood. The wind

Download Ebook The Tigers Fang

whipped wildly around his body. His long blond hair thrashed against his face and shoulders and his black trench coat beat violently against his legs. Despite the ferocity of the passing storm, Marcus stood motionless, stalwart against the tempest. There was

Download Ebook The Tigers Fang

no doubt he could withstand the forces of Mother Nature. But Marcus was doubtful he could withstand the allure of Juliet Jackson much longer. The scent of her blood was the most enticing aroma he'd encountered in over seven hundred years. Her blood

Download Ebook The Tigers Fang

called to him; it enslaved him. From his vantage point at the summit of the mountain, he could see her. She stalked the night, like him, a predator seeking her prey. She moved with erotic grace through the thick overgrowth of the forest below him, weaving in and out

Download Ebook The Tigers Fang

of the trees, silent and agile. Like the rest of her kind, Juliet only hunted at night. Choosing to feed under the cloak of the protective darkness. Marcus had come here to find sanctuary on this lonely cliff, unaware that tonight this would be her chosen hunting

Download Ebook The Tigers Fang

ground. Damn the coincidence. He watched as she hid behind an outcropping of rock on the side of the mountain, concealed from the view, invisible to her prey. But she was not invisible to Marcus. He could always see her, always find her. Her scent was

Download Ebook The Tigers Fang

too powerful for him to ignore. He felt himself lurch forward as she stalked her prey, following the wild boar deeper into the cover of the jungle. She closed in on the creature quickly, making no sound, even when her paws contacted with the dried leaves and

Download Ebook The Tigers Fang

twigs of the underbrush. Marcus watched as she pounced and sank her teeth ruthlessly into the animal's neck. He tensed when the creature squirmed and weakened under Juliet's grip. He moaned when she bit the boar's throat, tearing at the meat, blood pouring

Download Ebook The Tigers Fang

freely into her mouth. The frenzied spectacle nearly brought Marcus to orgasm. He felt his cock pulse inside his skin-tight jeans. He threw his head back and growled. He wanted to taste Juliet. He needed to drink from her. But he also craved more than her

Download Ebook The Tigers Fang

blood. Much more. Marcus longed to thrust his cock deep inside her; hear her scream in delight as he massaged her clit and made her come. Marcus needed to possess her, to take her as his mate. Her kill complete, Juliet moved once again through the dark forest.

Download Ebook The Tigers Fang

Marcus continued his vigil. Each time she would pass from beneath the tangled canopy, her silver hair would catch the light of the full moon and shine in the dark night. Her beauty was unsurpassed. Her power inescapable. Her appeal undeniable. Marcus could

Download Ebook The Tigers Fang

think of nothing more tempting than a female silver panther, hot and wet from her most recent slaughter. The moon's glow reflected in his dark eyes, signaling his hunger. His passion. At the mere sight of her, his mouth watered and his loins

Download Ebook The Tigers Fang

pulsed. Forbidden. Juliet was forbidden to him. Centuries of law stood between him and the only woman he'd ever wanted with this much intensity. The elder vampires did not take kindly to disobedience, especially defiance of one of their most sacred laws: Never

Download Ebook The Tigers Fang

mate with a shifter. If any of his kind was found to have violated the law, the punishment was immediate. Execution. He'd known others that had suffered the fate of being strung out upon a cross and left alone to face the rising sun. But even the fear of death could

Download Ebook The Tigers Fang

not compete with the passion welling inside Marcus as he watched Juliet disappear into the distance. He breathed deeply, one last smell of her forbidden fragrance before taking flight. He could no longer deny his desire. He would have Juliet as his lover, law be

Download Ebook The Tigers Fang

damned. He knew where she would go after her kill. Juliet had a predictable routine, one he'd memorized in his obsession to learn everything about the woman who had ensnared his every thought. Even before he realized she was a shifter, before he knew she was

Download Ebook The Tigers Fang

forbidden, he'd been unable to get enough of her. He'd kept an eye on her, learned her every move. Tonight was Friday. So Juliet, the woman, was on her way to the Overstreet Bar. It was the only pub open to non-humans in this small town nestled at the foot of

