If You Plant a Seed

This story about a reluctant seedling packs a powerful message about the benefits of being different. It's early spring and below the earth's surface seeds are just starting to sprout. One by one they stretch through the dirt and towards

from the one left
behind. But the little
seedling persists,
twisting and turning
until, with the help of
bird and insect
friends, it finds its
own place to grow and
blossom. In the end,
this little seed turns
into a flower that's just
