The Ultimate Guide to Pregnancy for Lesbians covers everything you need to make the thrilling and challenging journey to motherhood: from choosing a donor to tracking fertility to signing the right papers on the dotted lines. Rachel Pepper's lively, easy-to-read guide is the first place to go for up-to-date information and sage advice on everything from sex in the sixth month to negotiating family roles. Why a second edition? When the acclaimed first edition appeared, the author's daughter was only a few months old and has developed over the intervening six years, as well as the evolving legal status of lesbian parents, and the increasing importance of the Internet for information on fertility, sperm banks, and donors. The resource section is greatly expanded, as are the sections on each trimester of pregnancy, on childbirth, and on life with a newborn. And Pepper provides more insight into preconception planning for both single lesbians and couples. An indispensable resource, The Ultimate Guide to Pregnancy for Lesbians is now bigger! "National Bestseller" "This is a funny and beautiful book. What a little basterd." --Russell Brand "Every paragraph is like doing a shot with a friend. A double." --Caitlin Moran Joel Golby's writing for Vice and The Guardian, with its wry observation and naked self-reflection, has brought him a wide and devoted following. Now, in his first book, he presents a blistering collection of new and newly expanded essays—including the achingly funny viral hit "Things You Only Know When Both Your Parents Are Dead." In these pages bystander at a camel pageant, offers a survival guide for the modern dinner party (i.e. how to tactfully escape at the first sign of an adult board game), and gets pitted head-to-head, again and again, with an unpredictable, unipitying subspecies of Londoner: the landlord. Through it all, he shows that no matter how cruel the misfortune, how absurd the circumstance, there's always the soft punch of a lesson tucked within. This is a book for anyone who overshares, overthinks, has ever felt lost or confused—and who GET THE LOVE YOU WANT FROM THE GUY YOU WANT She walks into a room and heads turn. Conversations stop. Drinks spill. The man you've been trying to talk to all night suddenly excuses himself. You hope she'll break a stiletto. Don't hate her. Become her. What would you rather do-have a strategy to win the guy you want, or sit at the bar all night and wait for him to come to you? Arden Leigh schools women in the art of getting their desires, offering you effective tips for attracting him, mesmerizing him, and controlling him.

•Why being sexy shouldn't be your only weapon •Why waiting for him to approach you is one of the worst things you can do •Why you should always do more at the party than have fun •How Facebook, Twitter, and texting can help you or hurt you The New Rules of Attraction gives you the tools to create lasting attraction with the kind of men you want in your life. "People have been using their mouths to stimulate each other sexually for about as long as there have been people. How about kissing each other? Men have been kissing women on their necks, ears, breasts, backs, thighs, and any where else they can think of that'll arouse them sexually ever since they found out it works. It didn't take long for some enterprising man to find out that kissing a woman's vulva worked, did it ever. The Latin word cunnilingus was coined to describe licking the vulva. Men were not alone in woman found out that men liked for her to suck their penis. It worked just as well. The Latin word fellatio was coined to describe sucking the penis. Sucking Him - A Woman's Guide To Giving Head (+50 Tips & Techniques To Pleasure Your Man) Grab this GREAT physical book now at a limited time discounted price! Let's face it... Men love blowjob! The act of a beautiful feminine woman kneeling below a man while she sucks on his sacred sexual member with pure passion and joy is an absolute dream for most men. A woman that knows what she is doing while performing fellatio is able to connect with her man on a far deeper level. She can make her grown man moan, beg, and shake at his knees, all at the expense of the tricks she can perform with her mouth, tongue, and hands. A blowjob for a man is the ultimate expression of love. Having the woman of his dreams caress his genitals to the point of an intimate, sensual and mind-blowing ejaculation, is a feeling that is beyond words for any man to describe. Unfortunately, for many men, it can often be difficult to find a woman who is internally "strong" enough with a high enough level of "self-confidence" that enables her to feel comfortable performing fellatio, which many people view as a "vulnerable" act on the woman's part. A lot of women will not even perform oral sex on their partners, for various reasons; they consider it taboo, lack the confidence, fear of putting genitals in their mouth, religious reasons, etc. And for those women that are confident and comfortable giving blowjobs, unfortunately the majority have no idea what they are doing, and they don't even realize it! This is a huge problem! Not just for men that are excluded from receiving this incredible sensual experience, but also for women. Women may have trouble connecting on a deeper level with their partner, because of their insecurities around performing fellatio, or in most cases, they lack the skills to give their partner a truly enjoyable, mind-blowing blowjob. I believe this is a result of our poor sexual education in schooling systems, and the way that sex and various sexual acts are portrayed by our media, religion(s) and culture(s). Because of these negative factors, most women do not bother to further improve their oral sex skills or partake in the act at all! In this book, I will teach you how to "master" the art of fellatio. You will learn techniques that your man has never experienced from any other woman before. You will learn tricks outside the physical act of just the blowjob, such as; how to tease your man, and how to create a sexy, seductive build up to make him desperately need you! These acts alone will have your man on his hands and knees literally begging you for your blowjob while he tries to keep his erect penis hidden in his pants. Here Is What You'll Learn About... How Giving A Blowjob Leads To Better Sex Why Blowjobs Are The Ultimate Expression Of Love For Men Where And How To Touch Him Learn About His Penis And His Most Sensitive Areas For Pleasure Teasing Him Before The Blowjob 50 Techniques & Tips To Give Him The Best Sensual Blowjob He Has Never Had Learn The Art Of The Tantric Blowjob Experience How To Literally Make Him Cum Harder (Produce More Semen During Ejaculation) Than Ever Before! (And, yes, foreplay IS sex!) The Ultimate Guide to Seduction & Foreplay teaches readers how to tune into their own desires, become better communicators, and ultimately be more confident, passionate, and attentive lovers. Inspired by fantasies of seduction, Marla and Jess take you on a journey of sexual exploration and help you understand the many factors that add to or inhibit arousal and pleasure on psychological, sociological, and sexological levels. Readers gain a deeper understanding of their own sexual needs and the foundations for greater compatibility and connection. As you explore your own learning and seduction styles (and your lover's), you'll discover and experiment with new and exciting ways to stimulate arousal and deepen intimacy: verbal, emotional, and digital seduction, foreplay, eroticizing daily actions, games, fantasy play, mindfulness, and more. Packed with practical exercises, techniques, and creative ideas — especially for busy couples — this inclusive guide is a surefire way for folks of all genders to master the art of seduction. You don't have to be a rockstar in (or out of) the sack each time you have sex, but this book will help you approach your lovers with the confidence and comfort you deserve! Whether you are adding to your repertoire for later or striving to please your current lover, you'll discover thrilling new pathways to pleasure and intimacy.