Download Ebook The Tigers Fang

the Rockies. Panthers rarely traveled in their shifted form, so Marcus was able to get to the bar much more quickly than Juliet. He found a table

feel that the process should be an intermittent walk from one area to the next, like how a moving essay is extracted from a grand narrative—this is therefore the second principle of designing gardens: the form may disperse but

offer. Garden of Mirrored Flowers is hence a psychodrama of an even higher class. Therefore, we should be able to understand the third principle for the construction of the park easily: the world's experiential center." Fang's novel tells the story

Howard (January 22, 1906 - June 11, 1936) was an American author who wrote pulp fiction in a diverse range of genres. He is well known for his character Conan the Barbarian and is

Download Ebook The Tigers Fang

regarded as the father of the sword and sorcery subgenre. Howard was born and raised in the state of Texas. He spent most of his life in the town of Cross Plains with some time spent in nearby

Download Ebook The Tigers Fang

Brownwood. A bookish and intellectual child, he was also a fan of boxing and spent some time in his late teens bodybuilding, eventually taking up amateur boxing. From the

Download Ebook The Tigers Fang

age of nine he dreamed of becoming a writer of adventure fiction but did not have real success until he was 23. Thereafter, until his death at the age of 30 by suicide, Howard's writings

Download Ebook The Tigers Fang

were published in a wide selection of magazines, journals, and newspapers, and he had become successful in several genres. Although a Conan novel was nearly published into a book

Download Ebook The Tigers Fang

in 1934, his stories never appeared in book form during his lifetime. The main outlet for his stories was in the pulp magazine Weird Tales. Howard's suicide and the

**circumstances surrounding
it have led to varied
speculation about his mental
health. His mother had been
ill with tuberculosis his
entire life, and upon
learning that she had**

entered a coma from which she was not expected to wake, he walked out to his car and shot himself in the head. In the pages of the Depression-era pulp magazine *Weird Tales*,

Download Ebook The Tigers Fang

Howard created Conan the Barbarian, a character whose cultural impact has been compared to such icons as Tarzan, Count Dracula, Sherlock Holmes, Batman, and James Bond. With Conan

Download Ebook The Tigers Fang

and his other heroes, Howard created the genre now known as sword and sorcery, spawning many imitators and giving him a large influence in the fantasy field. Howard

Download Ebook The Tigers Fang

remains a highly read author, with his best works still reprinted. Howard spent his late teens working odd jobs around Cross Plains; all of which he hated. In 1924, Howard returned to

Download Ebook The Tigers Fang

Brownwood to take a stenography course at Howard Payne College, this time boarding with his friend Lindsey Tyson instead of his mother. Howard would have preferred a literary

Download Ebook The Tigers Fang

course but was not allowed to take one for some reason. Biographer Mark Finn suggests that his father refused to pay for such a non-vocational education. In the week of Thanksgiving that

Download Ebook The Tigers Fang

year, and after years of rejection slips and near acceptances, he finally sold a short caveman tale titled "Spear and Fang," which netted him the sum of \$16 and introduced him to the

Download Ebook The Tigers Fang

readers of a struggling pulp called Weird Tales. Now that his career in fiction had begun, Howard dropped out of Howard Payne College at the end of the semester and returned to Cross Plains.

Download Ebook The Tigers Fang

Shortly afterwards, he received notice that another story, "The Hyena," had been accepted by Weird Tales. During the same period, Howard made his first attempt to write a novel, a

Download Ebook The Tigers Fang

loosely autobiographical book modeled on Jack London's Martin Eden and titled Post Oaks & Sand Roughs. The book was otherwise of middling quality and was never

Download Ebook The Tigers Fang

published in the author's lifetime but it is of interest to Howard scholars for the personal information it contains. Howard's alter ego in this novel is Steve Costigan, a name he would

use more than once in the future. The novel was finished in 1928 but not published until long after his death.
